

Exposed: The 9/11 Myth
And War on Terror
Part 1

Introduction

*Please note... some of the links listed may no longer be working. To access these, you can copy and paste the URL into the "Browse History" box at <http://archive.org/web/>

September 11, 2001, was a horrific and tragic day — nearly three thousand people perished in the terrorist attacks that drove a knife straight into the heart of America. I offer those ill-fated gentiles my full condolences .Apart from being a brutal blow to the pride and stature of the most powerful nation on earth; the events of 9/11 were also a major wake-up call for many Americans and others around the world. For many reasons, the attacks of 9/11 inspired a great number of people to begin investigating major world events, attempting to ascertain what sinister force lies behind such atrocities. By looking at historical events more

deeply and with a more critical eye, many millions of people across the globe have come to know the truth. In patriot circles it is often said that the engine driving the madness that has engulfed our planet since 9/11 is the “New World Order” what I call it is A JEW WORLD ORDER— a coalition of rich and powerful ‘globalists’ working on transforming the world into a tyrannical prison society. This popular idea represents only a portion of the truth. This “New World Order” that is so often talked about these days is in reality a “Jew World Order” that is spearheaded by a contingent of psychopathic Jewish supremacists who aim to establish some form of world dominion, as their ancient Jewish religious texts had prophesied.

The shocking images of the unbelievable violence that took place on 9/11 have been seared into the memories of every American citizen. The remarkable precision and coordination of the heinous aerial assaults on the World Trade Center Twin Towers and the Pentagon was a surreal sight for many. The unthinkable collapses of the Twin Towers and WTC-7 at nearly free-fall speed raised some immediate questions. Before the dust of the collapsed Twin Towers had even settled on the ground, many critical thinkers were already asking hard questions as to what really happened and who was really behind the attacks. The official explanation of the Bush administration, which was fully endorsed by the mass media, that

nineteen Arabs with box-cutters directed by a bearded guy in a cave in Afghanistan miraculously made all of this carnage happen, despite a multi-billion dollar U.S. military, security and defense system standing in their way, is an outrageous, ridiculous, and preposterous contention — an insult to our intelligence.

The official story of 9/11 is believed by fewer and fewer people every year. Polls are beginning to show that there are many more people who are skeptical of the U.S. government’s story than those who blindly accept it. (“Americans Question Bush on 9/11 Intelligence,” Angus Reid Global Monitor, Oct. 14, 2006.) The objective of this work is not to explain or uncover exactly how 9/11 was done in the physical sense, since there is already a plethora of literature and video documentaries highlighting the physical/scientific impossibilities of the official story. Rather, this book is an attempt to elucidate who did it and why. I confidently contend that the official explanation of what happened on 9/11 has been dismantled, disproved and debunked on every level. The official story of the

attacks, as the governments and mass media of the Western world would have us all believe, is riddled with holes and blunders. The seemingly endless amount of flaws, contradictions and absurdities of the U.S. government's official conspiracy theory are painstakingly detailed in such films as "Zero – An Investigation Into 9/11," "9/11 Mysteries," and "Painful Deceptions". Like a sinking ship, the official version of 9/11 has rapidly descended into the gutter of fictitious fantasies.

The above link is no longer working. To view the history:

<http://web.archive.org/web/20070314230110/http://www.angus-reid.com/polls/index.cfm/fuseaction/viewItem/itemID/13469>

I am firmly convinced of the notion that the Twin Towers and WTC-7 were demolished with explosives. The theory that the collapse of the towers and WTC-7 was scientifically improbable without the use of explosives has been credibly established as a fact. This assertion is not argued merely by 'conspiracy theorists' sitting in their basements watching re-runs of the X-Files, but by thousands of professional architects and engineers who have put their careers and reputations on the line to get the truth out to the public about the controlled demolition of the three gigantic structures that fell to pieces before our very eyes in New York City on 9/11

See also - http://www.ae911truth.org/en/evidence.html#Videos_by_AE911Truth

If the Twin Towers and WTC-7 were brought down with explosives, which all of the evidence seems to indicate, then the tall tale of nineteen suicidal Muslim hijackers must be a fabrication, indeed an invention, of the true authors of this terrorist conspiracy. I contend that the wrong people are still, to this day, falsely being blamed for an atrocity that they did not commit. Since 9/11, Many Asian and NON US have been vilified in much the same way that the Germans have been brutally bad-mouthed and abused in the press and Hollywood entertainment media following the events of World War II.

Now the only questions that remain are: Who did 9/11 and for what purpose? Who had the means, motive, and opportunity to carry out these acts and have it blamed on somebody else? Which group or organization had enough control over the American government and news media to have been able to successfully orchestrate this colossal hoax and initiate a massive cover-up of their foul deeds? Who had the money to finance this tremendously sophisticated operation? Who had the ability to infiltrate the Pentagon and disable U.S. air defenses to provide four hijacked passenger planes a clear path to make their way to their designated targets without getting shot down? Who had the capability to operate planes by remote control? Who had control of the U.S. justice system to make sure that the perpetrators of this act were not prosecuted? Who had the power to control the NYPD and the FBI to ensure that the true organizers of this attack were not investigated or prosecuted? Who had the power to allow hundreds of suspects escape to a foreign country? Who had the expertise and know-how in explosives to be able to bring down high-rise buildings that were specifically constructed to withstand fires and plane impacts? Who had the advanced computer knowledge to coordinate the attacks? Who was most familiar with and had political control over the city of New York where the attacks took place? Who had a network of spies operating in the United States that could facilitate the attacks? Who has a history of unprovoked attacks and false-flag provocations, some of which that have been directed against the United States? As any competent detective would ask, who stood to gain from the attacks — cui bono? Did Islamic religious fanatics really carry out the attacks of 9/11 as our media and governments tell us? Or could some other form of religious and/or political fanaticism stand behind these events?

Terrorism: A Jewish Tradition

As an **intensely tribalist ethno-religious group**, Jews have, many times in the past, committed violent acts of terrorism and even genocide to further their political ambitions. When engaging in these monstrous criminal activities Jews have often cunningly cloaked themselves as members of other ethnic and religious groups. It is necessary to establish some historical precedents in order to demonstrate to the reader that Jews are indeed capable of heinous acts of terrorism and mass murder. **In this section I will give a brief overview of some of the atrocities that Jews have inflicted upon the various nations and peoples of the world.** To attain certain political ends, Jews have engineered a plethora of “false flag” attacks as a means of deceptively disguising their crimes as the work of others. I would first like to point out that the Jewish program of terror, deception and myth-making is outlined in The Protocols of the Learned Elders of Zion, which states:

“It must be noted that men with bad instincts are more in number than the good, and therefore the best results in governing them are attained by violence and terrorization, and not by academic discussions. [...] Our State,

marching along the path of peaceful conquest, has the right to replace the horrors of war by less noticeable and more satisfactory sentences of death, necessary to maintain the terror which tends to produce blind submission. Just but merciless severity is the greatest factor of strength in the State: not only for the sake of gain but also in the name of duty, for the sake of victory, we must keep to the program of violence and make-believe. ... IT IS FROM US THAT THE ALL-ENGULFING TERROR PROCEEDS.” (Protocols of Zion 1:3; 1:23; 9:4)

To elucidate the Jewish penchant for bloodlust, violence and terrorism, one merely has to consult the historical record. Here are a few examples:

1) Author Juri Lina, in his book *Under the Sign of the Scorpion* (pp. 66-68), describes a few of the bloody and savage massacres committed by the Jews in ancient times:

Ancient Jewry

“The Greek historian Dio Cassius described in detail how the Jews in the eastern provinces of the Roman Empire, in the year 116 A.D., during a rebellion began to murder various races they lived among. Judaists killed both women and children, at times using terrible torture. The most infamous bloodbaths were committed in the city of Cyrene and the province Cyrenaica (in the eastern part of present-day Libya) and on Cyprus and above all in its capital Salamis. The Greek historian Eusebius confirmed this. Mass murders were also perpetrated in Mesopotamia and Palestine. In Cyrenaica alone, the Jews killed 220 000 Romans and Greeks. On in Cyprus, their victims were estimated at 240 000. The Roman Emperor Marcus Ulpius Traianus (53-117 A.D.) sent troops to stop the killing. It took Rome a year to rein in the bloodlust of the Jews. Dio Cassius tells us how the Jews

even ate their victims and smeared themselves with their blood. (William Douglas Morrison, "The Jews Under Roman Rule", London and New York, 1890, pp. 191-193.) The most brutal murders were committed in Egypt. Dio Cassius describes how the Jews even attacked the ships in which fear-stricken people tried to escape."

2) During and just after World War I, the Young Turks — an organization comprised of crypto-Jews and Freemasons who had seized power in Ottoman Turkey — led and facilitated the butchery of nearly two million Armenian, Greek and Assyrian Christians in a brutal campaign of mass murder in the Ottoman Empire. This largely unknown attempted genocide is brought under a microscope in a book titled *The Jewish Genocide of Armenian Christians* by Christopher Jon Bjerknes.

See - <http://www.jewishracism.com/JewishGenocide.htm>

3) Jews — under the guise of Bolshevism — carried out the greatest campaign of mass murder in human history, laying waste to over 40,000,000 human beings in the Soviet Union from 1917 to 1991. Using gulag slave labor and death camps, man-made famines, mass executions by hanging or shooting, and other cruel, barbaric and torturous methods of mass murder, the Jewish communists slaughtered millions to satisfy their lust for gentile blood and quest for world power. The truly horrifying, tragic and depressing history of the communist destruction of Russia and its people is fully documented by the Estonian author Juri Lina in his wonderful book entitled "Under the Sign of the Scorpion". Other books like "Behind Communism" by Frank L. Britton and "The Rulers of Russia" by Denis Fahey do the subject justice, revealing the Jewish origins and agenda of Communism and the Soviet experiment.

4) Jewish Zionists, in their perilous quest to exterminate anything that's not Jewish from the soil of Palestine to establish a state of their own, have systematically carried out a genocidal policy of ethnic cleansing against the indigenous Arabs which, according to the official Al Nakba website, entailed the **“mass deportation of a million Palestinians from their cities and villages, massacres of civilians, and the razing to the ground of hundreds of Palestinian villages.”** In Palestine during the 1930s and 1940s, Zionist Jews mobilized murderous terror brigades such as the Irgun, Stern Gang, Haganah and Lehi, who committed scores of bombings and assassinations, ransacked entire villages, slaughtered women and children, and even attacked British Mandate forces in a carnivorous campaign to drive all non-Jews from the land of Palestine. The Israeli historian Ilan Pappé uncovers the full story of the Zionist rape of Palestine in his text *“The Ethnic Cleansing of Palestine”*. Ralph Schoenman also covers the issue of the grotesque injustice that has befallen the Palestinians in his book *“The Hidden History of Zionism”*.

See - <http://www.marxists.de/middleeast/schoenman/>

5) On July 22, 1946, a group of Jewish terrorists from the Irgun — commanded and led by Menachem Begin who would later become the Prime Minister of Israel — disguised themselves as Arabs and bombed the King David Hotel in Jerusalem, which was serving as the headquarters for the British Military and Administrative Command at the time.

Mofo Jew Menachem Begin

The Information Clearing House website provided this brief but potent synopsis of the attack:

See also - <http://www.informationclearinghouse.info/article4667.htm>

“The King David Hotel explosion of July 22, 1946 (Palestine), which resulted in the deaths of 92 Britons, Arabs and Jews, and in the wounding of 58, was not just an act of “Jewish extremists,” but a premeditated massacre conducted by the Irgun in agreement with the highest Jewish political authorities in Palestine — the Jewish Agency and its head David-Ben-Gurion. According to Yitshaq Ben-Ami, a Palestinian Jew who spent 30 years in exile after the establishment of Israel investigating the crimes of

the “ruthless clique heading the internal Zionist movement,” the Irgun had conceived a plan for the King David attack early in 1946, but the green light was given only on July first. According to Dr. Sneh, the operation was personally approved by Ben-Gurion, from his self-exile in Europe. ... The Jewish Agency’s motive was to destroy all evidence the British had gathered proving that the terrorist crime waves in Palestine were not merely the actions of “fringe” groups such as the Irgun and Stern Gang, but were committed in collusion with the Haganah and Palmach groups and under the direction of the highest political body of the Zionist establishment itself, namely the Jewish Agency.”

The BBC produced and aired a documentary featuring a play-by-play re-enactment of the King David Hotel bombing in which Izahk Zadok, a Jewish Irgunist who took part in the bombing, is showing the camera crew how he carried the bomb into the hotel hidden in a milk crate. Grinning at the camera, Zadok proudly confessed: “I wasn’t dressed as a civilian or a soldier. I was dressed as an Arab with a gilaba and a keffiyeh with that ring on your head like . . . Arafat.” (“Zionist Bombing In Jerusalem 1946,” YouTube)
<https://www.youtube.com/watch?v=5gaMNApYKtU>

6) On 6 November, 1944, Lord Moyne, the British Minister resident in Egypt, was assassinated by members of the Jewish Stern Gang. On Sept. 17, 1948, Jewish terrorists of the Lehi group assassinated Swedish diplomat and nobleman Count Folke Bernadotte, the U.N.’s mediator in Palestine.

7) In 1954, in what has been dubbed the “Lavon Affair,” a group of Egyptian Jews recruited by the Israeli AMAN (military intelligence) disguised themselves as Muslims and fire-bombed American and British installations in Egypt in a false-flag attack. Wikipedia, a Jewish controlled outlet, admitted the following regarding the Lavon Affair:

See also - http://en.wikipedia.org/wiki/Lavon_Affair

“The Lavon Affair refers to a failed Israeli covert operation, code named Operation Susannah, conducted in Egypt in the Summer of 1954. As part of the false flag operation, a group of Egyptian Jews were recruited by Israeli military intelligence for plans to plant bombs inside Egyptian, American and British-owned targets. The attacks were to be blamed on the Muslim Brotherhood, Egyptian Communists, “unspecified malcontents” or “local nationalists” with the aim of creating a climate of sufficient violence and instability to induce the British government to retain its occupying troops in Egypt’s Suez Canal zone. ... The operation became known as the Lavon Affair after the Israeli defense minister Pinhas Lavon, who was forced to resign because of the incident....”

The Mid East Web internet site covers the Lavon Affair in great detail in an article entitled “The Lavon Affair — Israel and Terror in Egypt“. The article explained that, *in 1954, the Israeli secret service set up a spy ring in Egypt, with the*

purpose of blowing up US and British targets. The operation was code-named "Susannah." The terrorist hits were to be blamed on the regime of Egyptian President Gamal Abdul Nasser, with the purpose of alienating the US and Britain from Egypt and Nasser and somehow preventing Egyptian nationalization of the Suez canal. The ring was discovered. [...] The group was activated in July of 1954. The first bombs were placed in post offices on July 15, followed by the USIA libraries in Cairo and Alexandria on July 14. On July 23, more bombs were exploded in two Cairo cinemas, in the railway terminal and central post office. The entire ring was soon rounded up, either because of information divulged under interrogation or because it had been betrayed. Ostensibly, they were caught when, by chance, incendiary bombs went off in the pocket of Phillip Nathanson while he was waiting in line outside the British owned Rio theater in Alexandria on July 23...."

See - <http://www.mideastweb.org/lavon.htm>

For five decades the arrogant, eternally deceitful Jews refused to admit responsibility for the attack, claiming it was just an "anti-Semitic conspiracy theory." In 2005, however, the Israeli government not only admitted responsibility, but held a ceremony honoring the Jewish terrorists who took part in the operation with medals of appreciation for their "service" to the Jewish state! Reuters reported:

Egypt is astonished at Israel's tribute to nine Egyptian Jews recruited by the Jewish state to carry out "terrorist operations" in Cairo and Alexandria in the 1950s, the foreign minister said. Israeli President Moshe Katsav last week honored the Egyptian Jews recruited by Israel as agents to ruin Cairo's rapprochement with the United States and Britain by firebombing sites frequented by foreigners the cities. Israel hoped the attacks, which caused no casualties, would be blamed on local insurgents. But the young Zionist bombers were caught and confessed at public trials. Two were hanged and the rest served jail terms and immigrated to Israel...." ("Egypt questions Israel's tribute to 'spies'," Ynet News, April 03, 2005.)

8) On June 8, 1967, while patrolling in international waters in the Eastern Mediterranean Sea, an American surveillance ship called the USS Liberty (AGTR-5) was heinously attacked by the air and naval forces of Israel. Using unmarked fighter jets and torpedo boats, the Israelis pummelled the Liberty with machine-gun fire, napalm, torpedoes and rockets for over an hour. To ensure that no American aboard the ship escaped

alive, the Israeli pilots fired on the life-rafts. The Israelis failed to sink the ship, as they had intended, but managed to cause a considerable amount of damage and harm. When the Israeli terror forces finally ceased attacking the vessel, 34 American sailors were dead and 174 other crewmen were seriously wounded. The full story of what happened to the Liberty and its crew is described in a book by Liberty survivor James Ennes, Jr., called "Assault On The Liberty". Writers Victor Thorn and Mark Glenn also delve into the subject in fine detail in their book "Ship Without a Country — Eyewitness Accounts of the USS Liberty Attack". To cut through the Zionist spin about the event, people can go to [GTR5.com](http://www.gtr5.com), a website dedicated to telling the true story of the USS Liberty attack from the perspective of those who survived this deadly Israeli assault.

See - <http://www.gtr5.com/assault.htm>

See - http://www.gtr5.com/summary_of_events.htm

See - http://www.texemarrs.com/Merchant2/merc...rael_books

9) Mossad defector Victor Ostrovsky reported in his book "By Way of Deception" (St. Martin's Press, 1990) that Israel's Mossad had foreknowledge of the bombing attacks on the U.S. and French marine barracks in Beirut, Lebanon in 1983 which killed 299 American and French servicemen. He says that the Mossad deliberately withheld the information they had about plans to bomb the barracks from their American and French "allies," thus allowing the attack to proceed. (Joe Sobran, "Did Israel Deliberately Allow 241 American Marines to Die?")

See also -

<http://www.codoh.com/zionweb/zionsob241die.html>

Ostrovsky is most likely a deep-cover shill for Israel who tells partial truths in order to mask more grandiose deceptions and criminal actions on the part of his Israeli brethren. Mossad not only had foreknowledge of the Beirut barracks bombings, they most likely perpetrated the act. By reporting that Israel only had "foreknowledge" of these attacks Ostrovsky is trying to conceal a more sinister truth, which is that Israel planned and carried out the attack. An article titled "The Myth of the Suicide Bomber" (published on [Rense.com](http://www.rense.com)) succinctly explicates the Zionist strategy of camouflaging their covert terrorist operations by inventing and perpetuating propaganda about "suicide bombings." The author of the article opined:

See also - <http://www.rense.com/general67/suicc.htm>

"[Israel uses the suicide bomber myth as a cover] to attack those who think themselves to be allies, but are not, e.g. America, Spain, Britain. In 1983 Israel invaded and occupied Lebanon. The US and France had peacekeeping forces in place near the Beirut airport. The US had a naval

presence off the coast. Early one Sunday morning, simultaneously, both the French and American Marine barracks were bombed. The story was that a truck had come at high speed through a gate and exploded, killing hundreds of Marines. As the two bombings were simultaneous one wonders why so little is said about the French barracks especially if we are to think there were simultaneous “truck bombs”; it would have been a neat trick.

Suicide was not mentioned in the original reports, in 1983, but in the twentieth anniversary reports the bombing of the US Marine barracks was said to have been done by a “suicide bomber”, and elsewhere the words “terrorist suicide bombing” were used. So by 2003 a simple bombing had become a suicide bombing. I think that change is significant. Using Professor Pape’s logic of suicide terrorism applied to the situation in Lebanon we should wonder why the occupying Israeli force was not targeted rather than the French and Americans who were on the periphery as peacekeepers. Just because a target is handy does not make it strategically worthwhile. If the planning was so tight that simultaneous truck bombs could hit these two marginal targets, why not use that expertise and tonnage to hit the one perfect target?

The Israelis had prior knowledge of a truck being outfitted to carry a very large bomb but did not warn the Americans.(déjà vu) This was reported by Mossad operative, Victor Ostrovsky in his book *By Way of Deception*. The odd thing about this story is not that the Israelis neglected to warn the Americans, but that they could even imagine that the Americans would be the target rather than themselves. Why would they think that? The Israelis use the deception of admitting some knowledge as a way of deflecting suspicion away from themselves as perpetrators. In this case the admission of prior knowledge reveals more than disregard, it reveals an inconsistency that makes me believe they were the bombers.

... If Israel did invent the suicide bomb [myth], why did they wait so long to use the tactic at home? The invention of a myth does not happen in a meeting of the Knesset, nor does it come out of the imagination of one person or a think tank. It is an organic process that is a mix of reality, fantasy, and purpose.

A good example of this organic process is the example I gave earlier of the bombings in 1983 of the US and French military barracks at the Beirut airport. I believe it was Israel that carried out the attacks. The Israelis did not want the US and France to intermeddle in Israel’s attack on the Palestinians who had fled to Lebanon. The US and France were their allies, so an attack could not be seen to come from the Israelis. The bombing was done under the pretence that two truck bombs were detonated simultaneously as they ran into the barracks. Of course the trucks, if there were any, were demolished, and the drivers, if there were any, were blown up. The story of who did the bombing was in the hands of the Israelis who

fabricated the whole thing to cover themselves. So the Israelis had the purpose to make their meddling allies leave. The reality was the bombing, and the fantasy was the fabrication that hid the truth. Today this would be called a “suicide bombing” in 1983 it was not. You can see that it is only the characterization that has changed, not the action.”

10) In 1986 Israel's Mossad, and its pro-Zionist allies in the CIA, orchestrated a deadly bomb attack at La Belle discothèque in West Berlin, Germany, an entertainment venue that was commonly frequented by U.S. soldiers stationed in the area. ("German TV exposes CIA, Mossad links to 1986 Berlin disco bombing," Lebanon Wire, Aug. 27, 1998.) A bomb placed under a table near the disk jockey's booth exploded at 1:45 am on April 5, 1986, killing three people and injuring around 230 others, including 79 American servicemen. U.S. President Ronald Reagan immediately blamed Libya for the terrorist bombing and ten days later dispatched U.S. war planes that dropped over sixty tons of bombs on the Libyan cities of Tripoli and Benghazi. They

destroyed the home of Libyan leader Muammar Gaddafi and killed at least 30 civilians, including many children. Gaddafi himself, the main target of the air strike, was not hurt.

See also - <http://www.lebanonwire.com/1005/05102901WSWS.asp>

Just prior to the bombing in Germany, the Mossad planted a "Trojan" device in a Libyan apartment building in Tripoli. In his book "The Other Side of Deception," Victor Ostrovsky explained that a Trojan is a special communication device that could be planted by naval commandos deep inside enemy territory. The device would act as a relay station for misleading transmissions made by the disinformation unit in the Mossad called LAP which was intended to be received by American and British listening stations. Using this device, the Mossad made it appear that the Libyan leadership was transmitting terrorist directives from Tripoli to their embassies worldwide. This treacherous Jewish ploy successfully induced the Americans to bomb Libya after the Mossad's false-flag attack at the West Berlin disco in 1986.

See also - <http://www.whatreallyhappened.com/WRHARTICLES/deception.html>

11) The first bombing of the World Trade Center occurred on February 26, 1993, when a truck bomb was detonated below the North Tower of the WTC in New York City, killing six people and injuring more than a thousand others. A group of Islamist dupes supposedly led by Ramzi Yousef and the so-called 'blind sheik' Omar Abdel-Rahman were blamed for the attack, but all of the evidence points to

an orchestrated false-flag event stage-managed by the Israeli Mossad as well as pro-Zionist elements in the American FBI. See: George Pumphrey, "Types of Terrorism and 9/11," Global Research, June 19, 2003 / M. Amir Ali, "World Trade Center Bombing — Who Did It And Why?," Ilaam, Feb. 26, 1993)
See -

<http://www.globalresearch.ca/articles/PUM306A.html>

This terrorist attack was initiated by a female Mossad operative posing as an Islamic radical named Josie — or Guzie — Hadas. She had hired two Arabs, who were later arrested, Mohammed Salameh, a Palestinian, and Nidal Ayyad, and then framed them for the bombing of the WTC. Salameh was directed by Hadas to rent a transport van. The telephone number and apartment listed on the rental contract were those belonging to Hadas. After the bombing, investigators found incriminating bomb-making materials inside Hadas' apartment but she had already disappeared, most likely back to Israel. It was revealed by investigative reporter Robert Friedman that Ahmad Ajaj, a Palestinian who was indicted as one of the "masterminds" of the 1993 WTC bombing, was a Mossad asset who was recruited in an Israeli prison. (Michael Collins Piper, "Mossad Link To 1st WTC Bombing Raises Eyebrows," American Free Press, Sept. 16 2001.) The Zionist-controlled FBI was using an informant named Emad Ali Salem (a former Egyptian army officer) to recruit and provocateur Islamists to commit attacks on

the Lincoln and Holland tunnels, the WTC, the UN and other targets. Salem recorded all of the conversations he had with his FBI handlers which reveal that they deliberately allowed the attack on the WTC to take place, and prevented Salem from exchanging the real explosives with a harmless powder in what he thought would be a sting operation. (Ralph Blumenthal, "Tapes Depict Proposal to Thwart Bomb Used in Trade Center Blast," New York Times, Oct. 28, 1993.)

See - http://whatreallyhappened.com/WRHARTICLES/mossad_wtc.html

See - <http://whatreallyhappened.com/WRHARTICLES/wtcbomb.html>

Jewish writer Ralph Schoenman exposed the role of Mossad agent Guzie Hadas and FBI asset Emad Salem in organizing this false-flag attack and revealed that Israeli intelligence had prior and advanced knowledge of the bombing. The Israelis did not attempt to share the information they had with U.S. authorities, which could have prevented the attack, because the bombing was their handiwork all along. Schoenman writes:

"Both the telephone number and the apartment were listed (on the rental agreement for the Ryder Truck alleged to have contained the explosives), and indeed, the apartment had been rented by "a woman identified as Josie Hadas" .Her name was flaunted, almost as a signal, "the latest name on the mailbox was Josie Hadas... who moved into the apartment before Christmas" (Los Angeles Times, March 7, 1993).

It was during her occupancy of this apartment that the chemicals and bomb components were supposedly stored there. Salameh, moreover, was being "handled" by mysterious others whose relationship to the crucial evidence would become important. "The authorities say several associates of Mr. Salameh who may have been involved in the bombing have dropped out of sight. ... One of the people being sought for questioning is an unidentified man who accompanied Mr. Salameh on two visits to the rental agency. Another is Josie Hadas, whose name was listed for a telephone at an apartment at 34 Kensington Avenue in Jersey City" (New York Times, March 8, 1993). The name placed on the rental agreement as a reference was Josie Hadas. [...]

ISRAELIS' ADVANCE KNOWLEDGE

Who then was the woman in whose name the telephone and apartment were listed and where the incriminating evidence was "found?" Josie or Guzie Hadas was not unknown. The International Herald Tribune (March 8, 1993) quoted FBI spokesman Joe Valiquette's familiar response to their reporter's query about the role of Hadas in the Israeli secret service, Mossad: "Even if it were true, we wouldn't tell you anyway.

The London Periodical Impact (march 12, 1993 and April 8, 1993) revealed, in an article titled "Who Bombed the World Trade Center," that on February 26, the day the bomb exploded, an Israeli intelligence group sent an urgent communiqué over a telephone access computer network about the event. The communiqué was picked up when it was discovered accidentally on a confidential government

“information base” known in the Israeli intelligence community as “Matara,” an official source of classified data pertaining to intelligence and security matters. Either leaked or accessed by news sources, the communiqué states that Israeli Intelligence had advance knowledge of the timing and target of the World Trade Center bombing and that it would be attributed to “known activists from the Occupied Territories.” Three days after the bombing, “Anne,” an Israeli operative of the Shin Bet, Israel’s FBI, was cited by journalists in Israel “boasting of Israeli Intelligence capabilities.” She stated that Israel had advance knowledge of the bombing, confirming the communiqué disclosed on Matara.

The next day, an Israeli Defense Force spokesperson responded to a direct question from a Jerusalem reporter concerning Israeli governmental involvement in the bombing of the world Trade Center. The Jerusalem journalist (whose name will be protected here) told Irfan Mirza, the author of the Impact articles, how he had confirmed that “Israeli intelligence knows more about the bombings than they are ever going to disclose at this time.” This author discussed the data with journalist Lorraine Mirza, who confirmed that Irfan Mirza’s investigation led to bomb threats which were taped. He has left London. On March 6, an article in the London Times confirmed that “Israeli intelligence has detailed information” about the World Trade Center bombing, adding that “the FBI has given no explanation as to why Israel has not come forward to the U.S. authorities with information.” Zafar Bangas, editor of Crescent International, an Ontario, Canada-based journal conversant in Islamic politics and one of the most widely read newspapers in the Muslim world, confirmed to this author that Guzie (Josie) Hadas was long-established as a Mossad operative. She had penetrated Islamic circles in New York, as had another intelligence operative, Emad Ali Salem, a colonel in Egyptian intelligence.

Bangas confirmed investigative work of Irfan Mirza concerning the role of Emad Ali Salem. It was he who rented the van in the name of Mohammad Salameh, purchased and disseminated chemical and bomb materials in various apartments and who tipped his employers, the FBI, as to his handiwork.

The serial number released by the ATF after, supposedly, coming upon a metal fragment, nominally buried under five stories and tons of debris, came from “undercover operative, Emad Ali Salem” .Salameh had attempted to report the theft of the van rented in his name previous to the bombing of the World Trade Center. Despite the public impact of the explosion, Salameh, unaware of the significance of the van, showed up asking for the return of the deposit.” (Ralph Schoenman, “Who Bombed the U.S. World Trade Center? — 1993 Growing Evidence Points to Role of FBI Operative,” Prevailing Winds Magazine, Number 3, 1993.)

See also - <http://takingaimradio.com/articles/wtc93.html>

In 1991, two years prior to the bombing, Israeli security officials inspected the garage of Zim American Israeli Shipping Co., which was located underneath the Twin Towers, and concluded that it was vulnerable to a car bomb. (“Early Warning,” Time Magazine, Mar. 22, 1993.) This suspiciously coincidental

'inspection' of the WTC's basement shortly before it was bombed in 1993 is another significant indication of malevolent Israeli planning and orchestration of this false flag provocation.

12) In 1994, on the day of the Jewish hate-festival of Purim, an orthodox **Jew** named **Baruch** Goldstein walked into a crowded mosque in Hebron, West Bank, with an automatic assault rifle, locked the door behind him and opened fire. As they were kneeling in prayer, Goldstein shot his victims in the back with his army assault rifle until he was finally subdued and killed by survivors. When the murderous rampage was finished, 29 Palestinian Muslims had succumbed to Goldstein's bullets; 125 others were seriously wounded. Israeli soldiers — possibly possessing foreknowledge of the attack — quickly amassed outside the mosque and shot dead a number of Palestinians fleeing Goldstein's onslaught. Rioting ensued shortly thereafter, and another 19 Palestinians were murdered by Israeli soldiers within 48 hours. ("Baruch Goldstein," Wikipedia / "Cave of the Patriarchs Massacre," Wikipedia)

See - http://en.wikipedia.org/wiki/Cave_of_the_Patriarchs_massacre

Astonishingly, the mass murderer Baruch Goldstein is hailed as a hero by many

Jews in Israel and abroad to this very day. (“Graveside Party Celebrates Hebron Massacre,” BBC News, Mar. 21, 2000.) Before Goldstein’s funeral procession commenced, well-known rabbis eulogized Goldstein and commended his murderous deed. Rabbi Dov Lior of Kiryat Arba stated, “since **Goldstein did what he did in God’s own name, he is to be regarded as a Righteous Man,**” **asserting that Goldstein was “a martyr of God.”** (Auerbach, Jerold S. Hebron Jews. 2009, p. 128) Rabbi Yisrael Ariel expressed similar sentiments, proclaiming:

“The holy martyr, Baruch Goldstein, is from now on our intercessor in heaven. Goldstein did not act as an individual; he heard the cry of the land of Israel, which is being stolen from us day after day by the Muslims. He acted to relieve that cry of the land! The Jews will inherit the land not by any peace agreement but only by shedding blood!” (Israël Shahak, Norton Mezvinsky. Jewish Fundamentalism in Israel. Pluto Press, 1999, p. 102)

See also - http://news.bbc.co.uk/2/hi/middle_east/685792.stm

Hundreds of rabid Jewish settlers were recorded on video celebrating and praising Goldstein’s massacre of Arabs. (“Goldstein’s Massacre At The Mosque,” Vimeo) One particular Jew, Leonard Goldberg, was asked to comment on the incident and said that Goldstein “**did a tremendous deed, an act of self-sacrifice to try to save the Jewish people.**” . In the weeks following the massacre, thousands of Israelis traveled to Goldstein’s grave to venerate his devilish deed. Some Hasidim danced and sang around his grave. Other visitors kissed and hugged the gravestone, or even kissed the earth under which Goldstein was buried, declaring him a “saint” and “hero of Israel.” (“Hundreds Gather to Honor Hebron Killer,” New York Times, April 01, 1994.)

US Embassy Bombing Made by Mossad

13) The USA embassy bombings were a series of attacks that occurred on August 7, 1998, in which hundreds of people were killed, and thousands more wounded, in what is claimed to be simultaneous truck bomb explosions at the U.S. embassies in the East African capitals of Dar es Salaam, Tanzania, and Nairobi, Kenya. Officially, the U.S. government accused Osama bin Laden and Al-Qaeda of having directed and facilitated the attacks, but no solid proof has ever been offered to support this allegation. On the other hand, several interesting facts have come to light which strongly point to Israeli involvement in these vicious twin assaults.

The Spotlight reported that weeks before the bombings the Israeli secret service had persuaded U.S. authorities to ignore intelligence reports that warned of an imminent attack against the embassies. As a result, there had been no follow-up precautions taken to protect the embassies from an attack. Thanks to the Mossad's ill-boding "advice" to ignore raw intelligence that spoke of impending danger, hundreds of innocent people were murdered in two terrorist bombings. Here is a portion of The Spotlight's interesting report:

"We don't know yet who was at the wheel of those car bombs; but we do know that the long fuse leading to these terrorist flare-ups was lit in Israel," asserted Capt. Aurelio dell Acqua, a retired Italian Carabinieri officer. Previously specializing in diplomatic security, he is now a loss prevention consultant for a group of European corporations on Wall Street. The Mossad, Israel's secret service, literally set up the U.S. embassy in Nairobi, Kenya, for the August 7 truck bombing by persuading the CIA and the White House to disregard American intelligence reports. Those reports warned that a terrorist raid against this facility was imminent; it was learned as this issue of The SPOTLIGHT went to press. Four months worth of tips and alert signals that the Nairobi embassy was facing a potential disastrous explosives attack were sent to Washington last month by the U.S. ambassador in Kenya, Florence Bushnell, and by intelligence controllers of the U.S. Central Command. But nothing was done to protect this poorly shielded facility because, on the standard operating procedure inaugurated in the Reagan-era, the FBI had to turn to the Israelis for a definite evaluation of these early warnings. "Ignore them," the Mossad reassured the U.S. government, "it's just another false alarm." This information, delivered to Washington just weeks before the monstrous explosion, was the key factor in persuading the U.S. to let its guard down, resulting in the loss of life of at least 250 victims including 11 Americans, angry Washington intelligence sources told The SPOTLIGHT. Interviewed in the immediate aftermath of the huge explosions that shattered the U.S. embassies in Nairobi, Kenya and Dar-es-Salaam, Tanzania, on August 7, causing horrendous devastation and tragic loss of life, dell Acqua was expressing conclusions widely shared by counterterrorist specialists, diplomatic sources and other expert

observers, an exclusive SPOTLIGHT survey has found.

“At this point in time, Israel is the only country that can expect to benefit from such an atrocious act of political warfare,” commented a senior national security official from a leading Gulf nation, who asked not to be identified by name. ‘For the first time in history, the [Israeli] government finds itself embroiled in simultaneous hostilities with the White House, the CIA, the entire European community of nations and the Arab League as well as the Vatican – even with NASA, (the American space agency). It is desperately trying to get out of this quandary by staging a new regional crisis.’” (Warren Hough, “Zionists Target Iran,” *The Spotlight*)

See also - <http://www.jewwatch.com/jew-worldconspiracies-mossad-provocations.html>

Moreover, the U.S. embassy building in Dar es Salaam had once been an Israeli compound and the first soldiers to arrive at the site of the bombings to “control” and “handle” the crime scene were special units of the Israeli armed forces and high level agents of the Mossad. (“Rescue Gives Hope To Those Still Trapped,” Milwaukee Journal Sentinel, Aug 10, 1998 / “Bombing Toll Rises As Rescue Effort In Nairobi Intensifies,” New York Times, Aug. 9, 1998 / Ralph Schoenman, “Resist US Aggression! Who are the Real Terrorists?”) Michael Ross, a Canadian traitor who joined Israel’s Mossad, serving the terrorist institution for nearly a decade, admitted on page 209 of his trashy book “The Volunteer: The Incredible True Story of an Israeli Spy on the Trail of International Terrorists” that officials of the Israeli Shin Bet were first on the scene in the aftermath of the U.S. embassy bombing in Nairobi and had taken a video of the devastating carnage. Other suspicious occurrences surrounding the bombings were noted by George Pumphrey:

“The US ambassador [symbol of US presence abroad] in Kenya was not on the premises at the time, and the ambassador to Tanzania had been absent for months. (“An Ordinary Day, Then Horror” Washington Post, Aug. 10, 1998) The building in Dar Es Salaam had once been an Israeli compound (diplomatic relations had been suspended after the 1973 war). The truck carrying the bomb had been the Embassy’s water truck used to deliver fresh water to embassy staff around town, and had been actually parked on the Embassy compound. (“149 Confirmed Dead in Embassy Blasts” Washington Post Aug. 9, 1998) Neither the surveillance cameras in Dar Es Salaam nor in Nairobi were set to film. Who planted the bomb in the truck? Who shut down the cameras? Bin Laden? Hardly.” (“US Embassy Bombings In East Africa (1998),” Global Research, Dec. 21, 2002.)

See - <http://globalresearch.ca/articles/PUM212A.html>

This brief and compact list of terrorist atrocities and false-flags committed by Jews and their helpers is by no means complete, but it plainly demonstrates that Jews have historically lived up to the Mossad's sick motto, **"By Way of Deception Thou Shalt Do War."** All of these salient facts establish the grim historical reality of Jewish criminality, treachery, false-flag terrorism, mass murder and genocide, and vividly illustrates the widespread fanatical zealotry that is common amongst Jews. Taken together, these disastrous and horrific occurrences that have manifested as a result of Jewish extremist power is a warning sign to the world. Failing to recognize the significance of these historical facts would be a catastrophic mistake that will lead to even more dire consequences.

Jewish extremists have routinely threatened to mass murder millions of people in order to get their way in the world. For example, the savage Jewish-Bolshevik leader Vladimir Lenin openly advocated using lies and deceit, terrorism, and the wholesale slaughter of entire populations, as a means to fulfill the sinister aims

of Communism, which was the enforcement of international Jewish dominion over Gentiles. Lenin once stated that he didn't care if 90 percent of the Russian people perished during his reign of terror so long as the surviving 10 percent would help him bring about a "world revolution." ("Foreign News: The Trail of Lenin," Time Magazine, Feb. 11, 1924.) In 1918, another Jewish communist leader named Grigory Zinoviev (born Radomyslsky) called for the annihilation of ten million Slavs to ensure the victory of Bolshevism in Russia, stating:

See also - <http://tinyurl.com/ygt8puo>

"To overcome our enemies we must have our own Socialist Militarism. We must win over to our side, 90 millions out of the 100 millions of population of Russia under the Soviets. As for the rest, we have nothing to say to them; they must be annihilated." (Russia No. 1: A Collection of Reports on Bolshevism in Russia. Great Britain: Foreign Office, (1919), p. 99)

In 1941 a twisted Jewish mofo from New Jersey, USA named Theodore Kaufman I have told about this mofo Jew in my previous articles also, penned and published a hate-filled text outlining a bloodcurdling plan for the complete extermination and extinction of Germany and its people. Writing in his genocidal book "Germany Must Perish!", Kaufman called for a "final solution" of sterilization of all German gentiles as well as the territorial breakup of the German nation, stating:

Mofu Jew Kaufman

"A final solution... Thus we find that there is no middle course; no act of mediation, no compromise to be compounded, no political or economic sharing to be considered. There is, in fine, no other solution except one: That Germany must perish forever from this earth!" (Germany Must Perish! Newark, NJ: Argyle Press, 1941.)

http://hailtosatansvictory666.angelfire.com/Germany_Must_Perish_1941.pdf

In 1986, the chief chaplain (spiritual leader) of the Israeli army in the occupied territories took a page out of Kaufman's book when he commanded Israeli soldiers to exterminate all Germans as "enemies of Israel." This hate-crazed rabbi exhorted the Israeli army to slay all Germans, even though there are no German gentiles in occupied Palestine. Journalist Christopher Hitchens was a witness to this affair and wrote about it in an article for Slate Magazine:

"I remember being in Israel in 1986 when the chief army "chaplain" in the

occupied territories, Rabbi Shmuel Derlich, issued his troops a 1,000-word pastoral letter enjoining them to apply the biblical commandment to exterminate the Amalekites as “the enemies of Israel.” Nobody has recently encountered any Amalekites, so the chief educational officer of the Israeli Defense Forces asked Rabbi Derlich whether he would care to define his terms and say whom he meant. Rather evasively—if rather alarmingly—the man of God replied, “Germans.” There are no Germans in Judaea and Samaria or, indeed, in the Old Testament, so the rabbi’s exhortation to slay all Germans as well as quite probably all Palestinians was referred to the Judge Advocate General’s Office. Forty military rabbis publicly came to Derlich’s support, and the rather spineless conclusion of the JAG was that he had committed no legal offense but should perhaps refrain in the future from making political statements on the army’s behalf.” (C. Hitchens, “An Army of Extremists: How some military rabbis are trying to radicalize Israeli soldiers,” Slate Magazine, Mar. 23, 2009.)

Most recently, a lunatic asshole Jewish professor of military history at the Hebrew University in Jerusalem enunciated his diabolical desire to annihilate all opposition to the Zionist aim to ethnically cleanse all of Palestine of Arabs by unleashing Israel’s nuclear arsenal against the capitals of Europe. Martin Van Creveld wickedly announced:

“We [Israel] possess several hundred atomic warheads and rockets and can launch them at targets in all directions, perhaps even at Rome. Most

***European capitals are targets for our air force. Let me quote General Moshe Dayan: "Israel must be like a mad dog, too dangerous to bother." I consider it all hopeless at this point. . . Our armed forces, however, are not the thirtieth strongest in the world, but rather the second or third. We have the capability to take the world down with us. And I can assure you that that will happen before Israel goes under."* (Hirst, David. *The Gun and the Olive Branch: The Roots of Violence in the Middle East: With a New Foreword.* London: Faber, 2003, p. 119)**

See - <http://tinyurl.com/6qxzlsn>

If those of us who are not Jewish are not compliant with the insane global aims and ambitions of these villainous eternal foes of humanity, then we are as good as dead in their eyes. In fact, they are willing and able to wipe out the entire planet if need be, including themselves. No appeals to reason will sway them from their deathly course of action in this world. Believing they have a divine right to dominate and control the riches and resources of this planet, the Jewish supremacists are on a war path of total global chaos and destruction. As the outspoken world chess champion Bobby Fischer once said, the Jews are driving the world toward extinction.

The controlled mass media has deliberately ignored and worked to whitewash, downplay and distract from every last one of the aforesaid historical crimes. The seemingly endless instances of bloody Jewish transgressions have been consistently hidden from the public. The persistent suppression of these facts is made possible by the same forces behind all of this monstrous malfeasance. They control our media, run the publishing industry, and dominate the academic arena of the Western world. After digesting this incredible information about the truly astronomical level of Jewish misconduct and the deceptive tactics that they have frequently utilized to conceal their crimes, does it still come as a surprise that Jews could be ruthless and cunning enough to murder nearly three thousand civilians on 9/11 and have it blamed on their enemies to further their globalist agenda? **If they butchered tens of millions of innocent Russians and others under Bolshevism, if they called for and endeavoured to wipe out all Germans, do you honestly believe that they'd hesitate to kill three thousand Americans for Political Advantage**

Who Benefits?

The foremost question that must always be asked following an event of huge historical importance is: "who benefits from this?" The answer to that question with regard to 9/11 emerged from the lips of the fanatical Zionist Jew who heads Israel's militant Likud Party, **Benjamin Netanyahu**, the following day. The New York Times published an article on September 12th, 2001, with the revealing title, A DAY OF TERROR: THE ISRAELIS; Spilled Blood Seen as Bond That Draws Two Nations Closer, which reported:

<http://www.nytimes.com/2001/09/12/us/day-terror-israelis-spilled-blood-seen-bond-that-draws-2-nations-closer.html>

“Israelis took cold comfort in concluding that Americans now share more of their fears. ... Israeli leaders, who chafed at American criticism of their measures against Palestinians, said the day’s attacks would awaken the United States to the threat of global terrorism.”

