

# Group Rituals. Reversing Curses of torah. Information

A few things...

Everyone who has been participating in group rituals, and those of you who are interested in doing so, please check these groups at least once a week from now on. I know there are those of you who are busy and do not always have time, but try to check the JoS Newsletter, which is not too cluttered with messages, as I will be posting some very important rituals. These rituals will be easy, short, powerful and to the point. I will be writing them under Lilith's direction.

<https://groups.yahoo.com/neo/groups/JoSNewsletter/info>

and/or

<http://josministries.prophpb.com/>

We are looking to the Vernal Equinox/Spring Solstice as well. The focus of these rituals will be reversing bible curses and related. Yes, this can be done. Lilith is overseeing this project, and working with certain JoS ministry. This will not be a one shot deal, as there may be quite a few, but they will be simple and powerful. Just make sure you put aside time on these important Satanic Holidays to do the working.

Also, as I wrote of before concerning formal rituals, "invoking the Powers of Hell" translates into empowering your soul before a ritual. This can even be done through a hatha yoga session, but most commonly through vibrating the aspects of your soul as with the RAUM meditation.

[http://see\\_the\\_truth.webs.com/Raum\\_Meditation.htm](http://see_the_truth.webs.com/Raum_Meditation.htm)

The most important thing is that you feel the energy of your soul. Altars and props are not necessary, unless this is something you personally enjoy, as they are nice, but again, they are only props and not necessary for any workings. Do not feel you cannot carry out a working or participate because you do not have any props. All you really need is your body and soul, and most important, the intent

and the focus of your mind, and of course a place where you will not be disturbed during the working.

The conspiracy of the bible is mind-blowing to say the least. As I posted a few days ago, this is no "work of God," but a work of human beings who had extensive occult knowledge. The Christian churches are crumbling. Israel is facing boycotts and crisis and the enemy as a whole has been weakened. We cannot turn our backs or let our offence down for a minute. In the meantime, keep working to destroy the Christian bulwark. Discreetly distribute anti-tracts for one [always use very short phrases that make impact for certain audiences such as "God and the Devil are backwards" [exposingchristianity.com](http://exposingchristianity.com) Keep everything simple, short and to the point. Wake people up. Put up websites. Put up youtube videos, make copies of materials freely available on Satan's Library website for those you know that are interested but do not have internet. Many countries have strict censorship of the internet and also many people living therein do not have access. Do whatever you are able to do and work discreetly.

[http://spiritualwarfare666.webs.com/Satans\\_Library.htm](http://spiritualwarfare666.webs.com/Satans_Library.htm)

Above all, ask for guidance from Satan. You do not have to be adept at telepathic communication for this. Even those who are new. Just open your mind to be aware of opportunities, ideas and gut feelings.

IMPORTANT! RE: THE RAUM MEDITATION FOR THE RITUAL:

If you are inexperienced with meditation, then do the meditation with only half the number of repetitions given; 6 or 7, then 20 for the IO. If you are totally new, please read this before meditating.

Here are some answers to questions that were posted in the different groups. I am posting them here for everyone:

The ritual will be performed once. One time only. This ritual is an opening though, in beginning a series of rituals. We will be reversing biblical curses.

Special thanks to Satan and Lilith. Without their directly working with me, this would have never been possible. Be sure to acknowledge Satan and Lilith, as they made this ritual possible. Please let them know your gratitude.

I worked brutally hard, yes, but they helped me through it. This was the most difficult and grueling work I have ever done to date. The language is ancient Hebrew. I had to learn this enough to know the letters, how to pronounce them and to reverse them, as they must be vibrated in reverse. The entire line of words must be vibrated backwards in Hebrew.

