

"Satanic Jews"/"Christian Nazi" Myth Debunked

I know all of you in the NS scene, the Real, Hardcore PAGAN NS, are coming in opposition with this apparent retardation here that is bleeding due to ignorance, and cuckolds, within our Ranks. While you have rejected the Jew intellectually, in Soul, mind, body and Action...Others are still half here, half there, and they also have the nerve to talk and pretend to be of intelligence.

Now,

From the Neo-Jew Philosophers such as (((Stephan Molyneux))) who is an open and admitted jew, to alt-right, to the "master of Plastic Surgery" aka "David Duke", to semi-awakened cuckold Christendom online, to "I will be God's greatest President", jew infested family tree Donald Trump, some people don't seem to get it.

Even though they have partial awareness of the Jewish problem, they willingly deny the points in regards to what "Christianity" really is.

(Who In fact, pretend to be in our Ranks but with side of the mouth are massaging the Jewish Rabbi "Emmanuel" also known as "Jesus", Lord of the Slaves, the Eternal Victim, putting him of course ABOVE than their RACE and HARDWIRED BIOLOGICAL EXISTENCE or even facts and common sense.)

Well, these cuckolded halfings have been running "Nazism" and "Pro White-ism" for around 70 years, after Hitler's departure, and guess what? No-outcomes. Nothing. Respectable Nazis like George Lincoln Rockwell have openly stated they were *NOT* christian but were In fact, in "acceptable terms" with christianity, since its monstrous power over the White people, couldn't do anything due to christianity always getting in the way with meekness, weakness, and breeding of traitors and retards. Rockwell knew the TRUTH about judeo-christianity. No man with a high IQ can tolerate this apparent bullshit.

What happened to him when his campaign was untainted by judeochristianity and started skyrocketing? HE was MURDERED by a paid shill and traitor from the ranks. Your paid xian shills are going well and alive for tens of years, and Rockwell was murdered in the fastest way possible. Was it the pro Whiteness? Aren't you cuckolds like David Duke, "Texe Marrs" and tens of others, alive, vibrant and with a huge paycheck? Because Oy Gevalt, they tell you HALF of the TRUTH. Because lies are easy and being a hardliner and accepting Truth is

hard, people fall for that crap. While still being 100% jewish cucked spiritually, intellectually, emotionally and in their behavior.

If anything from this apparent retardation they were always victimized by the Jews as "Shabbos Goyim", they were always incapable to fend off their influences, and always at a pitfall to see the complete picture of the Jew, let alone fight it correctly. This is why National Socialism descended after Hitler departed.

The only saddening thing is the few *HONEST* anti-jews, that didn't know the Truth, wasted their lives in lies, and I am writing this to wake up the genuine, White Souls/National Socialists who want to really fight and END the jewish supremacists slaver globalist agenda.

Nothing happened from these cuckolds...Until the "evil Satanists" came into the scene to compensate with Spiritual Warfare/Occult warfare. Tens of years, and nothing has happened, the jews were never even afraid. Just Neo-Nazism, Christian Cucks who bow to Jewsus first and only *AFTER* will help their Race, "Well half a kike is allowed" and the list goes. The jews thrived, and everyone was victimized. Now with the "evil Satanists" on the scene, the Jews are indeed worried. When Satanism came into flourishing, so did the "evil Nazi spirit" rise into people. To where you see the internet filled with "Antisemitism" and the enemy wanting to outbreed us fast out of existence before anything worse erupts. Which it will.

What these cucks made? No results, just crap theories, shills making fortunes on "evangelical whiteism" and all sorts of CRAP, and what is the outcome? At night, they were all on their knees "servicing" a jew on a stick through prayer, beating their wife senseless, and then the other day cheating because well, Jesus wasn't really that much of a help to give them any better reasons than living a sensuous, physical, life of a slave. Maybe if they shilled a bit more for jesus, they would also get a better life. Pastry smile, **on**, fake cuckolded morals that nobody adhered to really (proved by our FUCKING OBVIOUS DECLINE NOW), **on**, living in the jewish society and accepting jews as your universal saviors, **ON**.

