Greetings to all our People and Satanic Comrades.

Due to necessity, the schedule will be changed and reposted. This is for maximum effectiveness. Apologies for the inconvenience.

Mercury retrograde affected communications, and then there is the enemy in this situation as well who is exceptionally afraid of our advances against them. This is not to concern anyone, just to explain to you how things are.

While what we were to do would be effective, there are even more effective ways. We must do these instead.

Our energies raised since last year will be enough to halt the enemy and then, we can continue with a schedule after their "celebrations" are overdue. This will guarantee maximum effectiveness.

This way we will just erase them after the enemy had wasted their energy to do them.

We will keep you posted with a new schedule and new instructions. We have to be as much as effective as possible. Satan and Lilith will work in guiding us in the best solution. We will keep you posted. Satan and Lilith have an even better method, and we will update you.