Without both Satan and Lilith working directly with me on this, for several days and many hours straight, this would never have been possible. I took the verse right out of a Jewish torah. BTW- I noted during this [I had to do endless research to try to get the pronunciations correct, Lilith said it is not 100%, but what I have will definitely work], that the Jews have a different torah that they themselves normally use, and a different one designed for Christians who can read Hebrew and this is also with Jewish writings. In addition, as most of you know, regarding the intelligence level of most Christians; the level of outright stupidity is profound. I had to do a lot of online research, and also offline for this and it is no wonder how Christians are so easily deceived. I mean stupidity to the extreme. Lilith got me a copy of a Jewish used torah, not the one for the Christians who can read Hebrew. I will be using this in forthcoming rituals. I also stated before, the Jews use Hebrew because very few Gentiles can read and understand it. I have seen repeatedly, both in Hollywood movies and also when doing research, youtube, etc., different sources, where some Christian or even law enforcement will go to a rabbi to ask what this and that means in Hebrew. Think that rabbi is going to give it to them straight? The key is to learn it.

Also, for those of you who have doubts concerning Satan's intentions, if they did not care for us or had any "evil" intentions, they would not be helping humanity. By removing these curses, we will finally get out from under, be free, and have a future without needless suffering. BTW- this working was the most difficult for me in the way of obstacles and brutal hard work, the enemy fought me incessantly through psychic attack, but all this did was make me all the more determined. This is hitting the enemy right in the heart so to speak. What is really humorous is when the enemy spirits go from outright attacks to where they know they are defeated and then they attempt other means, like pleading. When they begin to plead, this is very, very rewarding.

More of these rituals will be forthcoming, as we will be undoing all of the biblical curses aimed at Gentiles. Unless we disarm the enemy at the root, their torah, we will never be able to beat them. The torah is their power. It is the root and the source of their power and control over the Gentile world. From Haman to Hitler, many, many Gentiles have tried to bring justice down upon the Jews, but have failed. They have failed because they were unaware that the Jews must be attacked spiritually. BTW- the Talmud is a rabbinical commentary. Their real power is in their torah.

Question:

I usually Vibrate the RAUM Mantra on my middle chakras. Should I vibrate RAUM on my spinal chakras instead >to fully maximize my energies for this ritual?

Thanks.

Answer:

No. The main reason for the RAUM meditation is to raise your powers. As long as what you are doing is working to raise your powers, you are fine in doing it.

---

Question:

Just curious... is it Sanskrit? If not, may I ask what language it is? Looks almost like ancient Egyptian!

Answer:

No, it is Hebrew, straight from their torah and the words and entire verse are reversed.

---

Question:

Hello everyone, much preparation ahead of this ritual, more then excited ( but searoius) to be apart of this. I would just like to add a quick tip for anyone new enough that may be concerned about a Satanic Rosary. I've seen among other sites and groups a concern for not having one. I my self have not yet crafted or concecrated one to my likeing as I enjoy the asthetic aspect of this. But don't

worry if you don't have one your self. An easy way to keep track of 108 vibrations I found was to utilize a couple of old decks of playing cards I had laying around the house, I counted out 108. Then concentrated the new 108 deck. Begin your vibrations, and simply without thought lay down a card in front of you until there are no more cards in the hand holding the deck. Simple and inexpensive. I even painted them black and in red and blue alternations Satan's sigil. Anyway thought I would add this post. I remember I felt once concerned for not having a Rosary, but I got creative . Btw I plan to fashion a real one with my own crafted beads, just have found the deck method easy for now until I have the exact materiel I want.

HAIL SATAN!!!.

Answer:

Thank you for bringing this up. I finished with the ritual early this morning, after working on it for days and days and many hours straight. It was grueling to say the least and I want to make sure you all know- both Satan and Lilith helped me and made this possible. The credit goes to them. Without them, this would have been impossible.

I was very tired this morning when I posted this. I apologize for errors, such as not clarifying for new people regarding how to do the RAUM meditation. I also forgot to add that having a Satanic Rosary is not necessary. The reason for the rosary is that it is a help in being able to focus on the vibrations without having to keep track of the numbers of vibrations. Anything can work, even your fingers if necessary.