Everyone was still cucked, History took its Jewish route, and now not only that, but our biological existence is threatened as a Race altogether. We are now being invaded and still cucks are trying to find, if JEWSUS was HALF or FULL Jewish, or if he had anal, or vaginal sex with Mary the Magdalene, or actually fucked peter by the ears. Meanwhile, White Women are raped to death, and the Islamic conquest which happened in the Middle Ages, is repeating itself.

Well done, Christen Cucks!

As for all these paid shills are singing their death song, while trying to maintain a hoax whose time is LONG OVERDUE. The wave will come and you will be obliterated completely. Mark these words. Humanity is waking up and your shilling cannot stop this from happening.

The jews are going to cry really bad when this program, being the lifeline of "mercy" and cuckolding the Goyim, is OUT OF THE WAY ONCE AND FOR ALL!

NEVER FORGET: THE POWER OF NATIONAL SOCIALISM IS IN THE ENLIGHTENING OCCULT DARKNESS WITH WHICH IT VESTS THE SOUL. This is the way of the BLACK SUN!

Remove this and you have no National Socialism or hope or saving your people.

Well...

We need to therefore answer their silly and infantile arguments. All our doctrine does it on its own, but we can't post our doctrine in one reply, yet everything can be "summed up" so to say. If people want the TRUTH then they can see this for themselves.

1. "The Bible Says there are False jews who pretend to be jews but are of Satan."

Why is this legit? Because the Jews said so, in the JEWISH bible?

In the same way, we may assume that all other lies in the bible are "accurate", such as jews having Jerusalem. Maybe the war against Palestine, which was based on the Bible, is also justified too? Are God's Chosen people? If this is God's book and you believe one thing, then take all the facts.

Jews also state that non-Jews are GOYIM and ANIMALS created by JHVH to serve the jews. Is that also accurate? They justify this from the bible, too.

There is another quote where Jesus affirms a non-Jewish woman as a DOG. Is this a fact too?

There is another quote where Rabbi Jesus says that "He and his father" (The hebrew God JEHOVA) are *ONE*. There is also another quote, where Jesus says that "He came not to change the Law (the Torah, Old Testament) but to fulfill it". And that "not one yod (hebrew letter) and one vav (Hebrew letter) must be changed in order for the kingdom of "God" to emerge.

First of all, it's well known that the Bible has been tampered with, altered, had passages removed and added, by the christian high councils in all the Orthodox, Catholic, Evangelical offspring. Different translations of the bible literally are different books, mentioning different things. This proves the bible has been severely written and re-written over.

"Satanism" as it's known today, and advertised by the Jews, is only what we could resemble today as "Paganism".

Jews destroyed Paganism, which made Rome, Egypt, Greece and all the other advanced, superior and supreme civilizations. All the Higher up Roman Emperors, Pharaohs, Godmen such as Alexander the Great, were into the Delphic/Egyptian/Pagan mysteries. They worshipped the Serpent, the Goat and they did all sorts of rituals that today are labeled as "Satanic" by the jews.

The Church completely obliterated Europe, and we entered the Dark Ages. What came from these was only a shadow of the civilization that existed prior. Millions upon millions of Whites have been butchered, because the weakness of this program allowed race-mixing, told them to "love their enemies", and in the Rome's fall, the "Clergymen" were more than the actual soldiers. Mixing was rampant. People were living for the next life, and not this one. Pagan Gods were desecrated and destroyed, and through cucking the emperors with "Christianity",

the jews bought them and destroyed the Roman empire. Christianity emphasizes all these emotions such as, misplaced love, misplaced mercy, loving your enemies, "multiculturalism is God's almighty plan and it cannot be stopped".

The list is endless.

