You can trust him.

So a member sent me this, and this is repulsively disgusting. This is also our Rituals at work, for the communications. The enemy is being blatantly revealed.

Now this is the page, saying a story about a woman who supposedly was "15" years old, and was "trying food" for Hitler, in case it was poisoned. Except of all the other lies in this story which were pointed out by the member (all of them

were blatant Spielberg lies, obviously, typical jewism) there is a self-revealing thing that speaks for itself:

"Γεννήθηκε στο Βερολίνο το 1971. Ήταν κόρη ενός γερμανού μηχανικού σιδηροδρόμων. Είχε μια ευτυχισμένη ζωή, όπως αποκαλύπτει, είχε και φίλους εβραίους, μέχρι που οι Ναζί ανήλθαν στην εξουσία το 1933."

The above translates to:

"She was born in Berlin at 1971. She was a daughter of a railroad engineer. She had a happy life, as she reveals, she had jewish friends, until the Nazis came in power at 1933."

The screenshot shows a news article on the CNN Greece website. The article's main text is in Greek and discusses a woman who claims to be a time traveler. A specific quote is highlighted in blue: "Γεννήθηκε στο Βερολίνο το 1971. Ήταν κόρη ενός γερμανού μηχανικού σιδηροδρόμων. Είχε μια ευτυχισμένη ζωή, όπως αποκαλύπτει, είχε και φίλους εβραίους, μέχρι που οι Ναζί ανήλθαν στην εξουσία το 1933." The article continues to describe her life, her father's profession, and her experiences during the Nazi era. On the right side of the page, there are two video thumbnails. The first is titled "«Το προσφυγικό είναι πρόβλημα όλων των ανθρώπων»" and the second is titled "Οι αποχαιρετιστήριοι 60 πόνοι του Κόμπι Μπράιαντ".

So, CNN, what the fuck are you saying? She was born in 1971, and the Nazis took power in 1933.

So, she was a time traveler, we have to assume?

Of course: It was real...In my mind, saith the Jew.

Enough of the jews and their lies. Not only the lies in all of their propaganda that are for stupid pigs with debilitated IQ, but now they are also losing their words and because they lie so much, they write outright blatantly lying dates and such.

They consider the Gentiles for such stupid pigs, that they can't even do math. They consider you such a fucking imbecile, that you can't even make a simple mathematical calculation. This is what they see in human beings. This is how far they go with their lies. They don't even care to lie accurately anymore. It has gone that far already.
