Alright, I know the title is disgusting. But aren't jews? Of course they are.

It's the case that we have to actually analyze these lizards and their scato-phillia. Around the web, there is this nonsense meme the Jews promote, that supposedly, Jesus is attacked on the "Talmud". This leads many people who are into false Hegelian dialectics, to adopt "Jesus". This, they believe, is a reaction and exactly what the jews don't want them to do.

As if the jews wouldn't want their enemies to believe into a literary hoax the jews made up... The irony here is too great, too foolish.

In plain, as we all know here, these "Christian Identity people" and these "Christians" do use lying sources to support their lies. Since most of them are highly illiterate and don't study, they just believe the nonsense they are told, such as how "Jesus is an enemy of the Jews", while they literally worship a jew, based on a hoax the jews made up to destroy the Roman People.

The reality of this is however, that in the Talmud, Jesus is actually extolled. He does not have "godly status", but is seen as a "prophet" that did want the best for Israel, but actually failed to attain this. In the Bible, it's all a fake book about how he was a master Rabbi of the jews. More internal writings of the jews about the "Lineage of David", speak in length about how "Jesus" will reincarnate and do "Finish his rectifications" [Yicchud or meditations in plain language] and then become the "Messiah", but that his time was not "back then".

At the same rate, jews preach in the Talmud, that supposedly nobody should harm the jews, and that jews will be punished if they disobey their "Sages", aka their Rabbis.

Here in this piece of the jewish Talmud, there is a parable about how a fake person "Onkelos" is doing "Necromancy" to actually raise people from the dead and "ask them questions".

In what you will read below, the Jews are basically elaborating on two great "Sages". One was a Gentile sage, Balaam [He is now in the Demon's section and

a legendary destroyer of Jews]. On the other hand of this Jewish tale, they have Jesus, who was as they claim a "Jewish Sinner", or just a person who did some mistakes during his existence. The story begins with Titus who was a Roman emperor that did major damage to Jews, and destroyed much of Judaism at the time.

Jews don't consider "Jesus" their savior at all, this was simply exported on the Gentiles as a lie. For this reason, they consider him merely a retard. Yet, they don't consider him a non-Jew or anything of the sort. They rather consider him a person that hasn't finished their "Tikkun", or the rectification, and just went "Insane".

However, as one will be able to read, there is no hatred expressed to Jesus. Also, the original text writes here "Yeshu". Yeshu, is a very common Jewish name, and quite a few Rabbis that Jews believe have "led them astray", were named "Yeshu".

<https://en.wikipedia.org/wiki/Onkelos>

The person "Onkelos", probably didn't exist at all and is part of Jewish pseudohistory. According to Jews, he was a first traitor of the Jews, that gave in to Judaism, from Hadrian's family.

Hadrian was the Roman Emperor that almost exterminated all the Jews. Of course, in regards to Onkelos's real beliefs, that would of course be something one should not take the Jewish word for granted, as they write lies about people after their death. Jews write copious lies about these matters.

As one can imagine, the Talmud being a kosher cursing text, all of this is cursing text, and not really "facts" that happened.

Now, there are 3 different types that are exposed here.

One is Titus. Titus was a Roman emperor. According to Titus, who was summoned by "Onkelos", what one has to do with Jews in this world, is to exterminate them and fight against them. There is a curse following this saying implying that Titus is "made into ashes and scattered on the sea".

"Balaam" in this fake tale, is summoned first. Then, he tells the Roman "Onkelos" to never seek the welfare of the Jews under any circumstance in his life. Then, there is a curse on Balaam on how he is "Boiling in hot semen".

Then, "Yeshu" or "Jesus" is summoned, and he tells "Onkelos", that he should always seek their welfare and other positive matters. Also, Jesus explains, that he himself being a Jew, recommends that whomever attacks the Jews in the afterlife will be boiled in boiling excrement, and how one should always listen to the Sages [Rabbis].

Needless to say, Christians are lying yet again about everything because they are illiterate and retarded. There is no statement of Rabbi Yeshua being hated on the Talmud. In fact, Jews don't really care that much about their own hoax that they made up about "Jesus".

As it can be seen through this, "Jesus", whomever this "Jesus" is implied of being, is a keen lover of Jews, that wishes whomever is against them to burn in "Boiling Excrement", and advises everyone to fall in line lest they are punished in this manner.

The Relevant Text is below here [Gittin 57a:1-4]

<https://www.sefaria.org/Gittin.57a.1?lang=bi&with=all&lang2=en>

"Onkelos then went and raised Jesus the Nazarene from the grave through necromancy. Onkelos said to him: Who is most important in that world where you are now?

Jesus said to him: The Jewish people. Onkelos asked him: Should I then attach myself to them in this world? Jesus said to him: Their welfare you shall seek, their misfortune you shall not seek, for anyone who touches them is regarded as if he were touching the apple of his eye (see Zechariah 2:12).

"Onkelos said to him: What is the punishment of that man, a euphemism for Jesus himself, in the next world? Jesus said to him: He is punished with boiling excrement. As the Master said: Anyone who mocks the words of the Sages will be sentenced to boiling excrement. And this was his sin, as he mocked the words of the Sages. The Gemara comments: Come and see the difference between the sinners of Israel and the prophets of the nations of the world. **As Balaam, who was a prophet, wished Israel harm, whereas Jesus the Nazarene, who was a Jewish sinner, sought their well-being.**"