The Church only "built" anything, after it completely flattened it and obliterated it to death. Then it rebuilt it into this crap civilization that came afterwards, where the jews gradually start gaining power through which they have conquered today's world. The Islamic conquest was another direct result of this apparent, christian weakness, which teaches servitude and bastardization.

This is now being repeated all over. Gradually, as people opened up to these jewish values, started worshipping Victims instead of Odin, and didn't have any spiritual or occult knowledge, they were made total slaves.

This is a well-established meme. It can be easily debunked and it should be obvious, but internal cucking, brainwashing since birth, and the subconscious partial need to accept "some" Jew in your life, even if mixed with some seeming "Truth" can have backlashes. Obviously, the Bible is a jewish tool of domination. It's full of confusion and contradictions to stick like a cancer to all the ages, times, cells and belief systems. The jews work always by projection and reversing. I.e., they play the victimized, when they are the oppressors.

2. "Satan is made up by the Jews."

Obviously, this is not the case. Knowledge of the Ancient Languages proves otherwise. Satan existed in the Sumerian East, in the form of SATYAN, which translates to Eternal Truth. The Y in many languages is an E sound, which literally makes "SATEAN" or SATAN. In the White Arabic tribes such as the Yezidis (who are hunted down to extinction by the jewish made ISIS terrorists), they still worship the "Peacock named SHAITAN". SA in Egyptian means Life.

SAHU is the Egyptian spiritual body of the greatest height. The Hindu Mantra of Serpent Yoga, Kundalini Yoga, is SATANAMA. In Greek, in the "Apocalypse of John", Satan is called SATANAS and not "SATAN". "SATAN" is an English-ized version of this term. in the East, we have the SANATANA DHARMA or the PATH OF TRUTH, which is the Spiritual Path of Ascension.

Even the argument of the legitimacy of Hebrew simply is self-defeating. The Hebrews had a language stolen from Egypt. The symbols of "Ancient Hebrew" are almost entirely the same as the Egyptian engravings. They are the same. "SATAN" couldn't have resulted as an original finding either, and the jews found

this either in the Middle East, or in Egypt, or in any other place. "JESUS" is actually, IESUS in Greek, as there is no J really in these texts. This is IE-SUS which literally means in Greek, "Come Zeus". The "Jewsus" character is nothing but a hebraic swindle.

3. "Jews Conduct Rituals to Satan."

False. Jews conduct rituals to "Lucifer" which is nothing but a generic term meaning of the "Lightbringer", which is also a common type for "Jesus". This is a title stolen from Satan, and gravitated later to the hebraic Jesus. "Jesus" is their literal, light bringer. This is why they call him "Lucifer Christ" or "Jesus Lucifer". They believe this jew is to one day come, and rule over them, while destroying the Goyim and Satan, brining ultimately the "Empire of God" which will be a worldwide, Jewish Empire.

All the "Occult Societies" of the Jews, the Freemasons, the Illuminati, the Temple of the Golden Dawn, etc., all follow the Jewish Systems of Magick, practice jewish invocations of "Jehova" and use binding magick in the name of "Jehova". The majority is also JEWISH racially. The symbols and practices are stolen, ripped off and copied from the Ancient Rituals, and the jews added additions such as human sacrifice and anything else. The Symbols and everything are stolen, and entirely not-related to anything that has to do with "Satan" anymore.

They heap this on Satan to blame him, while the Muslims and the Jews do thousands of sacrifices of living creatures every year. All this is done in the name of "Allah", "Jesus Christ" and "Jehova".

Hitler drove away the freemasons and other jew-owned "occult groups" belonging to jews, specifically for this reason. They were anti-German, anti-Pagan, and worked always behind the scenes in politics, industry and elsewhere to destroy the German Nation and White people.

