

Master Sloth's Guide in Living a Happy Life [Part 1] - Satire

Greetings to all our Comrades and Satanic fellows.

It's what the title says. Master Sloth was consulted and this is his message. Thanks to a Forum Member who introduced the world to Master Sloth [LOL]:

First of all, Meditate. Meditate daily, with calmness and to achieve a higher state of being and happiness. Let yourself melt in meditation.

Smile more frequently. Be confident. Chill in yourself and know that Father Satan has it under control.

Think matters out. Ask questions. Learn more. Be thoughtful. Judge rightly and do not blame everything on anyone else. Take your responsibilities.

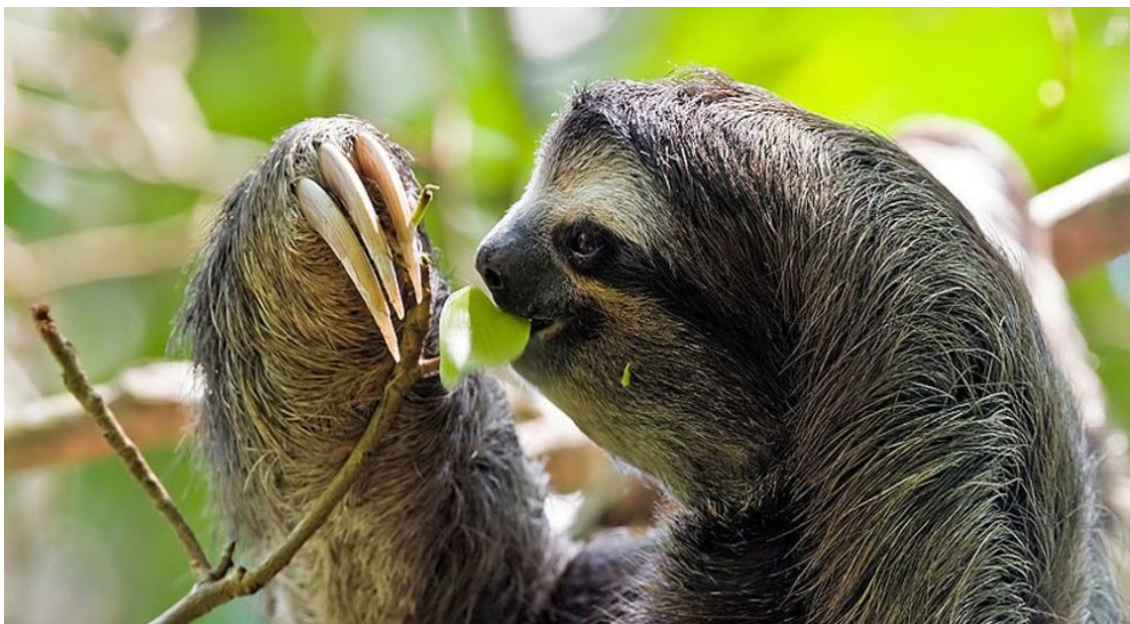

Have a vision for yourself. Look ahead. Have a vision that you follow.

Celebrate victories and live it out.

Eat properly and mind your diet.

Hold your Comrades and your fellows and the effort of Satan at all times.

Do not give a fuck about every petty thing that comes your way. After all a Sloth here wears Glasses. Why should you care about what cosmopolitan said or what TV crap says. You are a sloth you do NOT care. You wear glasses and GTFO with it.

Be yourself. Do not pretend. Simply be yourself.

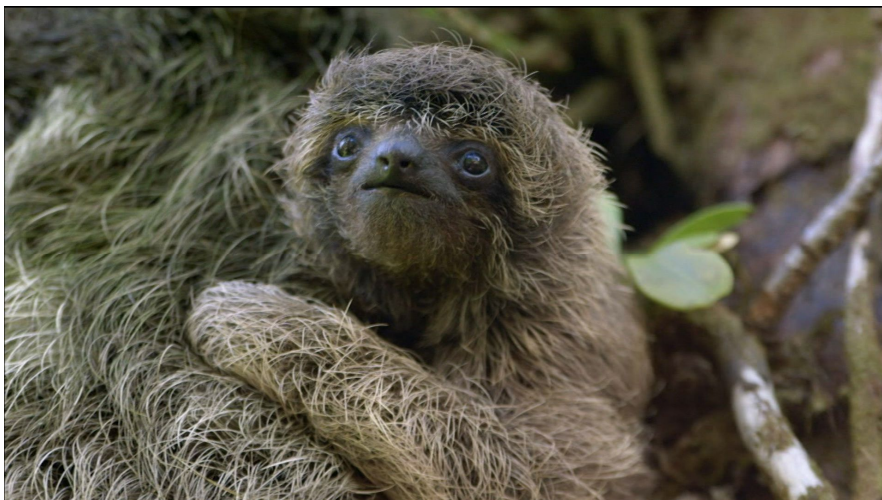

Love those who love you...

