Greetings to all of our Satanic Family,

Happy Yuletide to all of you.

For those who are new, remember, we celebrate the Yule time. It is a Pagan celebration [use the search function on the Satan Is God website, to study further]. The enemy attempting to force themselves into the holiday is irrelevant.

Ignore it and celebrate with family, people that you love, and remember: There is nothing that is a yearly celebration or spiritual knowledge, or something in our culture, that wasn't originally stolen from our Pagan origins. Even the Yule Tree, is an actual Pagan symbol, related to the Human Soul.

**For Yule, read the following posts:**

Satan And Yule: [viewtopic.php?f=5&t=13665](#)

With the above related, looking back into this year, it was a beautiful year. For the Joy of Satan, it has been by far the most expansive and fruitful, with most of the agenda and works needed for this year being completed on time.

From a higher state of observation, despite of any hard times or hard work, we are still on top of everything. The Gods and Satan Himself are always in front of this, and we follow them loyally. That is the path of growth and advancement.

Putting all politics and nonsense aside, the 23rd is a good night to take a step back from all this nonsense that is being ruling this world, and distancing yourself. This is a day for Satan and not a day where can pay attention to the well known nonsense of our world.

It's a good day to get in touch with Father Satan, and remember that for the True Satanists, Satan is always there in good or bad times.

Take a step back and think to yourself, how much you have advanced, and how from anything that life has thrown at you, you most likely have grown. Maybe we

aren't on the end of our destination yet, but we are walking there. There is a joy in this type of walking.

Father Satan rules eternity, and that is reflected now in this Holiday. Of all the Holidays in the year, Satan has picked the day of remembrance for himself to be the longest night of the year.

Why, out of all these dates, has Satan, who is the Highest God, picked this day of the year to be the day that people go to Him and remember Him? Should it not be Spring? Is not Spring the most joyous time of the year?

The answer for this is because in the deepest darkness is when the light has the most power, the most meaning. From the 23rd onwards, days get longer - hope gets longer, power gets longer. It is actually the darkest point in life and in existence out of which the moving upwards begins.

Despite of everyone here being a follower of Satan, or many other people before, and so many that will follow Satan after, there are many things in this mysterious and most beautiful God of ours that has not been understood. The heart does understand. Over the centuries, we lost the meanings related to the mind, but the heart is where we cannot experience amnesia.

Spiritual Satanism, or the JoS, or us all, for that liking, only now are coming again into our star and light. Satan is progressively rising out of the lies that have been said about Him.

In a thousand years from now, all of this here might be mainstream, maybe humanity will have changed. The Age of Aquarius is something that many cannot comprehend now. We just see little lights of it, once in a while, as the lights on the Yule Tree. Then these go off, and the chapters of the previous era of lies tries to again impose itself.

But is a failed task to try to stop this, mandated so by the highest forces of this universe.

We saw the spring earlier than others. We have seen it, after all, long before. We received the first light, and it's important that we keep it lit and powerful. In the coming spring, it will matter, but it won't matter as much as it does now.

Anyway, when I came to Satan many years ago, there was a lot of fuss about Satan. This and that was very common. For all the beings that have been hoaxed about, written lies about, and slandered, I don't think anyone has a higher position than Satan.

With logical research into this, we know that Satan's Name comes from Sanskrit Notions leading with Truth. On Satan's Page with Advanced Information, more of this will be revealed and it will be easy to be seen by all based on evidence.

Going deeper into this philosophy and application, I know this to be a fact to lead to

Truth, but also the capacity to understand the Truth, since we humans need to spiritually advance to be able to see these notions. And what did this world and the enemy do? They cast this all down and turned everyone into an animal.

What is referred to by the above statement, you will also get a glimpse from this Ritual if you allow your mind to get into it. Many of you know it too, in heart, experiences and spiritual seeing. It's what draws people here.

Sometimes I question myself how it all came down to this. In the Age of Pisces, the rule of hoaxes, lies, nonsense, and infinite bullshit emotional hearsay has been a prevailing force and factor. The enemy timed their attack against Satan to be through this Age.

It never had to come down to this. But the interests of a few, the enemy, evil forces, and also a general bad time of downfall through the previous age, brought about this very situation.

Science and everything else that is a culture of debate or observes reality, has almost ceased to exist in the previous age. Even lower has sunk the culture of the Ancients which was about making spiritual research, opening the astral senses, etc. We have been told all of this is evil.

It feels great to sit on a state where you have been correct and everyone else has been wrong. Yet that is not the best state for advancing or helping other people, or the world in general. More than wanting to be right, we want to finally be recognized by this world, or at least, to be left be in our affairs if they believe that we are that "wrong" since we don't partake in the hoax making of the Judaists.

And why all this deception and lying took place? For their own particular interest, which was nothing of the interest of humanity or the rest of the world. They cast down all that was great, holy and spiritual, and anything that could help and advance humanity. For this reason, we saw in the recent past centuries one of the worst faces of this world that we escaped through by an inch.