Exactly as they do today. They were the ones responsible for opening up Germany to invasion, war, poverty and death. All these occult societies practice biblical magick, they follow instructions of the bible, they pray and INVOKE the same "god" the christians and jews pray to, and they all wish for the "God World" of "Jews" that is to "Come", same as the "final reckoning and defeat of Satan". This is why the occult societies further EXACTLY the jewish plans. They are very open that they worship Christ and the Jews, but people want to neglect the obvious FACTS.

4. "Adolf Hitler was a Christian."

ADOLF HITLER PUT HIS RACE ABOVE ANY SO CALLED "RELIGIONS". CHRISTIAN CUCKS PUT "GOD" ABOVE THEIR RACE, AND AS THUS, THEY DRIVE THEIR RACE TOWARDS DESTRUCTION.

As we have stated before, the very few incidents where Hitler mentions God in his "Speeches", never have a reference to Jesus. In His Mein Kampf, in the unadulterated, older and untouched by "Editor" kikes' versions, Hitler openly talks of PROVIDENCE and not "GOD". The same goes for Napoleon Bonaparte- they never talked of "God".

Also, after the war, these speeches and writings have been dubbed over, no different than the Holofoax. Hitler was a well-known psychic who communicated with Nordics, and this is well documented in the diaries and writings of people around him, from his earlier years, to the last years. Hitler showed absolutely no "Christian" ethics. No man that tries to go against the jews, is in accordance to "Christianity", which gets us to our second point. Hitler has openly talked in his table talks that Christianity is nothing but spiritual Bolshevism. And that Christianity, which is a literal fact, mirrors bolshevism and the eternal jewry. All these are obvious and TRUE facts, and the Führer's piercing logic and Demonic Genius could never fail to see such an apparent thing.

Hitler openly talked against Christianity to all the higher-ups in his government, while the Nazis gradually undermined and destroyed christianity on all frontiers. The most powerful occultist and Grand Master in Germany, the second man in Power in Germany, was Heinrich Himmler. An avid anti-christian, pro-Pagan, "Satanist" as he would be called today. Who conducted in full knowledge of everyone Pagan Rituals, spiritual warfare, and worked to destroy the church. Adolf Hitler belonged to the Occult Order named "Vril" and his "mentor" who introduced him in politics, was the infamous occultist "Dietrich Eckart" who has taught him the occult forces. Many closeby people of Hitler, do openly say about how it was evident he was a Demi-God, and that they felt "beings with exceptional power talked through him".

The "AntiChrist" and "Thus Spoke Zarathustra" who are condemned as the most, anti "God" books of all time, were a daily study routine in the National Socialist Germany. Children outside of marriage, orgies, and everything else "anti-christian" that would make Rabbi jewsus cry 6 trillion tears, have been well documented to have been a daily, National Socialist Practice. National Socialism, as talked by Dr Goebbels, was a Religion, and the High Priest of this Religion was the Führer.

Satan in the Jewish world is literally the Anti-Christ, the "Big Anti-Semite", the dreaded fear of the Jews, and for this reason, they call Hitler "SATAN". They literally believe Hitler was sent by Satan himself to destroy them and obligate them.

In whatever texts have survived today, even in Jewish drivel, one can see evidently the points of that SATAN is directly associated with the White Race. The Zohar openly admits it. The Jewish Old Testament too. The Revelation and the "New Testament" talks about the war, destruction and death of Satan. The Jewish Commandments or Mitzvot talk against Satan. The Protocols of the Elders of Zion talk of DESTROYING GOD. Meanwhile, Christianity is rampant, and the Jews promote it for centuries. So which GOD are they destroying?

THE PAGAN GOD SATAN! This is who they want to destroy. The Jews went into war, tried to obliterate Satan, and have defamed all the deities and names that are even remotely related to Satan. For example, Hitler and the Nazis were in communication with OSTARA, which in the Jewish grimoires ended up as ASTAROTH, stolen from the Sumerian deity. The Jews themselves admit that Hitler was "Demonic" and vested with "Demonic Powers". To some, Hitler was the literal ANTICHRIST.