The article further reported that when asked what the attack meant for U.S.- Israeli relations, Netanyahu joyfully proclaimed: **“It’s very good...Well it’s not good, but it will generate immediate sympathy [for Israel’s cause].”** Netanyahu then predicted that the attack would **“strengthen the bond between our two peoples, because we’ve experienced terror over so many decades, but the United States has now experienced a massive hemorrhaging of terror.”** Years later, Netanyahu continued to boast mockingly about how beneficial the attacks were for Israel and its war against the Palestinians and the Arab world in general. Israel’s Haaretz newspaper quoted the cold-blooded Israeli leader as having sadistically said: **“We [Israelis] are benefiting from one thing, and that is the attack on the Twin Towers and Pentagon, and the American struggle in Iraq... [The 9/11 attacks] swung American public opinion in our favor.”** (“Report: Netanyahu Says 9/11 Terror Attacks Good for Israel,” Haaretz, April 16, 2008.)

See - <http://www.haaretz.com/news/report-netanyahu-says-9-11-terror-attacks-good-for-israel-1.244044>

Israel's Prime Minister on 9/11 was the former Haganah terrorist, **Ariel Sharon**. Shortly after the attacks, the infamous war criminal and his terrorist colleagues in the Israeli military-intelligence establishment were overjoyed, concluding that the events of 9/11 were nothing less than a **"Hanukkah miracle"** of good fortune for Israel. Israeli journalist Aluf Benn described the jubilant reaction of Israel's political and military leadership to 9/11, writing:

"The Israeli political-security establishment is coming to the conclusion that the terror attacks on September 11 were a kind of "Hanukkah miracle" for Israel, coming just as Israel was under increasing international pressure because of the ongoing conflict with the Palestinians.

Osama bin Laden's September 11 attacks placed Israel firmly on the right side of the strategic map with the U.S., and put the Arab world at a disadvantage as it now faces its own difficult decisions about its future. That's the impression left by the speeches given by Mossad chief Ephraim Halevy and National Security Council chairman Maj. Gen. Uzi Dayan, at this week's Herzliya conference on national security.

Dayan said yesterday that the global reality resulting from September 11 gives Israel and the U.S. "the chance for victory over a common enemy." Halevy spoke about "a world war different from all its predecessors" and about global agreement that "combined all the elements of Islamic terror into one clear and identifiable format," creating "a genuine dilemma for every ruler and every state in our region. Each one must reach a moment of truth and decide how he will position himself in the campaign." ("Israel Strives to Import America's War on Terror," Haaretz, Dec. 18, 2001.)

See - <http://www.casi.org.uk/discuss/2001/msg01134.html>

Open celebration of the mass murder of September 11th was commonplace among Israel's leaders. This was even confirmed by a former high-ranking Israeli intelligence official. In an interview with the French daily Le Monde, **Ami Ayalon** the former chief of Israel's internal security service Shabak, or Shin Bet, from 1996-2000, informed us that **"[s]ince September 11, our leaders have been euphoric. With no more international pressures on Israel, they think, the way is open."** ("An unconditional withdrawal from the territories is urgently needed," Le Monde, Dec. 22, 2001.) Israel's leading "academics" were also jumping for joy. **Ehud Sprinzak**, a prominent Israeli professor who specializes in the subject of terrorism, boastfully announced:

"From the perspective of the Jews, it [9/11] is the most important public relations act ever committed in our favour." (Alan Philips, "Lost Sympathy Worries Arafat," The Telegraph, Sept. 13, 2001.)

Racist Rabbi

The picture here couldn't really get any clearer: the Jewish supremacist elite benefited tremendously from the 9/11 attacks. 9/11 was an Israeli victory — this reality was articulated by Israel's leaders with jubilant smiles on their faces. Revelling over the deaths of nearly three thousand innocents reveals that these hardened Jewish psychopaths are infected with a supremacist and inhuman mindset. Considering that Judaism teaches its adherents of the inferiority of non-Jews (the Goyim), who are said to be worthless cattle whose only purpose on earth is to serve the Jews as slaves, it is hardly surprising to see Jewish supremacists celebrate murder and death when it benefits their agenda. (Christopher Jon Bjerknes, "According to the Jewish Kabbalah, Talmud and Torah, Gentiles Are the Slaves of the Jews," Jewish Racism Blogspot, Aug. 5, 2009.) Rabbi Ovadia Yosef, the spiritual leader of Israel's third largest political party 'Shas,' obnoxiously articulated this supremacist view in a sermon that he delivered in 2010, blurting out:

"Goyim i.e. Non Jews were born only to serve us. Without that, they have no place in the world – only to serve the People of Israel. ... In Israel, death has no dominion over them... With gentiles, it will be like any person – they need to die, but [God] will give them longevity. Why? Imagine that one's donkey would die, they'd lose their money. This is his servant... That's why he gets a long life, to work well for this Jew. ...Why are gentiles needed? They will work, they will plough, they will reap. We will sit like an effendi and eat. That is why gentiles were created." ("Yosef: Gentiles exist only to serve Jews," *The Jerusalem Post*, Oct. 18, 2010.)

See - <http://www.jpost.com/JewishWorld/JewishNews/Article.aspx?id=191782>

Rabbi Yosef did not really say anything out of the ordinary. He was merely expressing the supremacist doctrines of his insidious religion — a set of abhorrent principles that all devoted religious Jews adhere to. (Christopher Jon Bjerknes, "The Universal Enslavement of the Non-Jew, Part 2: Jewish Supremacism in the Torah Proper," Jewish Racism Blogspot, Dec. 6, 2008.) This kind of rhetoric is prevalent among World Jewry's most revered rabbis and sages. Take, for instance, Rabbi Shneur Zalman of Liadi (1745-1812), the founder of the extremist Jewish sect "Chabad Lubavitch," who said: **"Gentile souls are of a completely different and inferior order. They are totally evil, with no redeeming qualities whatsoever... All Jews are innately good, all Gentiles are innately evil."** (Foxbrunner, A. Roman. *Habad: the Hasidism of R. Shneur Zalman of Lyady*. University of Alabama Press, 1992, p. 108) Rabbi Kook the Elder, a prominent and revered fundamentalist Jewish spiritual leader, proclaimed: **"The difference between a Jewish soul and souls of non-Jews— all of them in all different levels—is greater and deeper than the difference between a human soul and the souls of cattle."** (Shahak, Israel & Mezvinsky, Norman. *Jewish Fundamentalism in Israel*. London: Pluto Press, 1999, p. 176) See - <http://jewishracism.blogspot.com/2008/12/universal-enslavement-of-non-jew-jewish.html>

The mass murder of non-Jews is enthusiastically celebrated by Jews every year in their ludicrous revenge holiday of Purim — a commemoration of the massacre of 75,000 Persians which the Jews organized several thousand years ago, according to the book of Esther in the Old Testament. During the Purim festival, Jews prepare triangular baked pockets and chopped meat which represent the ears and beaten flesh of Haman, the ancient Persian Prime Minister who had fallen victim to Jewish terrorism. All of this symbolizes Jewish revenge upon the perceived enemies of the Jews. See: David Duke’s videos “The Purim Celebration of Hate” and “Purim II Promoting Genocide”) It shouldn’t come as a surprise that Manis Friedman, a leading Chabad rabbi, flagrantly advocated the slaughter of non-Jews like cattle, including women and children. He coldly stated that “[t]he only way to fight a moral war is the Jewish way: Destroy their holy sites. Kill men, women and children (and cattle).” (“Chabad rabbi: Jews should kill Arab men, women and children during war,” Haaretz, June 9, 2009.) Another prominent rabbi in Israel, Yitzhak Shapira, published a book entitled The King’s Torah which has been described as “230 pages on the laws concerning the killing of non-Jews, a kind of guidebook for anyone who ponders the question of it and when it is permissible to take the life of a non-Jew.” In the book, Rabbi Yitzhak Shapira says:

See - <http://www.youtube.com/user/drdduke/videos?query=purim>

See -

<http://web.archive.org/web/20100606214558/http://www.haaretz.com/news/chabad-rabbi-jews-should-kill-arab-men-women-and-children-during-war-1.277616>

“Non-Jews are uncompassionate by nature,” and should be killed in order to, “curb their evil inclinations. ...If we kill a gentile who has violated one of the seven commandments... there is nothing wrong with the murder. ... There is justification for killing babies if it is clear that they will grow up to arm us, and in such a situation they may be harmed deliberately, and not only during combat with adults.” (Max Blumenthal, “How to Kill Goyim and

Influence People: Israeli Rabbis Defend Book’s Shocking Religious Defense of Killing Non-Jews,” Alternet, Aug. 30, 2010.)

See - <http://www.alternet.org/world/148016/?page=entire>

Killing non-Jews is, of course, advocated in the Jewish Talmud which commands the slaying of **“the best of the Gentiles.”** (Michael Hoffman, “The Truth about

the Talmud,” Revisionist History) The aforementioned rabbi, Ovadia Yosef, publicly announced his blood thirsty dreams of genocide when he called for the annihilation of all Arabs, stating that “[i]t is forbidden to be merciful to them. You must send missiles to them and annihilate them... The Lord shall return the Arabs’ deeds on their own heads, waste their seed and exterminate them, devastate them and vanish them from this world!” (“Rabbi Calls for Annihilation of Arabs,” BBC News, April 10, 2001.) Another raging racist rabbi, Yaacov Perrin, once said, “One million Arabs are not worth a Jewish fingernail.” (NY Daily News, Feb. 28, 1994, p.6)
See - <http://www.revisionisthistory.org/talmudtruth.html>
See - http://news.bbc.co.uk/2/hi/middle_east/1270038.stm

These disturbing Jewish quotes will be shocking to many reading this considering that they are never, ever publicized by the Jewish-occupied media of the West. It is very necessary to shine a light on the demented things these Jewish supremacists have said openly in order to delineate the ruthless mindset and ethnic supremacy of many Jews, most especially Jewish leaders, who care nothing for innocent human life if it is non-Jewish. This all goes to show that an attack on the USA (blamed on Arabs) was very much welcomed and desired by many powerful Jews in Israel and America, as it served to benefit and advance their pernicious agenda of war and destruction exponentially.

Media Manipulation: Zionist Jews Pointing Fingers on 9/11

As **Andreas von Bulow** pointed out, the primary motivation of the perpetrators of false-flag attacks is to bomb or assassinate for the express purpose of molding public opinion against their enemy. This is one method for terrorists to elicit public support for their political objectives. Thus a large part of the operation, besides the actual attack, is focused on shaping the media broadcasts to immediately disseminate the prescribed narrative that has been designed to turn the public against the

enemies of those actually committing the atrocity. Recall Netanyahu’s serpentine pronouncement that 9/11 “**swung American public opinion in [Israel’s] favor,**” as well as the callous remarks of Ehud Sprinzak that 9/11 from the perspective of the Jews “**was the most important public relations act ever committed in our favor.**”

UNITED STATES

Is Hollywood run by Jews? You bet!

Joel Stein Los Angeles

I have never been so upset by a poll in my life. Only 22 per cent of Americans now believe "the movie and television industries are pretty much run by Jews", down from nearly 50 per cent in 1964.

The Anti-Defamation League, which released the poll results last month, sees in these numbers a victory against stereotyping. Actually, it just shows how dumb America is. Jews totally run Hollywood.

How deeply Jewish is Hollywood? When the studio chiefs took out a full-page ad in the *Los Angeles Times* a few weeks ago to demand that the Screen Actors Guild settle its contract, the open letter was signed by Paramount Pictures chairman Brad Grey (Jewish), Walt Disney chief executive Robert Iger (Jewish), Sony Pictures chairman Michael Lynton (surprise, Dutch Jew), Warner Bros chairman Barry Meyer (Jewish), CBS chief executive Leslie Moonves (so Jewish his great-uncle was the first prime minister of Israel), MGM chairman Harry Sloan (Jewish) and NBC Universal chief executive Jeff Zucker (mega-Jewish).

The eighth signatory was News Corp president Peter Cherin, whose father was Jewish, though Cherin was raised Unitarian, which is done, if you ask me. If both Weinstein brothers had signed, this group would have not only the power to shut down all film production but to form a minyan with enough Fiji water on hand to fill a mikvah.

The person they were yelling at in that ad was SAG president Alan Rosenberg (take a guess). The scathing rebuttal to the ad was written by entertainment super-agent Ari Emanuel (Jew with Israeli parents) on *The Huffington Post*, which is owned by Arianna Huffington (not Jewish and has never worked in Hollywood). The Jews are so dominant, I had to wear the

COMMENT

trades to come up with six Gentiles in high positions at entertainment companies.

When I called them to talk about their incredible advancement, five of them refused to talk to me, apparently out of fear of insulting Jews. The sixth, AMC president Charlie Collier, turned out to be Jewish.

As a proud Jew, I want America to know about our accomplishment. Yes, we control Hollywood. Without us, you'd be flipping between *The 700 Club* and *Davey and Goliath* on TV all day. So I've taken it upon myself to re-convince America that Jews run Hollywood by launching a public relations campaign, because that's what we do best. I'm weighing several slogans: "Hollywood: More Jewish than ever"; "Hollywood: From the people who brought you the Bible"; and "Hollywood: If you enjoy TV and movies, then you probably like Jews after all."

I called ADL chairman Abe Foxman, who was in Santiago, Chile, where, he told me to my dismay, he was not hunting Nazis. He dismissed my whole proposition, saying that the number of people who think Jews run Hollywood is still too high. The ADL poll, he pointed out, showed that 59 per cent of Americans think Hollywood execs "do not share the religious and moral values of most Americans", and 43 per cent think the entertainment industry is waging an organised campaign to "weaken the influence of religious values in this country". That's a sinister canard, Foxman said. "It means they think Jews meet at Canter's Deli on Friday mornings to decide what's best for the Jews." His argument made me think: I have to eat at Canter's more often.

"That's a very dangerous phrase, 'Jews control Hollywood'. What is true is that there are a lot of Jews in Hollywood."

Instead of "control", Foxman would prefer people say that many executives in the industry

"happen to be Jewish", as in "seven of eight major film studios are run by men who happen to be Jewish".

But Foxman said he is proud of the accomplishments of American Jews. "I think Jews are disproportionately represented in the creative industry. They're disproportionate as lawyers and probably medicine here as well."

He argues that this does not mean that Jews make pro-Jewish movies any more than they do pro-Jewish surgery. Although other countries, I've noticed, aren't so big on circumcision.

I appreciate Foxman's concerns. And maybe my life spent in a New Jersey-New York-Bay Area-L.A. pro-Semitic cocoon has left me naive. But I don't care if Americans think we're running the news media, Hollywood, Wall Street or the government. I just care that we get to keep running them.

Mofos Jews Run Hollywood

Accomplishing this task undoubtedly required an absolute death-grip on America's media, both television and print. Only one group on earth wields the kind of influence over the American mass media that was essential to achieve this propaganda feat: the Jews. To illustrate the reality of Jewish media control in America, all one has to do is quote what Jews themselves have said about it. For example, a Jewish journalist named Joel Stein wrote an article entitled "How Jewish is Hollywood?" (Los Angeles Times, Dec. 19, 2008) in which he arrogantly boasts about Jewish domination of Hollywood and the news media, stating:

See also - <http://www.latimes.com/news/opinion/commentary/la-oe-stein19-2008dec19,0,4676183.column>

"I have never been so upset by a poll in my life. Only 22% of Americans now believe "the movie and television industries are pretty much run by Jews," down from nearly 50% in 1964. ... It just shows how dumb America has gotten. Jews totally run Hollywood.

... How deeply Jewish is Hollywood? When the studio chiefs took out a full-page ad in the Los Angeles Times a few weeks ago to demand that the Screen Actors Guild settle its contract, the open letter was signed by: News Corp. President Peter Chernin (Jewish), Paramount Pictures Chairman Brad Grey (Jewish), Walt Disney Co. Chief Executive Robert Iger (Jewish), Sony Pictures Chairman Michael Lynton (surprise, Dutch Jew), Warner Bros. Chairman Barry Meyer (Jewish), CBS Corp. Chief Executive Leslie Moonves (so Jewish his great uncle was the first prime minister of Israel), MGM Chairman Harry Sloan (Jewish) and NBC Universal Chief Executive Jeff Zucker (mega-Jewish). If either of the Weinstein brothers had signed, this group would have not only the power to shut down all film production but to form a minyan with enough Fiji water on hand to fill a mikvah.

The Jews are so dominant; I had to scour the trades to come up with six Gentiles in high positions at entertainment companies. When I called them to talk about their incredible advancement, five of them refused to talk to me, apparently out of fear of insulting Jews. The sixth, AMC President Charlie Collier, turned out to be Jewish.

As a proud Jew, I want America to know about our accomplishment. Yes, we control Hollywood. ... I don't care if Americans think we're running the news media, Hollywood, Wall Street or the government. I just care that we get to keep running them."

Ben Stein, a famous Jewish TV personality, is rather proud that Hollywood is run lock, stock and barrel by his tribe. When the legendary actor Marlon Brando appeared on Larry King Live and said that "**Hollywood is run by Jews**, it's owned by Jews," Stein penned an article in response with the condescending title of "Do Jews Run Hollywood? You Bet They Do — And What of It?," confirming Brando's assertion that Jews reign supreme in the entertainment business. The famed Hollywood movie director of Jewish extraction, Oliver Stone, himself said that Jews dominate the media and Hollywood in the U.S. ("Oliver Stone: Jewish

control of the media is preventing free Holocaust debate,” Haaretz, July 27, 2010.) Stone was certainly in a position to know this to be true as one of Hollywood’s biggest directors, which makes his comments rather incontestable. He was consequently pressured to apologize and retract his truthful remarks fearing that the Jews who run the media and Hollywood would destroy his career. A chauvinistic Jewish writer named Elad Nehorai recently authored a remarkably frank article for the Times of Israel (July 1, 2012) with the rather blunt title of “Jews DO Control The Media“. In a fit of overcharged braggadocio, Nehorai gloats about Jewish control of the media, Hollywood, and the American government in a program akin to the “Protocols of the Learned Elders of Zion,” and openly expressed his supremacist attitude that the Jews are a superior people who have a divine right to lead the world in a direction of their choosing. Now, you might be thinking that Hollywood and the news media are two distinctly different things. The sad reality is that there is not much of a difference between the two industries seeing as our ‘news’ is shaped by cunning propagandists who value political expediency far above historical truth. Much of what is presented as ‘factual news’ is actually purely contrived fiction and fantasy fashioned around a political or economic agenda. **John Swinton**, an American journalist from the 1800s, harshly criticized the thoroughly corrupted nature of his profession stating that,

“There is no such thing as an independent press. I am paid weekly for keeping my honest opinions out of the paper I am connected with. ... The business of the journalist is to destroy the truth, to lie outright, to pervert, to vilify, to fawn at the feet of mammon, and to sell the country for his daily bread. We are the tools and vassals of the rich men behind the scenes. We are the jumping jacks, they pull the strings and we dance. Our talents, our possibilities and our lives are all the property of other men. We are intellectual prostitutes.” (Richard O. Boyer and Herbert M. Morais. Labor’s Untold Story. United Electrical, Radio & Machine Workers of America, NY, 1955/1979.)

See also - <http://renew.com/general20/yes.htm>

Regardless of the slight difference between Hollywood and news industry, Jews most certainly own and control the news media too! Brother Nathanael Kapner, a former Jew who became an outspoken activist against Organized Jewry, aptly documented that Jews run much of the American mass media on his website Real Jew News. In his April 11, 2010, article “Who Owns The Media?“, Brother Nathanael made note of the small army of Zionist Jews sitting atop America’s major media companies. Some of these Jewish media barons include:

“... Jeff Zucker, a Jew, was appointed the CEO of NBC Universal, of which, Comcast is now in charge. The owner of Comcast is the Jew, Brian Roberts, whose supporting staff includes a host of Jewish media functionaries. The Executives of NBC Universal, now a division of Comcast, is also, like its parent company, predominated by a cadre of Jews.

... Sumner Redstone — a Jew, born Murray Rothstein — took controlling interest in Westinghouse Broadcasting’s CBS television.. The merger between Redstone’s Viacom and Westinghouse Broadcasting’s CBS network installed a new Board of Directors at CBS, mostly Jews, with Redstone as Chairman. Redstone, probably the richest man in America, is currently the Chairman of both CBS Corporation and Viacom.

Rounding out the list of Jewish media moguls, we find Jews in HIGH propaganda places, such as: ABC, CNN, Newsweek, Time, Washington Post, NY Times, Wall Street Journal, and US News & World Report.

ABC is owned by the Walt Disney Company, with the Jew, Robert Iger, installed as President. Sidney Bass, a Jew, along with his brothers, are the largest shareholders of The Walt Disney Company. CNN is a holding of Time-Warner, of which, the Jewish Bronfman family has controlling interest. Time Magazine is also owned by Bronfmans’ Time Warner Corporation. Newsweek and the Washington Post are owned by the Eugene Isaac Meyer “Graham” family. ... Rupert Murdoch, a full-fledged Zionist, whose origins are Jewish, is the owner of News Corporation, whose holdings include the Fox News Channel and the Wall Street Journal.

The New York Times is owned by the powerful Jewish Sulzberger family, the major influence behind Columbia University. Arthur Sulzberger Jr. is the current Chairman of the newspaper. US News & World Report is owned by the real estate mogul, Mortimer Zuckerman....”

How JEWS CONTROL AMERICAN MEDIA!

In another article detailing the Jewish ownership of the news media, Brother Nathanael informs us that in addition to national news outlets, Jews have completely taken over most of the 'local' newspapers of

America! Writing in “Newhouse Family: A Zionist Media Empire” (Real Jew News, June 19, 2008), Kapner observed that, **“Jews have taken over the “local newspaper” in America. One might think that because of the large number of local newspapers across America a safeguard against Jewish control would be in place. However most “local newspapers” are owned by companies controlled by Jews whose offices are hundreds of miles away. The Newhouse Empire of the Jewish brothers Samuel, Donald, & Theodore Neuhaus (surname changed to Newhouse) illustrates the insatiable appetite that Zionists have for opinion control. Today the Newhouse Empire, under the parent corporation of Advance Publications, (owned by descendents of Samuel & Donald Newhouse), owns 40 “local newspapers” across the USA. These include the Newark Star Ledger, the Cleveland Plain Dealer, & the Portland Oregonian.”**

Author Texe Marrs writing in his exposé of Jewish media influence entitled “Do the Jews Own Hollywood and the Media?” noted:

See also - http://www.texemarrs.com/jews_own_hollywood.htm

“And who, pray tell, is the current owner of the Tribune Company [which owns 23 television stations, a baseball team, and many major newspapers, including the Chicago Tribune and the Los Angeles Times]? Why, that would be Jewish billionaire Sam Zell. Zell is a major donor to Israeli, Zionist and Jewish causes. His own rabbi proudly reports that Zell is ‘a committed Zionist, a generous supporter of Israel, and a member in good standing of the synagogue.’”

It is vital to highlight who owns the media because the media played an important role in the function of propagating the official 9/11 script to an extremely dumbed-down and credulous American public. Undeniably, Jews own and control America's media — both television and print — essentially forming a pervasive media monopoly in the most powerful nation on earth. This explains why the

media is so slanted in favor of the Jews and Israel, and so brutally biased against the historical and present-day adversaries of the Jews. Through this death-grip on the press and television news industry, Jews promulgated a series of lies, distortions and deceptive falsehoods that were intended to mislead the American people — and the people of the world for that matter — about the true nature of the events of 9/11 and the actual culprits behind them. Within the mainstream media broadcasts on the very day and evening of the September 11 attacks, we find plenty of substantial clues that are strongly suggestive as to who the true authors of this deadly terrorist crime really were. The former Pakistani spy chief Hamid Gul eloquently explained that,

“Within 10 minutes of the second twin tower being hit in the World Trade Center CNN said Osama bin Laden had done it. That was a planned piece of disinformation by the real perpetrators. It created an instant mindset and put public opinion into a trance, which prevented even intelligent people from thinking for themselves.” (United Press International, Sept. 26, 2001.)

See - <http://www.washingtontimes.com/news/2010/jul/28/deborchgrave-sept-2001-interview-hameed-gul/>

(Hey Folks, this mofo Hamid Gul retd ISI agent, Indeed is ANTI India but yes yells honest shit about mofo Jews. They are 2 backstabber against each other kind of lolz)

On 9/11, in what was assuredly a prescribed propaganda campaign designed to hypnotize and mesmerize the American people, mainstream media talking heads across all the major networks were — in unison — chanting the name “Osama bin Laden” over and over and over again. The time-tested technique of repetition was utilized expertly by the Jewish media to reduce the masses of America into a

trance-like state of abject gullibility. Soon enough, the sleeping masses of America would be repeating — like parrots — the name of “Osama bin Laden” and “Al-Qaeda”. Within a few days of 9/11 the media whipped up such a lunatic frenzy with their relentless propaganda onslaught against Bin Laden that a majority of Americans were already hungrily demanding that revenge be exacted upon the entire Muslim world.

When somebody is frivolously pointing their finger at others, loudly and aggressively making accusations and casting blame in every direction other than his/her own, it is usually because that person is guilty of something and is trying to project his/her own guilt onto someone else. This is precisely what Jews did on 9/11 and what they have always done in the past. Thus, it should come as no surprise to the reader that the first individual to point the finger at Osama bin Laden and Al-Qaeda as the parties responsible for what happened on 9/11 was none other than **Ehud Barak**, a prominent member of Israel’s government and military establishment since the very early days of the Zionist state.

On the morning of the September 11 attacks, very shortly after the Twin Towers had collapsed, Barak appeared in person at the BBC’s London studio where he proceeded to present a narrative to the public. The

core message of this Israeli war criminal was that **Osama bin Laden** is responsible for the attacks and that a “**global war on terror**,” led by the United States, must be launched in response to it. Specifically, Barak said:

*“The world will not be the same from today on, **it’s an attack against our whole civilization.... if it is the kind of Bin Laden organization, even if it’s something else, I believe that this is the time to deploy a globally concerted effort led by the United States, UK, Europe and Russia, against all sources of terror. ...***

It’s going to be a tough struggle. There will be many tough and painful moments along the way, but I believe that if we will coordinate diplomatic, operational, intelligence and economic activities that will not let them land at any airport and will isolate automatically any nation that is ready to host terror or support them.

*And by doing this consistently along six or ten years we will reduce automatically this challenge to our whole way of life... We have no way but to stand firm facing terror otherwise all our way of life will be threatened. ... And to stand firm means to isolate from the world every nation that is hosting them and calling every terror thug with the accurate name and be ready with all the pain that comes with it, to act upon our observations. ... It's time for action, facing such as attack we cannot but act and these terror thugs and rogue leaders are highly skilful in identifying the slightest cracks in the power of will in the leaders of the free world. ... It's a time to launch an operational, complete war against terror even if it takes certain pains from the routine activities of our normal society. ... I believe that the world intelligence community in a concerted effort can identify within few months the sources of this terror. It can identify the places where they are deployed on earth. Every such a place within certain country. **The, eh, Bin Laden sits in Afghanistan... [We should act pre-emptively against] five states, they are Iran, Iraq, Libya, North Korea... these kind of states should be treated as rogue states.**" ("A chief architect of 9-11, Ehud Barak, interviewed on BBC an hour after attacks," YouTube)*

See

https://www.youtube.com/watch?feature=player_embedded&v=GAueLjdKh1s

Nine eleven, Israeli PM Sharon War on Terror CNN A big Lolz

Immediately assigning blame to your enemy is a tell-tale sign of a false-flag in action. Look and behold, later in the day another Israeli war criminal would duplicate Barak's finger pointing initiative. Israel's Prime Minister **Ariel Sharon**, who described 9/11 as a "Hanukkah miracle" for his rogue nation, held a press conference on 9/11 in which he too blamed Islamists for the assault and called for an "international war on terror," stating:

"The war against terror is an international war. A war of a coalition of the

free world against all of the terror groups... This is a war between the good and the bad, between humanity and those who are bloodthirsty. The criminal attack today on innocent civilians in the United States, is a turning point in war against international terror. Even if the war against terror is long and even if the terror will try to raise its head again there won't be any room in the world in which terrorists, their assistants and those who send them to be able to find a shelter or a refuge... The fight against terror is an international struggle of the free world against the forces of darkness who seek to destroy our liberty and our way of life. I believe that together we can defeat these forces of evil... ("9/11 Ariel Sharon "Turning Point on Terror" Press Conference 5:00 pm," YouTube)

See also - <http://www.youtube.com/watch?v=UJT5ON9jfXs>

On 9/11, the BBC aired an evening program called Newsnight which featured as commentators Ehud Barak in studio and Jewish neo-con kingpin Richard Perle on the phone. **During the broadcast Barak and Perle unleashed a carefully choreographed Zionist propaganda blitz, brazenly outlining their Jewish war agenda by forcefully advocating American military strikes against Iraq, Iran, Syria, Libya, Afghanistan, Hezbollah and Hamas — coincidentally all of whom are enemies of Israel and World Zionism!** These Zionist ideologues made it a point to stress that the "states that sponsor terrorism" must be dealt with by brute force. See: "BBC – Zionists pointing fingers on 911," YouTube) The two greatest state-sponsors of terror, Israel and the United States, were strangely absent from their bogus list of nations that supposedly "sponsor terrorism." On September 12, 2001, **The Jerusalem Post quoted Israeli Likud zealot Benjamin Netanyahu as stating that the Palestinian Authority should be considered an "enemy" — not only of Israel but the entire world!**

Netanyahu also added that the so-called 'international community' (i.e., nations who serve Jewish interests) should join forces with Israel to wipe out all groups and nations in the Middle East that Netanyahu has deemed an "enemy."

("Netanyahu: Designate PA 'enemy'," The Jerusalem Post, Sept. 12, 2001.)

Netanyahu firmly believes that the Jews are destined to rule the world, and thus in enemy of the Jews is an enemy of the world in his twisted Talmudic mind. A video from 1990 features Netanyahu meeting and speaking with Menachem Mendel Schneerson, the revered Jewish supremacist "Lubavitcher Rebbe," who pleads with Netanyahu to hasten the coming of the Jewish "King Messiah."

("Benjamin Netanyahu Ordered to Hasten Jewish Messiah's Coming," YouTube)

Netanyahu agreed to Schneerson's delusional demands, and plans to do this by creating cataclysmic events like 9/11 and blaming them on the enemies of Jewry.

In another media broadcast on the morning of 9/11, a truly mind-boggling exchange took place between a Zionist Jew named Jerome Hauer and CBS's Dan Rather. The Orwellian implications of Hauer's statements are difficult to describe in words, but for the sake of brevity let's just call this interview "self-incriminating" to say the least. The conversation went as follows:

Dan Rather: Based on what you know, and I recognize we're dealing with so few facts, is it possible that just a plane crash could have collapsed these buildings, or would it have required the, sort of, prior positioning of other explosives in the, uh, in the buildings? I mean, what do you think?

Jerome Hauer: No, I, uh, my sense is just the velocity of the plane and the fact that you have a plane filled with fuel hitting that building, uh, that burned, uh, the velocity of that plane, uh, certainly, uh, uh, had an impact on the structure itself, and then the fact that it burned and you had that intense heat, uh, probably weakened the structure as well, uh, and I think it, uh, was, uh, simply the, uh, the planes hitting the buildings...causing the collapse.

Dan Rather: What perspective can you give us? I mean, there have been these repeated reports that, well, yes, Osama Bin Laden, but some think he's been over-emphasized as, as responsible for these kinds of events. I know many intelligence, uh, people at very high levels who say, listen, you can't have these kinds of attacks without having some state, Iraq, Iran, Libya, Syria, somebody involved. Put that into perspective for us.

Jerome Hauer: Yeah, well I'm not sure I agree that, umm, this is necessarily state-sponsored. Umm, it, as I mentioned earlier, certainly has, umm, the, uh, fingerprints of somebody like Bin Laden.

See - <http://winterpatriot.blogspot.com/2007/02/meet-jerome-hauer-911-suspect-awaiting.html>

See - <http://www.youtube.com/watch?v=7GDa-L4hHHo>

As the reader has just witnessed, this man, Jerome Hauer, went on national television trying to convince Dan Rather, and the rest of us, that the intense heat from the jet-fuel fires and the impact of the planes had magically caused the free-fall collapses of the towers — forcefully ruling out the possibility of explosives. Moreover, he asserted without any evidence whatsoever that the attack had the “**fingerprints of somebody like Bin Laden.**” Hauer promulgated what would become the **entire official cover story of 9/11** on the day that it happened! Perhaps he knew all of this because he penned the official script himself with his Zionist colleagues Barak, Sharon and Perle? After observing these Orwellian pronouncements one after the other, their significance cannot escape an intelligent person. These four Jewish criminal personalities laid bare on national television the entire Zionist agenda for war and destruction in the Middle East. Callously calling for a “war on terror” and the decimation of the Islamic world, this team of Israeli imperialists got ahead of themselves, giving away their malignant intent to manipulate and deceive. As these revealing quotations illustrate with such overt clarity, the sordid Zionist snakes who uttered these heinous words and phrases are the originators and progenitors of the colossal scam known to the world as the “war on terror,” not George W. Bush or Dick Cheney, who merely served as window dressing for the Jewish crime network running the show from behind the curtain.

However, neither Ehud Barak nor Ariel Sharon was the first to employ the term “war on terror.” That Orwellian phrase was originally coined in the 1980s by their partner in crime **Benjamin Netanyahu** — the leader of Israel’s ruling Likud Party, which is literally the birth child of the infamous 1940s Jewish terror gang known as the Irgun. In 1987, Netanyahu published a book titled “Terrorism: How the West Can Win” containing a number of essays and transcribed speeches from like-minded Jewish-Zionist gangsters which outlined a political blueprint for a global campaign — led by the “Western democracies” — of relentless pre-emptive warfare against anyone that the Jews label as “terrorists.” A “terrorist” is Zionist code-speak for non-Jews who resist Jewish terrorism, Zionist supremacy and the “Greater Israel” project. If you resist the Jewish theft of your land, you’re a “terrorist.” If you resist the Jewish slaughter of your people, you’re a “terrorist.” If you resist the Jewish takeover of your country, you’re a “terrorist.” If you resist the Jewish control of your media, government and banking system, you’re a “terrorist.” If you resist total Jewish supremacy, you’re a “terrorist.” This is what occurs when we let Jews define terms for us. The sadistic Jewish policy of physically exterminating their enemies in the Middle East, under the flaccid veneer of “fighting terrorism,” became the USA’s official foreign policy after 9/11, as the attack was intended to accomplish.

This coalition of Jewish-Zionist psychopaths, conspicuously eager to place blame on Osama bin Laden and Al-Qaeda, were exposed for the loathsome liars and dreadful deceivers that they are by bin Laden himself! In an interview with the Pakistani daily Ummat, published in Karachi on September 28, 2001, bin Laden categorically denied having anything to do with the 9/11 attacks. He went on to allege that elements within Israel, American Jewry and their pro-Zionist helpers in the U.S. “shadow government” were the true culprits, and intimated that the Jews rule America using it as a proxy force to make slaves out of nations that are not subservient to Zionism and the Jewish financial elite. Here are a few excerpts from the interview:

Ummat: *You have been accused of involvement in the attacks in New York and Washington. What do you want to say about this? If you are not involved, who might be?*

Osama bin Laden: *... I have already said that I am not involved in the 11 September attacks in the United States. As a Muslim, I try my best to avoid telling a lie. I had no knowledge of these attacks, nor do I consider the killing of innocent women, children, and other humans as an appreciable act. Islam strictly forbids causing harm to innocent women, children, and other people.*

... Such a practice is forbidden ever in the course of a battle. It is the United States, which is perpetrating every maltreatment on women, children, and common people of other faiths, particularly the followers of Islam. All that is going on in Palestine for the last 11 months is sufficient to call the wrath of God upon the United States and Israel.

....The United States should try to trace the perpetrators of these attacks within itself; the people who are a part of the US system, but are dissenting against it. Or those who are working for some other system; persons who want to make the present century as a century of conflict between Islam and Christianity so that their own civilization, nation, country, or ideology could survive. ...Then you cannot forget the American Jews, who are annoyed with President Bush ever since the elections in Florida and want to avenge him.

.....Then there are intelligence agencies in the US, which require billions of dollars worth of funds from the Congress and the government every year. This funding issue was not a big problem till the existence of the former Soviet Union but after that the budget of these agencies has been in danger. They needed an enemy. So, they first started propaganda against Usamah and Taleban and then this incident happened. You see, the Bush administration approved a budget of 40bn dollars. Where will this huge amount go? It will be provided to the same agencies, which need huge funds and want to exert their importance. Now they will spend the money for their expansion and for increasing their importance.

.....I will give you an example. Drug smugglers from all over the world are in contact with the US secret agencies. These agencies do not want to eradicate narcotics cultivation and trafficking because their importance will be diminished. The people in the US Drug Enforcement Department are encouraging drug trade so that they could show performance and get millions of dollars worth of budget. General Noriega was made a drug baron by the CIA and, in need, he was made a scapegoat. In the same way, whether it is President Bush or any other US president, they cannot bring Israel to justice for its human rights abuses or to hold it accountable for such crimes. What is this? Is it not that there exists a government within the government in the United States? That secret government must be asked as to who made the attacks.

Ummat: *The losses caused in the attacks in New York and Washington have proved that giving an economic blow to the US is not too difficult. US experts admit that a few more such attacks can bring down the American economy. Why is al-Qa'idah not targeting their economic pillars?*

Osama Bin Laden: *I have already said that we are not hostile to the United States. We are against the system, which makes other nations slaves of the United States, or forces them to mortgage their political and economic freedom. This system is totally in control of the American Jews, whose first priority is Israel, not the United States. It is simply that the American people are themselves the slaves of the Jews and are forced to live according to the principles and laws laid by them. So, the punishment should reach Israel. In fact, it is Israel, which is giving a blood bath to innocent Muslims and the US is not uttering a single word. ("Interview with Osama bin Laden. Denies his Involvement in 9/11," Global Research, May 9, 2011.)*

See- <http://globalresearch.ca/index.php?context=va&aid=24697>

Amazingly, the true executors of 9/11 revealed themselves in the media broadcasts where one sees Jews standing in the foreground as instigators, rabble-rousers and slave-drivers! These pathologically insane calls for global conflict and upheaval trumpeted by the Jewish masters of deception Ariel Sharon, Ehud Barak and Richard Perle, on 9/11, is reminiscent of the psychotically deranged Jewish campaign to plunge Western nations into war against their nemesis Adolf Hitler and National Socialist Germany beginning in 1933, when Organized Jewry initiated their "Holy War" against the Third Reich. See: "THE JEWS DECLARE WAR ON GERMANY (1933)," Guardian 150m Website) Unconcerned with the incalculable loss of human life, World Jewry has consistently instigated wars and conflicts around the world when it has suited their interests.

See - <http://guardian.150m.com/jews/jews-declare-war.htm>

The Hidden Hand of Zion Surfaces

Mofu Mossad Agent The Evil Isser Harel

In a miraculous display of Jewish “clairvoyance,” Israel’s preeminent spymaster Isser Harel — the founder of the Mossad and Shin Bet — predicted 9/11 with incredible accuracy. In 1979, Michael Evans, a Christian Zionist from the U.S., visited Isser Harel at his home in Israel wherein Harel proceeded to tell him over dinner that a terrorist attack upon New York City’s “tallest building” was imminent. Evans recounted this strange affair in this way:

*“On Sept. 23, 1979, the founder of Israeli intelligence over dinner told me that America was developing a tolerance for terror. The gentleman’s name was Isser Harel, the founder of Mossad Israeli intelligence — he ran it from 1947 to 1963. He told me that America had developed an alliance between two countries, Israel and Saudi Arabia, and that the alliance with Saudi Arabia was dangerous and would develop a tolerance for terror among Americans. **He said if the tolerance continued that Islamic fundamentalists would ultimately strike America. I said “Where?” He said, “In Islamic theology, the phallic symbol is very***

important. Your biggest phallic symbol is New York City and your tallest building will be the phallic symbol they will hit.” Isser Harel prophesied that the tallest building in New York would be the first building hit by Islamic fundamentalists 21 years ago.” (“Is America In Bible Prophecy?,” Belief Net, August 2004.)

See - <http://www.beliefnet.com/Faiths/Christianity/End-Times/Is-America-In-Bible-Prophecy.aspx>

As an Israeli spy master learned in the art of deception, Harel did his best to pull the wool over Evans’ eyes. Anyone knowledgeable in the topic of symbolism will tell you that the phallus is an important symbol in Freemasonic ideology, not “Islamic theology.” Freemasonry is fundamentally based on the rites and rituals of Judaism and the occult Kabbalah (Jewish mysticism). (Texe Marrs, “Masonic Jews Plot To Control World,” Power of Prophecy) Therefore, in truth — Harel’s attempt at deceit notwithstanding — it is Masonic Jews, not Islamic Arabs, who have an affinity for phallic symbols.

See - http://www.texemarrs.com/042003/masonic_jews_plot_world_control.htm

Zionist Jews have quite a knack for predicting future events. Call it arrogance, this twisted supremacist mentality affecting these Jewish schemers manifests in many unorthodox ways. What the infamous Mossad, Isser Harel’s “prediction” represents is a subtle confession that the 9/11 plot was hatched in Israel. In his career as a Jewish terrorist, Harel spearheaded the Israeli strategy of terrorizing the West into submission by conducting false flag operations as a method of

coercion. He was involved in the Lavon Affair; he initiated “The Damocles Operation” of the early 1960s, which was a terror bombing and assassination campaign targeting scores of German scientists to prevent them from helping Egypt develop its defense systems; he was also intimately involved in the JFK assassination.

At dinner Michael Evans asked Harel about terrorism and if it would come to America. Harel told Evans: ***“In Islamic theology, the phallic symbol is very important. Your biggest phallic symbol is New York City and your tallest building will be the phallic symbol they will hit.”***

See - <http://www.beliefnet.com/Faiths/Christianity/End-Times/Is-America-In-Bible-Prophecy.aspx>

In a shocking coincidence, The Washington Times published an article one day before 9/11 shedding light on a study that was conducted by the Army School of Advanced Military Studies (SAMS) which devised a plan for enforcing a major Israeli-Palestinian peace accord that would require about 20,000 well-armed troops stationed throughout Israel and a newly created Palestinian state. The study calls Israel’s armed forces a **“500-pound gorilla in Israel. Well armed and trained. Operates in both Gaza and the West Bank. Known to disregard international law to accomplish mission.”** Of the Mossad, the Israeli secret service, the SAMS officers say: **“Wildcard. Ruthless and cunning. Has capability to target U.S. forces and make it look like a Palestinian/Arab act.”** (“U.S. troops would enforce peace under Army study,” The Washington Times, Sept. 10, 2001.)

See - <http://www.washingtontimes.com/news/2001/sep/10/20010910-025319-6906r/>

This stunning revelation was indicative of what was to come a day later — Israel would strike America and disguise it as an Arab act. To cover for themselves, the Mossad passed along an unspecific “general warning” to the CIA a month before 9/11 alleging that as many as 200 terrorists were present on American soil and were preparing a major operation. The Mossad linked the plot to **Osama bin Laden** and told their CIA counterparts that there were **“strong grounds for suspecting Iraqi involvement”**. (“Israeli security issued urgent warning to CIA of large-scale terror attacks,” The Telegraph, Sept. 16, 2001.)

See -

<http://www.telegraph.co.uk/news/worldnews/northamerica/usa/1340698/Israeli-security-issued-urgent-warning-to-CIA-of-large-scale-terror-attacks.html>

This was by no means a legitimate “warning.” It was planted propaganda — a clever way for the Israelis to deflect suspicion away from themselves as perpetrators and onto their Arab enemies whom they have always ventured to set up as targets for U.S. military aggression. Victor Ostrovsky in his two books “By Way of Deception” and “The Other Side of Deception” demonstrates that the Mossad often gives out useless warnings as a way of making themselves look

innocent when in fact the opposite is true.

Shortly after the 9/11 attacks, Zionist propagandists went straight to work. Aman, Israel's central military intelligence service, immediately claimed that Iraq had been involved in the attacks. (Bamford, James. A Pretext for War: 9/11, Iraq, and the Abuse of America's Intelligence Agencies. New York: Doubleday, 2004, p. 311.) Rafi Eitan, a delusional former head of Mossad, also laughably held that "the Iraqi dictator," Saddam Hussein, was the "mastermind" of the attacks. (Dennis Eisenberg, "Ex-Mossad Chief, Iraq was Behind the Attacks," Herald Sun (Australia), Sept. 23, 2001.) These flaccid, baseless lies maligning Iraq emerged from the mouths of accusatory Zionist terrorist kingpins — the masters of deception — but these false accusations didn't get very far. Instead, Israel's dirty fingerprints which are all over this crime have made their way to the surface, despite intense Jewish efforts to suppress the truth.