This position and their constant attack on the Spiritual Culture of mankind could only make us adversaries.

Working for years in Satanism, many of us have seen that Satan and anything about Him is exactly the opposite of what the world claims.

I believe now it's the time for them to take all their "sins", slander, disinformation, and go home with it. They made it up so they must pay the price for this. The particular souls that created these lies, need to be get punished. There was no need for these lies in the first place, and the world would have been better off without these hoaxes.

These dangerous lies have kept everyone back from Spiritually advancing and bred endless confusion. Alongside the slander for Father Satan, we have all the slander

about meditation and everything of spiritual substance in this world. These came always from the same source.

In Satan we have found Truth, understanding, solace, help. I have not found nothing evil, by the common definition of evil. I have dived into the darkness and did not find darkness, but the contrary. I have found someone that answers my prayers, in Satan and in the Gods.

Due to the fact many souls cannot see higher than this, and elaborate false notions have been created to hide Satan's Power and glory from the average person, we need to sort out this situation now. One of the New Rituals that are arriving will be the Ritual that is posted below.

Satan's Name will be absolved now of all falsehood. To make matters stricter, those who made these hoaxes up, alongside their endless other transgressions and destruction towards the Higher Laws and Satan Himself, will receive this punishment that is deserving on them, included in this Ritual.

That way also everyone will be able to contact Satan easier. We can also look at this as a favour towards Father Satan and the Gods, a way of giving back.

**BELOW IS THE RITUAL:**

**DURATION FOR THE RITUAL 22, 23, 24, 25, 26, 27, 28 of December.**

**23 IS THE MOST POWERFUL DATE!**

**Ritual Notes:**

सत् = SAT, real, true, truthful in Sanskrit

**The Symbol that protects the Sigil:** Shen Ring, Egyptian Hieroglyphic language. The Shen also survived in Chinese tradition as a glyph for Spiritual Force, Divine Force, and God.

**Extra Advice:**

1. This Ritual is based on vibrating the Runes and making certain affirmations. Raising your energies before the Ritual is advised.
2. The Sigil that is provided is the point of focus where this Ritual is upon. It is this Sigil here.
3. The Runes that are done here, can be vibrated around the centre of the Sigil where the Shenu Protection Ring is. You can imagine this lighting up so much, like the Sun has a layer of light surrounding all of it.
4. Vibrate these Runes in a short version [ie, do not draw the runic vibration on a very big breath, especially for those who are new and can't do that many vibrations].
5. When you affirm that the curses etc are going back to their senders, it can help to imagine this.
6. The Ritual contains 160 Runic Vibrations, which is about 1 and a half circle of a Mala beads. If you can't do that many, reduce all the number of vibrations to 5.
7. For the Runic Vibrations [How to pronounce them]:

The Sigil:

This is the Sigil that we will be working upon.

Start by Vibrating the Runes and then affirming once the following sentences beneath them:

Fehu x10, Lagur x10, Berkano x10 , then affirm:

*Lord Satan, Sanctified and Blessed is your Name  
The blessed vowels and the blessed consonants,  
Holiest of holies, the Great Pathway,  
The loud, the hiss, the uprising, the sea, the silent.*

*I call you by your Name and bless you with my Brothers and Sisters in Satan [affirm once]: A, SAT, SATANAMA, SATANAS, SAT, A*

Ansuz x10, Sowilo x10, Algiz x10, then affirm

*Tonight we lift all curses uttered against your Name,  
We remove all sins that have falsely been sent to you,  
Your Name is detached from corrupted notions, lies and slander,  
Now and Permanently.*

[Focus on the Sigil willing this so]

**Twaz x10, Sowilo x10, Thurisaz x10, then affirm**

*All sins and hostile energy sent against you Satan,  
is now sent to your enemies and those that have slandered you.  
All hatred sent against your Name is backfired onto the  
Jews and those who alongside them have slandered your Holy Name.*

[Focus on the Sigil willing this so]

**Algiz x10, Sowilo x10, Berkano x10, then affirm**

*You stand invincible like a thousand suns,  
No evil can touch you.  
Infinitely powerful is the Shenu around you,  
bright like the Power of a thousand burning Suns.*

[Focus on the Sigil willing this so], THEN

**Vibrate SAT** x10 times, then

**Vibrate SATYA** x10 times, then

**Vibrate SATANAMA** x10 times, then

**Vibrate SATANAS** x10 times, then affirm 3 TIMES or 10 TIMES [your choice]:

*ALL THIS IS WHAT YOU ARE OUR LORD, OUR BELOVED SATAN!*

***You stand invincible against all lies.***

*THE TRUTH ABOUT YOU IS SEEN PERMANENTLY BY ALL!*

Then close the ritual with a **HAIL SATAN**

and say one time:

**Satan's Power Is Supreme and Felt by All.**

-END OF RITUAL-

**HAPPY YULE EVERYONE!!!**
