

# DEPROGRAM FROM THE JEWISH PROGRAMMINGS AGAINST WEALTH

The jews have launched a barrage of infinite spells, mental programs, TV programs, and everything else imaginable to keep the Gentiles broken financially.

The meditations, cleaning, hypnosis, and other methods the JoS provides FREE OF CHARGE FOR ALL GENTILES IN THIS WORLD are here to help you out of this tremendous attack that is bound to KILL YOU and kill everyone in our civilization while the jews walk away with the robbed things that WE HAVE CREATED AND LABORED FOR.

You do not understand how important that is, but I do. While many of you whine, I have lived in true poverty where you cannot have essentials. At this rate, you are nothing and you are closing in to your death.

I have likewise seen riches that most have not, and therefore, knowing the two sides of the coin, I have to tell you that the jews have done a most deplorable crime against life and Gentiles.

A lot of why we allow invasion in our lands, the stealing of our resources, allow them to take CONTROL and therefore DECIDE, is because of DISRESPECT towards wealth and labor, let alone a series of self-destructive and suicidal programs they have put in the minds of the masses.

People in Europe or in other lands see their own land, and they are brainwashed to DETEST it, allow it to be taken by the jews, and they want to "LET IT GO" or "SHARE IT" with those who literally want to raze everything down and merely steal it, have no same origin and not even the same beliefs or they share no common purpose with.

It is insane to say that most people even ACCEPT this. Passively and like they do not exist.

Of course, jews understand this very well, yet some of you are still living under rocks or are living with your parents. This is not about children and teens, but this is about people who are responsible. Have a family to take care of. Who want to live. And so on.

We are to where with these kikes where they tell you, openly, that YOU WILL OWN NOTHING AND THAT YOU WILL BE HAPPY. Do you understand that this is worse than the message of the Middle Ages, where most people owned NOTHING, not even their BODY?

One has to sit there for a moment and understand what kind of slavery this will incur, a never seen before, ultimate slavery. Do you want to be a part of this?

The only way they could ever say this, is to people whom they have brainwashed to want nothing, to be nothing, and having removed all their wealth and their most basic instincts.

Allow therefore the STUPID of this planet to be brainwashed. You Spiritual Satanists WILL NOT BE BRAINWASHED. YOU KNOW THE TRUTH. WE MUST RESIST THIS CONDITIONING.

In Spiritual Satanism, you do NOT have to be poor. You CAN advance. You can advance to the point that feels comfortable to you.

Some want a simpler life, others want a medium life, others want a higher top or higher class life. Except of what people "want", we also have what they can do. Between this one must learn how to live.

There are strong reasons we are giving people money spells and workings to do. There are Gods that specialize in this. None of the Gods say "You will own nothing and you will be happy". We fought for centuries to overturn this dictate of penultimate slavery.

The programming is so strong in that regard, that it is difficult to even explain how strong it is. If they went out and told people "You will never be healthy again", then normally, people would recoil.

But they have went out and told people "YOU WILL OWN NOTHING" and many people have sat idly to watch this and allow the agenda to unfold. That is because of being broken and programmed to do so.

This "OWN NOTHING" mentality has extended to people saying they do not own their properties, their children, their future, their soul, their mind, everything.

Yes, there are some things that every human being must OWN. DEPROGRAM IMMEDIATELY FROM THIS SCOURGE OF THE JEW!