Question:

---In JoyofSatan666@yahoogroups.com, <tjs4satan@...> wrote :

How long are we supposed to do this ritual? Is it a forty day working or longer? Length doesn't matter to me, I would just like to know.

One other thing, my wife is very new to this, she recently dedicated not to long ago. Should she do this? If so, she has issues vibrating, could she vibrate these in her head?

Thank you Hail Satan!! Hail Lililth!! Hail all Gods of Duat!!

Answer:

The words do not have to be vibrated in the way as we do in our normal workings. Just vibrate them the way I have on the mp3. In other words, say them slowly and with intent.

---

Question:

Can newbies do this? Or no because of the RAUM meditation will be too much for them? If no, I was wondering if they could do the ritual to send energy to Satan and Lilith instead... I know some newbies who would like to join... Hail Satan and All The Mighty Gods of Duat!!

Answer:

Yes, Newbies can do this. It is important that everyone who is able to, to participate in this ritual. Energy can also be raised and sent.

---

Question:

Posted by: "Zayd" zkillerofhearts05

I'm kind of new to all this. I dedicated myself to Father about a year ago but I started doing meditations a few weeks back. Can I also perform this ritual? Thanks!

Hail Satan!

Answer: Yes.

---

Question:

Posted by: teo4ss666 I have been dedicated a little under a month, and sadly cannot vibrate. My fiancée however has been dedicated about 2 years and can vibrate, however, he mentioned to me that I could do it in my head, is that accurate? Which leads me to my next question, you had mentioned that the meditation is very powerful and should only be done by experienced meditators, does this mean I can not participate? Or is there another way around this?

Answer:

Just do the RAUM meditation for half or even less of the repetitions. Instead of doing the entire 13 reps, do 6 or 7, and then do 20 for the IO. If this is too difficult, you can skip it. As I already mentioned in the above, just follow along on the mp3. The words only need be stated slowly. They do not need to be drawn out in a long vibration.

Ritual and Moon - Please Read, Do Not Assume!

(About one ritual that had its time combined with Void of Course Moon)

Many of you have already finished the ritual. For those of you who haven't, the Moon will go void today-

BUT, because this is a group ritual and many others (in the other sides of the world) have already performed it and the ritual was begun at the correct time I regards to the planets, even if you are late and perform the ritual after the Moon has gone void today, the void Moon will have no effect. This ritual is a group effort and has already been started.

If you can only do it after the Moon goes void, no problem. Just make sure you do it as this is extremely important. Satan wants everyone to do this ritual.

Some Rituals can be done more than once:

On 27.06.2014:

[About ritual 29 jun 2014]:

This ritual is for 29 june, but I encourage everyone do it as often as you like, as it's a very powerful curse of the enemy. This ritual may be done as often as you like, and is a very good cathartic when you feel anger and hatred towards the enemy.

New meditation was given by Gods to raise powers before rituals.

Please perform the 666 meditation to raise your powers before performing the ritual. The vibrations for the 666 meditation are also included in the mp3 for the 2015 Sumer Solstice Ritual:

<http://www.exposingcommunism.com/6%2021%2015%20Ritual.mp3>

Please be warned, if you are new to meditation, the meditation below is very powerful. You will feel your soul. This is nothing to be concerned about. Satanism is very spiritual. The 666 meditation is more powerful than the RAUM meditation that we performed in the past before these rituals. Lilith instructed with the 666 meditation and told me she wants more power generated.

666 Meditation:

1. Vibrate VUUUUU into your solar chakra 6 times.
2. Vibrate VAAHHHH into your heart chakra 6 times
3. Vibrate VOOHHHHH into your 6th chakra 6 times.

If you are uncomfortable with too much energy AFTER the ritual is finished, ask your Guardian Demon or call on Satan to take the energies.

Question:

Clarification on something from advanced SS please or, possibly one if the HP.

Does doing the reverse torah workings multiple times a day negate them?

Thank you, in advance.

