I reply this as the ultimate reply to pass to any person who legitimately questions or does enemy shilling about the following:

1. "Christianity is not of the jews"
2. "Jews hate christianity"
3. "Christianity is somehow going against the jews or it has in the past"
4. "Jews kill goyim because they are christians as the sole reason"

And other common shilling lines.

Whomever reads this to the end and does not comprehend the answer, needs to study further in history, and have a functioning brain.

"Hi I am trying to understand the beliefs of this website. This website says the Jews hate Goyim and That Satanist are the true followers of the real God who is Satan and that the bible was written by jews, rabbis."

Let's pretend this is not some strange backhanded trolling. Unfortunately, this level of disinformation, is common in people, and in particular, Americans and many others who never really study, but go by what they read randomly in Youtube or what they listen to TV.

Yes, all the Gospels were written by racial jews, this is what this whole thing is about. The life of a rebel jew and his jewish disciples, and how they go to Gentile Nations to propagandize the new faith in this particular jew. All the commentary that came later is also from jews.

The Old Testament was directly penned by jews, and so is the New Testament, Matthew, and all these characters, who are fictitious and stolen from Pagan names of Gods and deities, are in the accepted sense, just some kikes rabbi

jewsus picked up to be his disciples, to preach what he believed was "True Judaism".

"But what doesn't make sense is that The enemies of the jews or the ones that they seem to hate the most seem to be Christians or specifically European christians, But if the Jews made the bible like this website says, they would have no reason to hate christians, since they are in control of them and are the slaves and if this website was right the real enemy of the jews should be Satanist or paganist but it doesn't seem that way."

Christianity existed in the FIRST PLACE, as a reaction to the religious, moral and ethical values of the Roman and Non-Jewish tribes of people, their religions, their tenets, and them as a racial species. Christianity is a reactionary program, so is Judaism, a mere reaction to the old Pagan religious and moral values. This is in the Bible.

In the Bible, it's sought, celebrated, and promoted that disbelievers and Gentile people got genocided, wiped out of existence, and "conquered" by the imposition of Judaism. These people were hated on a religious but above all, racial level. The religious element gave in with the imposition of "Christianity". What remained later, is the Racial dimension of slaying them out of existence. So, the jews hate "European Christians", because they are European, and not because they are "Christian".

Marcus Eli Ravage elaborates on how this goes, and how the jews subverted Europeans culturally through Christianity, and later on, slayed, suppressed, and ruined Europe for around 18 full centuries.

The major enemy of the "Bible" is Satan, a term emerging from the state of mind relating to Truth Knowing in Sanskrit, Hinduism and so forth, in different alterations from Sat, Satya, Satyam, Satyan in the above faiths. In Hebrew, "Ha-Satan", this text merely means "The Adversary", the "Adversary" of the jews. A jew when he wants to call another person his enemy, the word for this is "Ha-Satan".

The main enemies of the Bible, except Satan Himself, are Beelzebub, Astaroth and the Gods of the Gentiles. Their displacement and loss of power is the aim of the Christian program. In deeper Judaism, they name the Gods of the Gentiles

that they are against in full lists.

These Gods above used to be the Gods of the Gentiles, and the foundation upon which Gentiles affirmed power into their own lands. Xianity comes to promote a Jewish Rabbi, and to displace these Gods as insignificant. That aside, it dismisses the rule of the Gentiles into their own land.

You are highly historically illiterate, dangerously so, but your opinions and their superficiality, and lack of historical knowledge, is common in Jewish Propaganda about these subjects. Christianity imposed itself as a rule of the sword, and slaying all the Pagans and non-jewish people who had other beliefs. All of Christian dogma is how these people must die, will go to "hell" and will be toast as sinners for all eternity.

The Middle Ages was the systematic bastardization, bad breeding, enslavement, illiteracy, and eternal weakening of the Europeans for their "Paganism" and them as a species. This was done by the Christian church. After everyone was dead of the old faiths, and old great people, "Christianity prevailed".

"I was just in vatican city 3 months ago and I was quite shocked of all the satanic statues there. Also, christians are being genocided in large numbers, but I have seen info on genocide of Satanist or pagan."

The Vatican kept the statues of the Pagans for propaganda reasons, and for trophies of a dead people, as someone who murders someone keeps their skull to show it proudly around to everyone else. Due to the desert cult having no culture, and being nothing but an empty rabbinical religion without content, it had to incorporate foreign Pagan elements in order to appeal to the people it was imposed over, i.e., those who were Pagans before. So, it kept some elements to parade as a religion and not as a straight up jewish mafia cult.

The Vatican, hides behind the people that it has conquered, and constantly blames them, even after they are all dead, for its transgressions. Everything they do is done by the "Devil" and "Satan" and scapegoated to their enemies. A simple and convenient tactic, they are the good, their enemies are bad.

[Hunchoz] wrote:

"Also, anyone who has read the talamud knows that its very anti-christian"

but it doesn't seem anti pagan or anti Satanist. The new testament seems to be more anti-jew. There are many verses in the new testament like this 1: Revelation 2:9- "I know your tribulation and your poverty (but you are rich) and the slander of those who say that they are Jews and are not, but are a synagogue of Satan."

Jews hate "Christians" on a fundamental level, which is not a religious level, but a racial level. They don't hate these people for believing in "Christ", because they imposed the "Christ". They hate them and want them dead for racial reasons, explained in the genocides of the Old Testament. To add insult to injury, they no longer recognize them as a racial entity, but when their lips slip. Christian means "Enslaved by our Jew founded dogma", a "Slave of Christ".

Jews attack Christ because they know it's a fraud, a hoax, and only viable to be believed by the inferiors, i.e., the "Gentile Christians". So of course, the Jews attack it, they know it's a disease, and they keep it away from Judaism, as it's a hoax. They do not want this in their midst. This disgusting fake program is for their enemies.