In November of 2001, Fox News aired an explosive four part series detailing a secretive investigation that was being conducted by U.S. authorities into Israeli espionage in the United States. See: "911, The Israeli Connection – AmDocs Spy Scandal – 4 Part Series (Fox News 2001)," Google Video) The report revealed that around **200 Israeli spies had been arrested by American authorities** — the largest spy ring to be uncovered in U.S. history. 140 of the Israelis had been taken into custody just prior to 9/11 and the remaining 60 had been apprehended shortly thereafter in connection with the ongoing investigation into the attacks. In the first part of the series, Fox News Correspondent Carl Cameron reported:

See - <http://cryptome.org/fox-il-spy.htm>

See - <http://video.google.com/videoplay?docid=-1539861490560216498>

"Since Sept. 11, more than 60 Israelis have been arrested or detained, either under the new patriot anti-terrorism law, or for immigration violations. A handful of active Israeli military were among those detained,

according to investigators, who say some of the detainees also failed polygraph questions when asked about alleged surveillance activities against and in the United States.

. . . investigators suspect that the Israelis may have gathered intelligence about the [9/11] attacks in advance, and not shared it. A highly placed investigator said there are “tie-ins.” But when asked for details, he flatly refused to describe them, saying, “evidence linking these Israelis to 9/11 is classified. I cannot tell you about evidence that has been gathered. It’s classified information.”

Fox News has learned that one group of Israelis, spotted in North Carolina recently, is suspected of keeping an apartment in California to spy on a group of Arabs who the United States is also investigating for links to terrorism. Numerous classified documents obtained by Fox News indicate that even prior to Sept. 11, as many as 140 other Israelis had been detained or arrested in a secretive and sprawling investigation into suspected espionage by Israelis in the United States.

Investigators from numerous government agencies are part of a working group that’s been compiling evidence since the mid ’90s. These documents detail hundreds of incidents in cities and towns across the country that investigators say, “may well be an organized intelligence gathering activity.”

The first part of the investigation focuses on Israelis who say they are art students from the University of Jerusalem and Bazala Academy. They repeatedly made contact with U.S. government personnel, the report says, by saying they wanted to sell cheap art or handiwork.

Documents say they, “targeted and penetrated military bases.” The DEA, FBI and dozens of government facilities, and even secret offices and unlisted private homes of law enforcement and intelligence personnel. The majority of those questioned, ‘stated they served in military intelligence, electronic surveillance intercept and or explosive ordinance units.’“

In the closing segment of the first broadcast, Fox News anchor Brit Hume and Carl Cameron talked about Israeli prior knowledge of 9/11. Cameron was careful not to directly implicate the Israelis, but quoted investigators who posed the question, **“How could they [the Israelis] not have known [that 9/11 was going to happen]?”** Carl Cameron then cited a defense intelligence report which spoke of Israel’s **“voracious appetite for information.”** The report further stated that the Israelis **“are motivated by strong survival instincts which dictate every possible facet of their political and economical policies. It aggressively collects military and industrial technology and the U.S. is a high priority target.”** Also highlighted in this series were the intrigues of two Israeli telecommunications companies, Amdocs Ltd. and Comverse Infosys, who, investigators say, were engaged in spying and illegal wiretapping of American phones, including those of U.S. government employees. Amdocs Ltd. handled all of the call records and billing for the 25 largest American phone companies,

meaning virtually every telecom record in the USA was routed through Amdocs. Information obtained through these companies was being used by the Israelis to undermine the efforts of U.S. investigators looking into Israeli organized crime and drug trafficking operations. In regard to 9/11, these companies were being used to undermine the work of honest officials in the FBI and other U.S. agencies who had been tracking the movements of several of the Arab patsies whom the Israelis were preparing to frame for their false-flag attack on 9/11.

Fox News and ABC News, the two mainstream media outlets that actually covered the Israeli 9/11 spy ring scandal, were pressured to drop any further coverage and to remove all previous references to the case from their archives. Journalist Christopher Ketcham made note of this Zionist censorship campaign:

“Media outlets that run stories even mildly critical of Israel often find themselves targeted by organized campaigns, including form-letter e-mails, the cancellation of subscriptions, and denunciations of the organization and its reporters and editors as anti-Semites. Cameron, for example, was excoriated by various pro-Israel lobbying groups for his exposé [of Israel’s 9/11-connected spy ring]. ... In a December interview with Salon, CAMERA’s associate director, Alex Safian, said that several “Jewish/Israeli groups” were having “conversations” with representatives of Fox News regarding Cameron’s piece. ... Oddly, four days after the Cameron investigation ran, all traces of his report — transcripts, Web links, headlines — disappeared from the Foxnews.com archives. ... (when you

entered the old URL, a Fox screen appeared with the message “This story no longer exists”).” (“The Israeli “art student” mystery,” Salon, May 7, 2002.)

See - <http://www.salon.com/2002/05/07/students/>

Coincidentally, in the third part of the series on Israeli espionage Carl Cameron reported that **“investigators within the DEA, INS and FBI have all told Fox News that to pursue or even suggest Israeli spying . . . is considered career suicide.”** (I did mention about this , also in my first article of the Series , Exposed Jew World Order - A Must Read)In light of this evidence about a massive Israeli espionage ring amounting to 200 or so Israeli operatives spying, conducting surveillance, and possibly even more sinister activities in the U.S. before 9/11, it appears that the Mossad’s phony “warning” to the CIA that 200 Arab terrorists were moving throughout the country and preparing a major attack is just a projection of what the Israelis were actually doing. Veteran Anti War staff writer, Justin Raimondo, commented on the significance of what Carl Cameron and Fox News had reported about the Israeli spy ring, stating:

“What is striking about Fox News Reporter Carl Cameron’s portrait of Israel’s spy network in the U.S. is the sheer vastness of his subject. The broad scope of the Israeli spy operation, with its many fronts and activities conducted coast to coast...In the months leading up to 9/11, Cameron

claimed, Israel was waging a covert war against its principal ally and benefactor, the United States.” (“The Terror Enigma: Israel and the September 11 Connection,” Chronicles Intelligence Assessment, August 2003)

See - <http://tinyurl.com/8f2cjj>

It took no time at all for the Jewish hand to emerge from the smoking ruins of the World Trade Center on September 11th, 2001. **The first suspects arrested on 9/11 in connection to the attacks were not Muslims with links to Al-Qaeda, but Israelis with ties to the Mossad.** The New York Times reported that a group of five men had set up video cameras **“aimed at the**

Twin Towers prior to the attack... and were seen congratulating one another afterwards.” (“One Arrested, Others Detained at NY Airports,” Fox News, Sept. 14, 2001.) Police received several calls from upset New Jersey

residents claiming “Middle Eastern men” with a white van were videotaping the disaster with shouts of joy and mockery. The suspicious men had also gone to extreme lengths to photograph themselves with the Twin Towers burning in the backdrop. A New Jersey homemaker named Maria witnessed three of the men standing on top of a white van in the parking lot of her apartment building shortly after the first plane struck the North Tower. She told reporters: “They seemed to be taking a movie ... **They were like happy, you know ... They didn’t look shocked to me. I thought it was very strange.**” (“The White Van: Were Israelis Detained on Sept. 11 Spies?,” ABC News 20/20, June 21, 2002.) On September 12, 2001, journalist Paulo Lima of The Record N.J. News reported on the arrest of the jubilant ‘high-fivers’ who turned out to be Israelis. Here is an excerpt of his report:

See - <http://www.foxnews.com/story/0,2933,34250,00.html>

See -

http://abcnews.go.com/sections/2020/DailyNews/2020_whitevan_020621.html

“About eight hours after terrorists struck Manhattan’s tallest skyscrapers, police in Bergen County detained five men who they said were found carrying maps linking them to the blasts.

The five men, who were in a van stopped on Route 3 in East Rutherford around 4:30 p.m., were being questioned by police but had not been charged with any crime late Tuesday. The Bergen County Police bomb squad X-rayed packages but did not find any explosives, authorities said. However, sources close to the investigation said they found other evidence linking the men to the bombing plot. “There are maps of the city in the car with certain places highlighted,” the source said. “It looked like they’re hooked in with this. It looked like they knew what was going to happen when they were at Liberty State Park.”

Sources also said that bomb-sniffing dogs reacted as if they had detected explosives, although officers were unable to find anything. The FBI seized the van for further testing, authorities said. Sources said the van was stopped as it headed east on Route 3, between the Hackensack River bridge and the Sheraton hotel. ...

Sources close to the investigation said the men said they were Israeli tourists, but police had not been able to confirm their identities. Authorities would not release their names. East Rutherford officers stopped the van after the FBI’s Newark Field Office broadcast an alert asking surrounding police departments to look for a white Chevrolet van, police said.

“We got an alert to be on the lookout for a white Chevrolet van with New Jersey registration and writing on the side,” said Bergen County Police Chief John Schmidig. “Three individuals were seen celebrating in Liberty State Park after the impact. They said three people were jumping up and down.”

The East Rutherford officers summoned the county police bomb squad, New Jersey state troopers, and FBI agents, who waited alongside the van

as prosecutors from the U.S. Attorney's Office tried to obtain a warrant to search the van late Tuesday, Schmidig said.

By 10 p.m., members of the bomb squad were picking through the van and X-raying packages found inside, Schmidig said. Sources said the FBI alert, known as a BOLO or "Be On Lookout," was sent out at 3:31 p.m. It read:

"Vehicle possibly related to New York terrorist attack. White, 2000 Chevrolet van with 'Urban Moving Systems' sign on back seen at Liberty State Park, Jersey City, NJ, at the time of first impact of jetliner into World Trade Center. "Three individuals with van were seen celebrating after initial impact and subsequent explosion. FBI Newark Field Office requests that, if the van is located, hold for prints and detain individuals." ...

Business records show an Urban Moving Systems with offices on West 50th Street in Manhattan and on West 18th Street in Weehawken.

Telephone messages left at the businesses Tuesday evening were not immediately returned. Business records show the owner as Dominik Suter of Fair Lawn...." ("Five men detained as suspected conspirators," The Record N.J. News, Sept. 12, 2001.)

See - <http://www.bergen.com/news/2bombvan200109125.htm>

After being pulled over by the NYPD, the driver of the van, Sivan Kurzberg, told the officers, **"We are Israeli. We are not your problem. Your problems are our problems. The Palestinians are the problem."** ("The White Van: Were Israelis Detained on Sept. 11 Spies?," ABC News 20/20, June 21, 2002.) The other passengers were his brother Paul Kurzberg, Yaron Shmuel, Oded Ellner and Omer Marmari. The police and FBI field agents became very suspicious when they found **maps of the city with certain places highlighted, \$4700 cash stuffed in a sock, and foreign passports.** The FBI seized and developed their photos, one of which shows Sivan Kurzberg flicking **a cigarette lighter in front of the smouldering ruins of the WTC in an apparently celebratory gesture.** (Doug Saunders, "U.S. arrests of Israelis a mystery," The Globe and Mail, Dec. 17, 2001.)

Dancing Jews Mofo

After returning home to Israel, three of the five dancing Israelis appeared on a popular Israeli talk show to discuss their ordeal in America. One of the Israelis, presumably Oded Ellner, stated: **“The fact of the matter is we are coming from a country that experiences terror daily. Our purpose was to document the event.”** (“Five Dancing Israelis Arrested on 9/11,” YouTube) FBI and NYPD reports recently obtained by a private American citizen via an FOIA request confirms many of the reputed occurrences surrounding the five dancing Israelis and their prior knowledge of what was to come on 9/11. See: “The official 2001 FBI docs on Urban Moving Systems and the 9-11-2001 Dancing Israelis incident,” My Big Fat Anti-Zionist Life BlogSpot, Aug. 17, 2011 / “The “Dancing Israelis” FBI Report – Debunked,” Take Our World Back Website) In an obvious attempt to cover for the Israelis the documents are heavily redacted, but they confirm, for example, **that the five dancing Israelis were already observing the World Trade Center disaster from the Doric Apartment complex’s parking lot less than five minutes after the first plane struck the North Tower and that they were filming, cheering and celebrating before the second plane hit the South Tower.**

See: “The official 2001 FBI docs on Urban Moving Systems and the 9-11-2001 Dancing Israelis incident,” My Big Fat Anti-Zionist Life BlogSpot, Aug. 17, 2011 / “The “Dancing Israelis” FBI Report – Debunked,” Take Our World Back Website).

Talk Show Appearance of Dancing Mofo Israelis

In an obvious attempt to cover for the Israelis the documents are heavily redacted, but they confirm, for example, that the five dancing Israelis were already observing the World Trade Center disaster from the Doric Apartment complex's parking lot less than five minutes after the first plane struck the North Tower and that they were filming, cheering and celebrating before the second plane hit the South Tower.

See - <http://www.takeourworldback.com/dancingisraelisfbireport.htm#maria1>

It must be pointed out that when the first plane struck the North Tower nobody quite understood exactly what had happened. Most innocent bystanders who witnessed the event initially assumed that it was just a tragic accidental plane crash, not a terror attack. It wasn't until the second plane hit the South Tower when everybody realized that it had to be a premeditated and coordinated terrorist attack. Why would these Israelis go to such extreme lengths to "document" what was initially thought to be an ordinary plane crash when they could have just learned from the media what had happened later in the day? More importantly, why were they so happy, joyful and celebratory over what was thought to be an accidental plane crash? What kind of sick-minded people would celebrate, laugh and joke about a plane crash? The only logical conclusions that can be drawn from the bizarre behavior of the Israelis are:

1) Upon the impact of the first plane **they were immediately cognizant** that this

was indeed a terrorist attack, not an accidental plane crash, before anyone could have known for sure that that was the case. This reveals that they most certainly had advanced prior knowledge of the date, time, place and nature of attacks.

2) They were celebrating because they were pleased with the outcome of the greatest Israeli spy operation in history, where Arabs would be blamed for an unprecedented terror attack on American soil resulting in a full-scale U.S. invasion and occupation of several Arab/Islamic States in the Middle East, whom Israel has long sought to weaken and destroy. More broadly, this event would ignite a “clash of civilizations” between the West and the Islamic World for the benefit of Israel and International Jewry.

Jew World Over Bridge

The previously cited FBI report confirms that the dancing Israelis took 76 photographs of themselves, all of which show them to be “visibly happy.” The report also recounted some of the self-incriminating statements attributed to several of the dancing Israelis after being taken into custody. Oded Ellner confessed to being happy because he believed **“that the United States will [now] take steps to stop terrorism in the world.”** Omer Marmari is quoted in the report as having said that, **“Israel now has hope that the world will now understand us.”** Why would they think that? And how did they know that these attacks would benefit Israel before anybody had the faintest clue as to who perpetrated them? These brazen statements by Oded Ellner and Omer Marmari — taken in conjunction with the proclamations of Ehud Barak and Ariel Sharon on 9/11 that the USA should initiate and lead a new “global war on terror” — are dead giveaways as to Israel’s motive for committing 9/11: leading America by the nose on an endless path of war against their enemies in the Middle East!

<http://www.takeourworldback.com/dancingisraelisfbireport.htm#marmariIsraelNoWHasHope>

An American employee of Urban Moving Systems, the Israeli Intelligence front company where the five dancing Israelis also worked, said that the majority of his co-workers were Israelis and were joking on the day of the attacks. He told The Record of New Jersey: **“I was in tears. These guys were joking and that bothered me. These guys were like, ‘Now America knows what we go through.’”** (Scott DaVault, “Urban Moving Systems and Detained Israelis,” What Really Happened) Other strange happenings at Urban Moving Systems headquarters in Weehawken, New Jersey, were unveiled in the FBI’s report. For instance, a former Urban Moving Systems employee later contacted the Newark Division of the FBI with information indicating that he had quit his job at the company due to a high amount of anti-American sentiment present among Urban’s employees. The former employee stated that an Israeli employee of Urban had even once remarked: **“Give us twenty (20) years and we’ll take over your media and destroy your country.”** He also told the FBI that Dominik Suter, the Israeli owner of the dubious front company Urban Moving Systems, was a sleazy crook who would constantly cheat his customers out of money and that Suter constantly spoke badly of the United States. Also mentioned by the former employee was that the Jewish/Israeli workers always spoke Hebrew in his presence and that they had frequent meetings in the company’s office which he and the other non-Jewish employees were never invited to attend.

<http://www.takeourworldback.com/dancingisraelisfbireport.htm#giveUs20Years>

<http://www.takeourworldback.com/dancingisraelisfbireport.htm#suterCrookSpokeBadlyOfUS>

Urban Moving Systems is more than likely the hub wherein Israel's Mossad coordinated their false-flag operation against America on 9/11. The Israeli owner of this Mossad front company, Dominik Otto Suter, set up his phony business with a small loan of nearly \$500,000 from the U.S. government itself. ("Urban Moving Systems: the US-Israeli 9/11 Financial Nexus," Under the Radar Media BlogSpot, June 19, 2008.) Soon after the attacks, Suter was questioned by the FBI but was evasive. When the FBI returned to question him again he was gone, having abruptly fled the country back to Israel. ABC News reported:

See - <http://undertheradarmedia.blogspot.com/2008/06/urban-moving-systems-us-israel-911.html>

"... sources told ABCNEWS . . . that the FBI believed Urban Moving may have been providing cover for an Israeli intelligence operation. After the five men [the dancing Israelis] were arrested, the FBI got a warrant and searched Urban Moving's Weehawken, N.J., offices. The FBI searched Urban Moving's offices for several hours, removing boxes of documents and a dozen computer hard drives. The FBI also questioned Urban Moving's owner [Dominik Otto Suter]. His attorney insists that his client answered all of the FBI's questions. But when FBI agents tried to interview him again a few days later, he was gone. Three months later 2020's cameras photographed the inside of Urban Moving, and it looked as if the business had been shut down in a big hurry. Cell phones were lying around; office phones were still connected; and the property of dozens of clients remained in the warehouse. The owner had also cleared out of his New Jersey home, put it up for sale and returned with his family to Israel." ("Were Israelis Detained on Sept. 11 Spies?" ABC News 20/20, June 21, 2002.)

See -

http://abcnews.go.com/sections/2020/DailyNews/2020_whitevan_020621.html

The blatantly guilty demeanor of Suter and the five dancing Israelis makes it quite obvious that they were heavily involved in the attacks. Recall the suggestive remarks of dancing Mossad agent Sivan Kurzberg that, "**We are Israeli. We are not your problem. Your problems are our problems. The Palestinians are the problem.**" This statement clearly illustrates the intention of the Israelis to frame Palestinians and other Arabs for terrorism against America in an effort to terrorize their Middle Eastern adversaries and draw the U.S. into a conflict with the opponents of Israeli imperialism. In doing so, the treacherous Israelis endeavored to bring American public opinion in line with expansionist Israeli foreign policy objectives. This reality manifested on the evening of September 11, 2001, when Israeli operatives attempted to detonate a truck bomb on the George Washington Bridge, which they intended to have blamed on Palestinians, in what amounts to a classic false-flag operation. The Jerusalem Post reported that a white van packed with explosives was stopped by police as it approached the George Washington Bridge:

“American security services overnight stopped a car bomb on the George Washington Bridge connecting New York and New Jersey. The van, packed with explosives, was stopped on an approach ramp to the bridge. Authorities suspect the terrorists intended to blow up the main crossing between New Jersey and New York, Army Radio reported.” (“Car bomb found on George Washington Bridge,” The Jerusalem Post, Sept. 12, 2001.)
See - <http://whatreallyhappened.com/WRHARTICLES/jpost.html>

The existence of this truck bomb was also independently reported by CNN, Fox News, ABC News, CBS News, and other major media outlets. See: “9/11 George Washington Bridge Van Full Of Explosives Incident (News Compilation),” YouTube / “Mossad Truck Bombs on Sept 11,” YouTube)

Gw Bridge Truck Bomb

See - http://www.youtube.com/watch?v=oi9rIP1_dHs
See - <http://www.youtube.com/watch?v=3aKj6uJ5Mt4>

FOX News reported:

“...two suspects are in FBI custody after a truckload of explosives was discovered around the George Washington Bridge ... The FBI ... says enough explosives were in the truck to do great damage to the George Washington Bridge.”

WCBS News reported

“... Most of New York City’s rescue operations and their police and fire departments have been concentrating their actions down in lower Manhattan where two planes hit the two towers of the World Trade Center. But some very ... intelligent and aggressive cops also stopped another terrorist attack from happening on the George Washington Bridge. CBS2 has learned exclusively that two men are in custody after being arrested at the George Washington Bridge with an entire truckload of explosives. Now I’m told that those explosives could have been enough to blow up the entire span [of the bridge] and all the cars and the people that were on it.”

(“9/11 George Washington Bridge – Truck Full Of Explosives and Two Suspects In Custody (Rare WCBS),” YouTube)

See - <http://www.youtube.com/watch?v=KIPz30dCFwU>

The ethnicity and nationality of the two terror suspects was conveniently withheld from all of the media reports, for the obvious reason that the would-be bombers were Jewish Israelis and not Islamic Arabs. If they were Arabs or Muslims, the Jewish-owned press would have made a huge deal out of it. Pretty soon after the arrest of the two Israeli terrorists, media reporting on the attempted bombing of the George Washington Bridge abruptly stopped and previous reports on this incredible incident began vanishing. A desperate and conspicuous attempt was being made by the Jewish media bosses to sweep this blatant episode of Jewish

terrorism under the rug. In a sloppy attempt to pre-frame Palestinians for this would-be truck bomb explosion on the G. W. Bridge, two Jewish sayan operatives placed anonymous calls to the NYPD claiming to have spotted a group of "Palestinians" constructing a bomb in a van, and that they were headed towards the Holland tunnel. Here's the transcript from NBC News:

Dispatcher: Jersey City police.

Caller 1: Yes, we have a white van, 2 or 3 guys in there, they look like Palestinians and going around a building.

Caller 2: There's a minivan heading toward the Holland tunnel, I see the guy by Newark Airport mixing some junk and he has those sheikh uniform.

Dispatcher: He has what?

Caller: He's dressed like an Arab.

(Source: "911 Tapes Tell Horror Of 9/11," Part 2, "Tapes Released For First Time," NBC TV, June 17, 2002 / "Core of Corruption – Film 1 – In the Shadows – Part 10," YouTube)

The callers gave themselves away as Zionist Jews when they said that these alleged bomb-makers "look like Palestinians" and were dressed in "sheik uniform." First of all, how would the caller have known that these "Arabs" were Palestinian as opposed to some other kind of Arab like Iraqi, Syrian, Saudi, Lebanese, and so on? Secondly, Palestinians usually dress in western-style clothes, not "sheik uniform." Who other than Zionists have an axe to grind with Palestinians specifically to make a false 9-1-1 frame-up call of this nature? The mystery caller led the police to believe that the truck bomb was headed towards the Holland tunnel when in actuality it was stopped approaching the George Washington Bridge — a classic misdirection ploy. Fortunately for New Yorkers it was unsuccessful — the Israelis were caught red-handed trying to blow up a New York City bridge and have it blamed on their Palestinian enemies. The Jewish terrorists were fortunate in that their Zionist allies who control the American government and news media covered up their misdeeds and have made grand efforts to scrub this incident from the historical record. Certainly, very few Americans even know that it took place. This goes to show the hypnotic power of the mass media, which is under the control of criminal Zionist Jews who were complicit with Israel in the attacks.

To draw attention away from the fact that two Israeli agents tried to bomb the George Washington Bridge and to further bury the explosive story of the five celebrating Israeli Mossad operatives who were arrested in New Jersey, the Jewish-owned news media — in a premeditated incitement to genocide — repeatedly aired a dubious video clip of Palestinians supposedly celebrating the 9/11 attacks in the West Bank. See: “Muslims “Palestinians” Celebrating 9/11 (CNN – Fox),” YouTube) The video, which was later exposed as a fraud, served the agenda of the Zionist masterminds behind 9/11 expertly, as it portrayed the Palestinians as supporters of terrorism. Israel immediately capitalized on the dehumanizing effect of this duplicitous anti-Palestinian propaganda video. Within ten minutes of the first plane striking the North Tower on 9/11 Israel launched ethnic cleansing operations into the occupied Palestinian territories. This incredible fact was divulged by Noam Chayut, a former Israeli soldier, in an interview with Alternate Focus. (“Burning Conscience: Israeli Soldiers Speak Out,” YouTube) The New York Times also reported on the murderous Israeli incursions into the West Bank village of Jenin that was initiated on the heels of 9/11:

See - <http://www.youtube.com/watch?v=HRA0NKQ0k6E>

See - <http://www.youtube.com/watch?v=37MFa7ZKQWo>

“A surge of violence punctuated by an Israeli tank thrust into a West Bank town left eight Palestinians dead today, including a 9-year-old girl, as well as an Israeli settler shot dead by Palestinian gunmen. After a day of intense

violence, Palestinian officials accused the Israelis of stepping up military actions while international attention was focused on the terrorist attacks in New York and Washington. "The Israelis are exploiting the world's preoccupation with events in the U.S. to carry on with their crimes against the Palestinian people," said Yasir Abed Rabbo, a senior aide to Yasir Arafat, the Palestinian leader..." (Joel Greenberg, "8 Palestinians and an Israeli Settler Killed in a Surge of Violence," New York Times, Sept. 13, 2001.)
See - <http://www.nytimes.com/2001/09/13/world/8-palestinians-and-an-israeli-settler-killed-in-a-surge-of-violence.html>

Moreover, at 9:34 am on 9/11 Abu Dhabi television reported that it received a call from the **Democratic Front for the Liberation of Palestine**, a left-wing faction of the PLO, claiming responsibility for crashing two planes into the WTC. ("America's day of terror: Timeline," BBC News, Sept. 12, 2001.) This claim was immediately denied by the DFLP leader Qais abu Leila who said it had always opposed "terror attacks on civilian targets, especially outside the occupied territories." ("World shock over U.S. attacks," CNN, Sept. 11, 2001.) Common sense dictates that this "claim of responsibility" was simply another lame hoax by Israel to frame Palestinians for the 9/11 attacks. A short time after 9/11, Israel's Mossad was caught red-handed by Palestinian authorities trying to create a phony "Al-Qaeda terrorist cell" in Gaza in order to justify new Israeli attacks and aggression against the Palestinians. ("Israel 'faked al-Qaeda presence'," BBC News, Dec. 8, 2002.)

See - http://news.bbc.co.uk/2/hi/middle_east/2550513.stm

On 9/11, the Jewish terrorist network behind the attacks put their sick and twisted mentality on full display. Probably the most shocking and unusual event of the day came in the form of another white van that was stopped by NYPD officers in between 6th and 7th Avenue on King Street. Police recordings that have been released to the public indicate that **this van had a mural/painting on its side that literally depicted a remote controlled plane crashing into the World Trade Center and exploding!** Here is a portion of the police transmission detailing this bizarre incident:

officer: [inaudible] ... on air?

officer: The plane... [inaudible] ... explosives on King and 6th Avenue.

officer: King and 6th Avenue you said?

officer: One of those remote-controlled planes filled with explosives.

officer: 10-5 ... that plane message.

officer: 5 the message about the remote-controlled plane.

officer: Central, clear the air for the message about the plane.

officer: Central, we need the bomb squad and ESU over at King and...

officer: Central I got a message on that, uh, plane. It's, **it's a, it's a big truck with a mural painted of a, of an airplane diving into New York City and exploding. We don't know what's in the truck... the truck is in between 6th and 7th on King Street.**

officer: All right. 10-4. I'll send ESU and the bomb squad there, forthwith Kay.

officer: 10-5 that last message.

officer: with a mural painted... uh... airplane diving into New York blowin up. Two men got out of the truck — ran away from it — we got those two under.

officer: We have both suspects under, Kay... **We have the suspects who driv... drove in the van, THE VAN EXPLODED,** we have both of them under, Kay, let's get some help over here.

officer: What location?

officer: King Street between 6th and 7th.

(To listen to the recording, see: "Remote Controlled planes NYPD Recording on 9/11," YouTube)

See - <http://www.youtube.com/watch?v=r3knWrRthw0>

The existence of the mural van was corroborated by a report put out by the Norman Y. Mineta International Institute for Surface Transportation Policy Studies (MTI) entitled "Saving City Lifelines: Lessons Learned in the 9-11 Terrorist Attacks". On page 28 of the report it states:

"There were continuing moments of alarm. A panel truck with a painting of a plane flying into the World Trade Center was stopped near the temporary command post. It proved to be rented to a group of ethnic Middle Eastern

people who did not speak English. Fearing that it might be a truck bomb, the NYPD immediately evacuated the area, called out the bomb squad, and detained the occupants until a thorough search was made. The vehicle was found to be an innocent delivery truck.”

The MTI report — while confirming that there was indeed a van with a painting on its side astonishingly depicting the events that were unfolding just blocks away — attempts to hide the fact that the mural van subsequently exploded, which was stated multiple times by NYPD officers in the aforementioned police radio recording. The MTI report affirms that the mural van was rented to **“ethnic Middle Eastern people who did not speak English.”** Say, if these Middle Easterners were Arabs don't you suppose that the mainstream media would have been having a field day over this incident and wouldn't it have been highlighted in the official 9/11 Commission Report? Strangely, it was completely ignored and forgotten by both the media and the U.S. government. Common sense dictates that if these two Middle Eastern suspects were Muslim Arabs — who had rented a delivery truck and painted the 9/11 attack scenario on the side of it and then parked it near the WTC on 9/11 — than it would have been plastered all over the television and printing press as proof of an “Arab/Al-Qaeda conspiracy,” which the Jewish media was keen on promoting from the outset. It would have coincided perfectly with the ‘Al-Qaeda’ narrative being trumpeted by Ariel Sharon, Ehud Barak and America’s Jewish-run mass media. Since the mural van incident was deliberately hidden from the public, **the only logical conclusion that can be extracted from this information is that these “ethnic Middle Easterners” were Jewish Israelis, not Islamic Arabs.** The preposterous conclusion of the MTI report that the 9/11 mural van turned out to be nothing more than an “innocent delivery truck” is so absurd that further comment would be superfluous.

More proof of Israeli and Jewish foreknowledge of the 9/11 attacks was revealed by a Jewish resident of New Jersey who was a former Israeli soldier and veteran of the Yom Kippur War of 1973. In October 2000, approximately 11 months prior to September 11, 2001, the Jewish man was collecting English Ivy cuttings at the Gomel Chesed Jewish Cemetery located at McClellan and 245 Mount Olive Avenue, New Jersey, when he overheard a conversation spoken in Hebrew in which two persons were talking about an imminent terrorist attack upon New York City's World Trade Center Towers that would involve airplanes. The witness reported seeing two men leaning against a wall and a third person arrive in a Lincoln Town Car. He overheard one of the men say: **"The Americans will learn what it is to live with terrorists after the planes hit the twins in September."** Later, one of the men expressed a certain amount of concern regarding the upcoming presidential election between Bush/Cheney and Gore/Lieberman, which he believed might interfere with their terrorist plans. The person who arrived in the town car quelled the doubts by stating: **"Don't worry, we have people in high places and no matter who gets elected, they will take care of everything."** The witness to these incredible happenings informed U.S. Attorney General John Ashcroft and the FBI of what he had overheard, but absolutely nothing was done with the information. John Ashcroft and the FBI completely ignored it for the obvious reason that Jews were implicated and not Arabs. As dedicated servants of Zionism, Ashcroft and the FBI take their orders from the Jewish Lobby, not the American people. See: Ed Haas, "Prior knowledge of 9/11 attacks overheard in Hebrew," Muckraker Report, Dec. 1, 2006 / "Chasing down Gomel Chesed Cemetery," Muckraker Report, Jan. 4, 2007.)

See - <http://www.prisonplanet.com/articles/december2006/011206hebrew.htm>
http://www.infowars.com/articles/sept11/chasing_down_gomel_chesed_cemetery.htm

Evidence that Israelis had been forewarned of the 9/11 attacks several hours before it happened surfaced at an Israeli instant messaging service called Odigo. The company's headquarters were located just two blocks from the WTC in New York City, with additional offices in Herzliya, Israel, coincidentally where Mossad's headquarters are also located. It was reported that two of Odigo's Israel-based employees received a warning in the form of an instant message predicting the attacks would happen, but the two recipients of the warning claim not to have known the sender. (Yuval Dror, "Odigo says workers were warned of attack," Haaretz, Sept. 26, 2001.) Odigo's service includes a feature called 'People Finder' that allows users to find and contact

others based on certain interests or demographics, such as Israeli nationality. The vice president of sales and marketing at Odigo, Alex Diamandis, said it was possible that the attack warning was broadcast to other Odigo members, but that the company had not received reports of other recipients of the message. (“Instant Messages To Israel Warned Of WTC Attack,” Washington Post, Sept. 28, 2001) According to Odigo, the warning did not specifically mention the WTC, but the company refused to divulge what was specified, claiming, **“Providing more details would only lead to more conjecture.”** (Brian McWilliams, “Odigo Clarifies Attack Messages,” Newsbytes, Sept. 28, 2001.) Is it not peculiar that Odigo refused to reveal what was said in the message fearing that the content being disclosed would lead to “conjecture”? Conjecture about what, exactly? Logically speaking, keeping something secret would elicit more “conjecture” than something that is fully disclosed to the public. If the message was non-specific, as Odigo claims, then what would they have to worry about by releasing the contents of the message to the public? Later, Alex Diamandis hinted at the contents of the message, stating, **“The messages said something big was going to happen in a certain amount of time, and it did—almost to the minute.”** The IP address of the sender was given to the FBI, but as usual nothing was done, and the matter was quickly forgotten. (“September 11, 2001: Two Hours Before Attacks, Israeli Company Employees Receive Warnings,” History Commons) Evidently the FBI does not investigate terrorism when Israelis or Jews are implicated. The FBI is only concerned about “terrorism” when Muslim and Arab patsies can be set up and framed so that the Zionist media can portray them as psychotic plotting villains.

Jew Prayer

Keeping this information in mind, it would be wise to broach the issue of how many Israeli citizens actually died in the 9/11 attacks and how it relates to the Odigo story as well as to other evidence that has already been detailed herein of Israeli/Jewish prior knowledge of what was to come on 9/11. One day after 9/11, The Jerusalem Post reported that 4000 Israelis were missing in the attack on the WTC and Pentagon: **“The Foreign Ministry in Jerusalem has so far received the names of 4,000 Israelis believed to have been in the areas of the World Trade Center and the Pentagon at the time of the attack.”** (“Hundreds of Israelis missing in WTC attack,” The Jerusalem Post, Sept. 12, 2001.)

Jerusalem’s Foreign Ministry compiled the number from Israeli relatives and families who, in the first few hours after the attack, contacted the Israeli Foreign Ministry and gave the names of Israeli friends and/or relatives who worked in the WTC or who had business scheduled in it or in its adjacent buildings at the time of the attack. Considering that New York City is the capital of world Jewish financial power, with the World Trade Center as its epicenter, one would expect to find many thousands of Israeli citizens working in the WTC. So how many Israelis actually died in the towers on 9/11? Well, if you are the gullible type you might believe the figure spouted by President George W. Bush in a speech he delivered before Congress a short time after the attacks. Bush, in his infinite wisdom, made the **claim that 130 Israelis perished** in the attacks. (“Transcript of President Bush’s address,” CNN, Sept. 21, 2001.) This absurd figure was later revealed to be as a gross, and most certainly deliberate, exaggeration. In reality, only five Israelis died on 9/11, two of whom were supposedly aboard two of the allegedly hijacked planes. (“Five Israeli victims remembered in capital,” The Jerusalem Post, Sept. 11, 2002.) So, in truth, only three Israelis died in the WTC Towers on 9/11, where thousands were known to have worked! This is nothing short of a statistical impossibility.

http://articles.cnn.com/2001-09-20/us/gen.bush.transcript_1_joint-session-national-anthem-citizens/2?_s=PM:US

<http://web.archive.org/web/20021104190710/http://www.jpost.com/servlet/Satellite?pagename=JPost/A/JPArticle/ShowFull&cid=1031666147075>

One of the Israelis who is said to have been killed on 9/11 was Daniel Lewin. The official story attests that Lewin was aboard United Airlines Flight 11 and became embroiled in a struggle with one of the ‘Muslim hijackers’ resulting in his murder. Originally the story was that Lewin was shot and killed by Satam al-Suqami with a gun, but this was later changed to being stabbed to death with a knife. This slip-up is surely not the result of confusion because it is nearly impossible to mistake a knife for a gun. Rather, it shows that the 9/11 story was being crafted around the fabricated ‘Muslim hijackers’ narrative and that the Jewish-owned press was revising the story as they saw fit. It would not be very believable to assert that the hijackers managed to smuggle a gun and ammunition on a flight so they changed it to a knife which would have been easier to slip past security. What is most intriguing about this story is that Lewin was not your average Israeli — he was once a captain in the Israeli Occupation Army and an officer of Israel’s

elite commando unit known as 'Sayeret Matkal,' the "world's most elite anti-hijacking team" that specializes in aircraft takeovers and assassinations. ("Friends think Flight 11 Israeli was 'executed,'" World Net Daily, Mar. 1, 2002.) Yehuda Schwartzberg, a childhood friend of Lewin, told WorldNetDaily that **"Danny was an officer in a secret unit of the Israeli army called 'sayeret matkal'... My guess is that he did something in some way to stand up against the hijackers, and was executed because of it... Anyone who knows Danny knows that it was not his nature to go down without a fight... Maybe this [FAA] (memo) shows that he died a hero."** The Zionist authors behind this fictional script revealed their hand by attempting to weave a hero's tale around this Israeli commando, presenting him as the "very first victim of 9/11." What actually happened on Flight 11 and the three other doomed flights remains a mystery, but the unmistakable fingerprint of Zion was unveiled with the presence of Daniel Lewin, a probable Mossad agent, aboard one of the 9/11 flights.

Some of the other foreign nationals who suffered casualties on 9/11, according to Wikipedia, included 68 Brits, 47 Dominicans, 41 Indians, 28 South Koreans, 24 Japanese, 24 Canadians, 17 Colombians, 16 Mexicans, and even 14 citizens of Trinidad and Tobago. All of these foreign nations had a much higher death toll than Israel even though the WTC was primarily comprised of international finance, trade, banking and brokerage firms — the kinds of businesses where Israeli Jews are traditionally over-represented. With this in mind, it is highly probable that many Israelis, other than the two employees of Odigo, were forewarned of the attacks, which accounts for such a miniscule Israeli death toll on 9/11.

See - <http://www.wnd.com/2002/03/12989/>
http://en.wikipedia.org/wiki/Casualties_of_the_September_11_attacks#Foreign_casualties

President Bush is known for his rather dull intellect and his poor grasp of the English language. With his inability to express his own thoughts coherently it is obvious that he did not write his own speeches, he just recited them like a trained parrot. As Bush's principal speechwriter, the man actually responsible for the gargantuan exaggeration of 130 Israeli deaths on 9/11, when it was only 5, was Frum's obvious goal in inflating the amount of Israeli casualties in the attacks was to elicit public sympathy for Israel. Frum was looking to manipulate the American people by promoting Israel as America's new "partner" who are now united in this bogus "war on terror." Frum injected egregious propaganda into Bush's speech that America was attacked on 9/11 by people who merely "hate us for our freedoms." Frum coined the Orwellian phrase "Axis of Evil" to denote a number of countries that the Zionists do not like. He co-authored a venomous book of Zionist deceit entitled "An End To Evil: How To Win The War On Terror" with another warmonger of the highest caliber, Richard Perle. Journalist Robert Novak exposed Frum as a raving Zionist extremist and fanatical Jewish supremacist who was transfixed by his own Jewishness, making constant reference to it. Novak noted: David Frum.

David Frum.

“While Frum calls himself “a not especially observant Jew,” he repeatedly refers to his Jewishness. It is hard to recall any previous presidential aide so engrossed with his own ethnic roots. Frum is more uncompromising in support of Israel than any other issue, raising the inescapable question of whether this was the real reason he entered the White House.” (“Axis of Ego,” The American Conservative, March 24, 2003.)

Noam Chayut, the former Israeli soldier who was interviewed by Alternate Focus, stated that an official of the Israeli Ministry of Foreign Affairs told him that **“the public opinion of the U.S. is the most powerful weapon that Israel has.”** (“Burning Conscience: Israeli Soldiers Speak Out,” YouTube) Because of the 9/11 attacks world public opinion abruptly shifted from Palestinian sympathies to Israeli sympathies. As a result of 9/11, and the subsequent global Jewish media propaganda blitz to terrorize and dehumanize Arabs and Muslims, World Zionism triumphed. For the past decade the Jews have had a free hand to commit countless atrocities against the Palestinians, the people of Lebanon, and other Arab and Islamic peoples and nations. Jewish supremacists have utilized the momentum of 9/11 to successfully drive the USA, and other Western powers, into a litany of aggressive, illegal wars against their enemies with no end in sight.

New York City's Zionist Insiders

Silverstein and Company

In order to illuminate the full scope of this conspiracy and those who lie behind it, a cast of criminal characters intimately connected to the 9/11 plot must be examined. Without the inside help of several uniquely placed individuals in America to assist Israeli intelligence in the execution of these attacks, the operation could not have been successful. In the service of Israel and Zionism, a closely-knit and hugely influential cabal of criminal Jews pooled their resources together and combined their prodigious power to bring doom upon America.

The Mossad relies heavily on a vast network of Jewish spies in the Diaspora known as the “Sayanim” (Hebrew for “helpers, assistants”). This fact was first revealed by former Mossad officer Victor Ostrovsky in his book *By Way of Deception* and was later confirmed by espionage writer Gordon Thomas in his book entitled *Gideon's Spies: The Secret History of the Mossad*. In an interview on a BBC radio show, Thomas divulged that there are up to one million Jews around the globe who volunteer to help the Mossad in various ways. (“Million Jews aid Mossad says writer on Radio 4,” *The Jewish Chronicle Online*, Feb. 25, 2010.) In 1979, a former CIA official told *Newsweek* that, “**The Mossad can go to any distinguished American Jew and ask for help.**” This is precisely what was done in the run-up to 9/11 — several affluent American Jews were called upon by the Mossad to help orchestrate 9/11 for the benefit of the Jewish state and to fulfill the geopolitical aims of International Zionism.

See - <http://www.thejcc.com/news/uk-news/28777/million-jews-aid-mossad-says-writer-radio-4>

A cardinal component of the Israeli false-flag operation on 9/11 was the controlled demolition of the WTC Twin Towers and WTC-7. The two planes that hit the towers merely served as misdirection that was later used as the highly implausible excuse for their downfall. Blowing up buildings is a very intricate art that requires professional demolition specialists and weeks of preparation. To

accomplish this task, explosive experts needed unrestricted access to the Twin Towers and WTC-7 in order to set explosive charges in place to bring down the buildings. The first step in the preparation for this operation was transferring ownership of the World Trade Center complex from the Port Authority of New York and New Jersey (PANYNJ) into private hands. This was set in motion by a handful of well-connected Jewish billionaires, all of whom have intimate connections to Israel and a long history of Zionist activism in the United States, Israel and elsewhere.

The chairman of the Port Authority leading up to and on 9/11 was **Lewis M. Eisenberg**, a Zionist Jew. Eisenberg is a board member of the Republican Jewish Coalition, he was previously a partner of the Jewish bank Goldman, Sachs & Co., and he has also served on the board of directors of two of the most powerful pro-Israel pressure groups in the U.S., the United Jewish Appeal/Federation of New York and the American Israel Public Affairs Committee (AIPAC). He is an active fundraiser for Republican politicians who tow the Zionist line on American Middle East policy as finance chairman of the Republican

National Committee (RNC) and was a major financial contributor to the Bush-Cheney presidential campaign in 2000. (Bob Feldman, "The Republican Jewish Coalition and the pro-Israel Lobby," The Electronic Intifada, Feb. 21, 2005.) In his function as the Chairman of the Port Authority, Eisenberg oversaw the negotiations and transfer of the World Trade Center to his fellow Zionist Jews **Larry A. Silverstein** and his business partner **Frank Lowy**, the owner of Westfield Group. Silverstein and Lowy were outbid by Vornado Realty Trust by \$30m, but tribal networking with their Zionist collaborator Eisenberg ensured they got the contract. (Andrew Rice, "Silverstein Recovers: Dark Horse May Win World Trade Center," New York Observer, April 9, 2001.) On July 24, 2001, a mere six weeks before 9/11, Silverstein and Lowy suspiciously obtained a 99-year lease on the entire WTC Complex, in addition to WTC-7 which was already owned by Larry's company Silverstein Properties. Leasing the WTC was a particularly bad investment. The Twin Towers were filled with asbestos, an illegal and toxic substance which required a costly removal procedure that would have produced a bill that would have rivaled the lease itself, yet oddly, Silverstein "**felt a compelling urge to own them.**" ("Asbestos in the WTC: Towers' Destruction 'Solved' Asbestos Problem," 911 Research WTC-7 Website)

See - <http://electronicintifada.net/content/republican-jewish-coalition-and-pro-israel-lobby/5477>

See - <http://observer.com/2001/04/09/silverstein-recovers-dark-horse-may-win-world-trade-center/>

See - <http://911research.wtc7.net/wtc/evidence/asbestos.html>

The Jewish supremacist Larry Silverstein is a dedicated Zionist whose rabid support for Israel is not a secret. In his life, he has been involved with numerous Jewish supremacist organizations, Zionist fundraising schemes and is a major financial contributor to sham Jewish causes. He served as chairman of the board of the United Jewish Appeal and remains on the Board of Directors, along with his wife Klara. On its website, the UJA boasts of having raised over \$1 billion for the terrorist state of Israel over the past sixty years. Larry has also donated more than \$1 million to the anti-German hate group known as the Museum of Jewish Heritage, a "living memorial to the holocaust©," and sits on its Board of Trustees. Silverstein has close ties with many of Israel's bloodthirsty leaders who sit at the head of the ruling Likud Party. He is personal friends with no less than three former Israeli Prime Ministers: Benjamin Netanyahu, Ehud Barak and Ariel Sharon. He was so friendly with Netanyahu that he had regular telephone conversations with him every Sunday afternoon. Sara Leibovich-Dar, writing for the Israeli paper Haaretz, made note of these relationships in an editorial entitled "Up In Smoke". She wrote:

See - <http://www.ujafedny.org/boardofdirectors/>

<http://www.ujafedny.org/supporting-israel/>

http://www.mjhnyc.org/s_waystogive_heritage.html

<http://www.haaretz.com/hasen/pages/ShArt.jhtml?itemNo=97338&contrassID=3&subContrassID=0&sbSubContrassID=0>

“Shortly after the events of September 11, Prime Minister Ariel Sharon called Larry Silverstein, a Jewish real estate magnate in New York, the owner of the World Trade Center’s 110-story Twin Towers and a close friend, to ask how he was. Since then they have spoken a few more times. Two former prime ministers – Benjamin Netanyahu, who this week called Silverstein a “friend,” and Ehud Barak, whom Silverstein in the past offered a job as his representative in Israel – also called soon after the disaster. Yaakov Terner, the mayor of Be’er Sheva, sent a letter of condolence. Many Israeli politicians are acquainted in one degree or another with the 70-year-old Silverstein.”