Answer (August 20, 2015):

You can do them as often as you wish. The more the better. I am now working on doing reverse torah rituals for the entire year. Yom Kippur, the Jewish New Year is soon coming up and we will then follow behind them in reversing their readings for a year- the key ones and curses against us. The reverse torah rituals have the most power.

Never forget this- nearly everything has its origins on the astral. Everything you see in front of you was once someone's idea. Every rebellion and revolt against tyranny... and any war where the populace was actively involved such as the American Revolution had its origins in the minds of the populace before any action against the oppressors took place. This is why it is so important to reach as many people as you can online. Action in the physical world nearly always takes place last: 1. astral... 2. ideas/the mind... 3. physical action in the material world.

Also, the full ritual is not necessary. Just vibrating the words backwards, as they are given in the rituals is enough to send out the proper vibrations to erase and to destroy.

October 8 2015

I will keep checking into the groups and try to answer questions. These answers also will apply to the future rituals we will be doing. I will be posting more reverse torah rituals frequently, usually weekly, as the enemy reads their curses around the world from their torah on a weekly basis. We are following from behind and reversing them.

Question: It's not necessary to do the invocation?

Answer: No, you don't have to do the invocation unless you want to. These rituals are so important that I have made them to be as easy to do as possible, yet effective. I also designed the rituals so that they can be repeated often and easily.

Question: And by "you can begin this ritual at any time," does that include void moon?

Answer: Yes. Certain projects and workings should not be started at the time of a void moon. This working was not STARTED at the time of a void moon. Many people have done this already. Like I already stated, it can be done at ANY time. The more you do it, the better. The working was posted when the Moon was in Leo and far from void. People started doing the ritual long before the moon went void, so this working is fine. When the working as a whole is started is the key, not individuals starting the working on their own. This can be done at ANY time.

Question: Hi some questions for ritual.

Is there some easy and powerful raising meditation for those who are low- level? I've tried 666 meditations, Raum IO EA and I just don't know how I have to feel

when my energies are raised

Answer: Don't worry. Do the ritual anyway. When a powerful group ritual is done like this, the energy is like a giant vortex and includes everyone doing the ritual, even if you can't feel it. Keep consistent on your meditations and you will feel your energies in time.

If you pay attention between the lines the Jews are planning to pull a world economic collapse next year. The Jews are planning to take down the global economy and force everyone onto a world currency controlled by the kike IMF. This is where the microchip will come in, martial law will be declared and that and the desperation will move to this. Problem, reaction, solution. This will be the start of official World Jewish Government.

<http://www.youtube.com/watch?v=6h4-j9Jsja8>

The rituals we are doing now can save us all from this. The entire Jew World Order is falling apart at the seams. We can't stop this crash from happening its a tidal wave. But we can change the direction of what comes out of it. Just like in Germany when the Jews pulled the international depression off as the prelude to Jewish World Take Over by Communism. What happened was Adolf Hitler and the Nationalist Socialist Party and the Third Reich. Which saved us from this. If we legally work now we can create a win for humanity and the planet. The kikes are making their last great gamble for world power. Hitler fought the Alamo of free humanity. Its our turn to make sure we have future and make good on everything those before gave in the struggle for the liberation of all mankind. What kind of a world do you want to live in, now is the time to decide.

On 03.12.2014:

[An answer regarding ritual 6-20 dec 2014, but it applies to all group rituals that are to be done more than once and/or as often as possible]:

Something for people to consider when thinking on how many times or time in general on this ritual.....

"Goyim were born only to serve us Jews. Without that, they have no place in the world – only to serve the People of Israel. That's why he - the gentile - gets a long life, to work well for the Jew. Why are gentiles needed? They will work, they will plow, they will reap. We Jews will sit like a effendi (master) and eat. That is why gentiles were created."

Rabbi Ovadia Yosef - October 2010

If you don't take part your agreeing with the above Jew. If you do take part the more you do of the ritual the more your making sure this does not happen.