By "hating" this, they make Gentiles who understand their plan of genocide, recoil straight back into the trap of believing the false program, like you do.

In regards to the stupid statement of the bible, which idiots constantly cite in Revelations, you need to provide the full context of it, and not the selective phrase. Rabbi Yeshua, or "jewsus", judges his own tribe for transgression of his rabbinical teaching and re-definition of Torah law.

Jewsus returns in this part of the story as the re-defined, reincarnated savior of the "True Jews", to save those of his jewish tribe who really believed in him and his definition of the Torah and Jewish lore.

Jews who disagree with him are called "Of Satan" and accused of practicing "The ways of the Gentiles", which is nothing but a slur of jews between jews. He merely accuses them of turning against him, and not accepting the newfound "Judaism", positing his own self as messiah, and the other jews as wrong for not accepting him, and acting like they are under the influence of his enemies for not accepting him.

In Jewish Language, "Satan" means "enemy", so jewsus merely accuses those who refuse them of being "enemies" to him, as the new incarnation of the "Torah

law that has come to pass". He just calls them enemies of the tribe for showing disobedience to his redefinition of what it means to be a Jew. Jesus posits himself as being the ultimate and real Jew, in contrast to these Jews who are practicing Judaism and have not accepted his new form of Judaism.

Of course, given the Bible is around 2500+ pages of a book, Christians had to somehow create a strange wing of Xian anti-Semitism, to guarantee that the racial hatred of the Gentiles towards the Jews, would always be controlled on a higher level by the Jews themselves, and therefore, never bear any fruit. Christians have never really harmed the Jews. Christianity always served them, and their interests.

Xianity created "anti-Semitic" wings in the 15th century, when the hatred of Jews was too powerful to be contained any longer. This hate emerged due to Pagan and Hellenistic education, and the European people being treated like deplorable animals for centuries by Jewish Christianity. The Jews opened up an "Anti-Semitic" wing with Xianity, to contain this rage, and make sure it never comes to any fruit.

Popular rage was always successfully contained, and opposition never really lasted, all while the Gentiles remained away from their Gods, their power to assert their own laws, and so forth. Christianity was the means of this control. Jews are alive and ruling, stayed in European courts from the emergence of Xianity and onwards, and Jews had a very good time.

Christians also elevated Jews into a group of people that controls the world now. And Jews lived happily ever after with Christians, milking them, abusing them, and raping them based on a victim mentality imposed by Christianity.

Your statement on Satanic channels is a lie, because all Spiritual Satanist channels have been removed. Jew-controlled Satanism such as LaVeyanism, is never banned, because it's not Paganism, but Atheism. Christian channels are all over YouTube and they are thriving endlessly, and so are Islamic channels. A few may get removed as they go further in the "Racial" questions, which piss off Jews.

Jews banned a Jew YouTube channel of "Christians"? What about school education which is Christian, how they bring "Christian Refugees" to help European people go extinct, Vatican popes who were Jews for centuries, and how the pictures of every pope have the Jewish nose, snout and forehead? How come all injustices and destruction and empowerment of Jews is based on the incapability, weakness, stupidity, and servile nature of Christians, who are

constantly abused by jews? Why in all Christian governments, the jews always have the top posts and the higher power than ever before? What morals allow this if not the Christian ones?

Finally, I will post two important documents of the Jews, which explain their plot of Christianity on their own. In these manuscripts, Marcus Eli Ravage, a top Zionist Jew, admits the jewish plot of Christianity, and its role in subverting the Pagan European peoples, and turning them into jewish slaves. The jew lies of course that "Jesus Existed", but what is obvious, is that he considers him one of the tribe - the emissary the jews had to create to enslave the Gentile. His sympathies for his fellow race comrade are obvious, even though Jews largely reject their racial fellows psychopathic jew rants.

"A Real Case Against The Jews", and "Commissary to the Gentiles" by Marcus Eli Ravage are to be downloaded below.

If someone reads these and does not comprehend this, one is either too stupid, too braindead, or too servile to the enemy as it is, and too loyal to the jewish fraudulent Rabbi.

They deserve no further answer about anything. They are a born retard and slave, homebred fool of the jew, and their mind is lower than an animal, and as such, they require no further convincing as they do not matter at all in this fight against the Jews, in any other form than being enslaved.

They are a criminal to their race, practice high sacrilege to the Ancient and Eternal Gods, and they are not superior material that the Gods seek. As such further dialectic and kosher arguing against us is of no purpose, and no further time will be wasted.

Let those who belong to the Gods come to them, and let the cattle that belongs to jews and cannot escape their mental prison, die in it. We gave the opportunity and from there on these people are on their own, with their favorite jew.

This is for people who can think for themselves. We Satanists do not believe in a flat "equality of opinion" where this slave "christian" species is concerned, as this slave species is the criminal foot soldier of the jew, purposefully oblivious to the

deadly jewish virus it carries around and it spreads actively.

We do not want you, we do not need you, and we will kick you from our midst as a down syndromic person has to be kicked out from NASA. We do not want nobody with severe down syndrome. We want people who are mentally free and brave, and can handle the idea of living away from the Jewish paradigm, as our ancestors did once upon a time.

Christians spend your life worshipping a rebel jew, keep the jewish book at the hand, promote a total jewish hoax, scorn their own Pagan Culture, promote jewish cults that glorify jews, and then somehow pretend they are against the jews. This requires a level of extremely profound stupidity, which has no place in Spiritual Satanism.

At this level of stupidity, the jew runs the planet easily and flawlessly.

We want powerful and free spirits who can face this and change this.