Silverstein

Silverstein has even more conspicuous associations that solidify his guilt as 9/11’s “inside man” for Israel. In 1992 he co-founded the Israel Export Development Company (IEDC) which apparently sought to facilitate safer investment in Israel. (David Yerushalmi, “Resurrection,” The Institute for Advanced Strategic & Political Studies) The IEDC is an offshoot of the Institute for Advanced Strategic and Political Studies (IASPS), a hawkish pro-Israel “think tank” with branches in Israel and the U.S. which sought to promote wars against Israel’s regional enemies in the Middle East. (R. Marshall, “Right-Wing Extremists Endanger Israel and the Jews,” Washington Report on Middle East Affairs, Dec. 1999). This ties Silverstein to the Zionist propaganda outfit that conceived the heinous policy document A Clean Break: A New Strategy for

Securing the Realm. This report was authored in 1996 as advice for Benjamin Netanyahu's incoming Likud administration by Jewish neocon "thinkers" Richard Perle, Douglas Feith, David Wurmser and Meyrav Wurmser. This group and the Jews associated with it would play a central role in the instigation of the war in Iraq in 2003.

See - <http://www.iasps.org/scorecards/98/yerushalmi.htm>

See - <http://www.wrmea.com/backissues/1295/9512007.html>

Silverstein's active involvement in 9/11 is remarkably clear-cut and unambiguous. Although four members of his staff were killed in the attacks, he himself was saved only because he cancelled a routine business meeting at the last minute which was scheduled to take place first thing in the morning at Windows On The World restaurant, located on the 106th floor of WTC 1. Lucky Larry explained his absence from the WTC on 9/11 to the Wall Street Journal:

"His own life, he says, was spared "by a miracle, an absolute miracle." On the morning of 9/11 his wife insisted he make a dermatologist's appointment and skip a breakfast with tenants at the Windows on the World in the North Tower." ("The Man Who Is Rebuilding Ground Zero," Wall Street Journal, Sept. 11, 2010.)

See -

<http://online.wsj.com/article/SB10001424052748703597204575483913446248440.html>

There were other “miracles” in the Silverstein family that morning. Larry’s son Roger and daughter Lisa, who were working for him in temporary offices on the 88th floor of the North Tower, were also absent from the towers on 9/11, narrowly escaping certain death. Both of them just happened to have been “running late” for work on that fateful day. (Tom McGeeveran, “Mike Sees City Taking Control At Ground Zero,” The New York Observer, Mar. 17, 2003.) Either the Silverstein family possess some supernatural talent to gaze into the future or they knew not to show up to work on 9/11 for reasons of complicity. On a PBS program called “America Rebuilds,” Larry Silverstein tacitly confessed to the demolition of WTC-7, the 47 story steel skyscraper that was not hit by a plane which collapsed into its own footprint in 6.5 seconds (nearly free fall speed) at around 5:20 in the afternoon on 9/11. His exact statement in reference to WTC-7 was:

See also - <http://observer.com/2003/03/17/mike-sees-city-taking-control-at-ground-zero/>

“I remember getting a call from the...er...fire department commander, telling me that they were not sure they were gonna be able to contain the fire, and I said, ‘We’ve had such terrible loss of life, maybe the smartest thing to do is pull it.’ And they made that decision to pull and we watched the building collapse.” (“America Rebuilds,” PBS)

See also -

http://www.youtube.com/watch?feature=player_embedded&v=7WYdAJQV100

“Pull it” is demolition industry jargon for destroying a building. Larry’s lame excuse for his Freudian slip was that he meant “pull the fire-fighters out of the building.” This is impossible because there were no fire-fighters in WTC-7 to speak of. According to FDNY fire chief Frank Fellini, all fire-fighters had been directed to steer clear of WTC-7 five or six hours before it came down. (New York Times, 12/3/2001) On 9/11, the mysterious collapse of WTC-7 was prematurely announced by the BBC on a live broadcast twenty minutes before it actually came down, further revealing the thoroughly scripted nature of the day’s events! (“ENHANCED VERSION: News Reports WTC7 Fell Before It Happens!,” YouTube) Having taken out a massive insurance policy on the WTC complex which covered “acts of terrorism” just six weeks before 9/11, Larry Silverstein originally sought over \$7 billion in an insurance payout as a result of the destruction of his complex. He claimed that two planes crashing into two towers constituted two separate terrorist events and therefore required a double pay out. (“Insurers Debate: One Accident or Two?” Bloomberg News) This greedy Jew’s attempt at subterfuge did not exactly get the results he was looking for, but he did manage to squeeze \$4.55 billion out of his insurers with the help of **Michael Mukasey**, a Jewish-Zionist judge who presided over the case and ruled in his favor. (Tom Topousis, “WTC Insure War Is Over,” New York Post, May 24, 2007 / Joseph Goldstein, “As Judge Leaves for Law Firm, His Legacy Is Remembered,” New York Sun, July 26, 2006.) Mukasey was later nominated as U.S. Attorney General by George W. Bush.

Frank Lowy

Silverstein's business partner **Frank Lowy is the co-founder of Westfield Group**, which operates over 100 shopping centres in Australia, New Zealand, the United States and England. He leased the shopping concourse area called the Mall at the World Trade Center, made up of approximately 427,000 square feet of retail floor space. Lowy is a Hungarian Jew born in Czechoslovakia. In 1946, he made his way to the British Mandate of Palestine wherein he joined the Jewish terrorist group known as Haganah to slaughter Palestinians and steal their land. A short time later he joined the Golani Brigade with whom he participated in the Nakba — the forced expulsion of nearly a million Palestinian Arabs from their homes, dozens of murderous massacres of Palestinians, and the decimation of hundreds of Palestinian villages, upon which the state of Israel was illegally formed in 1948. After his stint in Palestine as a Jewish terrorist, murderer and ethnic cleanser, Lowy moved to Sydney, Australia in 1952 whereupon he started up his retail property company Westfield Group, which has

made him a very rich man. (Herb Keinon, "Frank Lowy: From Hagana to \$3.8 billion magnate," The Jerusalem Post, May 29, 2006.)

See also - <http://www.jpost.com/Israel/Article.aspx?id=23266>

In regard to 9/11, it is important to note some of Lowy's extensive ties to Israel, his cozy relations with Israeli politicians and his avid activism to further Zionism and Jewish domination around the world. The blogger Crimes of Zion unearthed a plethora of revealing connections between Frank Lowy and Israel's ruling Zionist establishment in his article titled "Frank Lowy, Zionism and 9/11". For instance, in 2001 Lowy was the Associate International Chairman of the Israel Democracy Institute and in 2003 he set up an international policy think tank devoted to foreign affairs called the Lowy Institute for International Policy. In 2006, he established the Israeli Institute for National Strategy and Policy at Tel Aviv University where bigwig Israeli politicians and businessmen gather to brainstorm sinister ways to undermine the gentiles. ("Frank Lowy launches Tel Aviv University institute," Globes Israel's Business Arena, 29 May 2006.) Described by the Sydney Morning Herald as **"a self-made man with a strong interest in the Holocaust and Israeli politics,"** Lowy spends three months of the year at his home in the Jewish crime enclave known as Israel. Lowy was very much involved in the dissemination of Zionist propaganda through media venues such as a publication called the Australia/Israel Review (AIR) where he served as vice president. This Jewish supremacist rag was the birth-child of the Australia Israel Jewish Affairs Council (AIJAC), the Australian equivalent of its American counterpart, AIPAC. A London Times article gave us this interesting piece of information, further illustrating Lowy's raving Zionist fanaticism:

"Lowy has donated about £200,000 to build a memorial museum in Israel for his former brigade and has toured old battle sites with former comrades. His personal wealth was recently estimated by Forbes magazine at £1.5 billion and he is well known in Australia as a philanthropist supporting Jewish causes. Through the Westfield Foundation he has given to the United Israel Appeal, an organization for resettling Jewish immigrants in Israel. His family was last year preparing to invest more than £30m in property and media interests in Israel." ("Blair's envoy in new row over pay," *The Sunday Times*, April 14, 2002.)

See also - <http://www.fpp.co.uk/online/02/04/Israel/STimes140402.html>

Frank Lowy maintains close personal relationships with Israeli political kingpins Ehud Olmert, Ariel Sharon, Ehud Barak and Barak's brother Avinoam Brog. Brog confirmed Lowy's highly influential standing in the Zionist State when he told the Sydney Morning Herald that Lowy's **"influence is such that if he wanted to**

talk to any politician in Israel, then he could. And they will listen." ("The quiet benefactor: Lowy's close ties with Israel," The Sydney Morning Herald, Sept. 29 2008.) In addition to being a former terrorist, Lowy is also a crook. In 2006 it came to light that Lowy was implicated in a corruption scandal involving the then Israeli Prime Minister Ehud Olmert. Israeli media reported that Olmert had a conflict of interest because he advanced Frank Lowy's interests in the privatization of a major Israeli bank, Bank Leumi. ("PM to face criminal investigation over Bank Leumi sale affair," Haaretz, Jan. 16, 2007.) In the bid for Bank Leumi, Lowy's business partners were the Jewish plutocrats **Mortimer Zuckerman**, who is the publisher and owner of New York Daily News, the chief editor of U.S. News & World Report as well as the former chairman of the Conference of Presidents of Major American Jewish Organizations, and **Daniel Abraham**, a prominent board member of AIPAC.

Ronald Lauder

Another crooked character who played an imperative role in the planning and preparation for 9/11 was the Jewish billionaire **Ronald Lauder**. Having inherited his fortune as the heir to his parents' cosmetics empire Estée Lauder Companies, Lauder is an active Jewish supremacist lobbyist and a rather chauvinistic Zionist-Israeli partisan. Lauder is actively involved in numerous Zionist pressure groups and Jewish spy agencies masquerading as "civic organizations," including the Conference of Presidents of Major American Jewish Organizations, the Jewish National Fund, the World Jewish Congress (of which he was elected president on 10 June, 2007), the American Jewish Joint Distribution Committee, the Anti-Defamation League, the Jewish Theological Seminary, Brandeis University, and the Abraham Fund. He also established a

school carrying his name called The Lauder School of Government, Diplomacy and Strategy to the Interdisciplinary Center of Herzliya (Israel), a Mossad recruiting center and operative training ground. It is stated on the website of the Interdisciplinary Center Herzliya that the founding dean of Lauder's Mossad school was none other than **Ehud Sprinzak, the Israeli professor who told the UK's Telegraph that 9/11 was the greatest PR stunt ever committed in favor of Israel and the Jews.**

See -

http://www.powerbase.info/index.php/Lauder_School_of_Government,_Diplomacy_and_Strategy

<http://portal.idc.ac.il/en/schools/Government/AboutUs/Pages/EhudSprinzak.aspx>

In regard to 9/11, it is important to mention two more organizations that Lauder headed: the New York State Commission of Privatization and the New York State Research Council on Privatization. Through these groups, Lauder introduced the concept of privatization to the Port Authority. ("Green Acres," New York Press, Feb. 8, 2005.) In this function, Lauder was the key individual who lobbied for the privatization of the WTC, which fell right into the hands of his Zionist brethren: Silverstein and Lowy. According to the journalist Michael Massing, on Israeli issues Lauder **"was a vocal Likudnik, with long-standing ties to Netanyahu,"** and that during Netanyahu's 1989 run for top office in Israel **"the Jewish press carried reports that he [Lauder] had helped bankroll Netanyahu's campaign for prime minister."** ("Deal Breakers," The American Prospect Magazine, March 2002)

See also - http://www.thirdworldtraveler.com/Israel/Deal_Breakers.html

On the tenth anniversary of 9/11, Ronald Lauder wrote an obscenely propagandistic "opinion" piece that was published on the website of the World Jewish Congress, in which he forcefully propagated the official fairy tale of 9/11, essentially arguing that it is the duty of all Westerners to defend Israel and fight the Muslims in the name of "freedom, democracy and human rights." These three terms are Judeo-Masonic code words. Jewish supremacists and their paid lackeys constantly invoke this deceptive slogan as a pretext for Western military intervention anywhere in the world where the Jewish power elite are having trouble dealing with a certain group of rebellious non-Jews who are not acting like obedient, pacified slaves. What this slogan really means is that we must fight, not for "freedom, democracy and human rights," but for "the divine right of the Jews to abuse, subjugate and enslave the non-Jews."

The circumstances surrounding the private acquisition of the World Trade Center in July of 2001 bears the distinct mark of Zion. Is it just a coincidence that every single person involved in the privatization, transfer and subsequent private

ownership of the WTC were corporate billionaire Jews with a laundry list of connections to powerful Jewish lobby groups, Zionist think tanks and the biggest shot-callers in the Israeli government, particularly the Likud Party? Is it just mere happenstance that two Jewish-Zionist bigwigs gained total control over the entire WTC complex just over a month before 9/11, and by doing so facilitated an event that proved to be a godsend for their elitist friends in Tel Aviv? In politics, there are no coincidences.

Zion Incorporated: The MOFO Jewish “Security” Apparatus

In his outstanding book, *Solving 9/11: The Deception That Changed The World*, the brave researcher Christopher Bollyn explained why it was so crucial for the 9/11 plotters to gain control over security at the World Trade Center to ensure the success of this heinous false flag operation. Being in charge of security at the Twin Towers, writes Bollyn,

“was obviously crucial to the 9/11 operation. The explosive charges and Thermite that evidently demolished the three towers could not have been placed in the buildings without the perpetrators

having complete control of security. Getting control of security at the WTC was something senior officers of Israeli military intelligence had actively sought since at least 1987. This was clearly part of the Israeli master plan for 9/11, a plan first openly articulated in 1979 by Isser Harel, the former head of Israeli intelligence...” (Solving 9/11, Ch. 7, “The Architecture of Terror: Mapping the Network Behind 9/11”)

See also - <http://www.bollyn.com/the-architecture-of-terror-mapping-the-network-behind-9-11>

Bollyn, in chapter 7 of his book titled “The Architecture of Terror: Mapping the Network Behind 9/11”, cogently outlined how the Jewish crime network accomplished this fundamental task. According to the stellar research of Bollyn, in 1987 Atwell Security of Tel Aviv, an Israeli security company staffed with high-ranking Shin Bet and Mossad agents, gained control of security at the World Trade Center through a contract with the Port Authority. The head of this company was an elite Israeli intelligence veteran named **Avraham Shalom Ben-Dor**, the former chief of Israel’s internal security service Shin Bet. Another infamous Mossad agent, **Peter Zvi Malkin**, brokered the deal with the Jewish-run Port Authority, which placed New York City’s tunnels, bridges, ports, airports and the WTC under the control of Israeli Intelligence through Atwell Security. Both of these men were long-time associates of Mossad’s founder Isser Harel, the man who “predicted” 9/11 in 1979. Interestingly, Atwell Security was a subsidiary of the Eisenberg Group which was owned by the Israeli businessman and Mossad arms dealer **Shaul Eisenberg**.

This agreement was, however, strangely terminated shortly thereafter by Edward J. O’Sullivan, the Port Authority’s Director of Special Plans, due to the company’s obvious affiliation with the Israeli secret services. This is when the Jewish crime network decided to use more discreet means to establish control of the WTC’s security, namely through an American partner so as to disguise the overt “Mossad” character of the company and its machinations. **Kroll Inc., also known as Kroll Associates**, is a private security and investigative company that is known as the “CIA of Wall Street.” The company’s name is derived from its founder Jules Kroll, a well-connected Jew from New York. In 1993, after the first WTC false-flag bombing, Kroll Inc. was given the task of “**revamping security at the World Trade Center.**” (Douglas Frantz, “A Midlife Crisis at Kroll Associates,” New York Times, Sept 01, 1993.) Kroll Inc. continued to run security at the WTC until September 11, 2001. It is this company, as the overseers of security at the towers on 9/11, that is responsible for making an announcement telling WTC-2 employees to go back to their desks after the first plane struck WTC-1, assuring them everything was secure and that they were safe to continue working. (“Life And Death Decisions – Some Survivors Fled WTC Tower Despite Announcement To Stay Put,” Newsday Magazine, Sept. 13, 2001.) If this malicious announcement had not been broadcast, hundreds if not thousands of lives might have been saved.

Jules Kroll and his wife Lynn are fanatically passionate and committed Zionists. They perfectly fit the description of Sayanim. Together they run the “Foundation for Jewish Culture,” a fund for Jewish documentary films which **“explore the Jewish experience in all its complexity.”** Lynn Kroll has quite the résumé of Zionist activism and Jewish advancement. She is the Vice Chairman of the United Jewish Appeal (UJA) Federation of New York, which connects the Kroll’s to fellow 9/11 conspirator Larry Silverstein who is likewise a national chairman of the UJA, the biggest American fund-raising group for Israel. Lynn is a prominent member of a litany of other Jewish-Zionist outfits like the American Jewish Joint Distribution Committee (JDC), the Jewish Agency for Israel, the Jewish Communal Fund, the United Jewish Communities Inc. and the American Jewish Committee. In addition she was appointed by her co-religionist, the Mayor of New York City Michael Bloomberg, as Chair of the Sister Cities Relationship between New York and Jerusalem. Jules Kroll is also directly tied to Silverstein as they are both board members of the New York Citizen’s Budget Commission (CBC), according to Christopher Bollyn.

See - <http://jewishculture.org/film/>

See - http://www.zoominfo.com/people/Kroll_Lynn_2912680.aspx

It is exceedingly important to note that Jules Kroll became business partners with former A.I.G. CEO and mega financial criminal **Maurice Greenberg — a Zionist Jew** — in 1993, the same year Kroll Inc. took over “security” at the World Trade Center. That was the year that Greenberg’s A.I.G. bought 23 percent of Kroll Inc. and later fashioned it into a wholly owned subsidiary of A.I.G. and Marsh & McLennan Companies (MMC), which was headed by his son Jeffrey Greenberg. According to the 9/11 Encyclopedia, Maurice Greenberg **“was deeply involved in Chinese trade in the 80s, where Henry Kissinger was one of his representatives. In the China trade, Greenberg became very close to Shaul Eisenberg, the leader of the Asian section of the Israeli intelligence service Mossad, and agent for the sales of sophisticated military equipment to the Chinese military.”** It also says he was once the deputy chairman of the Council on Foreign Relations, a predominately Jewish, globalist “think tank” that has wreaked incredible havoc in the world. Maurice’s son Jeffrey became the CEO of the insurance brokerage firm Marsh & McLennan Companies (MMC) in 1999 and chairman in 2000. Chris Bollyn has astutely noted that the first plane of 9/11 flew directly into the secure computer room of Marsh/Kroll in the WTC North Tower, or perhaps was “precision guided” into the building.

See also - <http://911review.org/Sept11Wiki/Greenberg,Maurice.shtml>

Cherkasky

The importance of Kroll Inc. to the 9/11 plot is substantial. This company was 100 percent kosher certified. The CEO of Kroll Inc. at the time of 9/11 was another Jewish criminal personality named **Michael Cherkasky**, who would later go on to become the CEO of Marsh & McLennan Companies (MMC). Cherkasky's father Martin headed the Medical Advisory Committee of the American Jewish Joint Distribution Committee. ("Paid Notice: Deaths CHERKASKY, MARTIN, MD.," New York Times, Sept. 09, 1997.) The managing director of the company at the time of 9/11 was none other than **Jerome M. Hauer**, whom

we first met earlier in this book. Hauer is one of the key plotters behind 9/11 and he is the unmistakable product of Jewish Zionism. He was born in New York to a family of Yiddish-speaking Zionist Jews. His late mother, Rose Muscatine Hauer, once served as the Dean of the Beth Israel School of Nursing and was also the Honorary President of the New York Chapter of Hadassah, the "Daughters of Zion," a women's Zionist group with close ties to Israel. In 1996 NYC mayor Rudolph Giuliani, a dedicated Jewish lackey, appointed Hauer as the first director of the Office of Emergency Management (OEM) which was created to coordinate the city's response, or lack thereof, to crises. Hauer strangely insisted that the OEM command bunker be built into Larry Silverstein's WTC-7. (Chris Bollyn, "The Key Players Of 911 – Who Is Jerome Hauer?," Rense, Jan. 26, 2008.) Hauer is a government insider and is touted by the mass media as an expert on "terrorism" and biological disasters. As noted earlier, the Jewish media used him to float the official conspiracy theory of 9/11 to the public before it even became public knowledge.

See also - <http://www.nytimes.com/1997/09/09/classified/paid-notice-deaths-cherkasky-martin-md.html>

See also <http://rense.com/general80/key.htm>

Hauer was also a close collaborator with Larry Silverstein. He managed to persuade former FBI terrorism investigator John O'Neill to take a job as head of security at the WTC. Tragically, O'Neill was killed on his first day of work —

September 11, 2001. At the height of his successful and distinguished career at the FBI, O'Neill abruptly quit the organization after being severely hindered by higher-ups in the agency who were constantly thwarting his investigations into Osama bin Laden and "Al-Qaeda". They did not want him to figure out that he had been sent on a wild goose chase searching for phantom enemies that don't even exist. Had O'Neill ascertained the truth that "Al-Qaeda" is nothing more than a boogeyman that has been used as a scapegoat to take the

fall for Israeli black operations, he would have been outraged and most certainly would have revealed this farce to the public.

What really made O'Neill into a full-fledged target of the Jewish crime network was his investigation into the bombing of the USS Cole in 2000. The U.S. ambassador to Yemen, a raving **Zionist Jewess** named **Barbara Bodine**, and the U.S. Secretary of State at the time, another raging **Zionist Jewess** named **Madeline Albright**, completely derailed O'Neill's inquiry into the USS Cole bombing by having him and his investigative team thrown out of Yemen and permanently barred from the country — a sure sign that Israel bombed the Cole and was desperate to prevent a real investigation that would have revealed Israel's guilt. (Lloyd T. Vance, "The Truth About the USS Cole Bombing," South East Asia News, April 30, 2011.) In an article titled "Clearing the Baffles for 9/11," journalist Wayne Madsen quotes a former CIA agent who theorizes that Israel, not "Al-Qaeda," attacked the USS Cole:

See also - http://southeastasianews.org/uss_cole_investigation.html

See also -

http://www.gnosticliberationfront.com/clearing_the_baffles_for_911.htm

"The former CIA agent who worked with the FBI's Joint Terrorism Task Force in New York and New Jersey stated that the USS Cole was hit by a specially-configured Popeye cruise missile launched from an Israeli Dolphin-class submarine. Israeli tests of the missile in May 2000 in the waters off Sri Lanka demonstrated it could hit a target 930 miles away. The ex-CIA agent also stated that Ambassador Bodine threw John O'Neill and his team out of Yemen lest their investigation began uncovering evidence that the Cole was not blown up by an explosive-laden boat but by an Israeli cruise missile. The former CIA agent said the reason for the Israeli attack was to further galvanize U.S. public opinion against both Al Qaeda and the Democrats in the weeks prior to the 2000 presidential elections. The Bush-Cheney team could blame the Democrats for not taking the Al Qaeda threat seriously."

Another Israeli motive for attacking the USS Cole was to divert world attention and sympathy from the second Palestinian intifada — the uprising which was triggered by the provocation at the Al Aqsa compound by the Likud leader Ariel Sharon, wherein thousands of Palestinians were killed and wounded in a brutal Israeli military siege against the occupied territories. Whenever Israel initiates a merciless slaughter of Palestinians in Gaza and the West Bank, a “terrorist” attack occurs to conveniently draw public attention away from Israel’s crimes. False flag terrorism comes in handy for the Israeli PR effort to win the hearts and minds of Westerners to the Zionist cause.

Another key character whose hands are covered in blood is Jeremy Kroll, the son of Jules Kroll. Jeremy Kroll was the Managing Director at Marsh/Kroll and has served as General Manager at Kroll’s Information Security Group (computer security). Chris Bollyn outlined Jeremy’s intimate connections to a plethora of Israeli military intelligence figures through a front company that the Mossad created to accomplish missions in America. Bollyn, again in his chapter “The Architecture of Terror: Mapping the Network Behind 9/11,” had this to say about Jeremy Kroll:

See - <http://www.bollyn.com/the-architecture-of-terror-mapping-the-network-behind-9-11>

“It is interesting to note that Jeremy M. Kroll, the Managing Director of Marsh Kroll, is also on the “advisory board” of Elad Yoran’s Security Growth Partners. This is a crucial connection in the Zionist network behind 9/11; this is where we hit the mainline. Jeremy Kroll, the son of Jules B. Kroll, has been an executive at Marsh Kroll, a division of Marsh & McLennan Co. (MMC), since 1996. Jeremy Kroll’s connection with Elad and Amit Yoran through SGP reveals a key link between the American Zionist network and Israeli military intelligence.

... Jeremy Kroll serves on the board of the Israel-based Challenge Fund with Israeli government officials from the highest level, including Israel’s National Security Advisor and Head of the National Security Council, a former head of Shin Bet, former Directors General of the Ministries of Foreign Affairs and Defense, former Commanders of the Israel Air Force, Central Command, and the Technology and Logistic Branch of the IDF, as well as the head of Boeing (Israel) and the son of Yitzhak Shamir. The Challenge Fund uses money raised through the Bronfman and Andreas (ADM) families to fund Israeli companies, like ViryaNet.

... The Challenge Fund is an Israeli intelligence funding operation, based in Israel and also known as Etgar, which means “challenge” in Hebrew. This limited partnership involves the biggest players in the Zionist funding network in North America with the most senior officers in Israeli military intelligence. This is one of the key funding entities for Israeli intelligence operations in the United States.

... These are the kind of high-level Israeli intelligence agents that work with

Jeremy Kroll on the “advisory board” of the Challenge Fund. Kroll brings a degree in fine arts (French and Italian) from Georgetown and his executive position with Kroll to the table. Who do you think makes the strategic decisions in this group? It was, I submit, through these connections with Kroll and Greenberg that agents of Israeli military intelligence gained control of security of the World Trade Center and were able to carry out 9/11.”

Goff

Yoran

A key suspect in the preparation for Israel’s 9/11 spectacle was **Michael Goff**. This Jewish-Zionist lawyer from Worcester, Massachusetts, abruptly left his promising career as a lawyer to join a shady start-up software company called **Ptech**, a disguised Israeli intelligence operation with Arab front men. As the original marketing manager of Ptech, Goff was responsible for procuring the company’s software. Most national security computerized systems that would have responded to the 9/11 hijackings by scrambling jets were running on Ptech

software, which explains the complete lack of air defenses on 9/11. A list of Ptech clients includes the FAA, N.A.T.O, United States Armed Forces, Congress, Dept. Of Energy, Dept. of Justice, FBI, Customs, the IRS, the Secret Service, and even the White House. (Chris Bollyn, "How Mossad Deceived the U.S. Military on 9/11," Rumor Mill News, Apr. 2, 2005.) Interestingly, Michael Goff's father and grandfather were both members of the secret Zionist society of the B'nai B'rith ("Sons of the Covenant"), an exclusively Jewish order of Freemasons founded in New York City in 1843.

See also - <http://www.rumormillnews.com/cgi-bin/archive.cgi?read=68484>

Goff also worked for the Israeli database company **Guardium**. This company was funded by Cedar Fund, Veritas Venture Partners, and StageOne, all Mossad funding outfits. The founder and director of Guardium was **Amit Yoran**, the Israeli who went to West Point and became the manager of computer network security for the Pentagon. He was appointed by George W. Bush as the administration's Cyber Chief, responsible for coordinating the nation's activities in cyber security. In his book Solving 9/11 Chris Bollyn revealed that as Goff was working for Ptech, Amit Yoran was the **"Network Security Manager at the Department of Defense designing computer security for the Pentagon."** Bollyn opined that Yoran was **"ideally situated to arrange the installment of Ptech software onto the critical computer systems of the U.S. military."** Bollyn also observed that, **"The Israeli nexus between Michael Goff, Ptech, Guardium, and Amit Yoran provides a logical explanation for how Israeli Ptech enterprise "spy" software wound up on the critical computer networks of the U.S. government and military."** This means that Israel not only had complete control of America's telephonic infrastructure through Amdocs and Comverse Infosys, they also had unprecedented inside access to all of America's sensitive government and military computer systems through Goff's Ptech and the strategically placed Israeli asset Amit Yoran.

Another interesting piece of information is the fact that an Israeli shipping company called Zim-American Israeli Shipping Co., which is nearly half-owned by the Israeli government itself, broke its lease and vacated its rental space on the 16th floor of the WTC one week before 9/11, forfeiting a \$50,000 security deposit for doing so. ("September 4, 2001: Israeli Company Moves Out of WTC," History Commons) Wayne Madsen reported that Michael Dick, an FBI colleague of John O'Neill, had been investigating the Israeli spy ring in New Jersey and that he was **"very suspicious when Israeli movers quickly moved Zim American Israeli Shipping Company out of its 10,000 square feet of office space on the 17th Floor of the North Tower of the World Trade Center."** ("Clearing the Baffles For 9/11," Wayne Madsen Report) Before Agent Dick could determine exactly what the Israeli spies were up to he was, according to Madsen, **"removed from his duties on the orders of the then-head of the Justice Department's Criminal Division Michael Chertoff."** Madsen further reported:

See also -

<http://www.historycommons.org/context.jsp?item=a090401zimamerican#a090401zimamerican>

See also -

http://www.gnosticliberationfront.com/clearing_the_baffles_for_911.htm

“According to a non official cover (NOC) CIA source who worked with Dick, Israeli movers moved explosives into the 17th Floor office space after Zim moved out. After 9/11, Dick as well as the CIA NOC were harassed by their superiors on orders “from above.” Those orders came from Chertoff.”

This explosive information dovetails nicely with the revelations of Susan Lindauer, an ex-CIA asset who became an outspoken whistle-blower on government corruption and the 9/11 cover up. Lindauer, in an interview with Kevin Barrett, revealed that,

“From April and May of 2001 onwards, [CIA agent] Richard Fuisz instructed me to threaten the Iraqis with war. Now everybody presumes that the war stuff came after 9/11, but it didn’t. They had decided months before 9/11 ever happened, that as soon as this attack occurred this would be the motivation for the war. So they absolutely knew that this attack was going to be in late August or September and that opens up a whole new dynamic proving what you [Kevin Barrett] have just said — that it was a Mossad conspiracy.” (“911 Whistleblower Susan Lindauer Ex-CIA DIA – Kevin Barrett Show,” YouTube)

See also - <http://www.youtube.com/watch?v=37c106yyzkw>

In the same interview she further goes on to make this startling revelation:
“While I was writing my book I met a high-ranking State Department official who has a very, very, very high, top, top, top security classification, and I cannot name him for you because I don’t want to hurt his reputation... he’s close to retirement, he’s gonna have a pension, you know they would crush him if he was ever exposed, I suspect he thinks it too... ***But he says that a couple of weeks before 9/11, at the end of August, for about two weeks, strange vans were arriving at the World Trade Center at three o’clock in the morning. He swore to me that they were staying from 3AM to about 4:30-5AM. They were coming in for a brief period and he swore to me that he personally had investigated the janitorial services and he said I know first-hand how many employees the janitorial service had, what their trucks looked like, what their revenues are like, where they live, he said I could tell you their addresses, we are confident that none of these people in the janitorial services were tied to these trucks. He said it had never happened before, it was a unique thing... this was a strange anomaly right before the World Trade Center attack. And he was convinced that this was government-level Thermite, this was government level weapons that had been put into either the stairwells or the elevator shafts [of the WTC]. And he was convinced***

that this was when it happened.”

Mysterious white vans. Explosives. Thermite. World Trade Center. Mossad conspiracy. Bingo! The pieces of this Zionist puzzle fall right into place. Although it cannot be absolutely proven, it is very probable that the white vans doing suspicious work in and around the WTC just prior to the attacks were based out of the Mossad's Urban Moving Systems headquarters in New Jersey. Many kosher researchers have desperately tried to deflect attention away from Israel by suggesting that some American demolition company and/or CIA operatives rigged the towers with explosives. There is simply no evidence to suggest that Americans had anything to do with this crucial aspect of the plot. It would be extremely difficult for the masterminds of 9/11 to somehow coerce American employees of the CIA or a demolition company run by Americans to plant bombs in the WTC and knowingly murder thousands of their fellow citizens. Israelis, on the other hand, have no such reservations, and have proven time and again that they are willing and able to kill Americans — both civilians and military personnel — if it benefits them and their political objectives. As I mentioned earlier, hundreds of Israelis, some of whom belonged to explosive ordinance units in the Israeli military, were operating all over the country in the year leading up to the attacks. These Mossad terrorists established a stronghold in New Jersey, in the immediate vicinity of the WTC, fronting as “movers.” Based on these amazing facts, it can be said with a great degree of certitude that Israeli military demolition experts are the ones responsible for rigging and detonating the WTC Twin Towers as well as WTC-7 on 9/11. Who, other than the Israelis, had the capability and the motive to do this?

To build on this point, I would like to draw the readers' attention to Ehud Barak once again. This Zionist terror kingpin is directly linked to the explosive nano-thermite compound that was discovered in the dust of the WTC by Danish engineer Neils Harrit and Professor Steven Jones of Brigham Young University. ("Active Thermitic Material Discovered in Dust from the 9/11 World Trade Center Catastrophe," The Open Chemical Physics Journal, Volume 2) Barak was the Prime Minister of Israel from July 1999 until March 7, 2001, when he was replaced by Ariel Sharon. When he relinquished his position as Prime Minister, Barak promptly went to America where he became a special adviser for SCP Partners, a Mossad-run venture capital firm. In this capacity, Barak was in a position to personally oversee the 9/11 attacks, ensuring everything went as planned.

See also - <http://www.globalresearch.ca/index.php?context=va&aid=13049>

Barak's SCP partners had two companies in their portfolio capable of producing the accelerant used in the demolition of the Twin Towers and WTC-7 — Metallurg Holdings and Advanced Metalurgical Group, N.V. (AMG). AMG owned a number of subsidiaries which manufactured coatings of nano-composites and one that specialized in atomized aluminum which is a core component of nano-thermite. Metallurg Holdings and AMG operate under the umbrella of a management subsidiary of SCP Partners Private Equity LLC called Safeguard International. All of these shadowy entities operated out of the exact same address at 435 Devon Park Drive, Wayne, Pennsylvania. (Chris Bollyn, "How Ehud Barak Pulled Off 9/11," Bollyn Website, May 5, 2010.) This super-thermite was most likely applied to the towers as a spray. Who applied this explosive substance to the WTC towers? That would be LVI Services, Inc., a demolition company owned and operated by a Zionist Jew named **Burton Fried**. Chris Bollyn hypothesizes that under the cover of "asbestos abatement," LVI Services, Inc., lined the WTC towers with super-thermite, the highly-powerful accelerant that helped bring the buildings down in addition to explosive charges. (Bollyn, Solving 9/11, Ch. 14, "Game Over: Evidence of Super-Thermite in the Rubble") See also - <http://www.bollyn.com/how-ehud-barak-pulled-off-9-11-2>

<http://www.bollyn.com/game-over-evidence-of-super-thermite-in-the-rubble>

This analysis of the Jewish-Israeli-Mossad security nexus which orchestrated and coordinated 9/11 would not be complete without mentioning **International Consultants on Targeted Security, otherwise known as ICTS International N.V.** This company claims to provide "advanced, comprehensive

security solutions for the aviation and homeland security sectors.” The company was founded in 1987 by former security officials of Israel’s El Al airlines and bought in 1994 by Leedan, a Dutch investment holding company owned by two **Jewish-Israeli brothers, Ezra Harel and Boaz Harel**. The former commander in chief of the Israeli air force, Amos Lapidot, is still a member of the board. Although it is based out of the Netherlands, a 65 percent controlling stake in ICTS is held by the Israeli Ezra Harel. (“Ezra Harel dies of heart attack,” Haaretz, Nov. 26, 2003) **The Israeli businessman Menachem J. Atzmon is also a controlling shareholder in ICTS** and was appointed as its Chairman of the Board in 2004, after having served as a Member of the Board for several years. Interestingly, Atzmon is connected to the highest levels of the Likud Party in Israel, having served as the co-treasurer of the party in the 1980s. Atzmon and the criminal Zionist politician Ehud Olmert got themselves into hot water for procuring illegal foreign contributions for the Likud Party in 1988. (Chris Bollyn, “The Bloody Reign of Ehud Olmert and His Ties to 9/11,” Rumor Mill News, June 18, 2006.) Anton Chaitkin, in a lengthy article exposing how wealthy Zionist Jews launder money to Israel to help fund the Likud Party, unveiled this valuable nugget of information about Mr. Atzmon:

See also - <http://www.haaretz.com/print-edition/business/ezra-harel-dies-of-heart-attack-1.106796>
<http://www.icts-int.com/content7429.html?id=15>
<http://www.rumormillnews.com/cgi-bin/archive.cgi?noframes;read=89761>

“Israeli plutocrat Menachem Atzmon was co-treasurer of the Likud, along with Jerusalem Mayor Ehud Olmert, during and after the 1988 Israeli elections. In August 1988, Atzmon worked with Olmert and two other men to collect illegal contributions for the Likud from corporations, against Israel’s party funding law, by providing fictitious advertising services to the contributors. Atzmon was later convicted in that campaign finance fraud, while Olmert was acquitted.

Up until his 1996 conviction, Atzmon was president of the Israel Development Fund (IDF), a U.S. tax-exempt foundation funneling money illegally to the Likud. IDF is one entity in a cluster of such false-front Likud money spigots, all run by Philadelphia attorney Steven L. Friedman, a partner in the Dilworth, Paxson firm.” (“A Bigger Scandal: Illegal U.S. Funding of Sharon’s Likud,” Executive Intelligence Review, Jan. 24, 2003.)

See also - http://www.larouchepub.com/other/2003/3003likud_usgangsta.html

ICTS, through its wholly owned subsidiary Huntleigh USA, had contracts to provide security and passenger screening at both Boston’s Logan airport, where Flight 175 and Flight 11 (the two planes which allegedly struck the Twin Towers on 9/11) departed from, as well as Newark airport where Flight 93 (which supposedly crashed in a field in Pennsylvania on 9/11) is claimed to have originated from. Thus Atzmon, a convicted Likud criminal, was directly responsible for passenger and airline security at two of the three airports where “hijackings” are said to have occurred on 9/11. (“All 9/11 Airports Serviced by

One Israeli Owned Company,” What Really Happened) ICTS is, for all intents and purposes, a Mossad front operation staffed with Israeli intelligence agents. Perhaps this explains why they have yet to produce any legitimate CCTV footage of the alleged Muslim 9/11 “hijackers” boarding any of the planes that they are claimed to have hijacked? (Stephen St. John, “911 Dutch Treat?” Rense, Nov. 15, 2005.) ICTS is another chief cog in the overarching Jewish wheel that performed 9/11 from top to bottom; head to toe; A to Z.

See - <http://whatreallyhappened.com/WRHARTICLES/ICTS.html>

See - <http://rense.com/general68/dutch.htm>

Taken together, these salient facts paint a convincingly clear picture that Israel and a broader Jewish criminal network actively planned, orchestrated, coordinated, and executed this evil plot from beginning to end like a Jewish theater production. The Mossad had an immense network of well-placed sayanim in the United States that were able to arrange and facilitate this false-flag attack every step of the way. Some have argued that Israel merely had foreknowledge of 9/11 and failed to warn the U.S. government. The facts and information outlined here tell a different story — Israel not only knew when, where and how 9/11 would unfold, they made it happen. The criminal intrigues of Zionism are more nefarious than most people are capable of understanding.

The Myth of Osama bin Laden & the Nineteen Arab Oswalds

Al Qaeda Cave Hideout

What evidence exists that nineteen Islamic fanatics directed by a man in a cave thousands of miles away were involved in 9/11? None. Nada. Zero. Not a shred. When pressed on the issue, even the FBI had to quietly confess that they have no evidence linking Osama bin Laden with 9/11. (Ed Haas, “The FBI admits: No Hard Evidence Connecting Bin Laden to 9/11,” Muckraker Report, July 25, 2009.) Shortly after 9/11, the Taliban offered to hand bin Laden over to the U.S. if the Bush administration would simply provide them with sufficient proof of his guilt.

Bush and his cronies scoffed at the offer and continued dropping bombs on Afghanistan. ("Bush rejects Taliban offer to hand Bin Laden over," The Guardian, Oct. 14 2001.

See -

<http://www.thepeoplesvoice.org/TPV3/Voices.php/2009/07/25/no-hard-evidence-connecting-bin-laden-to-11>

<http://www.guardian.co.uk/world/2001/oct/14/afghanistan.terrorism5>

If, as I contend, 9/11 was an Israeli plot, then who were these 19 men whose pictures and identities were flashed all over our TV screens within a few days of the attacks? ("FBI list of individuals identified as suspected hijackers," CNN, Sept. 14, 2001.) Patsies. Dupes. Fall guys for the Mossad. The Mossad's motto is: "By way of deception thou shalt do war." It is the Mossad's specialty to frame Arabs and Muslims for acts of terror that they commit themselves, just as it is generally the Jewish specialty to frame non-Jews for their own misdeeds or to falsely accuse non-Jews of crimes against Jews that simply never happened, like the so-called holocaust© and the so-called Russian pogroms. As we learned earlier in this text, on 9/11 the Mossad tried to trick the NYPD into thinking Palestinians were going to bomb the Holland tunnel when in reality two Israelis attempted to explode a truck bomb on the George Washington Bridge. We also witnessed the Jewish-owned news media promulgate a fraudulent video clip purporting to show Palestinians celebrating the 9/11 attacks in the West Bank, when five Israelis were actually celebrating the attacks in New Jersey, right across the Hudson river! The brazen pattern of criminal Jewish manipulation of this event does not stop there.

See - <http://edition.cnn.com/2001/US/09/14/fbi.document/>

The nineteen 9/11 "hijackers" have proved to be phantoms and dupes set up to take the blame for a crime they did not commit. (David Ray Griffin, "Was America Attacked by Muslims on 9/11?") This is a standard component of a false flag operation — Lee Harvey Oswald served this function in the JFK assassination conspiracy. How could these 19 men have been working for "Al-Qaeda" when that organization doesn't even exist? ("BBC now admits Al Qaeda never existed," YouTube) The term 'Al-Qaeda' has several translations, one of which is 'the toilet' and the other is 'the base'. It is actually just a reference to the database of Arab and Islamic fighters and mercenaries financed, armed, trained and used by the CIA, the Saudis, the Pakistani ISI and the Mossad to wage an insurgency against the Soviets in the Afghan-Soviet war which lasted nine years from December 1979 to February 1989. (Pierre-Henri Bunel, "Al Qaeda: The Database," Global Research, May 12, 2011.) Osama bin Laden was the CIA's/Mossad's point man in Afghanistan in the 1980s, leading a segment of the Islamic Mujaheddin fighters against the Soviet occupiers. The CIA called this endeavor "operation cyclone," the second largest covert operation in its history. In his book "The Other Side of Deception," former Mossad officer Victor Ostrovsky acknowledged that this operation was under the direct supervision of Mossad. Bin Laden's CIA/Mossad handlers would later turn him into a convenient

scapegoat and scarecrow for international terrorism when it suited their purposes.

A large portion of the American government's case against 'Al-Qaeda' rests on a series of amusingly implausible scenarios and highly dubious "discoveries" by U.S. "investigators." One major claim of the official conspiracy theory that defies all possible logic, and even contradicts basic laws of physics, is the story that several of the alleged Muslim hijackers' passports, and other flimsy items supposedly belonging to them, miraculously managed to survive the violently explosive plane crashes, conveniently falling into the hands of American government officials and used to "prove" their sham version of events.