Flirt and live love. Or well, some might want to be more straight forward but...Anyway.

Revere and respect the greater things than you or yourself. Learn to admire and see the beauty and might of greater things.

Protect your little ones. Be a good parent.

Do NOT allow anyone to tell you that you can't do it. Know what you can do and do it.

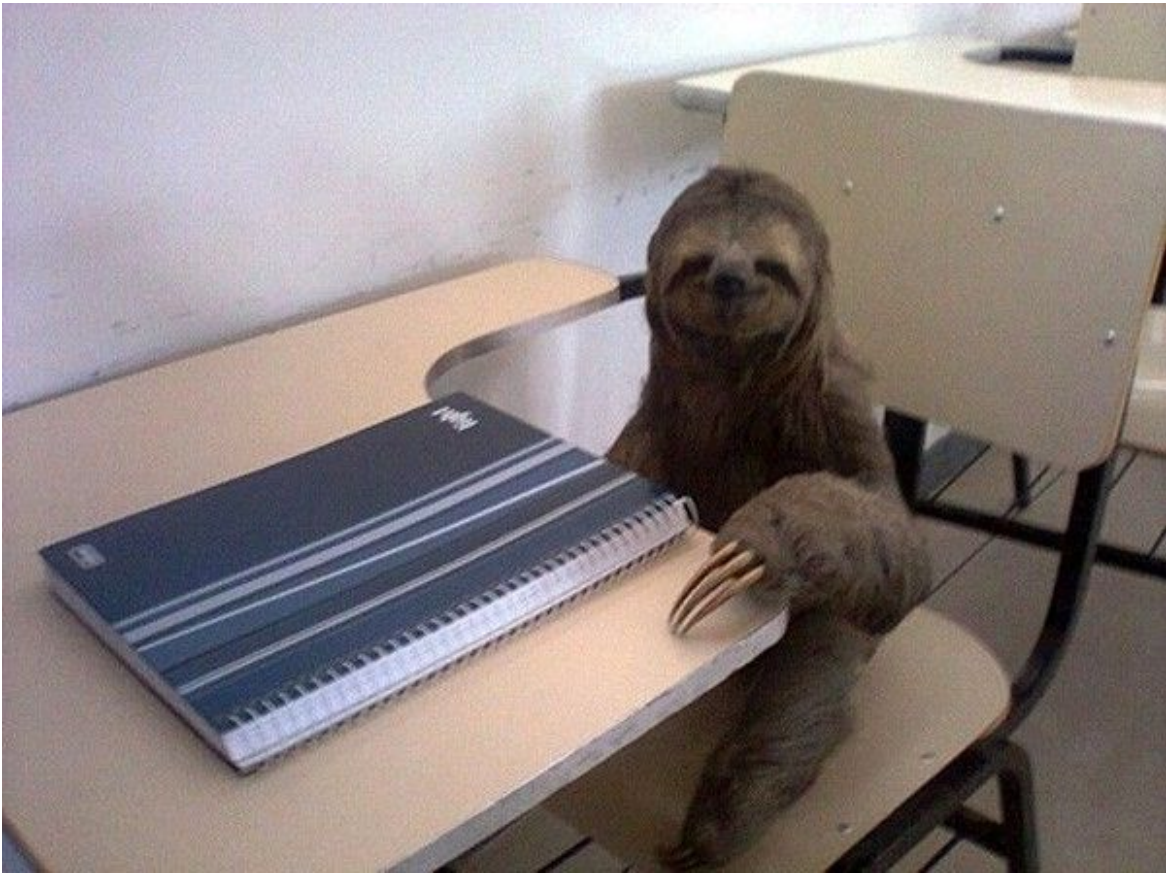

Stand by your friends, family, households and comrades.

Play games and have fun playing.

Be polite, neat, study and learn.

Impressive haircut is also mandatory.

Be determined and stable.

Do not allow injustice, slavery, lack of freedom and the enemy get their way...Be judgmental to this, be aware, always thoughtful and always in patrol and willing to decimate them...

And if needed and some enemy bitches can't get it straight, since they think they are to rule the planet and the "Goyim" in it... Defend all the above, with your mind. Use your spiritual might.

"And this is how it's done Son":

HAIL SATAN!
