Greetings to all our People and Satanic Comrades.

[Below is the Ritual]

[This is to be done everyday, aside the RTR's is if you will, because it's very needed to safeguard one's own house before one goes to War... You can skip for one day one RTR and do this one instead, and keep doing the others, or if you desire to, focus on this ritual as well for a day. We will also repost this (aside the others) to reinforce it when we should, to maximize its effectiveness.]

This is payback time for all the idiots and naive cowards who think this Temple of Satan can be shaken by their frail, cowardly attempts. And also to the naive idiots and fools who place a small bag of shekels on top of their sanity, existence, and impending doom. Satan has destroyed many of our shekel begging enemies, and this will only continue.

The enemy has for a long time attempted failed attempts at harassment, destruction, annihilation and infiltration of ALL Gentile Spiritual Orders. So long these resist, they attempt their destruction. Only through Satan, can these institutions survive, and this is the fate of this place here. Satan and the Gods put enormous time and effort in protecting this place, where all of you can learn, advance and become better. This is your house, and you are a part of this communion.

The JoS is the only safe haven in the whole internet (and maybe world at this point) where people can really advance, really find a spiritual doorway and a spiritual future. No strings attached, freely, and without any negative flick like all the enemy crap and useless garbage. For those who are deep into Satanism, they have seen that Satan has a bright future of humanity and that there is a positive, natural, higher and esteemed purpose in Satanism. Satanism can transform people in due time to where they have advanced past recognition. While all your peers are rotting and are living a useless existence, you are ascending to the ladder of enlightenment.

Unfortunately, we are dealing with criminals, and beings with a heavy criminal past that will do ANYTHING to defend it. And who of course specialize in their mediocre astral gibberish, in order to attack their 'enemies'. Of course this also has a physical dimension.

In most other places there is only endless talking, and nothing really is being achieved for the individuals. Even worse, people are severely victimized, pay their whole life earnings, sacrifice everything, and in the end do nothing. There are even worse, jewish controlled cases, where people grow ultimately destroyed in their

attempt to become something better spiritually, or in these morbid cases such as where people wrongly stimulate the Serpent without Demonic help and go insane, or even die for trying to tame Satan's Power without being of his own house.

The JoS exists so that people who have been turned into "Goyim Slaves" (jewish term for unspiritual Gentiles who are enslaved by jews) can turn again into Gods and decent people as they always were. The JoS exists for you, and you only. We gain nothing, but only satisfaction and Satanic spiritual gifts in working for Satan. Those who work for Satan know. The JoS exists as a Gentile-Only Spiritual Order.

This place is Satan's Palace of transformation, recreation, advancement, and a place where we can be free.

Also the JoS is providing all Gentiles a safe haven, from which people can not only fight and co-ordinate against those who have been attacking humanity for centuries, but also fights relentlessly to solve this issue. As thus it goes beyond saying we receive attacks, and all sorts of issues and things we have to tackle. Some of which very serious and only the Gods really can, and are solving this. The Gods and Satan really protect, love and bless this place, and all of you here you are part of this and work to build yourselves up.

There are billions of Gentile people in the planet who are left culture-less, god-less (since they think 'god' is a jewish punk) and literally hopeless. Many of you have seen what the practices and help provided does to a Soul in helping it, elevating it, and re-uniting it with the Creator Gods and the Demons who have, since the birth of humanity, helping it out.

Some beings have stolen these birthrights from Gentile people, and humanity is as thus left rotting without any reason but the profits of a few, deranged and evil individuals. As all of you here know, these beings are not "innocent" and they have a whole arsenal of weaponry which they rally against those who stand against their "order" of death, humiliation of humanity, and destruction of it.

Pay day has arrived.

Just think of all of your Pagan Ancestors that were wiped out, brutalized, raped, destroyed, and their small lovely houses put in fire (sometimes with their beloved children). One also needs to summon in mind what our people, the "Satanists" have underwent in the centuries, to understand the importance of the deed we do now. Not only this, but jews attempted to eradicate Satanism and to label it as their projectionist horror-blood-libel-flick.

When Gentiles were murdered on top of their own temples by some jewish scourge, was it something to just "let go"? What did these people do exactly? Love their own Gods, and as thus be condemned to die by the insane alien jews?

As thus many self proclaimed "Satanists" (of the jewish thumb), only Satanists in name, work for entirely jewish interest and of course, have been for many decades

subverting and destroying Satanism, purposefully making it into a creep house of Jewish Kabal, and jewish paranoia or insanity. They never asked "Satan" what did he want, as according to what the jews told them, he was just an "Archetype". They have a particular fetish that wants Satanism to never emerge from the heap of jewish excrement heaped upon it- but it's too late now, for this has happened already and there's no stopping it.

So this is the time our enemies bite the dust, for long they have harassed and destroyed endless and countless Pagan Orders. All the Pagan world has been massacred, annihilated, enslaved and burned alive. Most of the "heathens" nowadays are not Satanists either, and are as thus on a mediocre level (however better than the enemy in ALL POSSIBLE WAYS), so we are naturally leading all of the "Satanic" people into a better tomorrow - those who want to be free Gentile Souls. Also our RTR's are a reason the enemy has greatly stepped up the pressure. We need to reply with more.

By protecting the Joy of Satan, you protect yourself being a member of it. You protect your own future and home, but also Satan's Temple. [You are included in the Ritual under the beneficial part of the affirmation]

The Ritual is fairly simple:

Runic Vibrations-

The runes are to be vibrated one after in this order.

Algiz x18 - Sowilo x18 - Tyr x18 -18 times. [or multiplies of 18, such as 36, 72, etc. etc. times, however many you desire/are able to]

x18 each Rune:

"AAAAAA-LLLLL-GGGGG-IIII-ZZZZ" x18

"SSSSSSSS-OOOOOOVVVVVV-EE-LLLLL-OOOOO" x18

"TTTTT-YYY-RRRR" x18

After you raise the energy of the Runes, focus on it and:

VIBRATE SATANAS *and Then affirm*

"The Joy of Satan Ministries are always protected and completely safe, in every and all ways from any and all forms of harm and negativity.

All those who curse the Joy of Satan are cursed, and all those who bless the Joy of Satan are blessed."

VIBRATE SATANAS

The above to be repeated either 10 times. Satanus - Affirm - Satanus is ONE round. This must be done 10 times.

A big thank you to all our People, and Satanic Comrades. With all of us and the Satanic and Demonic army on our side, we will deliver justice to the enemy abomination!