The Indestructible Passport

According to the New York police commissioner Bernard Kerik, in what can only be described as the most asinine assertion of all time, the passport of Satam Al Suqami (who is claimed to have been one of the hijackers on Flight 11) miraculously survived the crash into the North Tower of the WTC and the

subsequent fireball explosion, escaping the cabin of the plane, falling hundreds of feet to the ground, and was then picked up by some random passerby a few blocks away who turned it in to the NYPD. ("New arrest warrants issued in terrorism probe," CNN, Sept. 17, 2001.) The passport appeared to be in pristine condition — remarkably unburned with no visible damage! It is extremely important to note that on August 26, 2001, NYPD chief Bernard Kerik made a four day trip to Israel to discuss "terrorism" related issues with Israeli security officials. ("Kerik Plans Mission To Israel," NY Daily News, Aug 26, 2001.) In 2007, Kerik was indicted on 16 counts including fraud and conspiracy as well as taking and failing to report a \$250,000 loan from billionaire Israeli tycoon Eitan Wertheimer, who spent time with Kerik on his trip to Israel in August of 2001. ("Kerik Loan Activity Is Brought to Light After Indictment," New York Times, Nov. 24, 2007.) A Jewish marble and stone merchant from Brooklyn named Shimon Cohen was the intermediary for the loan transaction. Interestingly, the Wertheimer family's vast holdings include companies that have contracts with the United States Department of Defense. (Ibid.) It is more than likely that this Jewish loan shark, Eitan Wertheimer, was Kerik's handler and his trip to Israel shortly before 9/11 was where he received his instructions.

http://www.nydailynews.com/archives/news/2001/08/26/2001-08-26_kerik_plans_mission_to_israel.html
<http://www.nytimes.com/2007/11/24/nyregion/24kerik.html>

The official narrative gets even more ridiculous. According to the official story, Flight 93 is said to have crashed in a field in Shanksville, Pennsylvania, after the passengers stormed the 'Al-Qaeda' hijackers in the cockpit, bringing the plane down in an act of heroism. Many researchers have pointed out the complete lack of any recognizable debris in and around the cartoon cut-out impact crater that was present in that field in Shanksville which is said to have been caused by the plane crash. The official propagandists have attempted to explain away this discrepancy like this:

"United Airlines Flight 93 slammed into the earth Sept. 11 near Shanksville, Somerset County, at more than 500 mph, with a ferocity that disintegrated metal, bone and flesh. It took more than three months to identify the remains of the 40 passengers and crew, and, by process of elimination, the four hijackers."(Pittsburgh Post Gazette, Dec. 30, 2001.)

Other defenders of the official story have postulated that Flight 93 crashed so horribly that the entirety of it was buried dozens of feet underground, leaving absolutely no visible debris on the surface. These explanations are simply not believable and are quite preposterous. Every other major plane crash site in history left a highly visible trail of wreckage. The Flight 93 debris field covered between five and eight square miles, which is more consistent with a mid-air explosion or a shoot-down rather than an ordinary crash. ("Flight 93 Crash Site," 911 Research WTC-7 Website) Moreover, satellite images of the same field

where Flight 93 is alleged to have crashed taken by the U.S.G.S (United States Geological Survey) in 1994 undeniably proves that the crater which authorities claim was caused by the impact of Flight 93 was already present in that field for years before 9/11 happened — although it appears to have been slightly modified for 9/11. (Chris Bollyn, “The Shanksville Deception of 9-11,” Bollyn Website, Feb. 4, 2010.)

See - <http://911research.wtc7.net/planes/attack/flight93site.html>

See - <http://www.bollyn.com/the-shanksville-deception-of-9-11-2/>

What totally undermines these feeble attempts at writing off the lack of plane debris in and around that phony crater is that the FBI also claims to have recovered from the wreckage of Flight 93 the passport of alleged hijacker Ziad Jarrah, the passport of alleged hijacker Saeed Al Ghamdi, an Islamic “martyrdom note,” as well as a red bandana, which authorities claim the hijackers were wearing. Three of the items were not burned or damaged in any way, and luckily most of the face is visible on the indestructible passport of Ziad Jarrah. See picture, right inset) So we are being asked to believe that three paper documents and a piece of cloth material magically survived the same impact that steel-titanium jet engines could not. These items are an obvious fabrication of the government to prop up the “Arab hijackers” fable.

This fairy tale actually gets better. The official story says that Mohammed Atta was the ringleader of the 9/11 attackers and precision piloted Flight 11 into the North Tower of the WTC. The official story also ludicrously asserts that Atta brought luggage with him on his suicide flight containing these items: a Boeing 757 training video, a flight data recorder, a Quran, a switch blade, pepper spray, and a written letter containing his last will with instructions to the other ‘Muslim hijackers,’ including their names. What’s more incredible is that Atta’s luggage, the official story attests, did not get loaded onto the plane and fell right into the hands of the FBI! (“Koran and plane video found in flight bag,” The Telegraph, Sept. 12, 2001.) Indeed, a former FBI agent says that Atta’s bag, and the bizarrely incriminating items found within it, literally “made their case” against ‘Al-Qaeda’:

See - <http://www.telegraph.co.uk/news/1340285/Koran-and-plane-video-found-in-flight-bag.html>

“A former FBI agent and a former federal prosecutor who helped direct the New England investigation of the Sept. 11 attacks told Newsday that one bag found in Boston contained far more than what the commission report cited, including the names of the hijackers, their assignments and their al-Qaida connections.

“It had all these Arab-language papers that amounted to the Rosetta stone of the investigation,” former FBI agent Warren Flagg said. The former federal prosecutor, who declined to be identified publicly, supported Flagg’s account.

“How do you think the government was able to identify all 19 hijackers almost immediately after the attacks?”

ATTA

Flagg asked. ‘They were identified through those papers in the luggage. And that’s how it was known so soon that al-Qaida was behind the hijackings.’” (Michael Dorman, “An untold story of 9/11,” Newsday, April 17, 2006.)

Sounding like a script of a bad Hollywood action film, these nonsensical claims raise a few logical questions. Firstly, why would these ‘Muslim hijackers’ bring passports on domestic flights when they are not needed? Secondly, why would Atta pack luggage for a suicide mission where it is just going to get destroyed in the crash anyway? More importantly, why fill this bag with a plethora of highly incriminating material that would surely get one detained at the security check-in, needlessly jeopardizing

the entire mission!? And these people are supposed to have been geniuses who outsmarted the most sophisticated military-defense system in the history of the world!? When you take a close look at the alleged hijackers and the circumstances surrounding their movements and activities in the United States prior to the attacks, this fable begins to fall apart at the seams. There is no shortage of illogical fallacies which shatter the myth of the 19 Arab Oswalds. If you are not already convinced that the official story concerning 9/11’s “Muslim hijackers” is a bogus fairy tale, then you will be soon enough.

The official story also contends that the day before 9/11 Mohammed Atta and Abdul Alomari drove to Portland, Maine, stayed overnight, and then caught a connecting flight back to Boston the next morning, allegedly boarding and then hijacking Flight 11 at Boston’s Logan Airport. What would be the point of this unnecessary and needlessly risky trip to Portland? The only known airport security video in which Atta appears to be boarding a flight is from Portland, not Boston. (“Mohamed Atta: Terrorist, Patsy, or Scapegoat?,” What Really Happened) These brilliant ‘terrorists’ obligingly left numerous clues behind to incriminate themselves, such as Arabic language flight training manuals that are said to have been discovered in a rented white Mitsubishi Mirage found at Boston’s Logan Airport on the evening of 9/11. (Naftali Bendavid, “Officials scour U.S. for clues,” The Baltimore Sun, Sept. 13, 2001.) Agents allegedly found a 1989 Pontiac Grand Prix at Logan Airport in Boston as well, which purportedly belonged to Atta. (Ibid.) How can this be if Atta drove to Portland with Alomari the night before 9/11 and took a connecting flight back to Boston in the morning? That would require two cars. Why would Atta leave a car containing incriminating

evidence at Boston's Logan Airport, rent a second car in Boston to drive to Portland, and then fly back to Boston again? The incompetent authors of this farcical script obviously did not think things through. They were counting on the ignorance of the American public when they conceived this hoax knowing that most people are too lazy and apathetic to think critically about these things or even take the time to analyze these critical details.

See - http://whatreallyhappened.com/WRHARTICLES/atta_9-11.html
<http://www.baltimoresun.com/business/chi-0109130373sep13,0,7542110.story?page=2>

<http://www.newsday.com/news/nationworld/nation/nyuslugg0417,0,3743892.story?coll=ny-homepage-bigpix2005>

The abandoned rental cars containing Arabic flight manuals, Atta's magical luggage and the indestructible passports of several of these 9/11 patsies are obvious concoctions of the Mossad and its Zionist helpers in the FBI. All of these illogical oddities, irrational absurdities and fictitious fabrications unveil an incompetent storyline authored by beguiling Zionist scriptwriters. We have also been led to believe that these alleged hijackers were devout Muslims motivated by an extreme interpretation of their religion. However, the activities of these individuals in the year leading up to 9/11 contradict that assertion. The San Francisco Chronicle reported that Atta and other alleged hijackers had made at least six trips to Las Vegas where they had "engaged in some decidedly un-Islamic sampling of prohibited pleasures," including heavy drinking, cavorting with lap dancers, and bringing call girls to their rooms. (Kevin Fagan, "Agents of terror leave their mark on Sin City," San Francisco Chronicle, Oct. 4 2001.) The night before 9/11, three men were witnessed in a bar making loud anti-American statements and spoke of impending bloodshed, according to John Kap, the manager of the Pink Pony and Red Eyed Jack's Sports Bar in Daytona Beach. The unidentified men conveniently left a Quran behind at the bar!

("Manager: Men spewed anti-American sentiments," USA Today, Sept. 14, 2001.)

See - <http://liveweb.archive.org/http://www.sfgate.com/news/article/Agents-of-terror-leave-their-mark-on-Sin-City-2873407.php>

See - <http://www.usatoday.com/news/nation/2001/09/14/miami-club.htm>

The real Mohammed Atta was indeed a very religious man. This was confirmed by Dittmar Machule, Mohammed Atta's thesis advisor in Hamburg, who described him as "**a very nice young man: polite, very religious and with a highly developed critical faculty.**" (Joel Achenbach, "You Never Imagine' A Hijacker Next Door," The Washington Post, Sept. 16 2001.) This description of him is vastly at odds with the personality of the "Mohammed Atta" living and going to flight school in Florida, according to the testimony of his former girlfriend Amanda Keller, an American stripper and lingerie model. According to Keller's testimony, the Florida Atta "**loved to party... He was out with Keller nearly**

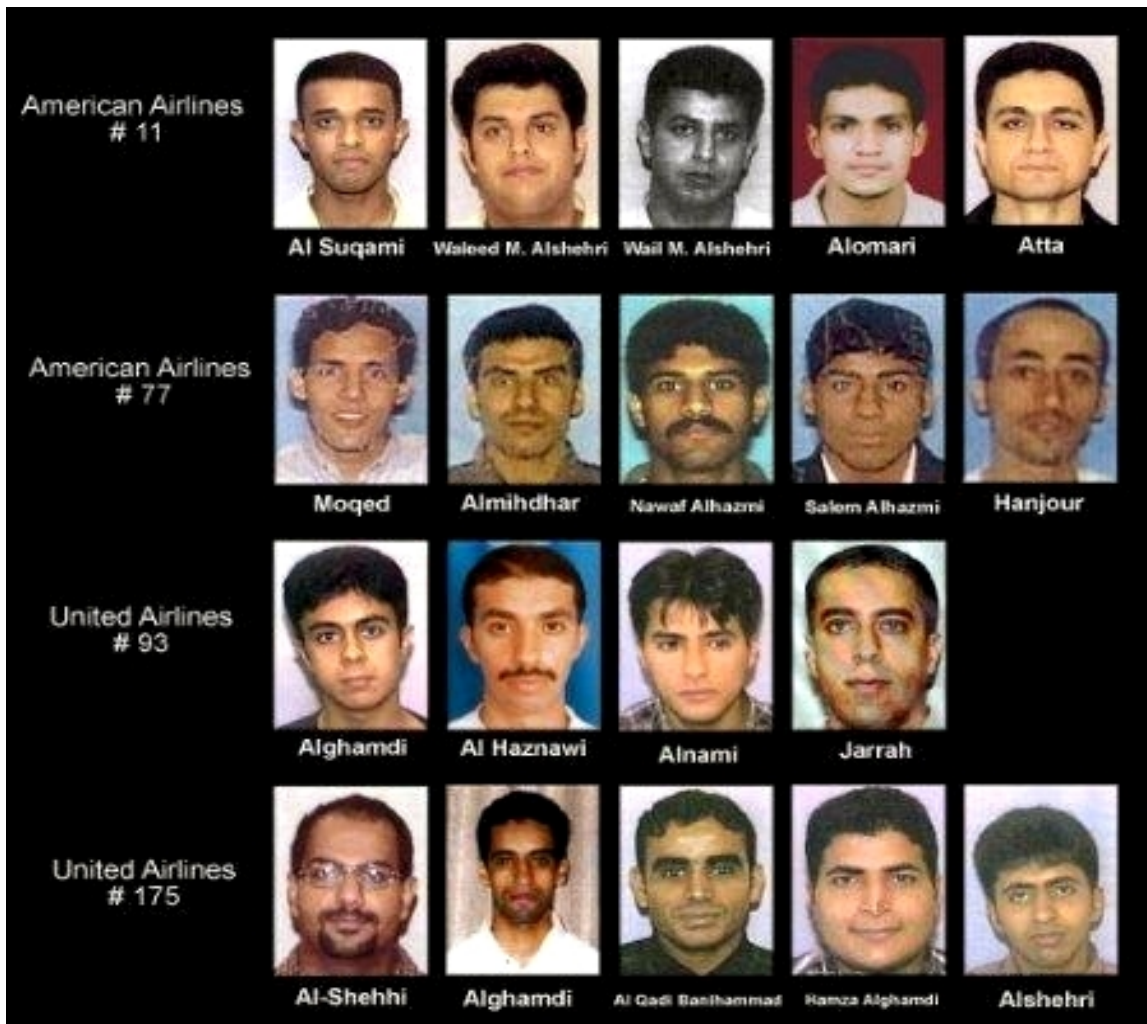

every night they were together... He was a heavy drinker, snorted coke, was a stylish dresser and wore expensive jewelry.” (“Mohamed Atta loved pork chops, and 49 other things you may not know,” Democratic Underground, April 18, 2004.) Keller also said that Atta, or the person claiming to be him, loved porkchops, spoke fluent Hebrew and associated with people connected to the Mafia. Moreover, six nights before the attack, at a bar called Shuckums in Ft Lauderdale, Atta and two companions got “wasted” and then Atta blasphemed, yelling “Fuck God(!)” out loud, according to Tony Amos and bartender Patricia Idrissi. All of this is documented in a book called “Welcome to Terrorland” by Daniel Hopsicker. The outrageous activities of these “devout Muslims” are not consistent with religious fanatics about to perform a martyrdom operation but are consistent with Israeli imposters mixing business with pleasure. Sophisticated terrorists certainly wouldn’t leave a mile-wide trail of evidence behind them for the FBI to follow, almost as if they wanted to get caught. On the other hand, Israeli Mossad assets trying to establish a ‘legend’, a back-story, which could then be played up by the Jewish-owned media to implicate Muslims for 9/11, certainly would have engaged in this type of attention-seeking behavior to fulfill their ‘role’ impersonating the 19 Arab Oswalds.

The 9/11 Patsies

Within a few weeks of the attack reports surfaced showing that several of the named 9/11 terrorists were actually alive and well in the Middle East, apparent victims of identity theft! ("Hijack 'suspects' alive and well," BBC News, Sept. 23, 2001 / "At Least 7 of the 9/11 Hijackers are Still Alive," What Really Happened) Among those found alive were: Abdul Aziz al-Omari, Salem al-Hamzi, Saeed al-Ghamdi, Ahmed al-Nami, Wail al-Shehri, Waleed M. al-Shehri, and Mohand al-Shehri. ("MANY 9-11 "HIJACKERS" ARE STILL ALIVE." Guardian 150m Website) Abdul Aziz al-Omari told reporters he was an engineer who had no clue how to fly a plane and that "his passport was stolen when his apartment in Denver, Colorado, was burgled in 1995." (David Harrison, "Revealed: the men with stolen identities," UK Telegraph, Sept. 23, 2001.) The picture used on the FBI suspects' list for Abdul Aziz al-Omari was that of another person, also alive, named Abdul Rahman al-Omari, a Saudi Airlines pilot who went to the U.S. embassy in Jeddah demanding to know why he was being declared a dead terrorist. (Robert Fisk, "'Suicide hijacker' is an airline pilot alive and well in

Jeddah,” The Independent, Sept. 17, 2001.)

See - http://news.independent.co.uk/world/middle_east/story.jsp?story=94438

In 1999, while living in Germany, Mohammed Atta and two of his alleged accomplices reported their passports had been stolen. (“Investigating Terror People: Mohammad Atta,” BBC News) Ziad Jarrah, who is alleged to have been the lead hijacker on Flight 93, was not religiously or politically inclined, according to his Lebanese family and his German flight school roommate Thorsten Biermann. In a stunning revelation, the New York Times reported that Ziad Jarrah’s Lebanese Muslim cousin, Ali al-Jarrah, was a paid spy for Israel, serving the Mossad for more than two decades! Under the cover of a supporter of the Palestinian cause, Ali al-Jarrah was conducting spying operations for Israel against Palestinian groups and the Lebanese resistance movement Hezbollah. (Robert F. Worth, “Lebanese in Shock Over Arrest of an Accused Spy,” New York Times, Feb. 18, 2009.) Commenting on this intriguing discovery, journalist Michael Collins Piper opined:

See -

http://news.bbc.co.uk/hi/english/static/in_depth/world/2001/war_on_terror/investigation_on_terror/people_2.stm

See - <http://www.nytimes.com/2009/02/19/world/middleeast/19lebanon.html>

“The gratuitous Times suggestion that the two cousins “do not appear to have known each other well” is intriguing, inasmuch as it is an admission that they did, in fact, know one another. And that could be very telling, for there are those who are now suggesting that the older cousin may indeed have recruited his younger cousin as an asset for Israeli intelligence.” (“Mossad Link Found to One of Key 9-11 Hijackers,” American Free Press, March 2009.)

See - http://www.americanfreepress.net/html/mossad_link_found_169.html

Jarrah #1

Jarrah #2

Jarrah #3

In February of 2000, Jarrah lost his passport while waiting for a visa to go to the U.S. Furthermore, it has been established that the photograph which appears on Ziad Jarrah's passport that was allegedly recovered from the wreckage of Flight 93 is not the real Jarrah. ("Photographic Evidence Showing Ziad Jarrah Was Not a 9/11 Hijacker," What Really Happened) In an investigative article titled "The Two Jarrahs," which can be viewed on the 'From The Wilderness' website, Paul Thompson conclusively demonstrates that there were two "Ziad Jarrahs". While many of the details are sketchy, Thompson shows that there was another person named Ziah Jarrah living in the United States prior to the Lebanese Jarrah ever arriving in the country. In 1995, writes Thompson, **"a person named Ziad Jarrah rented an apartment in a three-family house on East Third Street in Brooklyn, New York. ... Landlords there identified his photograph as being the same as that of the 9/11 hijacker."** The Jarrah accused of participating in 9/11 didn't arrive in the U.S. until June of 2000. Confirmation of the existence of this second, identical-looking Jarrah came on January 30, 2001, when a man named Ziad Jarrah was questioned for several hours at the Dubai International Airport in the United Arab Emirates at the behest of the CIA who suspected he was involved in terrorist activities. During questioning, this Jarrah acknowledged having spent the previous two months in Pakistan and Afghanistan. ("September 11 hijacker questioned in January 2001," CNN, Aug. 1, 2002.) The problem with this story is that the real Ziad Jarrah was somewhere else at the time, a Florida Flight Training facility where he had been studying for the previous six months. Paul Thompson observed that,

See - <http://whatreallyhappened.com/WRHARTICLES/jarrah.html>

See - <http://www.fromthewilderness.com/timeline/AAjarrah.html>

See - <http://archives.cnn.com/2002/US/08/01/cia.hijacker/index.html>

"These two examples are just the most glaring clues of many that someone was posing as Ziad Jarrah for years. The story of Jarrah in New York in 1995 is truly amazing, because that would have happened presumably before the 9/11 plot was even conceived, and before Mohamed Atta or most

of the other 9/11 terrorists even joined al-Qaeda. Additionally, it was before Jarrah had moved to Germany so he couldn't possibly have had come into contact with any al-Qaeda operatives yet. Yet, not only is there another Ziad Jarrah, but two looked similar enough for people in Brooklyn to confuse the two."

A plausible conclusion that can be drawn from this information is that the Ziad Jarrah who was accused of hijacking United Airlines Flight 93 was framed by a doppelganger with a similar appearance. Mossad is known for such elaborate schemes. Ziad Jarrah was not the only one that was the victim of a frame-up. Initially a sloppy attempt was made to frame two Arab brothers, Adnan and Ameer Bukhari. Their names were tied to a silver-blue Nissan Ultima found in Portland, Maine. Investigators initially listed the brothers as hijackers who boarded Flight 11. Authorities even said that Adnan's name appeared on the passenger manifest of Flight 11. ("Saudi flight engineer no longer part of investigation," Associated Press, Sept. 14, 2001.) The information found in the rental car led authorities to a house in Vero Beach, Florida, that had allegedly been rented by these two brothers. Inside it were two pilot's certificates in the names of Adnan Bukhari and his brother, Ameer Abbas Bukhari. ("Evidence trails lead to Florida," BBC News, Sept. 13, 2001.) This ridiculous sham completely fell apart when it surfaced that Adnan Bukhari was still alive and his brother Ameer had died in a small plane crash a year earlier! ("Feds think they've identified some hijackers," CNN, Sept. 13, 2001.) In 2002 British intelligence reported that the so-called Al-Qaeda cells blamed for the 9/11 attacks had been controlled and directed by Israeli Mossad agents posing as Islamic radicals. This revelation was uncovered by Wayne Madsen who wrote:

See - http://whatreallyhappened.com/WRHARTICLES/bukhari_914.html

See - <http://news.bbc.co.uk/2/hi/americas/1542153.stm>

See - <http://edition.cnn.com/2001/US/09/12/investigation.terrorism/>

"British intelligence reported in February 2002 that the Israeli Mossad ran the Arab hijacker cells that were later blamed by the U.S. government's 9/11 Commission for carrying out the aerial attacks on the World Trade Center and Pentagon. WMR has received details of the British intelligence report which was suppressed by the government of then-Prime Minister Tony Blair.

A Mossad unit consisting of six Egyptian and Yemeni-born Jews infiltrated "Al Qaeda" cells in Hamburg (the Atta-Mamoun Darkanzali cell), south Florida, and Sharjah in the United Arab Emirates in the months before 9/11. The Mossad not only infiltrated cells but began to run them and give them specific orders that would eventually culminate in their being on board four regularly-scheduled flights originating in Boston, Washington Dulles, and Newark, New Jersey on 9/11.

The Mossad infiltration team comprised six Israelis, comprising two cells of

three agents, who all received special training at a Mossad base in the Negev Desert in their future control and handling of the “Al Qaeda” cells. One Mossad cell traveled to Amsterdam where they submitted to the operational control of the Mossad’s Europe Station, which operates from the El Al complex at Schiphol International Airport. The three-man Mossad unit then traveled to Hamburg where it made contact with Mohammed Atta, who believed they were sent by Osama Bin Laden. In fact, they were sent by Ephraim Halevy, the chief of Mossad.

The two Mossad teams sent regular coded reports on the progress of the 9/11 operation to Tel Aviv via the Israeli embassy in Washington, DC. WMR has learned from a Pentagon source that leading Americans tied to the media effort to pin 9/11 on Arab hijackers, Osama Bin Laden, and the Taliban were present in the Israeli embassy on September 10, 2001, to coordinate their media blitz for the subsequent days and weeks following the attacks. It is more than likely that FBI counter-intelligence agents who conduct surveillance of the Israeli embassy have proof on the presence of the Americans present at the embassy on September 10. Some of the Americans are well-known to U.S. cable news television audiences.

In mid-August, the Mossad team running the Hamburg cell in Boston reported to Tel Aviv that the final plans for 9/11 were set. The Florida-based Mossad cell reported that the documented “presence” of the Arab cell members at Florida flight schools had been established. [...]

WMR previously reported that the Mossad cell operating in the Jersey City-Weehawken area of New Jersey through Urban Moving Systems was suspected by some in the FBI and CIA of being involved in moving explosives into the World Trade Center as well as staging “false flag” demonstrations at least two locations in north Jersey: Liberty State Park and an apartment complex in Jersey City as the first plane hit the World Trade Center’s North Tower. One team of Urban Moving Systems Mossad agents was arrested later on September 11 and jailed for five months at the Metropolitan Detention Center in Brooklyn. Some of their names turned up in a joint CIA-FBI database as known Mossad agents, along with the owner of Urban Moving Systems, Dominik Suter, whose name also appeared on a “Law Enforcement Sensitive” FBI 9/11 suspects list, along with the names of key “hijackers,” including Mohammed Atta and Hani Hanjour, as well as the so-called “20th hijacker,” Zacarias Moussaoui.” (“British Intelligence Reports Mossad Ran 9/11 “Arab” Hijacker Terrorist Operation,” Wayne Madsen Report, Jan. 27, 2011.)

See - <http://www.opinion-maker.org/2011/01/british-intelligence-reports/>

Madsen’s report dovetails nicely with two other important facts. The hundreds of detained Israeli spies fronting as “art students” had been following and living “within hundreds of yards” of the Arab patsies who were later blamed for 9/11.

Keith Phucas, writing for The Times Herald, reported:

“A memorandum sent to the 9/11 Commission, and Senate and House intelligence committees in September 2004, suggests that young Israelis who canvassed dozens of U.S. Drug Enforcement Administration (DEA) offices in 2000 and 2001 trying to sell paintings to federal workers, may have been spying not only on the DEA, but also on Arab extremists in the United States – including the Sept. 11 hijackers who were living in Florida and New Jersey. The Israeli “art student” story, which first surfaced in 2001 in news reports, has yet to be explained by U.S. authorities. Curiously, the 9/11 Commission did not venture to connect the myriad of dots to solve the mystery. [...]

In 2001, a Fox News report by Carl Cameron laid out the Israeli spy scenario, however, the story was short-lived, and Shea was told by a representative at the news organization that there was outside pressure to kill the story. Several publications, including The Forward, Insight and the French newspaper, Le Monde, picked up the story in 2002. All indicated there was extreme reluctance by U.S. officials – and practically anyone else – to discuss the matter publicly. [...]

One of the memorandum’s most fascinating revelations puts the Israelis and would-be 9/11 hijackers in close proximity geographically in the months prior to the terrorist attacks in Florida, Oklahoma and New Jersey. As the DEA was compiling its report in June 2001, 15 of the 19 plotters of the Sept. 11 attacks were living in the Hollywood, Fla., area, according to Shea’s research, and more than 30 of the young Israelis also lived in the same area during this time period.

According to the memorandum, some of the Israelis and hijackers in Florida lived “within hundreds of yards” of each other. Besides Hollywood, the Israelis and hijacker lived within about five miles of one another in other southern Florida towns, including Coral Springs, Plantation, Fort Lauderdale, Miami and Coral Gables.” (“Sept. 11 riddles remain,” The Times Herald, Aug. 08, 2005.)[/i][b]

Jack Abramoff

These two reports paint a clear picture of Israeli malfeasance. The Israelis, impersonating Muslim radicals, were creating a legend that was utilized by their kinsmen in the media and their stooges in the American government to propagate the 'Al-Qaeda' narrative. The second meaningful connection to all of this that must be noted is the foul intrigues of the corrupt Washington lobbyist Jack Abramoff. Abramoff is an Orthodox Jew and an avid reader of the Talmud. He has been described as **“a fierce supporter of Israel — “a super-Zionist,”** one associate says.” (Michael Isikoff, “Fund-Raising: Take It to the (West) Bank,” Newsweek, May 2, 2006.) In his career as a professional lobbyist, Abramoff was neck-deep in, as writer Justin Raimondo opined, **“Payoffs, phony non-profit foundations, and other criminal activities up to and including murder.”** (“Abramoff and the Israeli Connection,” Anti War, Jan. 12, 2006.) Using a phony charity called the Capital Athletic Fund, Abramoff funneled fraudulently obtained funds from Indian tribes to subsidize the murderous activities of fanatical land-grabbing Jews in the West Bank such as a paramilitary outfit based in the ultra-Orthodox settlement of Beitar Illit. (Ibid.) Michael Isikoff, reporting on Abramoff’s illegal fundraising activities on behalf of Jewish colonizers in Zionist-occupied Palestine, noted:

See also - http://en.wikipedia.org/wiki/Jack_Abramoff#Early_life

See also - <http://msnbc.msn.com/id/7615249/site/newsweek/>

<http://original.antiwar.com/justin/2006/01/11/abramoff-and-the-israeli-connection/>

“More than \$140,000 of foundation funds were actually sent to the Israeli West Bank where they were used by a Jewish settler to mobilize against the Palestinian uprising. Among the expenditures: purchases of camouflage suits, sniper scopes, night-vision binoculars, a thermal imager, and other material described in foundation records as ‘security’ equipment.” (“Fund-Raising: Take It to the (West) Bank,” Newsweek, May 2, 2006.)

See - <http://msnbc.msn.com/id/7615249/site/newsweek/>

Abramoff’s ferocious Zionist fanaticism and Jewish supremacism came to the fore in an email exchange with a Zionist settler in the West Bank that was leaked to the public in which he refers to Palestinians as “dirty rats.” (“Speech at the Russell Senate Office Building: US Charitable Contributions, Illegal Settlements, and Suicide Terrorism,” Institute for Research and Middle East Policy, Nov. 25, 2005.) Reporting on Abramoff’s extensive ties to the Jewish-Zionist world, the Jewish Telegraphic Agency admitted:

See - <http://www.irmep.org/11212005.htm>

“While Abramoff has been portrayed as a man willing to do nearly anything to further his political goals and wallet, he also has been an idiosyncratic player in the Jewish community of the nation’s capital, starting several short-lived, money-losing ventures to fill religious gaps he saw in the city’s Jewish world. He also used his largess to further Israeli businesses and charities that appealed to his conservative worldview. Specifically, Abramoff is accused of using money from a Washington charity he oversaw to fund military-type programs in the West Bank. Indian tribes donated money to tax-exempt charities, believing they were supporting anti-gambling foundations, but the money was redirected to help a “sniper school” in the West Bank, operated by a friend of Abramoff. According to congressional documents, Abramoff sought night-vision goggles and a vehicle for the sniper-training facility.” (“Abramoff’s Jewish ties in spotlight,” Jewish Telegraphic Agency, Jan. 09, 2006.)

See - <http://www.jta.org/news/article/2006/01/09/13589/AsAbramoffcasepla>

In 2006 Abramoff and his criminal cohort Adam Kidan were convicted of multiple counts of fraud, corruption, conspiracy, and tax evasion and each sentenced to 70 months in Federal prison, but Abramoff’s lawyers lobbied authorities to **“place their client in a low-security prison with special facilities for observant Jews.”** (Philip Shenon, “Abramoff Sentenced to Nearly 6 Years in Prison in Fraud Case,” New York Times, Mar. 29, 2006.) Abramoff only served 43 months of his sentence before being released on December 3, 2010. Abramoff had a certain suspicious connection to the 9/11 patsies discussed at length in this section. SunCruz Casinos was a company fraudulently acquired by Abramoff and Kidan from “Gus” Boulis who was later gunned down Mafia-style in his car on February 6, 2001. (“More Guilty Pleas From Abramoff,” CBS News, May 3, 2010.) Several of the Arab patsies who were blamed for 9/11 reportedly boarded

one of Abramoff's SunCruz gambling boats in a still-unexplained visit on September 5th of 2001. ("SunCruz Casinos turns over documents in terrorist probe," Associated Press, Sept. 26, 2001 / Daniel Hopsicker, "The Secret World of Jack Abramoff: Terrorists, Torpedos and Republican 'Muscle'," Mad Cow Morning News, June 21, 2005.) What possible thrill could gambling offer men getting ready to die in less than a week? And why would "fanatical Muslims" whose religion harshly condemns gambling as immoral be doing on a casino boat owned by a Zionist Jew? The Take Our World Back website, in its extensive report entitled "9/11 For Reality Deniers," posited the following plausible scenario regarding this incident:

See - http://www.nytimes.com/2006/03/29/politics/29cnd-abramoff.html?_r=1&hp&ex=1143694800&en=bc6e43c91aa81864&ei=5094&partner=homepage

See - <http://www.madcowprod.com/06202005.html>

<http://www.takeourworldback.com/911realitydeniers.htm#AuthorizedMovers>

"Some of the alleged "9/11 hijackers" were reportedly seen on a SunCruz gambling boat shortly before 9/11. Any Arab patsies whom the 9/11 perpetrators needed to eliminate could have been lured into an ambush with the promise of "something special" such as a poker game where the patsies would be told they could "make a killing"."

We have seen that most of these Arab patsies had reported that their passports had been lost or stolen in the years preceding the attack on 9/11. Stealing and forging passports to use on covert missions is a classic Mossad technique. Spy expert Gordon Thomas revealed that the Mossad **“have a unit, a special team, who are trained in lifting passports.”** (“Gordon Thomas, Mossad expert, on Dubaigate,” Euro News, Mar. 15, 2010.) In his book “By Way of Deception,” Victor Ostrovsky revealed that the Mossad has a factory in the illegal settlement of Petah Tikva dedicated specifically to producing fake passports for its spies and operatives. Back in 1997, Israel was forced to apologize to Canada after **“two Mossad agents, using fake Canadian passports, failed in a bid to assassinate the Hamas leader Khalid Meshal in Amman, the Jordanian capital.”** (Fred Lingel, “Israeli Agents Arrested in Plot To Forge Passports,” American Free Press, July 23, 2004.) In 2004, two reckless Mossad agents named Uriel Kelman and Eli Cara were convicted and jailed for six months for fraudulently attempting to obtain a New Zealand passport in the name of a tetraplegic man in order to create a false identity for another Mossad agent named Zev Barkan. (“Mossad spies’ jailed over New Zealand passport fraud,” The Guardian, July 16, 2004.) In 2010, a cadre of bloodthirsty Mossad assassins used dozens of false EU passports to travel to Dubai in order to kill Hamas commander Mahmoud al-Mabhouh. (“Arrest head of Mossad, Dubai police chief says,” The Telegraph, Feb. 18, 2010.) It should now be rather obvious to the reader what is really going on here.

See - <http://www.youtube.com/watch?v=M2V5k8rD2FI>

See - http://www.americanfreepress.net/html/israeli_agents.html

See - <http://www.guardian.co.uk/world/2004/jul/16/israel>

<http://www.telegraph.co.uk/news/worldnews/middleeast/dubai/7265392/Miliband-use-of-fake-British-passports-in-Dubai-hit-is-an-outrage.html>

All of these facts, occurrences and circumstances are consistent with, and highly indicative of, a typical Mossad false flag provocation. That was the conclusion of Mohammed Atta’s own father, Muhammad Al Amir Atta, a semi-retired lawyer who lives in Cairo, Egypt. In a press conference shortly after the attacks, Atta’s father said that he spoke with his son on September 12th, the day after 9/11, and had a “normal conversation” with him. When asked about his son’s alleged involvement in the 9/11 attacks, the elder Atta frankly stated: **“Mossad and Israel are who benefits the most from this... They want to try to hang this on the Arab world. When America learns that Mossad did it, they won’t be able to say anything.”** (Ashraf Khalil, “Muhammad Atta Sr. is in the center of the media storm,” Cairo Times, Volume 5, Issue 29, 27 Sept. – 3 Oct., 2001.) Based on all of these incredible facts and observations we can confidently surmise that Mohammed Atta, Ziad Jarrah, and by extension their seventeen alleged Arab-Muslim co-conspirators, are innocent victims of a Mossad conspiracy to set them up as patsies to take the fall for 9/11.

See - <http://whatreallyhappened.com/WRHARTICLES/atta.html>

A significant part of the U.S. government's version of events also rests on the comical "confessions" of the alleged masterminds of the atrocity — Khalid Sheikh Mohammed (KSM) and Osama bin Laden (OBL). It has been widely acknowledged that all of the information and claims of responsibility that came from KSM were extracted through torture and are thus completely useless and unreliable. (Richard Esposito, "How the CIA Broke the 9/11 Attacks Mastermind," ABC News, Sept. 13, 2007 / "CIA water-boarded al-Qaida suspects 266 times," The Guardian, April 20, 2009.) The New York Times reported that, See - <http://abcnews.go.com/blogs/headlines/2007/09/how-the-cia-bro/>
See- <http://www.guardian.co.uk/world/2009/apr/20/waterboarding-alqaida-khalid-sheikh-mohammed>

"C.I.A. officers used water-boarding at least 83 times in August 2002 against Abu Zubaydah, according to a 2005 Justice Department legal memorandum. Abu Zubaydah has been described as a Qaeda operative. ...The 2005 memo also says that the C.I.A. used water-boarding 183 times in March 2003 against Khalid Shaikh Mohammed, the self-described planner of the Sept. 11, 2001, terrorist attacks." (Scott Shane, "Water-boarding Used 266 Times on 2 Suspects," New York Times, April 19, 2009.)
See - http://www.nytimes.com/2009/04/20/world/20detain.html?_r=2&hp

KSM's statements while under CIA captivity in Guantanamo Bay prison were almost as outlandish as those that emerged from the mouths of Jews at the Nuremberg trials, and subsequent 'holocaust' show trials and kangaroo courts, following the Jewish-engineered Second World War. See: "SHORT LIST OF HOAXOCO\$T ABSURDITIES," The Website of Carlos Whitlock Porter) KSM's "confessions" were such an obvious farce that even former U.S. intelligence officers were openly doubting the credibility of his torture-induced claims of

responsibility. ("March 15-23, 2007 and Shortly After: Media and Terrorism Analysts Respond to KSM Confession with Scepticism," History Commons) On top of that, there is the issue of the dubious "Bin Laden confession tape" which was touted by Zionist media pundits and American government officials as the ultimate proof of bin Laden's and Al-Qaeda's presumed guilt. ("Tape 'proves Bin Laden's guilt'," BBC News, Dec. 14, 2001.) The tape was magically "discovered" in an abandoned house in Jalalabad, Afghanistan, by U.S. intelligence officials in December 2001, according to the official story. This 'fortunate find' doesn't pass the smell test. The likelihood of finding such a small tape in a large city with a lot of buildings is astronomically. Were squads of video watchers sent in to view every tape found just in case one showed Osama confessing? Top Bush administration officials have actually asserted that since bin Laden allegedly "confessed" to planning 9/11 on this tape they don't have to prove his involvement in the attacks with tangible evidence. How convenient! U.S. Senator Ron Wyden, a Jew, revealed a distinct Zionist motivation behind the release of the video, stating that he'd hoped it would **"remove suspicions in countries such as Pakistan that the 11 September attacks were an Israeli plot aimed at drawing the US into a war with Islamic countries."** And that was the purpose it ultimately served.

See - <http://www.cwporter.com/absurdities.htm>

<http://www.historycommons.org/context.jsp?item=a031507ksmconfessionmedia#a031507ksmconfessionmedia>

See - http://news.bbc.co.uk/2/hi/south_asia/1708091.stm

The 'confession tape' is of very poor audio and visual quality, and the words being spoken by those seen on screen are barely audible. The authenticity of the tape has been seriously questioned by video experts. ("The Fake 2001 bin Laden Video Tape," What Really Happened) In fact, a German television program investigated the matter and determined that the translation of the tape provided by the Pentagon was false. The show consulted two independent translators and an expert on oriental studies who analyzed the tape and found that the White House's translation was not merely inaccurate but manipulative. (Craig Morris, "Mistranslated Osama bin Laden Video – the German Press Investigates," Dec. 30, 2001.) One of the translators, Arabist Dr. Abdel El M. Hussein, stated: **"I have carefully examined the Pentagon's translation. This translation is very problematic. At the most important places where it is held to prove the guilt of Bin Laden, it is not identical with the Arabic."** Gernot Rotter, a professor of Islamic and Arabic Studies at the Asia-Africa Institute at the University of Hamburg, explained: **"The American translators who listened to the tapes and transcribed them apparently wrote a lot of things in that they wanted to hear but that cannot be heard on the tape no matter how many times you listen to it."** I previously quoted from an interview conducted by the Pakistani daily Ummat with OBL that was published in Karachi a few weeks after the attacks in which he vehemently denies being behind 9/11, stating that people should investigate Israel and Zionism to trace the authorship of this crime as they were the only beneficiaries of such an event. Why would he initially deny

involvement only to go on to take credit for it a few months later? If bin Laden was truly responsible for 9/11 he would have immediately and proudly acknowledged that fact.

See - <http://whatreallyhappened.com/WRHARTICLES/osamatape.html>
http://www.fpp.co.uk/online/02/01/Laden/tapes9_Monitor.html

Since 9/11 we have been inundated with a barrage of poor quality video and audio tapes purporting to be messages from Osama bin Laden, none of which have been authenticated or proven legitimate in the slightest degree. All of these were released at the most opportune times for the Bush administration. For example, in 2004, during Bush's campaign for re-election, another OBL video surfaced at a time when Bush seemed to be falling in the polls. ("The Fake 2004 Bin Laden Video Tape," What Really Happened) After the video was continuously aired and re-aired on all the mass media outlets Bush's approval rating quickly rose above that of his opponent John Kerry, leading to his re-election. Unsurprisingly, the video was proven to be a digitally created fake — a political ploy to help Bush get win the election. ("Osama bin Laden: A Weapon of Mass Convenience," What Really Happened)

See - <http://whatreallyhappened.com/WRHARTICLES/osamatape2.html>
http://whatreallyhappened.com/WRHARTICLES/osamabinladen_wmc.html

Osama CIA Production

It shouldn't come as much of a surprise to learn that two former CIA officials have admitted to creating a fake video in which "darker-skinned" intelligence officers dressed up as Osama bin Laden and his associates in an effort to defame and discredit the Islamic leader throughout the Middle East. A former Army Intelligence case officer named Jeff Stein outlined the details in a Washington Post article. Stein revealed that during the planning of the 2003 invasion of Iraq, the CIA's Iraq Operations Group tossed around the idea of creating a fake video

depicting Saddam Hussein having sex with a young teenage boy and flooding copies of the tape throughout Iraqi cities to discredit and embarrass the Iraqi leader amongst his people. This dirty project never came to fruition, but Stein's sources told him that the agency did previously concoct at least one fake bin Laden video:

“The agency actually did make a video purporting to show Osama bin Laden and his cronies sitting around a campfire swigging bottles of liquor and savoring their conquests with boys, one of the former CIA officers recalled, chuckling at the memory. The actors were drawn from “some of us darker-skinned employees,” he said.” (Jeff Stein, “CIA unit’s wacky idea: Depict Saddam as gay,” The Washington Post, May 25, 2010.)
See – http://blog.washingtonpost.com/spy-talk/2010/05/cia_group_had_wacky_ideas_to_d.html

Another reason to dismiss the legitimacy of these bin Laden tapes is that a preponderance of evidence indicates that OBL died in December of 2001. Sources in Pakistan and Afghanistan have confirmed this. In 2002 Pakistan's President Pervez Musharraf and the Afghan President Hamid Karzai both stated that Bin Laden was “probably dead.” (“Karzai: bin Laden ‘probably’ dead,” CNN, Oct. 7, 2002 / “Pakistan’s Musharraf: Bin Laden probably dead,” CNN, Jan. 18, 2002.) A Taliban leader announced that OBL had “died a peaceful death due to an untreated lung complication” in December of 2001 in the vicinity of the Tora Bora Mountains and that thirty of OBL's close followers and associates laid him to rest in a traditional Wahabi Muslim funeral. (“Report: Bin Laden Already Dead,” Fox News, Dec. 26, 2001.) An Egyptian newspaper carried a report on the funeral which was held in mid-December of 2001. (“News of Bin Laden’s Death and Funeral 10 days ago,” al-Wafd, Vol. 15, No 4633, Dec. 26, 2001.)

See <http://edition.cnn.com/2002/WORLD/asiapcf/central/10/06/karzai.binladen/>
<http://edition.cnn.com/2002/WORLD/asiapcf/south/01/18/gen.musharraf.binladen>
See - <http://www.foxnews.com/story/0,2933,41576,00.html>
See - <http://www.welfarestate.com/binladen/funeral/>

Prior to 9/11 OBL had often been reported to be in poor health. It was reported that two months before September 11 OBL flew to Dubai for 10 days for treatment at the American hospital where he was visited by the local CIA agent. (“CIA agent alleged to have met Bin Laden in July,” The Guardian, Nov. 1, 2001.) In 2000, Le Figaro reported that OBL ordered a mobile dialysis machine to be delivered to his base at Kandahar in Afghanistan in order to treat his failing kidneys. (Ibid.) CNN's medical correspondent Dr. Sanjay Gupta confirmed that OBL was most likely suffering from chronic kidney failure which requires dialysis treatment. Dialysis machines require electricity, clean water, and a sterile setting — without those things it is not likely that a person with this condition could survive for more than a few days. (“Dr. Sanjay Gupta: Bin Laden would need help if on dialysis,” CNN, Jan. 21, 2002.) That begs the question: how could OBL have

survived all of these years in a desolate, isolated mountain hide-out with such chronic health issues that required constant medical attention and treatment? It is an impossibility!

