

Halloween Rituals We All Must Do

Greetings to all Our Satanic Family.

Now, there is an RTR Schedule going on, we are all aware. Of course, this can be done. But the three things below must be prioritized, and only AFTER this need the RTR's to be done. There are reasons why this is so important. For those who don't have much time, just scroll below, and you will see the Rituals at once to do them.

The Rituals are for the Night of Halloween, or you can of course do them in the day. 31st to 1st of the month, anytime you have time to do them. The Night of 31st would be the ideal time to do this.

Here is the RTR Schedule we have been following, for those who want to add extra: <https://ancient-forums.com/viewtopic.php?f=5&t=543>

Read below for the 3 priority Rituals.

The Halloween except for a very important holiday, is where all the lurkers of crap and many of our enemies decide to curse us as well. Instead of focusing on things which we would be beneficial to all people of belief systems similar to ours, and our Ancient Gods, they would rather focus to create incitement against those who are in the front of this battle for so long. They decide to incite problems within our common midst.

This is the case because in the first place, they do not belong with 'our side' so to say, but they only parade in doing so. They never did, and their mere existence is why many believers of the Old Gods or Satanists are taken so much in the wrong way. Satan's followers are people of nobility and wisdom, and they have always been. Until it became a meme to ridicule these people and create endless hoaxes about our Gods and ourselves. This is the work of the enemy...

This is especially true in our enemies communities that are too weak, they are just waiting for a day to attempt and do what they have failed to do for decades. Instead of just accepting a couple of facts and getting Satan's Providence instead, they dedicate their time in supporting jewish drivel. This in the end has them in a very bad position, but they insist because they are vainly egotistic. Their little hatred is instead focused on Satan's own, rather on Satan's enemies.

So some weirdos are going to come together probably in the dozens and just try and fail to attack the JoS for yet another night or something, because well, they do not like Satanism being for free, and their clique is failing after defaming Satan for too long, and they think it's our fault and obviously not theirs, so they can continue as usual - to keep defaming Satan on behalf of their racial mission. And somehow

they too pretend to believe that Satan will also help them into the above, as in their understanding, if Satan ever existed, he only existed as a slave to the jews.

So make-believe and self-lying all of the above, they fail all the time. Because their beliefs are flat out unreal. The next step is them reaping what they sow.

The JoS is everyone of us here, one by one the members. We get most heat as we are Clergy, but the issue is, these people just want to harm everyone because they hate you for being a living representation of what they have failed miserably to be, turning themselves into egotistic emotards instead. And they think we are to blame, or that by doing anything to us this will somehow improve their standing with erm... the Satan they do not even believe in, or something.

Well long story short, they try this thing every year. And fail every year. Instead of just failing the policy now is a bit different, they will be destroyed as a result of their own actions. We just need to deflect what they do. We have never attacked any other group and would never bother, as we keep our eyes to the real enemies of this world, but some people, kiss ass to these horrific people whom we fight, and decide to go after people like us. Justice is required here.

For the above and because nobody has time to deal with this pest, we will do the **JoS Protection Ritual**.

The above reasons show why there is a need for Justice in this case. For any sort of awakening and spiritual understanding, as this is a very strong Satanic Holiday, and this is the reason we will also be doing the other Rituals. If anyone calls themselves a follower of the Old Gods, and is away of the manufactured lies of the Jews against them, they all need to join us into this night to bring our Gods back from the horrific confusion the enemy has put on them.

Our Gods do not deserve this, nor they ever did. Our Gods are power, understanding, but also Wisdom and Justice. They have been backstabbed by inferior individuals who hated them for being obstacles to their advancement, namely, the Jewish Race.

For the reason mentioned above, we will do two more things; **The Ending Confusion RTR & The Race Awareness & Awakening Ritual**.

All of the above are repeating on Rituals we have done before, so do not worry, there is nothing hard at all about these rituals. All of them are really easy.

Below all of the Rituals are linked, and a bit lower, the texts for all Rituals.

- 2- Black People : http://www.angelfire.com/wizard/pixie666/11-13-16_Ritual.pdf
- 3- Anyone else can do either of the above (as many other races are not threatened at the time being), or just spam the Ending Confusion RTR which benefits everyone in the end.

Below all of the TEXTS are linked.

JoS Protection Ritual:

The Ritual is fairly simple:

Runic Vibrations-

The runes are to be vibrated one after in this order.

Algiz x18 - Sowilo x18 - Tyr x18 [or multiplies of 18, such as 36, 72, etc. etc. times, however many you desire/are able to]

x18 each Rune:

"AAAAAA-LLLLL-GGGGG-IIII-ZZZZ" x18

"SSSSSSSS-OOOOOOVVVVVV-EE-LLLLL-OOOOO" x18

"TTTTT-YYY-RRRR" x18

After you raise the energy of the Runes, focus on it and:

VIBRATE SATANAS and Then affirm

"The Joy of Satan Ministries are always protected and completely safe, in every and all ways from any and all forms of harm and negativity.

All those who curse the Joy of Satan are cursed, and all those who bless the Joy of Satan are blessed."

VIBRATE SATANAS

The above to be repeated either 10 times. Satan - Affirm - Satan is ONE round. This must be done 10 times.

Anti-Confusion RTR:

Reverse Torah Ritual to End Confusion

Vibrate the following paragraph of words 9 times. What this means is vibrate each of the words below, every word from the first word to the last. That is one time. Then, vibrate the same again and again until you have done this 9 times.

MAHD • MAHSH • EEH • DAH •

HAHL-OHD-UHG • HAHM-UUV/W-UHM • MAHM-AHH-UHV/W •

AKH-YEHN-AHP-UHL • AKH-HEH-OHL-EH • HOHV-YUH • MAHN-AHT-NUUW/W

After vibrating the above paragraph 9 times:

Vibrate

V/W--AH--V/W • V/W--AH--V/W • V/W—AH--V/W

[Pronounced V/W—AHH--V/W]

Then, state with conviction 9 times:

The Confusion is gone permanently

All Gentiles are now aware of and can see through all of the Jewish lies, control, and programs.

Satan is TRUTH

After you have stated the above affirmation 9 times, vibrate

V/W--AH--V/W • V/W--AH--V/W • V/W—AH--V/W

once again to close the ritual.

HAIL SATAN FOREVER!!