See - <http://www.guardian.co.uk/world/2001/nov/01/afghanistan.terrorism>

See - <http://edition.cnn.com/2002/HEALTH/01/21/gupta.otsc/>

The reality of OBL's poor health and his eventual death in December of 2001 didn't stop the despotic Bush administration and the Jewish-owned media from perpetuating the lie that OBL was still alive and still a 'threat' to America. The claim that the U.S. military and CIA were hunting down OBL and his group in Afghanistan is a giant sham that serves as a convenient excuse to continue the military occupation of that country. Think about this: for over a decade the greatest military power in the history of the world with all of its spy agencies, spy satellites, high-tech gadgets and listening devices, predator drones, F-15 and F-16 jets, , stealth fighters and Apache helicopters, could not track down or kill one man!? This outlandish fable is simply not believable. The so-called "hunt for bin Laden" is a monstrous ruse to justify the "war on terror" hoax which is, in actuality, a war of extermination against Israel's enemies in the Middle East. The fact is that bin Laden died in December of 2001 — all intelligence agencies know this, but the popular image of OBL as an eternal 'terrorist threat' to America provides the Jewish-Zionist string-pullers controlling the U.S. Military Industrial Complex with a replenishing source of fear and paranoia to keep the ignorant masses of the West in line with their genocidal agenda for global supremacy. OBL served as the ultimate patsy and fall guy for the Jewish-Zionist conspirators behind 9/11. This point was iterated, although not directly, by veteran CIA agent Milt Bearden. On a CBS broadcast with Dan Rather the day after 9/11, Bearden stated: **"This was a tremendously sophisticated operation against the United States—more sophisticated than anybody would have ascribed to Osama bin Laden."** ("CIA Talks About Bin Laden Being Trained By CIA on CNN," YouTube) With regard to the widespread view that bin Laden was behind the attacks, he skeptically opined:

See - <http://www.youtube.com/watch?v=Wn61PJQGCUo>

“I think Osama bin Laden has become the metaphor for the entire problem of terrorism involving Muslims with perceived grievances against the United States. I think it would be wrong to say this is a one-size-fits-all operation and to go after Bin Laden because an operation as sophisticated as [the one] carried out yesterday was an operation that was concealed from us for months... It happened without essentially a hitch except for one aircraft. And there is no reason to believe that these same people weren't capable of covering their tracks somehow on the way out. Now I would go so far as to say that this group who was responsible for that, if they didn't have an Osama bin Laden out there they'd invent one because he's a terrific diversion for the rest of the world.”

In interviews he has given to the press, OBL has often alluded to the dangerous reality of Jewish domination of the United States. He has said that the American imperial policy of occupation and destruction of Muslim countries is ferociously led by the Zionist Jews who control America through their malignant monopoly over the banking, media and political sectors of American society. Back in 1998, bin Laden issued a dire warning to the American people, suggesting that the death-grip of World Jewry on America is driving the country, and the world, towards destruction on earth. Addressing the Jewish question, bin Laden said that,

“The enmity between us and the Jews goes far back in time and is deep rooted. There is no question that war between the two of us is inevitable. The leaders in America and in other countries as well have fallen victim to Jewish Zionist blackmail... They have mobilized their people against Islam and against Muslims. Our mothers and daughters and sons are slaughtered every day with the approval of America and its support... And, while America blocks the entry of weapons into Islamic countries, it provides the Israelis with a continuous supply of arms allowing them thus to kill and massacre more Muslims. The American government is leading the country toward hell. We say to the Americans as people and to American mothers, if they cherish their lives and if they cherish their sons, they must elect an American patriotic government that caters to their interests, not the interests of the Jews.”
(Chris Bollyn, “What Does Bin Laden Really Want?,” American Free Press, Oct. 11, 2001.)

In 2011, the illegitimate U.S. president Barack Obama attempted to perpetuate the myth of Osama bin Laden by staging a fake ‘assassination’ of an already dead OBL. The New York Times reported that **“Osama bin Laden... was killed in a fire-fight with United States forces in Pakistan, President Obama announced on Sunday.”** (“Bin Laden Is Dead, Obama Says,” New York Times, May 1, 2011.) OBL was supposedly camped **“in a massive compound about**

an hour's drive north from the Pakistani capital of Islamabad. He was hiding in the medium-sized city of Abbottabad, home to a large Pakistani military base and a military academy of the Pakistani Army." The suggestion that OBL could have been hiding out in this compound, which was located near a Pakistani military base, for years without anybody knowing about it is simply childish nonsense. An eyewitness to the event who had lived on the same street as the compound where OBL was allegedly hiding told Al Jazeera reporter Imtiaz Tyab flat out that the story was not true and that bin Laden was never hiding in that house. The eyewitness said that he had walked by that house every night and even rented the house next door to his cousin, stating he had not once seen Osama bin Laden or heard anything that would indicate OBL was residing in that house for an extended period of time. ("A witness account of Bin Laden's death," Al Jazeera English, May 2, 2011.)

See - <http://www.guardian.co.uk/world/2011/may/02/bin-laden-body-buried-sea>

See - <http://www.youtube.com/watch?v=IW7OywJIT8o>

Even more telling is the fact that Osama Bin Laden's mythical 'corpse' was hastily "buried at sea" by the U.S. military before any impartial observers could identify the body — evidently because it was not the body of OBL if there even was a body at all. The U.S. government falsely claimed that this type of burial "complies with Islamic custom," when in reality burial at sea is extremely uncommon for Muslims. ("Bin Laden's body buried at sea," The Guardian, May 2, 2011.) This means that the dramatic story of OBL's alleged killing is based solely on the less-than-credible word of the U.S. government! In addition to these discrepancies, the official narrative of OBL's assassination by U.S. forces was changed and

altered by the Obama regime numerous times. They couldn't even get their story straight — a tell-tale sign of fraud, cover-up and conspiracy. (“The killing of Osama bin Laden: how the White House changed its story,” The Guardian, May 4, 2011.) Brazen evidence of a hoax came right on the heels of the news of OBL's alleged killing when some mass media outlets quickly published a gruesome picture of a bloodied and presumably 'dead' OBL. The photograph was immediately exposed as a sloppy fake. The Guardian reported:

See - <http://www.guardian.co.uk/world/2011/may/02/bin-laden-body-buried-sea>

See - <http://www.guardian.co.uk/world/2011/may/04/osama-bin-laden-killing-us-story-change>

“An image apparently showing a dead Osama bin Laden broadcast on Pakistani television and picked up by British newspaper websites is a fake. The bloodied image of a man with matted hair and a blank, half-opened eye has been circulating on the internet for the past two years. It was used on the front pages of the Mail, Times, Telegraph, Sun and Mirror websites, though swiftly removed after the fake was exposed on Twitter.” (“Osama bin Laden corpse photo is fake,” The Guardian, May 2, 2011.)

See <http://www.guardian.co.uk/world/2011/may/02/osama-bin-laden-photo-fake>

To sum up, Osama bin Laden and 'Al-Qaeda' did not commit 9/11 and were not capable of doing so even if they wanted to. The popular image of bin Laden as the “arch-villain” and nemesis of the U.S. serves the same purpose for the American government that the “Emmanuel Goldstein” character did for the tyrannical regime depicted in George Orwell's classic novel '1984' — an artificial enemy manufactured by the state to rule the population with fear. OBL and 'Al-Qaeda' are not an actual threat, but merely a weapon of propaganda for the U.S. government and the Jewish agenda that drives it. The myth of Osama bin Laden and Al-Qaeda has been used to hoodwink the American public into supporting the imperial schemes of Zionism.

The Pentagon Attack: The Mysterious 'Missing Trillions,' Rabbi Zakheim and Remote Control

The official version of what happened at the Pentagon on 9/11 contains many lies, distortions and fabrications. What is described to have taken place by the U.S. government is not physically possible on a variety of levels. There are many alternative theories that have been postulated about what could have happened, but it is not the focus of this book to describe all of these theories and their plausibility in detail. The bottom line is that like the other events that transpired in New York and Shanksville on 9/11, the U.S. government is not telling the truth about what happened at the Pentagon — something is amiss.

The technical arguments of why a large Boeing 757 aircraft, presumably American Airlines Flight 77, could not have impacted the Pentagon and created the peculiar damage to the building has been dissected and scrutinized in fine detail by the Citizen Investigation Team, a group of researchers who have produced several interesting films on the subject of what really happened at the Pentagon. (“National Security Alert – The 9/11 Pentagon Event,” Citizen Investigation Team, YouTube) Their main argument is that dozens of independent eyewitnesses that they interviewed placed the incoming plane on the north side of the CITGO gas station as it approached the Pentagon. (Ibid.) The official story contends that the plane came in low and level along the south side of the gas station and hit a number of light poles on its way into the Pentagon. If the plane came in on the north side of the gas station, as dozens of witnesses have independently reported, then it is impossible for it to have caused the downed light poles and the damage to the Pentagon which coincide with a south-side approach. See diagram, right inset) So what caused the downed light poles and the damage to the building if not the plane? Clearly a lot of staging went on to give the appearance of a south-side approach. Part of the pre-staging activities was a taxicab driver named Lloyd England who was travelling along the bridge next to the Pentagon as the plane came in. He claimed that the plane flew right over his cab and clipped a light pole that speared the windshield of his car. There was indeed a puncture hole in his windshield and damage to the interior

passenger's side of the car, but unbelievably the hood of the car remained completely undamaged despite a 40 foot long, 247 pound light pole allegedly landing on it. ("The First Known Accomplice? (Featuring Lloyd England)," YouTube) In an interview with the Citizen Investigation Team, Lloyd England basically admitted the damage to his car was faked and that 9/11 itself was a "world event" created by rich and powerful people with an agenda. ("Lloyd taxicab driver admits government planning," YouTube)

See - <http://www.youtube.com/watch?v=Km9SwgqvSPo>

It is not clear what, if anything, hit the Pentagon and it is not my objective to make that determination. What I will say is that much to the same degree as the Shanksville crash site, there was a noticeable lack of any major plane debris at the crash site of the Pentagon. The FBI immediately confiscated over 80 security camera videos belonging to the Pentagon and surrounding private businesses but refuses to release them to the public. At minimum, at least a handful of the 80 plus security videos should have captured what actually struck the Pentagon, but the FBI does not want us to see them. Why? The 9/11 Research website reported on the issue of the suppressed video footage of the Pentagon attack, noting:

"It is striking that there is neither video footage nor any photographic evidence in the public domain showing a jetliner approaching or crashing into the Pentagon. As of May, 2006, the only video footage of the crash that has been released are clips from two Pentagon security cameras north of the crash site, one the source of 5 frames leaked in 2002. With the release of the two video clips, the Pentagon claims to have supplied all of the footage it has of the attack. Although the number and positions of security cameras monitoring the Pentagon is not public knowledge, it seems unlikely that only two security cameras captured the attack. Isn't it reasonable to assume that there were dozens, if not hundreds, of security cameras ringing the huge building that is the heart of the United States military establishment?"

Not only has the government refused to release footage that would clearly show how the Pentagon was attacked, it has also seized footage not belonging to the military. The FBI confiscated video recordings from several private businesses near the Pentagon in the immediate aftermath of the attack. Those recordings, if they still exist, might provide decisive evidence about the attack. In addition it is likely there is other video footage that was either destroyed or is being withheld, given that the trajectory of the attack plane took it low over a large part of Arlington, Virginia." ("Pentagon Attack Footage: The Suppression of Video Footage of the Pentagon Attack," 911 Research WTC7 Website)

See also - <http://911research.wtc7.net/pentagon/evidence/footage.html>

On December 2, 2006, Judicial Watch obtained a security video recording from the Doubletree Hotel located relatively close to the Pentagon on the side where the alleged attack took place. The low-quality video captured the fireball explosion but a Boeing 757 jetliner cannot be seen crashing into the building. ("Hotel security video shows 9/11 Pentagon blast, but no plane," CNN, Dec. 2, 2006.) CNN reported that, "**There was speculation that this video might show the American Airlines 757 jetliner before it crashed, but a close examination by CNN only revealed the subsequent explosion and no image of the jet.**" Since the American government refuses to release critical evidence that could easily clear up all of these issues, we are left with no other choice but to conclude that they are engaged in a cover-up. Since they cannot prove their version of events despite having the necessary video footage in their possession that should show what they claim took place, we can make no other determination than that they are lying about what actually occurred at the Pentagon to hide government involvement in the attack.

See - <http://www.cnn.com/2006/WORLD/europe/12/02/saturday/index.html>

A very important and very provable aspect of the Pentagon debacle was the disappearance of 2.3 trillion dollars from the Pentagon's budget books. This was announced by Donald Rumsfeld in a press conference on September 10th 2001, one day before 9/11, where he stated that, "**According to some estimates we cannot track \$2.3 trillion in transactions.**" ("The War On Waste: Defense Department Cannot Account For 25% Of Funds — \$2.3 Trillion," CBS News, Jan. 29, 2002.) Rumsfeld promised change, but the attacks on New York and Washington the following day rendered this enormous scandal a forgotten mystery, buried under 9/11's rubble. According to its own auditors, the military cannot account for 25 percent of what it spends. The Pentagon's financial overseer who was responsible for looking into all of this monetary malfeasance was a man named **Dov Zakheim**. An extremist Jew, citizen of Israel and ordained orthodox rabbi, Zakheim was appointed by President Bush to manage the Pentagon's finances as Undersecretary of Defense (Comptroller), a position he held from May 2001 to April 2004. In total, over 3 trillion dollars disappeared during his stint as head money man at the Pentagon. All of the financial fraud and negligence going on in the Pentagon was quickly swept under the rug on Zakheim's watch. On March 14, 2002, Rabbi Zakheim delivered a sermon in front

of Lubavitch rabbis from 40 countries who gathered on the Pentagon lawn to 'commemorate' the 9/11 attacks and the 100th birthday of their deceased spiritual leader Menachem Mendel Schneerson. ("Lubavitch Recall Sept. 11," Jewish Journal, Mar. 14, 2002.)

<http://www.cbsnews.com/stories/2002/01/29/eveningnews/main325985.shtml>
http://www.jewishjournal.com/world/article/lubavitch_recall_sept_11_20020315

Zakheim was a key foreign policy adviser to George W. Bush during his 2000 campaign for presidency. He was also a member of both the Council on Foreign Relations and the neoconservative group the Project for the New American Century, which advocated an imperial strategy of American dominance across the globe, endeavoring to link the foreign policies of the United States and Israel. Zakheim was the CEO of System Planning Corporation from 1987 to 2001. SPC is a major player in the "Homeland Security" industry and a leading designer of remote control technology. This company provided flight termination systems and command transmitter systems, technology that allows up to eight planes to be remotely controlled at the same time from one operations center. These technologies can remotely hijack even a hijacked plane and land or crash it wherever it is desired.

Writer Jerry Mazza detailed many of Zakheim's conspicuous connections and incriminating intrigues in an article titled "Following Zakheim and Pentagon trillions to Israel and 9-11" (Online Journal, July 31, 2006.). In the piece, Mazza documents that Zakheim personally organized a massive transfer of dozens of American F-15 and F-16 fighter jets to Israel at a fraction of their actual value. Mazza noted that **"in May 2001, when Dov served at the Pentagon, it was an SPC (his firm's) subsidiary, Tridata Corporation, that oversaw the investigation of the first "terrorist" attack on the World Trade Center in 1993,"** further suggesting that, "This would have given them intimate knowledge of the security systems and structural blueprints of the World Trade Center." An article called "Dov Zakheim and the 9/11 Conspiracy" that appeared on the Conspiracy News Net website makes even more astonishing allegations against Zakheim. The authors quote from the SPC website in their assertion that **"a recent customer [of SPC] at that time was Eglin Air Force Base, located in Florida. Eglin is very near MacDill AFB, where Dov Zakheim contracted to send at least 32 Boeing 767 aircraft, as part of the Boeing/Pentagon tanker lease agreement."** They go on to hypothesize that the Flight Termination System module, a photo of which is available at the SPC website, is similar in shape and size to the strange cylindrical appendage that was photographed on the underbelly of the plane that smashed into the South Tower of the WTC. The article goes on to suggest:

"The Boeing lease deal involved the replacement of the aging KC-135 tanker fleet with these smaller, more efficient Boeing 767s that were to be leased by Dov Zakheim's group. The planes were to be refitted with refueling equipment, including lines and nozzle assemblies. When seen in

comparison, it is obvious that the plane approaching the Trade Center has both of these structures-the FTS module and the midair refueling equipment, as configured on the modified Boeing 767 tankers. ... After considering this information, I am convinced that flight 175, as pictured on the news media and official reports, was in fact a refitted Boeing 767 tanker, with a Flight Termination System attached. Use of this system would also explain the expert handling of aircraft observed in both New York and Washington investigations, which has been officially credited to inexperienced flight school students. Since the refitted 767s were able to carry both passengers and a fuel load, as shown in this photo, it is likely that the plane designated Flight 175 was in fact a refitted 767 tanker, disguised as a conventional commercial passenger plane.”

The authors summed up Zakheim’s supreme guilt as a lead suspect in the perpetration of 9/11 in this way:

“Considering his access to Boeing 767 tankers, remote control flight systems, and his published views in the PNAC document, it seems very likely he is in fact a key figure in the alleged terrorist attacks in New York City on September 11, 2001. Rabbi Zakheim had access to things like structural integrity, blueprints and any number of important facets of information about the WTC through his work with Tridata Corporation in the investigation of the bombing of the WTC in 1993. That he had access to remote control technology through his work at System Planning Corporation (SPC); that he had access to Boeing aircraft through a lease deal he brokered while working at the Pentagon; and finally, that he was part of a group of politically radical Straussian Neo-Conservatives, who, through their association with PNAC, called for restructuring of the Middle East, noting that a Pearl Harbor type of event may be needed to foster the frame of mind required for the American public to accept such a radical foreign policy agenda. In light of all this information we here at Conspiracy News Net stand by our statement that Mr. Zakheim not only called for the slamming of the WTC Towers on 9-11, but he actively took part in their demolition by providing the logistics necessary for such an attack to occur.”

See - http://onlinejournal.com/artman/publish/article_1047.shtml

See - http://911review.org/brad.com/batcave/Dov_Zakheim_911.html

Keeping in mind Zakheim's magic disappearing money tricks with the trillions that vanished from the Pentagon budget books under his supervision, the specific section of the Pentagon that was struck by whatever it was that hit the building coincidentally contained the year's budgetary information. (Arlington County After-Action Report on the Response to the September 11 Terrorist Attack on the Pentagon) Many of the casualties in the Pentagon attack were accountants, bookkeepers and budget analysts, members of an office of the Army named Resource Services Washington which lost 34 of its 45 employees. (Milan Simonich, "Army unit piecing together accounts of Pentagon attack," Pittsburgh Post-Gazette, Dec. 20, 2001.) The specific section of the Pentagon that was hit, known as Wedge One, just happened to have undergone a massive renovation in the years leading up to 9/11 which strengthened the facade to withstand a terror attack. ("Retrofitting the Pentagon For Blast Resistance," Structure Magazine) All of the Pentagon's top military brass was conveniently located out of harm's way on the opposite side of the building. Why would the "terrorists" choose to crash the plane into that very odd part of the building which was exceedingly difficult to hit at such close proximity to the ground? Crashing the plane into the roof of the building would have been a much easier, certain and more valuable target, but we are told the "terrorists" deliberately went out of their

way to strike the first-floor facade of the building at an extremely difficult, some say impossible, angle. This fairy tale is not believable.

See -

<http://www.arlingtonva.us/departments/Fire/edu/about/FireEduAboutAfterReport.aspx>

See - <http://www.southcoasttoday.com/daily/12-01/12-20-01/a02wn018.htm>

<http://911research.wtc7.net/mirrors/guardian2/pentagon/pentagon-retrofit.htm>

Even less believable is the man that authorities claim performed this action: Hani Hanjour. Notorious for his poor piloting ability, Hanjour continually flunked out of flight schools across the United States. Marilyn Ladner, a vice president at the Pan Am International Flight Academy, said that Hanjour participated in a training course at her facility in Phoenix, Arizona in February of 2001 and that his piloting skills were so terrible that she feared he could pose a safety hazard if he ever commandeered a commercial aircraft. (Jim Yardley, "A Trainee Noted for Incompetence," New York Times, May 4, 2002.) The New York Times reported that officials at the Phoenix flight school **"had found [Hanjour's] piloting skills so shoddy and his grasp of English so inadequate that they questioned whether his pilot's license was genuine."** A former employee of the flight school said, **"I'm still to this day amazed that he could have flown into the Pentagon. He could not fly at all."** In the second week of August 2001, Hanjour

9/11 Patsy Hani Hanjour

attempted to rent a small plane from an airport in Bowie, Maryland. Flight instructors Sheri Baxter and Ben Conner took Hanjour on three test flights to gauge his piloting skills and found that he had difficulties handling and landing a single-engine Cessna 172 aircraft. Chief flight instructor Marcel Bernard declined to rent Hanjour a plane until he took more lessons. (Thomas Frank, "Tracing Trail Of Hijackers," Newsday, Sept. 23, 2001.) Despite Hanjour's exceedingly horrendous track record as a pilot, we are being asked to believe that he pulled off near jet-fighter maneuvers to successfully slam Flight 77 into the Pentagon on 9/11. We are being told that Hanjour outmaneuvered both the U.S. Airforce and NORAD to sneak

past the restricted and heavily monitored airspace surrounding the Pentagon, the most protected building on earth. Why was the flight not intercepted by fighter jets? There has never been a satisfactory answer to this question. The 9/11 Research website explained the ridiculous absurdity of the maneuver that Hanjour is supposed to have performed, stating:

See -

<http://www.nytimes.com/2002/05/04/national/04ARIZ.html?ex=1022146359&ei=1&en=3ab8e4370c5212fd>

See - <http://www.newsday.com/ny-usflight232380680sep23.story>

“It is doubtful that the best trained fighter pilots could have executed the maneuver that supposedly crashed a 757 into the Pentagon. It required making a tight 320-degree turn while descending seven thousand feet, then leveling out so as to fly low enough over the highway just west of the Pentagon to knock down lamp posts. After crossing the highway the pilot had to take the plane to within inches of the ground so as to crash into the Pentagon at the first-floor level and at such a shallow angle that an engine penetrated three rings of the building, while managing to avoid touching the lawn. And he had to do all of this while flying over 400 mph. Quite a feat for a flight school flunky who had never sat in the cockpit of a jet!”

(“Clueless Super-Pilot: Jetliner Aerobatics by Flight School Dropout Who Never Flew a Jet,” 911 Research WTC7 Website)

See - <http://911research.wtc7.net/disinfo/deceptions/badpilots.html>

None of the alleged 9/11 “hijackers” had flown commercial aircraft before the attacks, but according to the Jewish-owned press and the Zionist-occupied American government they were able to pull off the most successful attack against the United States in history, hitting 75 percent of their targets on the same day. Despite the unambiguous reality that none of these Arabs were capable of executing what has been attributed to them, an Israeli named Don Radlauer of the Interdisciplinary Center at Herzliya produced a report detailing the flight paths of the alleged four hijacked planes. Radlauer’s report attempted to bestow credibility upon the official story, suggesting that hijacking and guiding the planes into their targets would have been an easy task. (Don Radlauer, “The Hijackings: A Pilot’s View,” Sept. 13, 2001.) Out of all of the flight instructors who witnessed Hani Hanjour in the cockpit of a plane, only one contradicted the overwhelming consensus that Hanjour was a horrible pilot who was unfit to fly even a single-engine Cessna 172 aircraft. That would be none other than the Israeli national and former Israeli Occupation Forces paratrooper Eddie Shalev, a flight instructor for Congressional Air Charters in Gaithersburg, Maryland. Shalev told the FBI that in August of 2001 Hanjour attempted to rent a plane from his employer and that he accompanied Hanjour on a certification flight. Shalev explained to the FBI that, in his opinion, Hanjour was a “good” pilot and that he authorized the plane rental to Hanjour. (Memorandum of Eddie Shalev’s FBI Interview, Apr. 9, 2004.) This former Israeli paratrooper, working in the interests of the terrorist regime that he loyally serves, was clearly lying to prop up the

official 9/11 fable.

See also - <http://ntwebweaver.com/flights.htm>)

See also - <http://media.nara.gov/9-11/MFR/t-0148-911MFR-00551.pdf>

A common question that is often asked is if the “Muslim hijackers” story is merely a Zionist media invention then who was actually piloting the planes that struck the Twin Towers on 9/11? Although it is impossible to prove with absolute certitude the exact circumstances surrounding the planes of 9/11, the most logical and likely scenario is that the two planes that hit the towers were remote-controlled drones, dressed up like commercial jets, guided into their targets. Chris Bollyn stresses the unusual coincidence that the first plane that struck the North Tower flew directly into the secure computer room of Marsh/Kroll, the Zionist-run “security” company of the WTC. Dr. Robert Sungenis summarized the findings of Chris Bollyn in his review of ‘Solving 9/11,’ showing that several Mossad-connected Israeli aviation companies had the expertise to convert a passenger plane into a remote-controlled drone to strike the Twin Towers.

Sungenis writes:

See - http://www.catholicintl.com/images/stories/Review_of_Solving_911.pdf

“There is also the Israeli aircraft leasing company ATASCO begun by the Israeli military in 1971 and connected to the Mossad and owned by Israeli “entrepreneur” Shaul Eisenberg. Bollyn notes that it was just after he had a conversation with its chairman, Shalom Yoran, that the goon squad of undercover policemen came to his property and gave him a taste of TASAR. He found out that Yoran was originally in the Israeli air force in 1948 and was the founder of IAI, and its parent Bedek in 1953, who converted its first Boeing 767 to a cargo jet in 2000. On April 4, 2000 the Jerusalem Post noted Bedek as “one of the world’s leaders in plane conversions,” and thus it would be easy for the company to convert a passenger plane to a remote controlled drone to hit the Twin Towers. There is also Bedek’s Commodore Aviation in Miami, which, like ATASCO, has been funded by the US taxpayer as part of the 3 billion sent by the US to Israel each year. As such, we could be funding our own home grown terrorists right here in the USA. As Bollyn puts it: “Israelis like Yoran don’t usually come to America as immigrants – they are sent on a mission.” Bollyn goes on to list the clandestine activity of these Israeli enterprises (including international drug smuggling as reported by the Israeli paper Haaretz in 2003) and notes that except for one article in the Washington Post about Eisenberg and the Mossad in 1978, the stories were never followed by any news outlet.”

We have seen a substantial amount of evidence that Dov Zakheim was a prime participant in the creation of this terrorist conspiracy against the American people. The Judicial Inc website’s bio of Zakheim sums up his upbringing as one of intense indoctrination having been reared in the principles of Jewish supremacy and Zionist ideology from birth. He was born in Brooklyn in 1943 and attended exclusively Jewish schools. He spent summers in Israel at Zionist

summer camps. Dov graduated from Columbia University in 1970 and the University of Oxford in 1972. From 1973-75 he attended the London School of Jewish Studies which Jerry Mazza described as a witches brew of “Jewish supremacy, Advanced Bible, Talmud, Jewish Mysticism, Holocaust, Anglo-Judaica, and Zionism.” From 1975-80, Zakheim was an adjunct professor at the National War College, Yeshiva University, Columbia University and Trinity College. He later was ordained as an orthodox rabbi. This high-priest of Judaism has been stalking the halls of the U.S. government for 25 years and has influenced the defense policies of Presidents Reagan, Clinton and Bush Sr. and Jr.

See - http://judicial-inc.biz/Dov_zakheim.htm

Dov Zakheim’s grandfather Julius was a prominent rabbi and Bolshevik agitator from Ukraine who played a leading role in the attempted Bolshevik coup of 1905 which paved the way for the Jewish-Bolshevik takeover of Russia in 1917. According to Judicial Inc, Dov’s father Jacob was **“born and reared in Poland’s hotbed of Zionist assassins and bombers.”** His father was a rabbi and a member of the Jewish terrorist group BETAR which joined forces with the Haganah, Irgun and Stern gangs to brutally carve out a Jewish state on Arab soil. His family counted Menachem Begin, Moshe Arens and other Zionist terror kingpins among their friends. These crooked connections and associations solidify Zakheim’s guilt as one of the central figures behind the September 11 disaster.

More False Flags After 9/11: Israel At It Again

Shortly following the 9/11 attacks, Israelis were caught on numerous occasions trying to stage even more false flag provocations in the U.S. and in other countries. On October 10, 2001 — about a month after 9/11 — an incredible incident took place in Mexico involving two Israelis posing as press photographers. The pair were arrested inside the Mexican congress armed with 9mm pistols, 9 grenades, explosives, three detonators, and 58 bullets, evidently about to mount some sort of attack against the Mexican government. The Mexican newspaper El Diario de Mexico

Mexican Newspaper

reported that the two Israeli terrorists had fake Pakistani passports in their possession. The Los Angeles-based La Vox De Atzlan publication reported on the incident in great detail. This is one of their first reports of the affair:

“We were alerted this morning by a subscriber from Mexico that two Israelis were arrested Wednesday inside the Palacio Legislativo de San

Lázaro (Mexican Congress) in Mexico City. Both were armed with 9 mm automatics and one was carrying a military hand grenade, electrical wiring and other bomb related materials. The Israeli Embassy at Sierra Madre 2155, colonia Lomas de Chapultepec has close its doors to the Mexican Press and are refusing to talk. The incident has been independently verified by La Voz de Aztlan through Mexican diplomatic, press and other sources in Mexico City.

The Chief of Legislative Security, Salvador Alarcón, has also confirmed the arrest of the two Israeli terrorists. One of them Saur Ben Zvi is a confirmed citizen of Israel and the other, Salvador Guersson, recently immigrated to Mexico from Israel. It is has been determined by the Procuraduría General de la República (Mexican Department of Justice) that Guersson is a retired Colonel of the Israeli Defense Forces and that he may now be operating as a MOSSAD agent. It is not known how they were able to penetrate the extensive security system of the Mexican Legislative Palace.

This is a very grave incident with many serious international implications. Many have questioned who may be really behind many of the recent terrorist acts around the world including the ones against the WTC and the Pentagon. The Mexican public and congress has been reticent about declaring war against Islam along with the U.S. It is possible that an act of terrorism against the Mexican Congress was planned in order to “terrorize” Mexico into towing the line against Islam.” (E. Cienfuegos, “Zionist Terrorists Arrested Inside Mexican Congress,” La Voz de Aztlan, Oct. 12, 2001.)
See - <http://www.aztlan.net/mexmossad.htm>

In a standard display of behind-the-scenes lobbying intrigue, the two Israeli terror suspects were eventually released. As a result of heavy Jewish pressure on the Mexican government, no criminal charges against the two Israelis were pursued and they were deported to Israel. According to La Vox De Atzlan,

“...the Israeli Embassy used heavy handed measures to have the two Israelis released. Very high level emergency meetings took place between Mexican Secretary of Foreign Relations Jorge Gutman, General Macedo de la Concha and a top Ariel Sharon envoy who flew to Mexico City specially for that purpose. Elías Luf of the Israeli Embassy worked night and day and their official spokeswoman Hila Engelhart went into high gear after many hours of complete silence. What went on during those high levels meetings no ones knows, but many in Mexico are in disbelief at their release. Guns and any kind of explosive is

highly illegal for Mexican citizens and the fact that these two Israelis had them inside the Mexican Congress makes their release highly suspect. What is really going on? Jorge Gutman, the Mexican Foreign Secretary, has very strong Zionist connections and himself is of Jewish descent. Mexican Army General Macedo de la Concha has strong connections to the U.S. Military Industrial-Complex and through this to the Israeli Defense Forces. Have any of these connections influenced the decision to release the two Zionist terrorists?" (E. Cienfuegos, "Mexican Attorney General Releases Zionist Terrorists," La Vox De Atzlan, Oct. 15, 2001.)
See - <http://www.aztlan.net/blowup.htm>

On the motive of an Israeli false-flag assault against Mexico, La Vox De Atzlan opined:

"We believe that the two Zionists terrorist were going to blow up the Mexican Congress. The second phase was to mobilize both the Mexican and US press to blame Osama bin Laden. Most likely then Mexico would declare war on Afghanistan as well, commit troops and all the oil it could spare to combat Islamic terrorism."

The failed Israeli attack on the Mexican Congress gained considerable media coverage in Mexico itself, but there was absolutely no mention of it by U.S. media outlets. Reporting on Zionist terrorist malfeasance is something that U.S. journalists wouldn't dare to do since it would upset their Jewish editors and bosses, and they would most certainly be reprimanded or even fired. The tightly-censored press of the U.S. and the broader Western World makes sure to hide anything that might expose the sinister machinations of Zionism.

Hot on the heels of the Mossad mishap in Mexico, there was another occurrence involving Israelis and potential terrorism. On October 17, 2001, The Mercury reported that three Israeli Jews identified as Ron Katar, Mosche Almakias and Ayelet Reisler were arrested in rural Pennsylvania for suspicious behavior behind a Pizzeria Uno. The manager of the store informed authorities of two Middle Eastern looking men dumping furniture out of a tractor-trailer with a "Moving Systems Incorporated" sign on the side, behind his restaurant. The police searched the vehicle and discovered a Sony video camera containing footage of Chicago with several suspicious zoom-in shots of the Sears Tower. The Israeli suspects were transported to Plymouth Police Station for further questioning. The FBI was notified of the incident and began its own investigation into the Israelis. Elmakias and Katar were eventually detained by INS and transported to a federal facility, and the female, Reisler, was released. ("2 found with video of Sears Tower," The Mercury, Oct. 17, 2001.) Predictably, like all of the other instances of Israelis engaged in espionage and terrorism in America, nothing of this incident was ever heard of again. Were these three Israelis Mossad agents? Were they planning some sort of false flag attack on the Sears Tower? A real investigation would answer all of these pertinent questions. Instead, we are forced to endure another cover-up of potential terrorism in the U.S. by Israelis.

Jewish Nuke

Sometime in late October of 2001, six men traveling in two groups of three were stopped by police in the Midwest on suspicions of terrorist activity. The men had photographs, boxcutters and other suspicious equipment. All of the men were Middle Eastern and held Israeli passports. Even though they possessed photos and descriptions of a nuclear power plant in Florida and the Trans-Alaska pipeline, all of the Israelis were quickly released. (“Nuclear plants tighten security FBI seeking 6 men seen in Midwest,” The Miami Herald, Oct. 31, 2001.) In May of 2002, two Israeli nationals posing as “furniture movers” were stopped by military police in Oak Harbor, Washington, near the Whidbey Island Naval Air Station. Police searched their vehicle and, according to Fox News, a **“bomb-sniffing dog first detected explosives on one of the men and inside the truck.” High-tech equipment “was used later to confirm the presence of TNT and RDX plastic explosive.”** (Carl Cameron, “Police Seize Rental Truck With TNT Traces,” Fox News, May 13, 2002.) Fox News also acknowledged that **“Government officials said the roadside stop was so close to the naval air**

station that military personnel took part in the initial arrest and naval intelligence has also been involved in the subsequent investigation.” Were these two Israelis planning an attack on the Whidby Naval Air Station? And did they intend to have it blamed on Muslims to perpetuate the myth of the ‘Al-Qaeda terror network’? That is a real possibility, but this event too was quickly hushed up.

Since 9/11 there have been a number of large-scale terrorist attacks in different nations across Europe, Asia and the Middle East. All of these bombings were designed to drag other countries into Israel’s proxy wars against the Islamic world. It is beyond the scope of this book to analyze all of these attacks in depth. However, I suspect that the twin train bombings in Madrid, Spain in 2004 and London, England in 2005 were Israeli-engineered atrocities, bearing all of the traditional hallmarks of Mossad involvement. The coordination and sophistication of these attacks certainly required the expertise of an intelligence agency and military professionals. Like 9/11, these attacks were officially blamed on ‘Al-Qaeda’-affiliated Muslims as is usually the case with false-flag ops committed by the Mossad. The evidence, however, leads us to Israel’s doorstep in both cases. I believe a legitimate investigation into these events would reveal Israeli guilt and complicity. An extensive report put out by the Take Our World Back website entitled “A Comprehensive History of Zionist Crimes” provides a detailed analysis of the evidence which shows that those two attacks, among other less prominent acts of terror, were the handiwork of Israel’s Mossad with the help of pro-Zionist forces in the CIA, MI6 and other corrupt intelligence agencies.

The Anthrax Letters: A Zionist Scare Tactic

To further ensnare Americans into a submissive state of abject fear and paranoia, the Zionist organizers of 9/11 cleverly created the “Anthrax scare” shortly after their assault on the Twin Towers. In a diabolical effort to terrorize and traumatize the American public into acquiescing to the Zionist

agenda in the Middle East, Israel unleashed a biological attack against the people of America.

One week after the September 11 attacks, beginning on the 18th of the month, several letters containing a deadly strain of weaponized Anthrax spores showed

up in the mail of news media offices and two Democratic U.S. Senators, killing five people and infecting 17 others. On the first day of the Anthrax onslaught the Jewish-owned press promoted a series of lies intended to implicate Iraq and Al-Qaeda as the culprits behind the mailings. Reports surfaced in the mainstream media alleging that five months before 9/11 Mohammad Atta had met with an Iraqi official named Ahmed al-Ani in Prague wherein Atta was given a “flask of Anthrax.” (Daniel McGrory, “Hijacker ‘Given Anthrax Flask By Iraqi Agent’,” London Times, Oct. 28, 2001.) The original claim about this supposed meeting between Atta and al-Ani and the transfer of a vial of Anthrax was based entirely on the spurious, less-than-reputable word of the Israeli Mossad. (Ibid.) This invention of Zionist propaganda was picked up and spread by Jewish neocon commentators and top Bush administration officials in a deceitful campaign to frame Al-Qaeda and Iraq for the Anthrax mailings. (“Bush Administration Claims vs. The Facts,” Leading To War Website) Czech intelligence officials originally went along with this fallacious story, but later acknowledged that it could not be corroborated. In August 2002, Czech foreign intelligence Chief František Bublan publicly backed away from the claim that Atta met al-Ani, saying that rumors of such meetings “have not been verified or proven.” (Kate Swoger, “Intelligence chief casts doubt on Atta meeting,” **Prague Post, July 15, 2002.**) **The Prague Post reported that “Bublan said that promoting a so-called ‘Prague connection’ between Atta and al-Ani might have been a ploy by U.S. policymakers seeking justifications for a new military action against Iraqi leader Saddam Hussein.”**

See also - <http://www.praguepost.com/P02/2002/20717/news1.php>

The Anthrax spores used in the mailings were of an extremely rare quality that is only produced in the United States. So where did it originate from? The strain of weaponized Anthrax used in the attacks, known as the “Ames strain,” narrowed the search for the perpetrators down to a few U.S. labs. (“Army Working on Weapons-Grade Anthrax,” Washington Post, Dec. 13, 2001.) Eventually it was

traced back to an American bio warfare lab called the U.S. Army Medical Research Institute for Infectious Diseases (USAMRIID) in Fort Detrick, Maryland, proving the Anthrax attacks were an “inside job.” Since neither ‘Al-Qaeda’ nor Iraq could possibly have

managed to smuggle Anthrax spores out of this American military lab, the story abruptly changed and all mention of Al-Qaeda and Iraq quietly disappeared down the rabbit hole. Now all eyes were focused on an insider within the U.S. bio-

defense establishment named Bruce E. Ivins. A White Christian scientist, Ivins doesn't exactly fit the stereotyped profile of a violent, deranged terrorist. From the outset of the FBI campaign to label Ivins as the lone culprit, many journalists and other commentators began to raise serious doubts about the FBI's narrative. The FBI's own genetic consultant Claire Fraser-Liggett stated that the failure of authorities to find any Anthrax spores in Ivins' house, vehicle or on any of his belongings seriously undermined the case. ("The Anthrax Files," Frontline PBS) See also - <http://www.washingtonpost.com/ac2/wp-dyn?pagename=article&contentId=A34707-2001Dec12¬Found=true> See also - <http://www.pbs.org/wgbh/pages/frontline/anthrax-files/>

Most of Ivins' colleagues at the Fort Detrick lab were doubtful of his involvement from the beginning. Jeffrey Adamovicz, one of Ivins's supervisors in USAMRIID's bacteriology division, stated, "I'd say the vast majority of people [at Fort Detrick] think he had nothing to do with it." (Michael Isikoff, "The Case Still Isn't Closed," Newsweek Magazine, Aug. 8, 2008.) Dr. Meryl Nass, a former colleague of Ivins, documented the farcical basis of the FBI's case against Ivins. She pointed out that the FBI could not place Ivins in New Jersey on the dates that the letters were mailed, and that he was only one of one hundred employees in the USAMRIID lab who could have potentially handled the type of Anthrax used in the mailings. ("Beyond a Reasonable Doubt?," Anthrax Vaccine Blogspot, Aug. 6, 2008.) Henry Heine, a microbiologist who worked with Ivins for years at USAMRIID, testified to the U.S. National Research Council about the Anthrax attacks. Heine told the panel that it was impossible for the deadly spores to have been produced undetected in Ivins's laboratory, as the FBI maintains. He testified that it would have taken a year of intensive work to produce the high quantity of Anthrax spores used in the letters and that this type of work would not have escaped the attention of his co-workers at the facility. No other scientists or lab technicians

reported any anomalies regarding Ivins' work leading up to the attacks. Furthermore, Heine asserted that where Ivins worked biological containment measures were inadequate to prevent the Anthrax spores from floating out of the laboratory into animal cages and offices, resulting in the deaths of animals and people, which did not happen. (Scott Shane, "Colleague Disputes Case Against Anthrax Suspect," New York Times, Apr. 22, 2010.)

See also - <http://www.freerepublic.com/focus/news/558172/posts>

See also - http://www.leadingtowar.com/claims_facts_atta.php

See also - <http://www.praguepost.com/P02/2002/20717/news1.php>

Despite the fact that the FBI failed to produce any credible evidence linking Ivins to the Anthrax mail attack, they ferociously pursued him as the lone suspect. As the FBI readied an indictment against Ivins, he allegedly took his own life by overdosing on Tylenol at the Frederick Memorial Hospital in Maryland on the 29th of July, 2008. ("Anthrax scientist commits suicide as FBI closes in," Associated Press, Aug. 1, 2008.) Bruce Ivins' attorney said his client's death was the result of the government's "relentless pressure of accusation and innuendo." (Ibid.) Journalist Glenn Greenwald opined that "**Ivins' death meant that the FBI's allegations would never be tested in a court of law.**" ("Serious doubt cast on FBI's anthrax case against Bruce Ivins," Salon, Feb. 16, 2011.) Indeed, Ivins' untimely death conveniently saved the FBI from an embarrassing time in court trying to prove a case that they knew they could not make. No formal charges were ever actually filed against Ivins for the Anthrax crime, for the simple reason that no evidence of his guilt ever existed. He served as another scapegoat for Zion.

See - <http://www.cbc.ca/news/world/story/2008/08/01/us-anthrax.html>

See - <http://www.salon.com/2011/02/16/ivans/>

In any case, even if we presuppose for hypothetical purposes that the allegations against Ivins were true, what would have been his motive to do this? What would he have to gain? Absolutely nothing. It is, however, interesting to note that as an evangelical Christian, Ivins was a philosemite who believed that Jews are "God's chosen people." The Frederick (Md.) News Post republished letters from Ivins in the wake of his suicide. In one letter he praises a rabbi for refusing to engage in dialogue with a Muslim cleric, expressing his Zionist supremacist view that, "**By blood and faith, Jews are God's chosen, and have no need for 'dialogue' with any gentile.**" ("Ivins believed Jews were God's chosen," Jewish Telegraphic Agency, Aug. 4, 2008.)

See - <http://jta.org/news/article/2008/08/04/109782/ivinsevangelical>

Anthrax letters crafted to frame Muslims

There is another glaring problem with the Bruce Ivins 'lone nut' narrative. The letters that accompanied the Anthrax were written to appear as if the authors were Arab Muslims plotting revenge against America and Israel. Some of the letters read: **"Death to America. Death to Israel. Allah is Great."** If Ivins was behind the Anthrax mailings, why did he try to make it appear as though the letters and thus the Anthrax assault itself was the work of Muslims? Did he dislike Muslims so much as to risk his career and his very life to frame them for an act of bio-terrorism? With no known history of anti-Arab or anti-Muslim prejudice, it seems highly improbable that Ivins would resort to such extreme criminality just to give Muslims a bad name. The official story acknowledges that no Arab or Muslim took part in this crime — so what are we to make of these fake letters and the person(s) responsible for their creation? It should be exceedingly obvious by now that whoever was actually behind the Anthrax attacks had a precise agenda aimed at having Muslims blamed for terrorism against the U.S. to facilitate a political end, such as a war against Iraq, Afghanistan and other Muslim nations in the Middle East. Mike Rivero explained that,

In short, the entire look of the letters is a contrived fake, creating what they thought a letter from a third world middle eastern terrorist would look like, so that the phrases "Death to Israel", and "Allah is Great" (a real Muslim says either "Allah Achbar" or "God is Great") would point the finger of blame for the Anthrax at the middle eastern Arabs. Except that we know for

a fact that the Anthrax didn't come from the Middle East. It isn't Saddam's or Osama's, it's the very best high quality mil-spec Anthrax home grown at Fort Detrick, Dugway, and USAMRIID. It's our Anthrax. And that means that all the slanted writing, the extra crossings on the "T"s, the references to Allah and Israel are a carefully crafted hoax, designed to trick Americans into thinking that Arab Muslims from the middle east were to blame for the Anthrax letters. The above letters are not evidence of a terrorist attack but of a deception against the people of the United States; a deliberate frame-up of middle eastern Arabs perpetrated by the same party who owns the Anthrax. That a plan exists to frame Arab Muslims for the crimes of another party is now a proven fact. ("The 9/11 Anthrax Frame-Up," What Really Happened)

See - <http://whatreallyhappened.com/WRHARTICLES/frameup.html>

Aligned perfectly with the modus operandi of the Mossad, the Anthrax episode appears to be just another component of a broader Zionist deception. To unravel this mystery we have to take a look at a man named **Philip M. Zack**, a microbiologist and Lieutenant Colonel in the U.S. Army. Zack worked as a bio-warfare researcher at the Fort Detrick complex where Ivins also worked. Dr. Zack was having an affair with another employee of USAMRIID named Dr. Mariam Rippy. In the early 1990s, the pair were embroiled in a scandal involving the harassment of another scientist at the Fort Detrick lab, named Dr. Ayaad Assaad. An Egyptian-American, Assaad was the victim of racial harassment from Zack, Rippy and others who formed a clique within the lab called "the Camel Club," with the explicit intent to torment and verbally abuse Dr. Assaad. In 1991, Assaad discovered an eight page poem in his mailbox written by Zack and his cohorts which mocked Assaad's Arabic heritage and made lewd references to a "rubber camel." The Hartford Courant ran a story which noted:

“Assaad said he was working on the Saturday before Easter 1991 when he discovered an eight-page poem in his mailbox. The poem, which became a court exhibit, has 235 lines, many of them lewd, mocking Assaad. The poem also refers to another creation of the scientists who wrote it — a rubber camel outfitted with sexually explicit appendages. The poem reads: “In (Assaad’s) honor we created this beast; it represents life lower than yeast.” The camel, it notes, each week will be given “to who did the least.” The poem also doubles as an ode to each of the participants who adorned the camel, who number at least six and referred to themselves as “the camel club.” Two — Dr. Philip Zack and Dr. Marian Rippy — voluntarily left Fort Detrick soon after Assaad brought the poem to the attention of supervisors.” (“Arab scientists recount hostility and harassment at military anthrax lab,” The Hartford Courant, Dec. 19, 2001.)

See -

<http://community.seattletimes.nwsourc.com/archive/?date=20011219&slug=detrick19>

In December 1991 Philip Zack left Fort Detrick. Shortly thereafter, 27 specimens, including Anthrax, Ebola and the hantavirus, disappeared from the lab. (“Anthrax Missing From Army Lab,” The Hartford Courant, Jan. 20, 2002.) A 1992 inquiry into the incident uncovered that suspicious individuals had continuously entered the lab late at night to conduct unauthorized research involving Anthrax. (Ibid.) Two former scientists there told reporters that it wouldn’t have been particularly difficult for someone with a security clearance to smuggle specimens out of the lab. The Hartford Courant reported:

See - http://whatreallyhappened.com/ARCHIVE/ctnow_com%20SPECIALS.htm

“Dr. Mary Beth Downs told investigators that she had come to work several times in January and February of 1992 to find that someone had been in the lab at odd hours, clumsily using the sophisticated electron microscope to conduct some kind of off-the-books research. After one weekend in February, Downs discovered that someone had been in the lab using the microscope to take photos of slides, and apparently had forgotten to reset a feature on the microscope that imprints each photo with a label. After taking a few pictures of her own slides that morning, Downs was surprised to see “Anthrax 005” emblazoned on her negatives.”

Documents from the inquiry into the disappearance of specimens at the facility — including Anthrax — revealed that on the night of January 23, 1992, a security camera recorded Philip Zack, who was no longer working there at the time, being let into the lab by his mistress Dr. Marian Rippy. Zack apparently made routine unauthorized visits to the lab to reminisce with his former colleagues, and possibly to engage in more sinister activities. (Ibid.) A few days after 9/11, before the Anthrax-tainted letters started to arrive in people’s mail, an anonymous letter was written and mailed to the FBI which falsely accused Dr. Ayaad Assaad of being “a potential biological terrorist.” The writer of the letter claimed to have worked with Assaad and “heard him say that he has a vendetta against the U.S. government and that if anything happens to him, he told his sons to carry on.”

The letter went on to urge the FBI to stop him. (Laura Rozen, "Fort Detrick's anthrax mystery," Salon, Jan. 26, 2002.)

See - <http://www.salon.com/2002/01/26/assaad/>

On October 2, 2001, Assaad was called in for an interview with the FBI, who then proceeded to question him about the accusations made against him in the anonymous letter. According to Assaad's testimony, only a former co-worker of his could have been privy to the personal information about him that was detailed in the letter. The FBI quickly cleared Assaad of the accusation that he could be a bio-terrorist, but showed little interest in talking with him further or in finding out who sent them the erroneous letter to begin with. Assaad was left puzzled by this, seeing as the letter turned out to be incredibly self-incriminating because it revealed an eerie foreknowledge of the imminent Anthrax attacks. The timing of the letter makes it quite apparent that whoever was behind the attempt to frame Assaad, was actually behind the Anthrax-tainted letters that turned up in the mail a short time later. **"The whole world wants to talk to me, except the FBI... Something's wrong here,"** Assaad told the online publication Salon. Assaad and his attorney Rosemary A. McDermott believe there is a very close connection between the unsigned letter accusing him of being a bio-terrorist and the person who actually sent the Anthrax to two U.S. Democratic Senators, NBC's Tom Brokaw and others. Ms. McDermott said, **"The person who wrote that letter knew intimate details of my client's life and his professional history, and about the Fort Detrick operation. I don't think that is a coincidence."** Assaad posited his own theory about the attempt to frame him, suggesting that his Arab background and expertise in biological and chemical agents made him the **"perfect scapegoat."** Assaad strongly suspected that whoever wrote and mailed the letter to the FBI knew in advance what was going to happen and created **"a suitable, well-fitted scapegoat for this action."** (Justin Raimondo, "Cold Case," The American Conservative, Sept. 25, 2006.)

See - <http://www.theamericanconservative.com/articles/author/justin-raimondo/page/2/>

Why was the FBI so reluctant to pursue this huge lead in the Anthrax investigation? The malicious author of the frame-up letter was a former colleague of Dr. Assaad who harbored a huge grudge against him. The only person who fits that description better than anyone else is Lt. Col. Philip Zack, the anti-Arab bully who tormented Assaad at the Fort Detrick lab in the early 1990s. The same lab where Zack was caught on a security camera making unauthorized visits late at night shortly before Anthrax spores had gone missing in 1992. The same lab where Bruce E. Ivins, the Anthrax patsy who allegedly committed suicide, also worked. The same lab where the Anthrax spores used in the letters originated from. It really is an open and shut case. The real reason that the FBI refused to track down Philip Zack and question him about his very guilty and incriminating pattern of behavior surrounding Anthrax, Dr. Assaad and the Fort Detrick biowarfare lab, is because he is Jewish. And judging by his vicious anti-Arab racism, he appears to be a radical pro-Israel Zionist, a terrorist sayan for the Mossad. (Hector Carreon, "FBI Closes in on Anthrax Terrorist: Prime Suspect is a Zionist," La Vox De Atzlan, Feb. 26, 2002.) Commenting on the debacle surrounding Dr. Assaad, Le Vox De Atzlan opined that the USAMRIID lab had been overtaken in the early 1990s by a rogue network of Jewish-Zionist conspirators led by Lt. Col. Philip Zack who were endeavoring to steal Anthrax from the lab to use in a biological attack and have it blamed on Arabs. Hector Carreon explained:

See - <http://www.aztlan.net/zack.htm>

"The racist and bigoted attacks on Dr. Ayaad Assaad by Zionist Philip Zack and others started while he worked at the Army's bioweapons lab at Fort Detrick in Maryland during the 1990's. This is when a vicious racist vendetta was launched against the scientist of Arab descent. A group of coworkers led by then Army Lt. Col. Philip Zack began a hateful campaign to harass and get Dr. Assaad fired from his duties. The Zionists apparently wanted to get rid of anyone that could uncover their sinister plans which consisted in stealing "weapons grade anthrax" and other deadly viruses used in biological weapons."

Although it cannot be proven for certain that Philip Zack personally sealed and mailed the Anthrax letters, the circumstantial evidence surrounding Dr. Zack, Dr. Assaad, USAMRIID and the anonymous frame-up letter sent to the FBI that was designed to implicate Assaad in the soon-to-happen Anthrax attacks, paints a convincing picture that Lt. Col. Philip Zack is the guilty party behind all of this chaos and subversion. All of the facts of the case have yet to be uncovered, due to the deliberate failure of the FBI to properly investigate the matter, but the evidences compiled here form a narrative that certainly makes a lot more sense than the bizarre Bruce Ivins storyline. The initial propaganda had it that Al-Qaeda and Iraq were behind the Anthrax attack. When that flimsy narrative fell apart the real perpetrators needed a scapegoat to take the fall, which is why Bruce Ivins'

alleged suicide proved to be a godsend for the FBI and their cover up of what really happened. A clear pattern of Federal protection of Dr. Zack leads me to believe that he was part of a covert Mossad operation to orchestrate the Anthrax terror scare. Beholden to Jewish power, the FBI has shown itself to be nothing more than a corrupt conduit of the Zionist Lobby in America, routinely ditching extremely substantial clues that lead to Jewish, Zionist and Israeli suspects, while relentlessly pursuing phony leads that cast suspicion upon Arab and Muslim patsies. If Zack had been properly investigated and shown to be the criminal mastermind behind the Anthrax attacks, the entire facade of Israeli deceit behind 9/11 itself would have come crashing down. The Jewish overseers of the American government and media establishment simply could not let that happen, and did everything in their power to prevent it.

In addition to propping up Jewish war propaganda to justify the invasion of Iraq and Afghanistan and a war against the entire Muslim world, the second underlying motive behind the Anthrax terror scare was to intimidate the U.S. Congress into rubber-stamping the war agenda in the Middle East and the erosion of civil liberties on the homefront via the U.S. "Patriot Act," which was introduced in Congress on the 2nd of October, 2001. The Bush administration pressed the Congress to pass the freedom-killing "anti-terror" legislation within a one week timeframe but encountered obstacles in two Democratic Senators, Tom Daschle (the Senate Majority Leader) and Patrick Leahy. Anthony York of Salon noted that Patrick Leahy, the Senator from Vermont, was **"one of the president's most outspoken critics since Sept. 11, as the administration has moved aggressively to curtail civil liberties in its war on terrorism."** ("Why Daschle and Leahy?," Salon, Nov. 22, 2001.) Daschle, as Senate Majority Leader, was in a key position to block or slow the passage of the Patriot Act, and was intent on doing so until certain events transpired that changed his mind, namely, the Anthrax attacks. It just so happens that both Daschle and Leahy were both personally targeted by the Anthrax mail terrorist, although both managed to avoid being harmed. The Anthrax hysteria resulted in the hurried passage of the Patriot Act through Congress. Most Congressmen did not even read the legislation before signing it into law, fearing another 9/11 or more Anthrax letters.

See - http://www.salon.com/2001/11/22/anthrax_17/

The LA Times made the honest observation that, “The anthrax attacks, coming on the heels of Sept. 11, had enduring effects. They deepened fears of terrorism and helped advocates of a U.S. invasion of Iraq make their case to Congress and the public. They prompted an expensive and risky expansion of federally funded biodefense laboratories.” (“The anthrax killings: A troubled mind,” Los Angeles Times, May 29, 2011.) Glenn Greenwald, writing for Salon, noted the significance of the Anthrax scare to benefit the Bush administration’s “War on Terror” crusade and their desire for unlimited defense spending, stating:

See - <http://articles.latimes.com/2011/may/29/nation/la-na-anthrax-ivins-20110529>

***“It is hard to overstate the political significance of the anthrax attacks. For reasons I’ve described at length, that event played at least as much of a role as the 9/11 attacks in elevating the Terrorism fear levels which, through today, sustain endless wars, massive defense and homeland security budgets, and relentless civil liberties erosions. ... in essence, it was anthrax that convinced large numbers of Americans that Terrorism was something that could show up without warning at their doorstep — though something as innocuous as their mailbox — in the form of James-Bond-like attacks featuring invisible, lethal powder.*”**

Moreover, anthrax was exploited in the aftermath of 9/11 to ratchet up the fear levels toward Saddam Hussein, as ABC News' Brian Ross spent a full week screeching to the country — falsely — that bentonite had been found in the anthrax and that this agent was the telltale sign of Iraq's chemical weapons program, while George Bush throughout 2002 routinely featured "anthrax" as one of Saddam's scary weapons." ("Serious doubt cast on FBI's anthrax case against Bruce Ivins," Salon, Feb. 16, 2011.)

See - <http://www.salon.com/2011/02/16/ivans/>

Much like 9/11 itself, the only beneficiaries of the Anthrax attacks were Israel, the U.S. Federal government and the out-of-control U.S. defense establishment. The people who benefited least of all from the event were Arabs and Muslims who have been on the receiving end of U.S. depleted uranium bombs; and Bruce Ivins, who ended up dead in a hospital with too much Tylenol in his stomach. Evidence that some top officials in the White House may have had foreknowledge of the Anthrax attacks came to the surface in October of 2001. On the night of the September 11 attacks, the White House dispensed an antibiotic known as Cipro to its staff. This drug is effective in combating the Anthrax virus. Sandra Sobieraj, a writer for the Associated Press, reported:

Moreover, anthrax was exploited in the aftermath of 9/11 to ratchet up the fear levels toward Saddam Hussein, as ABC News' Brian Ross spent a full week screeching to the country — falsely — that bentonite had been found in the anthrax and that this agent was the telltale sign of Iraq's chemical weapons program, while George Bush throughout 2002 routinely featured "anthrax" as one of Saddam's scary weapons." ("Serious doubt cast on FBI's anthrax case against Bruce Ivins," Salon, Feb. 16, 2011.)

See - <http://www.salon.com/2011/02/16/ivans/>

Much like 9/11 itself, the only beneficiaries of the Anthrax attacks were Israel, the U.S. Federal government and the out-of-control U.S. defense establishment. The people who benefited least of all from the event were Arabs and Muslims who have been on the receiving end of U.S. depleted uranium bombs; and Bruce Ivins, who ended up dead in a hospital with too much Tylenol in his stomach. Evidence that some top officials in the White House may have had foreknowledge of the Anthrax attacks came to the surface in October of 2001. On the night of the September 11 attacks, the White House dispensed an antibiotic known as Cipro to its staff. This drug is effective in combating the Anthrax virus. Sandra Sobieraj, a writer for the Associated Press, reported:

"On the night of the Sept. 11 attacks, the White House Medical Office dispensed Cipro to staff accompanying Vice President Dick Cheney as he was secreted off to the safety of Camp David, and told them it was "a precaution," according to one person directly involved. At that time, nobody could guess the dimensions of the terrorists' plot." ("White House Mail Machine Has Anthrax," Washington Post, Oct. 23, 2001.)

See - http://www.washingtonpost.com/wp-srv/aponline/20011023/aponline201158_000.htm

How did the White House know to give out this drug a full month before any trace of Anthrax turned up in Washington? Were they tipped off? Indeed they were, according to the Winter Patriot Blog, which reported that “[o]n **September 11, 2001, Jerome Hauer advised the White House to begin taking Cipro, an antibiotic which is effective against anthrax.**” (“Meet Jerome Hauer, 9/11 Suspect Awaiting Indictment,” Winter Patriot Blogspot, Feb. 26, 2007.) We should have another look at this sordid character. As a national security adviser of the National Institute of Health (NIH), Jerome Hauer directed that organization’s response to the Anthrax scare, and was thus in a prime position to know what was really going on throughout the duration of the biological terror campaign. Why did Hauer tell the White House staff to take Cipro if he wasn’t aware that something bad was about to happen involving Anthrax? The Winter Patriot explained further:

See - <http://winterpatriot.blogspot.com/2007/02/meet-jerome-hauer-911-suspect-awaiting.html>

“Jerome Hauer received relatively good information for tracking down the origin of the anthrax. He even got a list of people from various institutes, including USAMRIID at Fort Detrick. But his response was slow and hidden behind a public relations campaign spreading Orwellian claims like “Suspects are Osama bin Laden and his Al-Q’aeda network and sympathizers to US right wing extremists”. Why would he act so slowly, and in such an inappropriate fashion? Perhaps because Jerome Hauer knew someone whose name was on that list? Stephen Hatfill, at one time considered a prime suspect in this still-unsolved case, had worked for USAMRIID at Fort Detrick. Strangely, perhaps, he had also worked with Jerome Hauer, for Scientific Applications International Corporation, at the Center for Counterterrorism Technology and Analysis.”

Hauer’s hands just keep getting dirtier and dirtier. He has had a long career as a specialist in the field of bio-chemicals, bio-weapons and infectious diseases. (“Who is Jerome “Jerry” Hauer?”, 911 Omission Report Website, Mar. 13, 2004.) In the early 1990s, Hauer participated in the Johns Hopkins Working Group on Civilian Bio Defense, where he wrote various articles about a possible bioterrorist attack. In 1998, he lobbied Rudy Giuliani to

develop a vaccine for the West Nile virus a year before the virus broke out in New York, upon which he subsequently spearheaded the West Nile spraying operation in NYC. He routinely gives lectures about bioterrorism and writes scripts envisioning terror events that cause mass casualties and mass panic. He has participated in and organized all kinds of bioterror “drills” and “war games.” In 1999 he put together a conference in New York for journalists and leading bioterrorism ‘thinkers’ which he named “Reporting on Weapons of Mass Destruction – Responsibility, Reliability, Readiness.” On the 6th of November, 2001, Hauer took part in the “Independent Task Force on America’s Response to Terrorism” at the Jewish-run Council on Foreign Relations (CFR). He contributed to a paper that was produced by the group entitled “Improving the US Public Diplomacy In the War Against Terrorism“. Their agenda, eight weeks after the 9/11 attacks, included the following sinister objectives:

See also - http://www.911omissionreport.com/jerome_hauer.html

See also - <http://www.cfr.org/terrorism/improving-us-public-diplomacy-campaign-war-against-terrorism/p4215?excerpt=1>

- ***Release a White Paper explaining our goals and rationale for the war in Afghanistan, and outlining the evidence that the al-Qa’eda network was responsible for the 9/11 attacks.***
- ***Disseminate stories of particular victims to convey the range of people killed in the 9/11 attacks — stress range of religions, races, income levels, etc.***
- ***Counteract myth that Mossad was behind the attacks by showing Jews killed, etc.***
- ***Routinely monitor the regional press in real time to enable prompt responses.***

As this report shows, Hauer and his Jewish elitist friends immediately mobilized to push their agenda of war against the Islamic world and to suppress the truth about Mossad’s hand behind most of this monstrous malfeasance. Hauer positioned himself into multiple influential posts to coordinate the attacks and the response to them. He was a top official of Rudy Giuliani’s “Office of Emergency Management” in NYC, the director of the NIH response to the Anthrax attacks, a close confidant of Larry Silverstein, a managing director of Kroll Associates (the WTC’s security company), and made guest appearances on TV spewing Orwellian propaganda that “fires and jet fuel” caused the collapse of the Twin Towers and that Al-Qaeda was responsible for 9/11. Hauer, a Zionist Jew born and raised, is supremely guilty of terrorist crimes and treason against the American people. When and where will he be put on trial for this unspeakable evil?

The 9/11 attacks and the Anthrax terror scare were part of the same covert operation. This foreboding conspiracy to terrorize the people of America into a paranoid state of paralysing fear and helplessness was spearheaded by a terrorist network of Zionist Jews. All of the known facts collectively point in the direction of Israel, the Mossad and their helpers in America. The purpose and

intent of this pernicious plot boils down to one thing: the Zionist quest to conquer the Middle East and have the 'goyim' do the dirty work. Israel's leaders have the audacity to call their rogue nation "America's greatest friend." That begs the question: with friends like Israel, who needs enemies?

The Cover-Up: Zionist Insiders in Key Positions

Israel Aggression

The criminals who pulled off 9/11 would have never even attempted the operation if they were not completely certain that they could get away with it. Israel, as I have shown, has a long history of terrorism, particularly false flag provocations, and has to date never suffered any consequences for its wicked actions. When Jewish terrorists bombed the King David Hotel in 1946 killing nearly one hundred people, including dozens of British military officers, they got away with it. The mastermind of the attack, Menachem Begin, later went on to become the Prime Minister of Israel. When Israeli agents bombed American and British targets in Egypt in 1954 and tried to frame Egyptians for the attacks, they got away with it. When Israel attacked the USS Liberty in 1967 killing and wounding over 200 American servicemen, they got away with it. In fact, the U.S. President at the time, Lyndon Baines Johnson, dutifully helped Israel whitewash the atrocity by going along with the insulting Zionist nonsense that the attack was just an innocent "case of mistaken identity." Since that time, Israel has committed a litany of false flag terror attacks, hundreds if not thousands of targeted assassinations, and have murdered tens of thousands of Palestinians, Lebanese, Egyptians and other Arabs in military assaults, yet have gotten away with all of it. These historical precedents irrefutably demonstrate that it is certainly within the power of Israel and the Jewish crime network to commit mass murder without any repercussions.

The cover up of what really happened on 9/11 was largely organized by one behind-the-scenes string puller: **Michael Chertoff**. Chertoff is 9/11's leading

cover up man who oversaw the official “investigation,” or lack thereof, into the attacks. In his key position as the Assistant Attorney General heading the U.S. Justice Department’s “criminal division,” Chertoff had oversight of all of the critical evidence that could prove what actually happened on that day and determine who was responsible. Instead of revealing what happened, Chertoff engaged in a concerted effort to hide and bury all of the anomalies and occurrences that didn’t fit with the narrative that the Zionist-occupied Bush administration wanted the public to believe.

It is highly relevant to point out that Michael Chertoff is not only a Talmudic Jew, he is a dual citizen of the U.S. and the state of Israel whose late mother Livia Eisen, an El Al airlines employee, participated in a secret Mossad mission to transfer Yemenite Jews to occupied Palestine in the 1950s, code-named “Operation Magic Carpet.” (Chris Bollyn, “Michael Chertoff’s Childhood in Israel,” Bollyn Official Website, Oct. 26, 2007.) Chertoff’s entire family are dedicated Jewish supremacists and zealous Zionists. His father and grandfather, who had emigrated to the U.S. from Tsarist Russia, were both rabbis and prominent teachers of the Talmud. (Chris Bollyn, “Controlled Press Hides Chertoff’s Israeli Roots,” Bollyn Website, Mar. 4, 2005.) His wife, Meryl Chertoff, served on the Board of the New Jersey branch of the Jewish hate group, the ADL of B’nai B’rith, and received an award from the group for her diligent work to advance the Zionist cause. (Huffington Post) Why in the world is a man who is a citizen of a foreign nation — a nation whose intelligence operatives were caught red-handed on 9/11 participating in the attack — allowed to head the official ‘investigation’ into this crime? To say that this would be the equivalent to putting the fox in charge of the hen house would be an understatement.

See - <http://www.bollyn.com/michael-chertoffs-childhood-in-israel>

See - <http://www.bollyn.com/controlled-press-hides-chertoffs-israeli-roots-2>

See - <http://www.huffingtonpost.com/meryl-chertoff/>

The astute Iraqi-American writer Jonathan Azaziah, in his informative study of this matter entitled “9/11: Israel’s Grand Deception,” accurately depicted Michael Chertoff as the **“savior of the Israeli spy ring.”** Performing his duties as a loyal ‘sayan,’ Chertoff went straight to work to hide Israel’s participation in the attacks. Chertoff and his synagogue buddy Michael Mukasey, the New Jersey judge who ensured that Larry Silverstein got a massive insurance payout on his destroyed buildings, arranged for the release of the over 200 Israeli spies and terrorists who had been arrested before, on and after 9/11, including the infamous five dancing Israelis and the ones who were arrested trying to plant explosives on the George Washington Bridge. Chertoff and his Jewish cohorts put intense pressure on the FBI to close down all investigations into the Israeli suspects. Chris Bollyn reported:

See - <http://www.maskofzion.com/2010/09/911-israels-grand-deception.html>

“In the days after the attacks, Mukasey and other New York judges worked behind closed doors, seeing some of the first material witnesses detained by federal authorities. This must have included a large number of Israelis,

particularly the “five dancing Israelis,” who were seen celebrating as they videotaped the destruction of the World Trade Center.” (“Bush Nominates Zionist Jewish Judge Involved in Key 9-11 Judgements to Serve as U.S. Attorney General,” Gnostic Liberation Front, Sept. 17, 2007.)

See also -

http://gnosticliberationfront.com/bush_nominates_zionist_jewish_judge.htm

After months of feverish lobbying and maneuvering on the part of Chertoff and Zionist groups like AIPAC and the ADL, all of the Israeli terror suspects who were being held in U.S. jails were quietly released back to Israel. The cover up was in full swing. At 9:45 am on 9/11, all American civilian flights were ordered to be grounded by the Transportation Secretary Norman Mineta. In contravention of this rule, a fully loaded flight with the Israeli airline El Al was allowed to take off from JFK airport at 4:11 in the afternoon heading to Tel Aviv, according to Wayne Madsen. The flight's departure, says Madsen's sources, was "authorized by the direct intervention of the U.S. Department of Defense." ("Full El Al flight took off on 9/11 from JFK to Tel Aviv," Wayne Madsen Report, Mar. 16, 2010.) Who within the Department of Defense authorized this flight? Who were the Israelis onboard this suspicious flight? Were they Mossad agents? And why were Israelis allowed to fly back to Israel on 9/11, when all other airlines in the country were grounded? In a Zionist America, Israelis are given privileges that even American citizens are not afforded. For obvious reasons, Michael Chertoff was not willing to investigate the matter.

See - <http://citizensinquest.ca/?p=272>

Lenin and Chertoff - The JEW BASTARD

In a criminal effort to obscure the arrest of nearly one hundred Israelis in the aftermath of 9/11, Chertoff organized a massive round-up of thousands of Arabs and Muslims in the New York/New Jersey area and falsely classified them as '9/11 suspects' in order to make the arrests of Israelis appear less conspicuous. (Mike Whitney, "Failing Upwards: The Rise of Michael Chertoff," Counter Punch, Jan. 22-24, 2005.) The Jewish-owned press refused to cover the story of the Israeli arrests anyway and there was no protest from the Bush administration when they were all released. For his determined efforts to cover up Israel's involvement in 9/11 and falsely pin the crime on Muslims, Chertoff was later appointed by President George Bush as the second director of the newly created "Homeland Security" Department — the organ that would be used to implement a police state in America. Bush heaped accolades on Chertoff, praising him as **"a key leader in the war on terror."**

<http://www.counterpunch.org/2005/01/22/the-rise-of-michael-chertoff/>

Jew Bastard Hellerstein

Chertoff is the principal architect of the “Patriot Act,” the treasonous legislation railroaded through Congress immediately after 9/11 which essentially eroded the Bill of Rights and Constitution, giving the U.S. government dictatorial powers to be able to legally spy on and arrest American citizens merely on suspicion or other nebulous justifications. In the words of writer Mike Whitney, the Patriot Act was a **“300-plus page blueprint for the modern National**

Security State; patterned to great extent on the successes of the KGB in the Soviet system.”

The freedom-destroying act had already been written and prepared by Chertoff and his associates long before 9/11, waiting to be picked up off the shelf and signed into law. The enemies of freedom were banking on a 9/11-style event which would create circumstances conducive to executing their insidious plans to transform America into a re-run of the communist destruction of Soviet Russia. By all honest accounts, Chertoff is an anti-American, anti-gentile Bolshevik brigand and a ring leader of the Jewish crime network. He bears a striking resemblance to communist despot Vladimir Lenin, and indeed shares Lenin's insatiable appetite for power and control over the population, whom they view as mere sheep and cattle to be herded and culled. The enormity of Chertoff's crimes and treason against the United States cannot be quantified with mere words.

Another cardinal culprit responsible for the concealment of Israel's hand in 9/11 is Alvin K. Hellerstein, a judge for the Federal District Court in Manhattan. He has been involved in several high-profile 9/11 related cases, including a consolidated master case against three airlines, ICTS International NV and Pinkerton's airport security firms, the World Trade Center owners, and Boeing Co., the aircraft manufacturer. Hellerstein has done everything in his power to shield the Mossad-linked airport security firm ICTS, and its U.S.-based subsidiary 'Huntleigh USA' which provided "passenger screening" at several of the airports involved in 9/11, from prosecution. (Chris Bollyn, "Behind Closed Doors: Israelis Dismissed from 9/11 Trial," Bollyn Website, June 12, 2011.) No airline or airport security company has been found negligent by his court, and not one victim's lawsuit has made it past his byzantine rules and been granted a trial. In an effort to hurriedly sweep 9/11 under the carpet to avoid any embarrassing revelations that would inevitably emerge through lawsuits, he told the families who lost loved ones on September 11th: **"We have to get past 9/11. Let it go. Life is beautiful. Life is short. Live out your years. Take the award."** (Tom Flocco, "NY judge 'sanitizes' 9/11 airline trials, blocks key fed witness testimony," Flocco Official Website, June 28, 2007.)

See - <http://www.bollyn.com/behind-closed-doors-israelis-dismissed-from-911-trial>

See - <http://www.tomflocco.com/fs/JudgeSanitizes911AirTrials.htm>

Alvin Hellerstein has a clear conflict of interest and as such is not suitable to preside over these trials. Besides the fact that Hellerstein and his entire family are Jewish and zealous Zionists with long-standing ties to Israel, his son Joseph is a lawyer in Israel with Amit, Pollak, and Matalon, a law firm which represents the Israeli owners of ICTS and Huntleigh USA. (Chris Bollyn, "Judge Hellerstein's Unethical Connection to Key Defendant in 9-11 Lawsuit," Bollyn Website, May 10, 2010.) Hellerstein's wife is a former senior officer and treasurer of AMIT, Americans for Israel and the Torah. His late sister, Helene Mullhall, made "Aliyah" to Israel. (Chris Bollyn, "Is 9-11 Judge Hellerstein Working for Israel?" Rumor Mill News, Oct. 23, 2007.) Christopher Bollyn discovered that in 1956, a

young Hellerstein was on board the same flight from Mexico City to New York City as Hank Greenspun, a notorious Jewish gangster who was heavily involved with illegally smuggling weapons to Zionist forces in occupied Palestine. Bollyn writes:)

“The 23-year-old Alvin K. Hellerstein traveled from Mexico City in August 1956 when the Suez Crisis was getting very hot and at a time when U.S. weapons sales to Israel were banned. Given the fact that the Israelis used Mexico City for all kinds of illegal shipments of weapons and drugs, and seeing that Hellerstein is doing everything possible to protect the Israeli defendants in the 9-11 litigation, it is fair to ask: What was Alvin Hellerstein doing in the summer of 1956 and exactly what are his ties to the State of Israel?”

<http://www.bollyn.com/judge-hellersteins-unethical-connection-to-key-defendant-in-9-11-lawsuit>

See also - <http://www.rumormillnews.com/cgi-bin/archive.cgi?read=111821>

Two more rabid Jewish-Zionist lawyers, **Kenneth Feinberg and Sheila Birnbaum**, were brought in to persuade 9/11 victims’ families not to pursue any lawsuits against the airlines, the U.S. government, and most especially the Israeli Mossad-run security firm ICTS. Feinberg was appointed by the Attorney General John Ashcroft to be the ‘Special Master’ of the 9/11 “victims compensation fund,” working on the issue for 33 months entirely pro-bono. (“Compensation Czar Kenneth Feinberg,” TIME Magazine, Oct. 23, 2009.) This entity provided lump sums of cash to the families of the victims of 9/11 in exchange for binding promises that they wouldn’t file any lawsuits against the government or parties involved with the events of 9/11, such as the airlines and airport security companies. Little did they know that their own government was fully complicit in the attacks, assisting Israel. Feinberg managed to persuade 97 percent of the victims’ families to take the money in exchange for renouncing their right to sue the 9/11 criminals, awarding \$7 billion in total compensation money. Feinberg was notoriously corrupt in his practices — one family member of a 9/11 victim called him “patronizing, manipulative and at times, even cruel.” (“Countering loss

with compassion and money,” Los Angeles Times, Nov. 30, 2011.)

See - <http://www.time.com/time/nation/article/0,8599,1903547,00.html>

See - <http://articles.latimes.com/2011/nov/30/nation/la-na-ken-feinberg-20111130>

Sheila Birnbaum was a lawyer for the Jewish-dominated law firm “Skaddan, Arps,” which Jonathan Azariah has described as **“a Zionist fifth column in the United States that is loaded to the brim with Hebrew-speaking, dual-citizen Zionist attorneys hellbent on assisting ‘Israeli’ companies in raising capital outside of the Zionist entity.”** (“The 9/11 Delusion: Israel’s False Flag, Jingoism And Inhumanity,” Mask of Zion, Sept. 17, 2011.) She served as the ‘special mediator’ for the cases of the 3 percent of victims’ families who decided not to take Feinberg’s bribes and seek justice for their lost loved ones through the courts. (“The 9/11 Victim Settlements: A Chat With Skadden’s Sheila Birnbaum,” Wall Street Journal, Mar. 13, 2009.) In this function, Birnbaum used heavy-handed tactics to brow-beat many of these families into abandoning their quests for justice, acquiescing to the cash award from Feinberg’s corrupt compensation fund. This treasonous team of corrupt attorneys, lawyers and judges — unified by their Jewish heritage and Zionist ideology — worked in lock-step to suppress the truth about 9/11.

See - <http://www.maskofzion.com/2011/09/911-delusion-israels-false-flag.html>

See - <http://blogs.wsj.com/law/2009/03/13/the-911-victim-settlements-a-chat-with-skaddens-sheila-birnbaum/>

Another central aspect of the cover up entailed the criminal destruction of the steel of the collapsed World Trade Center towers to prevent studies from being

undertaken that could determine what actually caused their unfathomable collapse at nearly free-fall speed. Two companies were involved in hurriedly processing and shipping over 300,000 tons of WTC steel to smelters in China and India: Metals Management and Hugo Neu Schnitzer East. Metals Management was owned by the Zionist Jew Alan D. Ratner. ("World Trade Center scrap sails for India, China," Rediff, Jan. 21, 2002.) Hugo Neu Schnitzer East is a New Jersey scrap metal company that was established in 1947 by the German Jew and Rothschild agent Hugo Neu. Christopher Bollyn dug up some rather interesting connections between this company and Israeli firms specializing in producing the explosive substance nanothermite that was found in the dust of the pulverized Twin Towers, writing:

See also - <http://www.rediff.com/money/2002/jan/21wtc.htm>

"Today, Hugo Neu is invested in an Israeli venture capital fund called the Agua-Agro Fund. The Agua-Agro fund is managed by Nir Belzer, a senior manager and co-founder of Israel's Millenium Materials Technologies Funds with a man named Oren Gafri. From 1979 to 1989, Gafri served as an executive of the Israeli Aircraft Industries Ltd (IAI), Bedek Division, as the Manager of Materials and Process, in charge of the Chemical, Metallurgical, Composite and Non Destructive Testing (NDT) facilities, Labs and R&D. He trained at Israel's Nuclear Research Center (Dimona) in the Negev Desert. Gafri is a specialist in energetic nano-composite coatings exactly like the one that pulverized the 220 acres of concrete floors in the World Trade Center. Belzer and Gafri's MMT Fund is invested in several companies that produce such coatings. These connections are certainly not entirely coincidental." ("Hugo Neu and the Giuliani Partners Who Destroyed the Steel of 9/11," Bollyn Website, April 18, 2011.)

See also - <http://www.bollyn.com/hugo-neu-and-the-giuliani-partners-who-destroyed-the-steel-of-911>

Hugo Neu's managing director was Robert A. Kelman, a Zionist Jew. Two other Zionist Jews from Belgium, Jehuda Saar and Nathan Fruchter, were placed in the company to manage its international trading division. They worked closely with Marc Rich, the notorious Jewish fugitive, financial gangster and Mossad spy who was indicted for countless crimes, but was later pardoned by the Zionist puppet Bill Clinton. Bollyn explained the significance of these associations in this way:

"Marc Rich has long worked for the Mossad and with the Bush family. The Marc Rich foundations are managed by a high-level Mossad agent named Avner Azulay. The Saar-Fruchter international trading division at Hugo Neu was the Mossad network through which the 300,000 tons of steel from the World Trade Center were "recycled" in Asian steel mills. The steel was cut up into small pieces about two meters long before being sent to Chinese and Indian steel mills, which means that the steel evidence from the Twin Towers was being destroyed in the scrap yard of Hugo Neu before it was

loaded onto ships bound for China.” (“Who Destroyed the 9/11 Evidence?,” Bollyn Website, Dec. 25, 2010.)

See - <http://www.bollyn.com/who-destroyed-the-911-evidence/>

Overseeing and approving all of this criminal destruction of evidence was the mayor of New York City on 9/11, Rudy Giuliani, a servile stooge of Jewish interests. A hawkish supporter of Israel, Giuliani once said jokingly that he is a **“half Israeli citizen now,”** due to his frequent visits to that nation to pander to Zionist politicians. (“Giuliani Meets With Israel’s Olmert,” New York Times, June 18, 2007.) Groomed by Jewish billionaires and surrounded by Zionists, Giuliani served as nothing more than window dressing for the Jewish crime network. To appease his Jewish handlers, he falsely asserted that since 9/11 the **“vast majority of Americans feel an increased kinship with Israel.”** (The Jewish Voice and Opinion, April 2007.) A central figure who took a leading role in the so-called “clean up” process of getting rid of the steel rubble of the WTC was Richard J. Sheirer, Rudy Giuliani’s right-hand man who he called the “man behind the curtain” of his administration. New York Magazine dubbed him the invisible **“man behind the mayor,”** pulling Giuliani’s strings from behind the scenes. (Amanda Griscom, “Man Behind the Mayor,” New York Magazine, Oct. 15, 2001.) A New York board of Rabbis named Sheirer a “Jewish Knight” after Rudy Giuliani and several other top NYC officials were knighted in England. (The Jewish Week, Jan. 18, 2002.) When, on the 1st of January, 2002, Michael Bloomberg took over for Rudy Giuliani as Mayor of New York City, Sheirer stayed over into the new administration to continue to manage the removal of the WTC steel from Ground Zero, saying he was doing so “to finish what I started.” (Ibid.) Bloomberg is, of course, a Jewish-Zionist kingpin with a net worth of \$25

billion, the tenth richest man in America.

See - <http://www.highbeam.com/doc/1P1-79393977.html>

The final and most imperative aspect of the cover up was the U.S. government's sham official report on the attack. The Bush administration held off a whopping 411 days before finally establishing a rigged 'commission' on the 27th of November 2002, to whitewash what happened. Called the "9/11 Commission," this group of government insiders were paid to lie to the American people about what really happened on 9/11. The 9/11 commission's budget was a measly \$14 million, hardly enough money to investigate the biggest case of mass murder on American soil. Compare that figure with the \$40 million budget that was allocated to an investigation of Bill Clinton's extramarital affair with Monica Lewinsky! Something is seriously wrong with that picture. The commission's report, titled the "9/11 Commission Report," was a work of pure fantasy, riddled with errors, innuendo, speculation, distortions and lies. In a televised interview, Michael Scheuer, a 22-year veteran of the CIA and former chief of its 'Bin Laden Unit,' told Judge Napolitano of Fox Business News that the 9/11 Commission Report is a "**whitewash and a lie from top to bottom.**" ("U.S. Army & CIA – 9/11 Commission A Cover Up From Top To Bottom," YouTube) Out of the ten primary 9/11 commission members, three are discernibly Jewish: **Jamie Gorelick, John Lehman, and Richard Ben-Veniste**. Of the seventy-eight staff workers at the commission, at least twenty of them can be identified as Jewish by name, including the "Executive Director" **Philip Zelikow, the "General Counsel" Daniel Marcus and the "Deputy for Communications" Alvin S. Felzenberg**. ("National Commission on Terrorist Attacks Upon the United States," Official Website) The most important and influential of the Jewish staff members on the commission was undoubtedly Philip Zelikow. In his key position as the "Executive Director" of the group, Zelikow was the leader of the pack who was responsible for selecting would and what would not be included in the final report.

See - <http://www.youtube.com/watch?v=aUiBOGOs2Nc>

See - http://govinfo.library.unt.edu/911/report/911Report_FM.htm

Zelikow was a Bush administration insider, serving on the President's transition team in early 2000. From 1989-91, Zelikow served with Condoleezza Rice on the National Security Council, and in 1995 they wrote a book together. From 1996-98, Zelikow was Director of the Aspen Strategy Group which also included Condoleezza Rice, Dick Cheney and Paul Wolfowitz as members. In his book "The Commission: The Uncensored History of the 9/11 Investigation," author Philip Shenon pointed out that Zelikow had a clear conflict of interest, in that he wrote a policy paper in 2002 for the Bush administration advocating a maniacal strategy of "pre-emptive" warfare. On CSPAN's Book TV, Shenon bolstered the case that Zelikow had been intimately involved in formulating policy for the White House and thus was not suitable to serve as the director of the inquiry into 9/11, noting:

"Zelikow was the author of a very important document issued by the White House in Sept. 2002 that really turned military doctrine on its head and said that the United States could become involved in pre-emptive war, pre-emptive defense, that we could attack a nation that didn't pose an immediate military threat to this country. And obviously in September 2002, it sure appeared that document was being written with one target in mind: Iraq." ("Shenon: Zelikow Designed Bush Administration's Pre-Emptive War Doctrine In 2002," Think Progress, Mar. 10, 2008.)

See also - <http://thinkprogress.org/security/2008/03/10/20180/zelikow-shenon/?mobile=nc>

In his book Shenon discerned that "[t]he appointment of Zelikow to head the inquiry into America's response to the September 11 terrorist attacks was akin to putting the fox in charge of the hen house." One area of Zelikow's expertise is 'public mythology.' While at Harvard, Zelikow wrote about the use and misuse of history in policymaking.

**“Prof. Zelikow’s area of academic expertise is the creation and maintenance of, in his words, ‘public myths’ or ‘public presumptions’ which he defines as ‘beliefs (1) thought to be true (although not necessarily known with certainty) and (2) shared in common within the relevant political community.’ In his academic work and elsewhere he has taken a special interest in what he has called ‘searing’ or ‘molding’ events (that) take on ‘transcendent’ importance and therefore retain their power even as the experiencing generation passes from the scene. . . . He has noted that ‘a history’s narrative power is typically linked to how readers relate to the actions of individuals in the history; if readers cannot make the connection to their own lives, then a history may fail to engage them at all.’” (“Rape Story – Phillip D. Zelikow... 911 Myth Maker,” Rense, Oct. 12, 2007 / “Thinking about Political History,” Miller Center Report, Winter 1999, pp. 5-7)
See - <http://reense.com/general78/rapestory.htm>
See - http://webstorage1.mcpa.virginia.edu/library/mc/mcreport/vol14_num3.pdf**

In a set of circumstances that even Orwell could never have imagined, the author of the 9/11 Commission Report was a specialist in how to misuse public trust and create myths to shape the perception of the masses around a predetermined political agenda! Stunning, but it gets better. In 1998, Zelikow co-authored a paper with former CIA director John M. Deutch, a Zionist Jew. Entitled “Catastrophic Terrorism,” Zelikow and Deutch prophetically envisioned a “transforming event” rather like Pearl Harbor, that would **“divide our past and future into a before and after”** and would result in police state measures being enacted. Zelikow wrote:

“...the resulting horror and chaos would have exceeded our ability to describe it. Such an act of catastrophic terrorism would be a watershed event in American history. It could involve loss of life and property unprecedented in peacetime and undermine America’s fundamental sense of security, as did the Soviet atomic bomb test in 1949. Like Pearl Harbor, the event would divide our past and future into a before and after. The United States might respond with draconian measures scaling back civil liberties, allowing wider surveillance of citizens, detention of suspects and use of deadly force.” (“Catastrophic Terrorism: Tackling the New Danger,” Foreign Affairs, volume 77, issue 6, November/December 1998, pages 80-94.)
http://belfercenter.ksg.harvard.edu/publication/652/catastrophic_terrorism.html

Ever since this 1998 paper, everything has evolved exactly as Zelikow had predicted it would! As the executive director of the 9/11 Commission, Zelikow conceived the myth that has blinded so many people and created so much hatred, carnage, chaos and destruction — the myth of Al-Qaeda, bin Laden and Muslim culpability for 9/11. As Zelikow has implied, the post-9/11 world depends entirely on “public myths” — fairy tales invented by society’s Jewish supremacist supervisors who perpetuate the illusion of freedom, democracy and the rule of law. As we shall see later on in these pages, these mythical stories and illusory inventions that are presented to the public as ‘authorized history,’ are an

indispensable ideological weapon of International Jewry with which to subdue their gentile host population and march them into endless wars with their enemies, wherever they may happen to be in the world.

New York City, an enclave of Jewish financial, media and political power, was the perfect staging ground for a Mossad false flag operation with the courts, banks, city councils, mayor's office, governor's office, World Trade Center, and even the scrap yards, in their hands. Jews are so dominant and influential in New York, noted MSNBC, that **“even non-Jewish mayors take counsel from rabbis.”** (“Bloomberg — America's first Jewish president?,” MSNBC, July 6, 2007.) Did it happen merely by chance that at every critical juncture of the 9/11 ‘investigation’ we find Jews who possess affectionate attachments with Israel standing firmly in the way of truth and justice? A political cover up of this magnitude required a supremely organized and influential network of individuals, united around a common goal and motivated by a common interest. That network is a Jewish network and the goal that they ferociously pursue is Zionism — Jewish hegemony in the Middle East.

The Terrorism Industry: A Kosher Racket

Much like “the Holocaust © industry,” the terrorism industry is a perfidious kosher

racket for Jewish economic and political gain. Statistics show that more Americans die each year as a result of peanut allergies, bee stings, accidental drownings, deer accidents and lightning strikes than from terrorism. You are more likely to be killed in a car crash or by a tornado than by the hand of a terrorist. (Paul Joseph Watson, “Peanuts Kill More Americans Than Terrorists,” Prison Planet, Jan. 5, 2007.) So why have we been inundated with hype, hysteria and fear mongering about terrorism?

See -

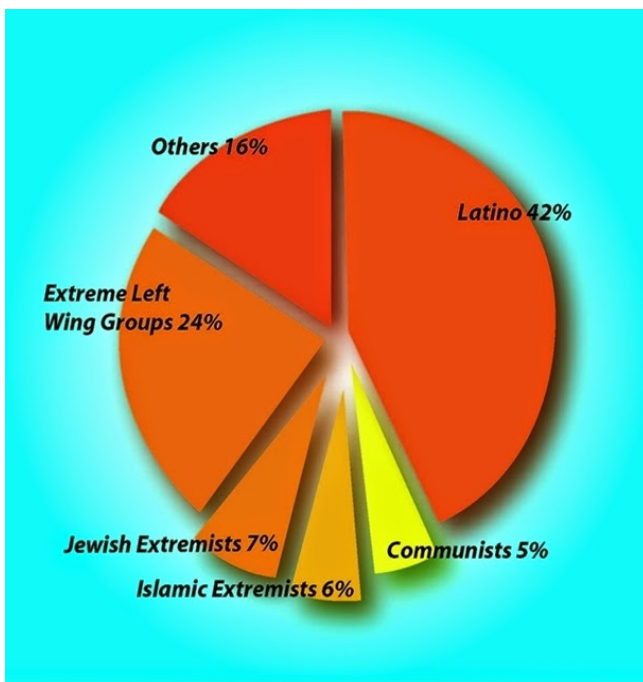

<http://www.prisonplanet.com/articles/january2007/050107peanutskill.htm>

Since 9/11 Western statesmen have claimed to be engaged in a struggle against terrorism which has been dubbed the “war on terror.” The primary aim of organized terrorism is to terrorize populations and governments into acquiescing to their political demands through the use of violent force. The only way this can

be achieved, is by generating a sufficient amount of fear to make people believe that their lives are significantly threatened by potential terrorism. This false fear of terrorism is what is needed for the terrorists to succeed; without the fear of terrorism they are essentially disarmed. If Western governments were actually trying to win a 'war on terror' then they would do everything possible to alleviate people's fear of terrorism by pointing out that an individual is more likely to be struck by lightning than killed in a terrorist attack. But that's not what Western leaders are doing; instead they have consistently attempted to psychologically intimidate their own populations by hyping "terrorist threats," fear mongering about "weapons of mass destruction" and predicting mushroom clouds over large cities.

Anyone of average intelligence should understand by now that there is no "war on terror," as our traitorous leaders tell us, but only the illusion of one. The governments and politicians who claim to be fighting a war against terrorism are the greatest terrorists and killers of all. How can people who commit terrorism on a grand scale, like the governments of the U.S., Britain and Israel, claim to be trying to eradicate terrorism in the world? The Orwellian hypocrisy of this narrative requires a special kind of depravity on the part of its purveyors.

The Jewish-owned mass media would have us believe that modern terrorism is a uniquely 'Islamic' phenomenon. According to a study released by Duke

Terrorist Attacks on U.S. Soil by Group, From 1980 to 2005, According to FBI Database

by group from 1980 to 2005, shows that 5 percent of terror attacks were committed by communists, 6 percent by Muslim extremists, 7 percent by Jewish extremists, 24 percent by radical leftists, 42 percent by Latinos and 16 percent is

University and the University of North Carolina at Chapel Hill, **"the terrorist threat posed by radicalized Muslim-Americans has been exaggerated."** ("Study: Threat of Muslim-American terrorism in U.S. exaggerated," CNN, Jan. 6, 2010.) Not only has it been exaggerated, it is an outright Zionist media deception. The Zionist big lie of the 'Islamic terrorist threat' has been obliterated not only by the facts about Jewish terrorism already presented in this work, but by the FBI's own statistics on terrorism as well. The FBI's stats on terrorist incidents in the United States

listed as 'other.' By the FBI's own records, radical Jews commit more acts of terrorism in the U.S. than radical Muslims! ("All Terrorists are Muslims...Except the 94% that Aren't," Loon Watch, Jan. 20, 2010.)

See - <http://edition.cnn.com/2010/US/01/06/muslim.radicalization.study/>

See - <http://www.loonwatch.com/2010/01/not-all-terrorists-are-muslims/>

So why aren't the American media and government warning us of the dire threat of Jewish, Latino and leftist terrorism? Why have they misled us to believe that all terrorists are Muslims? The media is clearly pursuing a Zionist agenda to terrorize Muslims who just happen to be the enemies of Israel. The terrorism statistics that the FBI has produced are not even accurate when it alleges that Muslims are responsible for 6 percent of the terrorist acts in America from 1980 to 2005, because all of the major terror attacks on U.S. soil that have been blamed on Muslims were actually committed, either in part or exclusively, by Israeli intelligence with the help of the "Sayanim" network. All of the big 'Muslim' terror events have been false flag operations and most of the minor ones — or incidents that were supposedly 'prevented' from taking place by authorities — were created and set-up by the FBI itself! Since 9/11 the FBI has consistently tried to frame Muslims and, by utilizing informants and provocateurs, incite Muslims to commit terrorism. ("Are the feds planting terrorists?" RT America, Mar. 23, 2010 / "FBI Cooked Up DC Bomb Plot?" The Alyona Show (RT America), Oct. 28, 2010 / "Unplugged: FBI Creating Terrorists?" The Alyona Show (RT America), Nov. 30, 2010.) According to a report put out by the RAND Corporation, since September 11, 2001, not a single U.S. civilian has been killed by an 'Islamist' bombing or assassination. ("RAND report: Threat of home-grown jihadism exaggerated, Zero civilians in U.S. killed since 9/11," Loon Watch, May 08, 2010.) Since no Muslims are actually perpetrating acts of terrorism in America, the FBI has endeavored to entrap young American Muslims in sting operations in order to perpetuate the myth of Islam as the "perennial and existential threat of our times" and to justify the Zionist agenda of a "war on terror."

The mass media would have us believe that 'Al-Qaeda' operatives are lurking behind every corner ready to strike. **Let's have a closer look at some 'Al-Qaeda' people. On January 11, 2000, the Indian "Bureau of Civil Aviation Security" (BCAS) had issued a top secret circular warning of a possible hijack attempt on a Bangladesh Biman aircraft originating out of India.** The following day, eleven men dressed in Islamic garb were detained by Indian authorities as suspected hijackers before boarding a flight headed to Bangladesh. It turned out that all eleven men were — despite their attempt at disguising themselves as Islamic preachers — Israeli nationals of Afghan origin,

evidently recruited by Mossad for a secret mission. **“It is not unlikely for Mossad to recruit 11 Afghans in Iran and grant them Israeli citizenship to penetrate a network such as Bin Laden’s. They would begin by infiltrating them into an Islamic radical group in an unlikely place like Bangladesh,”** *said intelligence analyst Ashok Debbarma.* Israel exerted intense pressure on the Indian government to secure the release of the eleven Mossad assets posing as Islamists. (Subir Bhaumik, “Aborted Mission: Investigation: Did Mossad Attempt to Infiltrate Islamic Radical Outfits in South Asia?,” The Week (India), Feb. 6, 2000.) Of course, there was no Western media coverage of this Mossad mishap in my Country, Republic of India.

See - <http://www.the-week.com/20feb06/events2.htm>

It was noted earlier that Ahmad Ajaj, who is alleged to have been a major ‘Al-Qaeda’ kingpin that is said to have been involved in planning the 1993 WTC bombing, was a Mossad asset recruited out of an Israeli prison. In December of 2002, shortly after 9/11, Likud leader Ariel Sharon claimed that Al-Qaeda had established a foothold in the Gaza strip. (“Israel says al-Qaeda active in Gaza,” BBC News, Dec. 5, 2002.) Three days later Palestinian police uncovered a phony ‘Al-Qaeda’ cell in Gaza that had been set up and created by the Mossad. (“Israel ‘faked al-Qaeda presence’,” BBC News, Dec. 8, 2002.) In June of 2004, an Israeli Jew named Mera Doutsy was caught trying to organize terror attacks in the Philippines under the umbrella of ‘Al-Qaeda.’ (Aris Ilagan, “In Baguio City: Israeli terror suspect falls; cops eye link to al-Qaeda,” The Manila Bulletin Online, June 14, 2004.) In October of 2008, the president of Yemen, Ali Abdullah Saleh, announced that his security forces had arrested a group of ‘Islamist’ terrorists with established links to Israeli intelligence and that the arrests were connected with an attack on the U.S. embassy in Sanaa which killed at least 18 people. (“Yemen Seizes ‘Israel-linked’ Cell,” BBC News, Oct. 7, 2008.) Mike Rivero of Whatreallyhappened.com has shown in his article titled “Fake Al Qaeda,” that every major personality whom the media has labeled an ‘Al-Qaeda’ kingpin have had long-standing connections with the American CIA, British MI6 or Israeli Mossad, usually operating as double agents for these terror agencies. Evidently, the ‘terrorists’ whom we are being told to fear are nothing more than double agents, useful idiots, dupes and patsies for the Jewish-Zionist conspirators behind the New World Order.

It gets better. An American named **Adam Gadahn** supposedly converted to Islam at age 17, renounced his U.S. citizenship, made a voyage to Pakistan, and is now a “senior operative, cultural interpreter, spokesman and media advisor for the Islamist group Al-Qaeda.” (“Adam Yahiyeh Gadahn,” Wikipedia) He has appeared in several ‘official’ Al-Qaeda videos preaching ‘Jihad’ against the

United States. For these activities, Gadahn has been indicted for treason and has earned himself a top spot on the FBI’s “most wanted” list with a \$1 million bounty for his capture. (“AZZAM THE AMERICAN: The making of an Al Qaeda homegrown,” The New Yorker, Jan. 22, 2007.) There is one huge problem with this story: **Adam Gadahn is not an Arab, but a Jew whose real birth name is Adam Pearlman!** Not only is he Jewish, his grandfather Carl Pearlman was a prominent Zionist activist from California who served on the board of the Anti-Defamation League of B’nai B’rith, was the first local chairman of the “Bonds for Israel” campaign and also the chairman of the “United Jewish Welfare Fund.” (Peggy Lowe, “Radical conversion: How a man with O.C. roots turned toward al-Qaida,” The Orange County Register, Nov. 18, 2009.) Dr. Carl Pearlman, according to his Jewish colleague Dr. Mel Singer, “**had a very strong feeling for Israel**” and “**felt very sincerely and deeply that he wanted that country to survive.**” It was when he was living with his Zionist ADL-affiliated Jewish grandfather that Adam Pearlman abruptly “converted” to Islam and moved to Pakistan. (Peggy Lowe, “Radical Conversion, Part 3: Meeting up with extremists,” The Orange County Register, Nov. 17 2009.) Gadahn actually acknowledged all of this in one of his ‘official’ Al-Qaeda videos, perhaps in a desperate attempt to retain his credibility and cover. In the video Gadahn says, “**Your speaker has Jews in his ancestry, the last of whom was his grandfather.**” He affirmed that his grandfather was, in his words, “**a zealous supporter of the [Israeli] usurper entity, and a prominent member of a number of Zionist hate organizations.**” Gadahn continued, “**He used to repeat to me what he claimed are the virtues of this entity [Israel] and encouraged me to visit it, specifically the city of Tel Aviv, where relatives of ours live.**” (“American al Qaeda member acknowledges Jewish ancestry,” CNN, June 13, 2009.)

See - http://en.wikipedia.org/wiki/Adam_Yahiyeh_Gadahn

See - <http://www.ocregister.com/articles/gadahn-41084-olson-adam.html>

See - <http://www.cnn.com/2009/WORLD/meast/06/13/american.qaeda.message/>

So, what is Gadahn's purpose? I suspect that he is a Mossad double agent tasked with perpetuating the myth of Al-Qaeda's responsibility for 9/11, and to more generally to make Muslims look bad, evil and 'scary.' In one video, Gadahn says the followers of Osama bin Laden **"love nothing better than the heat of battle, the echo of explosions and slitting the throats of the infidels."** (The Orange County Register, Nov. 18, 2009.) This type of wild rhetoric is designed to bolster Jewish propaganda about the threat of 'Islamic extremism,' portraying Muslims as bloodthirsty killers and terrorists. There is simply no logical explanation for Gadahn's miraculous overnight conversion from Zionism to Islamism. His activities as an Al-Qaeda spokesman cannot be interpreted as anything other than a propaganda show that serves the interests of Zionism. See - <http://www.ocregister.com/articles/pearlman-40891-county-orange.html>

Adam Gadahn (Pearlman) & Yousef al-Khattab (Cohen)

Jewish 'Jihadist' Duo

Another 'kosher jihadist' who has received a lot of media attention was a New York City taxi driver calling himself 'Yousef al-Khattab,' the founder of a radical 'Islamist' website called "Revolution Muslim." ("Revolution Muslim," Wikipedia) On his website, Al-Khattab posted numerous provocative photographs of himself dressed in camo gear, wielding a long knife and generally looking like a 'menacing Muslim.' He caused a media frenzy after a contributor to his website made numerous threats against the producers of the comedy show "South Park" over that show's depiction of Muhammad wearing a teddy bear costume. Formerly known as Joseph Cohen, this wannabe 'Jihadist' was born into a Jewish family in New York. In 2000 he moved to Israel as a Jewish settler and attended an Orthodox Rabbinical school, converting to Islam shortly thereafter, or so he claims. ("U.S. Based Revolution Muslim Website Spreading Messages of Hate," FOX News, Mar. 26, 2008.) It is difficult to believe that these two kosher clowns — Pearlman and Cohen — could depart from their Jewish upbringing and shake off their Zionist indoctrination so abruptly, becoming full-blown Islamic activists in such a short time-span. It just doesn't smell right. The Jewish-owned media has given these two characters an inordinate amount of attention, which they only do with people whom they control and can use to advance an agenda. Pearlman and Cohen are not really 'jihadis' who decided to join forces with the

likes of Osama bin Laden; rather, they are Jewish hucksters working to give Muslims a bad name and to perpetuate the myth of the 'Al-Qaeda threat.'

See - http://en.wikipedia.org/wiki/Yousef_al-Khattab

See - <http://www.foxnews.com/story/0,2933,341811,00.html>

The source for most of the videos released by 'Al-Qaeda' is Intel Center, a U.S. based private intelligence organization that claims to "monitor terrorist activity." ("Intel Center," Wikipedia) Since 9/11, the company has conveniently produced frightening images of Osama bin Laden and other Zionist media "bad guys" just when public opinion is flagging. Intel Center is owned and run by Ben Venzke, a Zionist Jew. The company is an offshoot of IDEFENSE, which was staffed by senior PSYOP officer Jim Melnick, another Jew, who had previously answered directly to U.S. Secretary of State and war criminal, Donald Rumsfeld. Melnick is the president of the group "Friends of Russian Jewry, Inc." Neal Krawetz, an expert computer analyst, presented evidence at a 2007 BlackHat Security Conference in Las Vegas that so-called 'Al-Qaeda' tapes are routinely digitally

doctored. Krawetz's most telling discovery came in the form of a detail contained in a 2006 Al-Qaeda tape of Ayman al-Zawahiri showing that the Intel Center logo and the 'evil Islamic logo' of As-Sahab (the alleged media arm of Al-Qaeda) were added to the video at the exact same time. (Paul Joseph Watson, "Analyst: Al-Qaeda Videotapes Digitally Doctored," Prison Planet, Aug. 2, 2007.)

See also - <http://en.wikipedia.org/wiki/IntelCenter>

See also - http://www.lcje.net/bulletins/2003/72/72_05.html

<http://www.prisonplanet.com/articles/august2007/020807tapesdoctored.htm>

Another principal source for many scary 'Al-Qaeda' videos is the shady organization known as S.I.T.E. Intel Group, which is owned and operated by two fanatical Zionist Jews, **Rita Katz and Josh Devon**. The flaccid credibility of this Jewish-run group has been noted by researchers. Veterans Today chief editor Gordon Duff opined:

See - <http://www.siteintelgroup.com/>

"Who says Al Qaeda takes credit for a bombing? Rita Katz. Who gets us bin Laden tapes? Rita Katz. Who gets us pretty much all information telling us Muslims are bad? Rita Katz? Rita Katz is the Director of Site

**Katz (Jew) / Devon (Jew)
Propagandists for Israel**

Intelligence, primary source for intelligence used by news services, Homeland Security, the FBI and CIA. What is her qualification? She served in the Israeli Defense Force. She has a college degree and most investigative journalists believe the Mossad "helps" her with her information. We find

no evidence of any qualification whatsoever of any kind. A bartender has more intelligence gathering experience. [...] How is it that a Jewish owned group like S.I.T.E. can outperform the world's best and brightest in the intelligence field and be the first to know that a group like al-Qaeda is getting ready to release another tape?" ("Gordon Duff and Brian Jobert: Is Israel Controlling Phony Terror News?," Veterans Today, Dec. 30, 2009.)

See - <http://www.veteranstoday.com/2009/12/30/is-israel-controlling-phony-terror-news/>

To say that Katz has a 'conflict of interest' is an understatement. Born into a wealthy Jewish family in Iraq, her father was tried and executed as an Israeli spy

by Saddam Hussein in the wake of the Six-Day War. Katz and the rest of her Zionist family escaped to Israel where she served in the Israeli Occupation Forces and received a degree from the Middle Eastern Studies program at Tel Aviv University. She immigrated to the U.S. in 1997, evidently bringing her Zionist ideology with her. (Benjamin Wallace-Wells, "Annals of Terrorism: Private Jihad," The New Yorker, May 29, 2006.) In addition to inventing lies and propaganda about the "Islamist threat," the racist Jews at S.I.T.E. are now monitoring White nationalists and patriots, calling their new kosher propaganda project: **"Monitoring Service: White Supremacist Threat."** ("Zionist Jew "SITE" Now Tracking White Americans," INCOG MAN, Jan. 20, 2012.)

See -

http://www.newyorker.com/archive/2006/05/29/060529fa_fact?currentPage=3
<http://incogman.net/01/2012/zionist-jew-site-now-tracking-white-americans/>

Jews Love Money

The economic factor of the terrorism industry almost solely benefits Jews and Israel. This kosher racket is an enormous swindle designed to provide World Jewry with an inexhaustible source of cash flow to their coffers in Tel Aviv, the Jewish crime capital. The liberal Jewish writer Naomi Klein revealed in her book "The Shock Doctrine: The Rise of Disaster Capitalism" that Israel saved its economy after the dot-com crash in 2000 by conveniently taking all of its chips and investing them in "anti-terror" security right before 9/11, an industry which has since ballooned into a multi-billion dollar enterprise as a result of the events of that day. On pages 542 and 550 of her book, Klein writes:

See - <http://www.amazon.com/The-Shock-Doctrine-Disaster-Capitalism/dp/0805079831>

"The reasons for Israeli industry's comfort level with disaster are not

mysterious. Years before U.S. and European companies grasped the potential of the global security boom, Israeli technology firms were busily pioneering the homeland security industry, and they continue to dominate the sector today. The Israeli Export Institute estimates that Israel has 350 corporations dedicated to selling homeland security products, and 30 new ones entered the market in 2007. [...]

With the most tech-dependent economy in the world, Israel was hit harder by the dot-com crash than anywhere else. The country went into immediate free fall, and by June 2001, analysts were predicting that roughly three hundred high-tech Israeli firms would go bankrupt, with tens of thousands of layoffs. The Tel Aviv business newspaper Globes declared in a headline that 2002 was the “Worst Year for Israeli Economy Since 1953.”

The only reason the recession was not even worse, the newspaper observed, was that the Israeli government quickly intervened with a powerful 10.7 percent increase in military spending, partially financed through cutbacks in social services. The government also encouraged the tech industry to branch out from information and communication technologies and into security and surveillance. In this period, the Israeli Defense Forces played a role similar to a business incubator. Young Israeli soldiers experimented with network systems and surveillance devices while they fulfill led their mandatory military services, then turned their findings into business plans when they returned to civilian life. A slew of new start-ups were launched, specializing in everything from “search and nail” data mining, to surveillance cameras, to terrorist profiling. When the market for these services and devices exploded in the years after September 11, the Israeli state openly embraced a new national economic vision: the growth provided by the dot-com bubble would be replaced with a homeland security boom.“

Josh Nathan-Kazis, a writer for the Jewish daily Forward, reported on how Jewish organizations and groups have gobbled up Homeland Security ‘anti-terrorism’ grants, since they started the program back in 2005. In his report he noted that:

“Jewish institutions throughout the United States will receive \$9.7 million in federal anti-terrorism grants this year out of a total of \$10 million allocated to not-for-profit institutions by the Department of Homeland Security. ... A full 97% of the available funds in the Non-Profit Security Grant Program for 2012 have been allocated to Jewish organizations, compared with 73% that went to Jewish groups from 2007 through 2010. In 2011, Jewish groups received about 80% of NSGP funds. The NSGP has disproportionately benefited Jewish groups since 2005, when it was first instituted. [...] In her interview with the Forward, [U.S. Homeland Security Chief Janet] Napolitano said that she saw no problem with the overwhelming proportion of NSGP funds going to Jewish groups.” (“Jewish

Groups Grab Huge Share of Grants Almost All Homeland Security Grants Go to Jewish Non-Profits," The Forward, July 5, 2012.)

See - <http://forward.com/articles/158866/jewish-groups-grab-huge-share-of-grants/>

On December 22nd, 2001, Richard Reid allegedly attempted to cause an explosion on a flight from Paris to Miami by mixing and then igniting explosives hidden in his shoes. The "shoe bomber" only managed to light a few matches before being subdued by passengers and arrested. ("Shoe bomber: Tale of another failed terrorist attack," CNN, Dec. 25, 2009.) The Israeli firm ICTS, the same Mossad front company that controlled security at 9/11 airports, was in charge of security at Charles de Gaulle Airport in Paris where Reid was allowed to board his flight. According to Joe Quinn and Niall Bradley, the entire debacle was a political sham cooked up by the Mossad to stoke up Western fears of

'terrorism' shortly following 9/11. ("Underwear Bomber Redux – Was Mutallab An Israeli "Secret Weapon"?, Signs of the Times, Feb. 01, 2012.) On Christmas Day, 2009, Umar Farouk Abdulmutallab boarded a flight from Amsterdam to Detroit with explosives hidden in his underwear. Umar's makeshift bomb contained the same combination of explosives as Reid's, and as he attempted to detonate them he too was easily subdued. ICTS International also controlled security at Amsterdam's Schiphol Airport and once again they deliberately allowed a "terrorist" to board an aircraft. Gordon Duff has conclusively shown that the 'underwear bomber' incident is another phony terror plot organized and directed by the Israeli Mossad. ("Evidence Mounts for US Complicity in Terrorism: Mutallab's father is no ordinary 'banker'," Veterans Today, Dec. 31, 2009.) American Free Press writer Victor Thorn exposed the alleged 'underwear bomber' as a bumbling patsy whose father, a wealthy Nigerian banker, was in bed with the Mossad and other elite Zionist political forces in the Western world. Thorn writes:

See - http://articles.cnn.com/2009-12-25/justice/richard.reid.shoe.bomber_1_terror-attacks-american-airlines-flight-qaeda?s=PM:CRIME

See - <http://www.sott.net/articles/show/202285-Underwear-Bomber-Redux-Was-Mutallab-An-Israeli-Secret-Weapon->

See - <http://www.sott.net/articles/show/200114-Evidence-Mounts-for-US-Complicity-in-Terrorism-Mutallab-s-father-is-no-ordinary-banker->

“His explosives couldn't have blown up his own seat. Even if full power, it wouldn't have worked.” These were the words relayed to me during a Jan. 2 interview with military analyst and counterinsurgency specialist Gordon Duff in regard to the attempt of Christmas Day underwear bomber Umar Farouk Abdul Mutallab [sometimes referred to as Abdulmutallab] to ignite 80 grams of the explosive PETN on a flight destined for America. He also explained how the patsy's country of origin, Nigeria, is clandestinely controlled by the Israeli army and Mossad. These entities train the military, sell weapons, run the airports, and wield power over DICON (Defense Industries Corporation). Furthermore, Mutallab's father is a Mossad partner and Israel's No. 1 contact in Nigeria. As the former CEO of his country's most influential bank and the man who ran their national arms industry, Mr. Mutallab also harbors extremely close relationships with the U.S. ambassador and CIA chief in Nigeria. [...]

Another significant detail is being neglected by mainstream media sources. The firm in charge of security at Amsterdam's Schiphol Airport is the Israeli-owned International Consultants on Targeted Security (ICTS). They're also the same outfit responsible for all three airports used by "Muslim hijackers" on 9-11. ICTS also handled security for London's bus system during their 7-7 "Muslim bombing," while doing the same at Charles de Gaulle Airport when "shoe bomber" Richard Reid boarded a plane in Paris on Dec. 22, 2001. When a Michigan passenger, attorney Kurt

Haskell, reported that a “well-dressed” Indian man arranged for Umar Mutallab to perform a “walkaround” without a passport in Amsterdam, ICTS was one of only a few entities that could have permitted this security breach to take place. [...]

Of course, the American public is being misled again into believing that this “lone nut” terrorist sneaked through the system (no-fly lists, airport scrutiny etc) due to mere incompetence, similar to what occurred on 9-11. Yet Israeli intelligence provided security at the Amsterdam Airport, where Mutallab boarded a plane with no passport; the NSA is equipped to electronically eavesdrop anywhere around the world; the Mossad is tied to Yemen, Nigeria and India; while the suspect’s father opened up banking and arms contacts in the Middle East while harboring an extremely close relationship with American and Israeli intelligence. What we’re being fed is another propagandized cover story that is intended to keep ratcheting up Orwellian-style trauma and fear, all the while further spreading our global “terror war” to Yemen and the African continent.” (“Mossad Tied to ‘Underwear Bomber’,” American Free Press, Jan. 18, 2010.)

See - http://www.americanfreepress.net/html/underwear_bomber_206.html

Besides the propagandistic effect this would have to legitimize the Jewish-led ‘War on Terror,’ the underwear bomber incident further revealed the Jewish economic objectives behind these phony staged terror events. Immediately following the incident, the Jewish-owned mass media bombarded us with frantic rhetoric advocating the need for new security measures to be implemented in airports to protect us from ‘terrorism.’ The new security measures primarily involved the introduction of “full body scanners” at all international airports worldwide. Before boarding a flight, passengers are now subjected to a full-body image scan. Michael Chertoff, the Jewish-Zionist architect of the 9/11 cover up as well as the Orwellian ‘Patriot Act,’ was waiting at-the-ready with his ‘full body scanner’ technology, promoting these horrific, intrusive, cancer-causing devices as essential to protect Westerners from the likes of ‘crotch bombs’ and other

hidden explosive contraptions. Chertoff made his sales pitch for these dangerous devices all over mainstream media, including ABC News's "World News Tonight," "Fox and Friends," CNBC's "Squawk Box," CNN and Bloomberg TV. ("Fear Pays: Chertoff, Ex-Security Officials Slammed For Cashing In On Government Experience," Huffington Post, Nov. 23, 2010.) In 2009, Chertoff founded the Chertoff Group, a security consulting agency. In an interview with CNN's Campbell Brown, Chertoff admitted that some of his clients manufacture full-body scanners. ("Chertoff and Company – The Cover Up (Body Scanners)," YouTube) Chertoff's consulting firm **"represents OSI Systems, one of two companies licensed to sell full-body scanners to the Transportation Security Administration (TSA)."** ("Body Scanners Create Profits for Chertoff and Others," All Gov, Nov. 23, 2010.) Cashing in on 'terror scares' has become a lucrative business for Jewish bigwigs like Michael Chertoff and other parasitical profiteers. The 'underwear bomber' was not a manifestation of Muslim grievances with the United States, but a manufactured hoax — a set-up designed to provide more justification for the build-up of a global Zionist police state, a "New World Order" slave society under Jewish domination. ("Zionist 'Thugs' Behind America's Police State," YouTube)

The very conception and implementation of the 'war on terror' agenda has Jewish origins and Zionist motivations. This fact was made abundantly clear in a statement that was issued by the treacherous Anti-Defamation League on September 17, 2001, vehemently supporting President Bush's call for a "war on terror." ADL National Directors Glen A. Tobias and Abraham H. Foxman published the following self-incriminating statement:

"We join all Americans and people of good will around the world in expressing outrage at the horrific terrorist attacks on our nation. Our country and our world will never be the same, and we are only beginning to understand the enormity of the threat and the challenges that lie ahead. Our first and greatest priority must be to recognize that our enemy is evil to the core and, if not deterred, has the means to cause even greater destruction. The world is looking to America once again to be the beacon of freedom that will take the lead, with support from every corner of the globe, in turning back this enemy. President Bush and his Administration have risen to the occasion and we stand firm with them, offering our full support in the difficult time ahead.

As we gird ourselves for this new war on terrorism, we know that confronting terrorists is particularly difficult because they have no government and do not abide by any laws or code of moral decency. Therefore, we need to recalibrate the existing balance between security

precautions and individual liberties. As we move forward, we must protect our civil liberties, which make us who we are, at the same time that we provide law enforcement with new tools to safeguard our security. We have every right to protect ourselves and our nation, even if doing so requires us to submit to more expansive searches of person and property and perhaps other new limitations on our daily activities." ("ADL Supports President Bush's Call for War on Terrorism," ADL Official Website, Sept. 17, 2001.)

See - <http://www.adl.org/NR/exeres/5771EF29-ACCC-47A8-8A2D-D8C4AFF43C33.htm>

Using 9/11 as a pretext, the ADL essentially advocated the creation of a police state in America that would be implemented by their proxies and servants at the helm of the U.S. Department of Homeland Security. It is hardly surprising that the ADL has been the prime entity engaged in special 'training' of American police and law enforcement nation-wide. The ADL's 'special relationship' with American law enforcement and intelligence agencies should be troubling to any American citizen who enjoys their freedom. Few Americans are aware that in 1993 the ADL was caught red-handed directing a massive spying operation against American citizens and organizations, particularly those that they perceive to be 'enemies' of Jewish-Zionist political and economic aims, passing on this illegally obtained information to the Israeli secret service. ("The Anti-Defamation League's Spy Scandal of 1993," Focal Point Publications) Reporting on this scandal for The Spotlight, Michael Collins Piper revealed:

See - <http://www.fpp.co.uk/docs/ADL/ADLspies.html>

"Police sources have revealed that the information they have uncovered suggests the ADL has been maintaining secret files on more than 950 political groups, newspapers and labor unions and on a minimum of 12,000

people. (The 12,000 figure, however, is based only on the number of names discovered in the West Coast offices of the ADL. The ADL has offices all over the United States, suggesting that the individual files kept by the ADL are much more numerous, perhaps as many as 1 million people nationwide.) The Los Angeles Times reported on April 9 that the ADL may face a total of 48 felony counts for not properly reporting the employment of its spy Bullock. According to the Times, the ADL disguised payments to Bullock for more than 25 years by funneling \$550 a week to a Beverly Hills, California attorney, Bruce I. Hochman, who turned the money over to Bullock.” (“ADL spying exposed nationally,” The Spotlight)

See - http://www.libertylobby.org/articles/1993/19930426roy_bullock.html

The ADL is, for all intents and purposes, nothing more than the public relations arm of the Zionist state of Israel and the global Jewish crime network. It was established in 1913 by the supremacist Jewish-Masonic society known as B'nai B'rith in response to the public hanging of Leo Frank, a criminal Jew who raped and murdered a little girl named Mary Phagan. The ADL has, ever since its creation, operated as an attack dog for criminal Jewish interests, attempting to slander, defame, vilify, silence and suppress all critics of Zionist misconduct and opponents of Jewish domination. See: “The Dark Side of the Anti-Defamation League of B'nai B'rith,” Google Video / “The Ugly Truth About the ADL,” Executive Intelligence Review)

See - <http://video.google.com/videoplay?docid=1920932670630585756>

See - http://archive.org/details/TheUglyTruthAboutTheAdl_217

Much to the chagrin of the ADL, awareness of Israeli-Zionist-Jewish involvement in international terrorist spectacles has been steadily growing, thanks in large part to the internet. As a means of propaganda, Jews have been using terrorism to manipulate the minds of the Western public. They use these acts of terror to sway public sentiment toward Israel and away from Israel's enemies – the

Muslims, the Arabs and the Palestinians; molding our minds to view their enemies as our enemies. ‘Al-Qaeda’ is a Jewish propaganda invention — an illusion. All of the terrorist acts attributed to ‘Al-Qaeda’ are the work of Jewish theater, a Hollywood stage production for non-Jewish consumption. Phony terrorism blamed on Muslims is an effective method of distraction that

the Jewish media uses to redirect the world's attention from the ongoing slow-motion genocide of the Palestinians by the Jewish state. The constant hype and hysteria about 'Islamic radicalism' is all a clever diversion from the Jewish rape of Palestine and other ongoing Jewish atrocities in Middle East. Thus we see that the Israeli false-flag assault of 9/11 served two primary purposes for International Jewry:

- 1) To galvanize American public opinion to support wars of aggression against Israel's Arab and Islamic enemies in the Middle East, kick-starting the pre-planned 'clash of civilizations' between the West and Islam.
- 2) To provide a pretext for the build-up of a Jewish-led police state in America (and the broader Western world), which is being used to quell any and all dissent against the insane Zionist desire to conquer the Middle East and thereby the world.

MOfo JEW Netanyahu: Evil Inventor of the "Global War on Terror"

Netanyahu's Pathetic 'Terror Trilogy'

The ideological framework of the malignant 'Global War on Terror' doctrine of destruction has its genesis in the Likud Party in Israel and its hard-line Zionist terrorist leader, Benjamin Netanyahu. ("The Origins and Development of the War on Terror Doctrine and its Future Prospects," Shamsali, Sept. 08, 2002.) The true origin of this monstrous ideology traces back to a little-known organization with offices in Jerusalem, New York and Washington, D.C. called the "Jonathan Institute," an Israeli propaganda outfit created in 1979 by Benjamin 'Bibi' Netanyahu. The group is named after his dead brother Jonathan who was killed in the Israeli raid on Entebbe Airport in Uganda in 1972. The former Israeli Prime Minister Menachem Begin — who was at one time a commander of the Jewish

terrorist group Irgun — was also a key figure with the Jonathan Institute, giving the opening address at the group's 1979 conference in Jerusalem. (Edward S. Herman and Gerry O'Sullivan. The "Terrorism" Industry: The Experts and Institutions That Shape Our View of Terror. New York: Pantheon, 1989, pp. 104-6) The primary function of the group was to organize conferences crafted around promoting the spurious idea that Yasser Arafat, the Palestinian Liberation Organization (PLO) and the broader Arab and Muslim world, represent a global 'terrorist threat.' Netanyahu and his Zionist conspirators emphasized that the "Western democracies" must take steps to extinguish this so-called 'threat' posed by Muslim nations and organizations.

See - <http://www.shamsali.org/taj/origwat.html#>

See -

http://www.powerbase.info/index.php/Jonathan_Institute_extract_from_The_%20Terrorism%22_Industry

Countless high-ranking American and British intelligence officials, politicians and media figures attended the two conferences put on by the Jonathan Institute in 1979 (in Jerusalem) and 1984 (in Washington). Netanyahu and his 'institute' essentially endeavored to recruit influential Westerners in media, government and military to promote a clash of civilizations between the West and the Islamic world for the benefit of Zionist Jews and their deranged dream of a "Greater Israel." The 1984 conference produced a widely reviewed book edited by Netanyahu entitled *Terrorism: How the West Can Win* and established Netanyahu as a leading international voice in the "war against terrorism," a war for the destruction of Israel's enemies. The institute also effectively publicized its espoused doctrine of "pre-emptive retaliation," the Israeli policy of killing those designated as 'terrorists' before they can act.

Netanyahu has written and edited numerous books promoting his warped 'War on Terror' creed such as 'International Terrorism: Challenge and Response' (1981), the aforesaid 'Terrorism: How the West Can Win' (1987), 'Fighting Terrorism: How Democracies Can Defeat the International Terrorist Network' (1995), and other paltry works of Zionist nonsense. The foundation of Netanyahu's crazed worldview ultimately lies with his Revisionist Zionist upbringing. His father, Ben Zion Netanyahu, was a disciple and former senior aide of Vladimir "Ze'ev" Jabotinsky, the militant extremist founder of "Revisionist Zionism" and the Irgun. (J. Goldberg, "From Peace Process To Police Process," *The New York Times*, Sept. 14, 1997.) Ben Zion ensconced his son in the militant doctrine of Jabotinsky, guiding him in the principles of Jewish supremacy and the Zionist dream of a "Greater Israel." On July 8, 2007, Bibi Netanyahu was the keynote speaker at an event at the Jabotinsky Institute to mark the 67th anniversary of the death of the founder of the Irgun. In July 2006, at a conference commemorating the 60th anniversary of the King David Hotel bombing, Netanyahu gave a disgraceful speech blatantly defending that act of terrorism and mass murder by the Irgun, calling the unprovoked attack a "legitimate military action" and praising the Jewish terrorists who masterminded the atrocity.

(Tom Segev, "The spirit of the King David Hotel," Haaretz, July 23, 2006.) The Irgun, a murderous Zionist terrorist group dedicated to creating a 'Greater Israel,' is the political parent of the Likud Party which Benjamin Netanyahu currently heads. All of this exposes Netanyahu's big talk of 'fighting global terrorism' as a facetious farce.

The New York offices of "American Friends of the Jonathan Institute" is, perhaps not coincidentally, located amazingly close to the Twin Towers at 277 Broadway Street, 801 New York, NY. ("9/11 Israeli soldiers guard Netanyahu's Jonathan Institute," The Information Underground, Mar. 17, 2010.) Even more significant is the alleged financial ties between Larry Silverstein, the Zionist leaseholder of the WTC, his good friend Benjamin Netanyahu and the Jonathan Institute. French writer Thierry Meyssan claimed that Larry Silverstein was the treasurer of Netanyahu's Jonathan Institute and Netanyahu's electoral campaigns. (Thierry Meyssan, "L'Effroyable imposture 2, Manipulations et désinformations," Voltaire Net, Mar. 09, 2010.) If true, this establishes yet another direct connection between Silverstein and the criminal Israeli politicians and groups that created the "war on terror" charade.

See - <http://www.voltairenet.org/article164399.html>

A crystal clear illustration that Netanyahu is the evil villain behind this agenda came in the form of a speech he delivered in front of the U.S. House of Representatives immediately following the 9/11 attacks on the 20th of September, 2001. In the speech, Netanyahu vehemently implored the U.S. to launch "pre-emptive" military strikes against "**Iran, Iraq, Syria, Taliban Afghanistan, Yasser Arafat's Palestinian Authority, and several other Arab**

regimes, such as the Sudan,” adding that he’d also like to see “Osama bin Laden in Afghanistan, Hezbollah and others in Syrian-controlled Lebanon, Hamas, Islamic Jihad, and the recently mobilized Fatah and Tanzim factions in the Palestinian territories” destroyed by the United States military. The common denominator of all of the countries and groups listed by Netanyahu as targets of his war of terror is that they are all opponents of and threats to Israel, of course. Netanyahu’s demented rant evolved into all-out fear mongering, predicting biological and nuclear attacks that could kill hundreds of thousands of American citizens if the U.S. government did not take immediate action against the aforementioned states. Speaking about his psychopathic desire for the U.S. to conquer the Middle East for Israel, Netanyahu proclaimed:

See also - <http://www.freerepublic.com/focus/f-news/531335/posts>

I have absolute confidence that if we, the citizens of the free world, led by President Bush, marshal the enormous reserves of power at our disposal, harness the steely resolve of a free people, and mobilize our collective will – we shall eradicate this evil from the face of the earth. ... The time for action is now. Today the terrorists have the will to destroy us, but they do not have the power. There is no doubt that we have the power to crush them. Now we must also show that we have the will. Once any part of the terror network acquires nuclear weapons, this equation will fundamentally change and with it the course of human affairs. This is the historical imperative that now confronts all of us all...

This is the great mission that now stands before the free world. That mission must not be watered down to allow certain states to participate in the coalition that is now being organized. Rather the coalition must be built around this mission. It may be that some will shy away from adopting such an uncompromising stance against terrorism. If some free states choose to remain on the sidelines, America must be prepared to march forward without them, for there is no substitute for moral and strategic clarity. I believe that if the United States stands on principle, all the democracies will eventually join the war on terrorism. The easy route may be tempting, but it will not win the day.

On September 11, I like everyone else was glued to a television set, watching the savagery that struck America. Yet amid the smoking ruins of the twin towers, one could make out the Statue of Liberty, holding high the torch of freedom. It is freedom’s flame that the terrorists sought to extinguish. But it is that same torch so proudly held by the United States that can lead the free world to crush the forces of terror and to secure our tomorrow. It is within our power. Let us now make sure that it is within our will.”

In 2001, Netanyahu was videotaped at his nephew’s Bar mitzvah, in which he was casually discussing politics with relatives. Unaware that he was being recorded, **Netanyahu bragged about his ability to deceive and manipulate**

American presidents, telling them that “America is a thing you can move very easily, move in the right direction.” (“Netanyahu In 2001: ‘America Is A Thing You Can Move Very Easily’,” Huffington Post, July 16, 2010.) Commenting on the video, Haaretz columnist Gideon Levy disparagingly expressed the view that **Netanyahu is “a man...who thinks that Washington is in his pocket and that he can pull the wool over its eyes.”** (“Tricky Bibi,” Haaretz, July 15, 2010.) Netanyahu’s belief that he has Washington “in his pocket” was confirmed when on the 24th of May, 2011, Netanyahu delivered an ignominious speech before a joint meeting of the U.S. Congress, during which he received an outrageous twenty-nine standing ovations! (“Israeli Prime Minister Gets 29 Standing Ovation in Congress, Sends Message to White House,” ABC News, May 24, 2011.) The slaves of Zion who inhabit the kosher brothel known as the U.S. Congress couldn’t have done a better job at selling their country down the river for the benefit of a foreign power. “America” is no longer the land of the free and home of the brave, but the land of the hopelessly enslaved!

American intelligence sources have reported that Netanyahu is considered an extreme threat to U.S. national security. Netanyahu visited convicted Israeli spy Jonathan Pollard in his North Carolina prison cell and lobbied vigorously for his release. Netanyahu was actually overheard by an ex-CIA agent telling a group of

his supporters: “**Once we squeeze all we can out of the United States, it can dry up and blow away.**” (W. Madsen, “The demise of global communications security: The neo-cons’ unfettered access to America’s secrets,” Online Journal, Sept. 21, 2005.) Netanyahu has claimed that both he and his father both ‘predicted’ the events of 9/11 in the early 1990s. (“Netanyahu claimed to have predicted WTC attacks,” The Jerusalem Post, Sept. 11, 2011.) It would be more accurate to say that Netanyahu and his father ‘planned’ 9/11 and then ‘predicted’ the successful outcome of their own evil plot. As the emissary of Vladimir Jabotinsky in the United States, Netanyahu’s father played an instrumental role in co-opting both the Democratic and Republican parties, crafting them into slaves of Zion. (Maidhc Ó Cathail, “Benzion Netanyahu and the Origins of Bipartisan Support for Israel,” The Passionate Attachment, May 11, 2012.)

It is impossible to believe that Benjamin Netanyahu is not a central player in the September 11th attacks. He had intimate connections to Israeli intelligence, a close friendship with Larry Silverstein, and a shared ideology with the neoconservative Jews in the Bush administration. He openly gloated that 9/11 was “good for Israel” and “swung American public opinion” in favor of Israel. It is an unvarnished, inescapable fact — Netanyahu is the mastermind of 9/11 and the “Global War on Terror,” and is therefore directly responsible for the deaths and suffering of millions of innocent people! One question remains: When and how will he pay for his evil deeds?

Lets Stand Your Ground For the Sake Of Hell !!!! No matter what comes for verily there shall be a day when ours age comes crashing down , BUT IT IS NOT THIS DAY and THERE will NEVER BE A DAY LIKE THAT IN FUTURE.. for ours cause is True , Freedom is our Goal , Victory is our banner , We fight for the greater good of Humanity with Hell our Umbrella , Demons our Guardian and Satan our Creator , the eternal, the glorious, the exalted

**A noble warrior for freedom and truth. Heil Hitler !!!
Hail Satan and all Demon friends**
