

# The Spiritual War: FOR JUSTICE [Plus... A Typical Tale of a Robber Jew During Semitah]

High Priest Hooded Cobra 666

[29 September, 2022](#)

Sometimes, certain bleeding hearts and people who have no knowledge and understanding, will show up in the forums to claim that anyone here is "racist".

Knowing this is not so, they will lie anyway, only to have something to say because they have no further argument.

They can also not argue why our stance on the jews should be different. No valid reasons on why we should accept a race that smeared our Gods and started the global smear against them can be said either.

Just programmed nonsense comes from them. Nothing else.

For one, we are Gentiles from all races here, we see no dispute and we all advance here. I have trouble finding a more "diverse" place than this, especially when it comes to different people.

We have people from Serbia, to Jamaica, to Iran, to Philippines, and then Central Europe and mainland China. We are all advancing in the Spiritual Path together here, under the path our Ancestors and Gods have forged for us to walk. I have difficulty listing a country besides Israel, where we do not have members from.

We are all glad we are different, tolerant and accepting of each other, and in loving kindness accept the uniqueness of others, seeking to protect this in ourselves and others through preservation and acceptance of our life path, supporting each other to walk the path to the Godhead. We do not want to assimilate, we are proud of ourselves and want to continue.

We do not think we should go extinct as the mass programming of the era dictates. We can tolerate and accept while being different.

We have this modern form now, but we are on the timeless path.

Secondly, the people we do not accept are the jews, because these people formed a racial culture around hating and focusing to eradicate what we love, such as the Gods or the ancient cultures of other people, whom they have made it their "life mission" to eradicate as admitted by their "holy books".

The travesty of their mission is focused on "blotting out the heathen Gods" of all other people, and subjugating them all under the "one god" of the "jewish people". That is the epitome of intolerance and hate, in our view.

We are not supposed to want to accept this.

Thirdly, the jews and their crimes against others are innumerable, with central ones being the creation of the very programs who want to extinct and have extinct the "Pagans" or people of similar morals, beliefs and ethics such as us.

There is infinite knowledge here in regards to these actions. But even what we have written falls short to even describe any of this. The bleeding hearts who want to preach these messages, must know that we are on a defensive war here, trying to defend ourselves. We did not initiate a cultural attack on the Jews.

Every Pagan civilization, to their detriment, has showed them tolerance and acceptance; a practice which the jews have repaid them with collapsing the civilizations and millions of lives of children, women and men from these civilizations.

Every civilization that housed, taught, and took a tolerant stance or friendship in the jews, is now listed in glorious passes in the Jewish Bible as being literally extinct, which came from natural events, but the jews later on boasted in their schizophrenia that it was their "God" that did this.

And how stupid and retarded the people that treated them like human beings were. No other race in human history has written 1% of what they have wrote. The most dangerous "Racists" of this earth, are lucky to have penned 1% of this. Speaking of a long list of people they co-existed with and acted as a 5th column against, The United States might be the next in the list of course here.

Europe, WW1 and WW2 were only the tip of the tip of the iceberg here. Jews, do brag about death, annihilation, killing children of their enemies, mass massacres and so on, in their "holy" books. Most Nations have had these "holy books" enforced on them. They are likely in the living rooms of the bleeding moralist hearts that preach to us, but they never opened them.

However, opening their TV or other brainwashing facilities, the "bleeding hearts", have been programmed that people like us here [or rather, those who know] are the "evil" people, who simply want the above to be stopped, and for heavenly justice to be delivered on the jews for all these wrongdoings.

Jews, every time as they are asked "why" and of this had to happen, they just say schizoid nonsense like "These people didn't believe in the god of jews that's why". They, in other words, have replaced any holy ethical and spiritual notion with just their own schizophrenia.

By misusing spiritual means collectively, they were able to climb out of the level of irrelevant bandits and criminals, and by killing or robbing all Ancient knowledge schools of the past, and finally delivering a final blow with the jewish hoax of Xianity, the jews managed to have their "season" of ruling which is coming to an end.

During this "season", humanity saw the lowest level imaginable that it has seen in arguably all its history with the peak of the Middle Ages, where humanity literally became cattle.

All while hanging from a thread to total annihilation from 400 AD to 1650 or so, where the "Satanic Enlightenment" started taking hold and humanity started with Satan's help to again return back to its "prohibited by the jews" spiritual origins.

"Satan" did his work and now you have a bathroom, a civilization to live in, and you aren't owned property of some crazy jew in some medieval castle where you live besides the horse dung for lifetime after lifetime, illiterate and retarded.

And here goes this creature that was saved from the mud, to become a "Bleeding heart" now that wants to defend the Jews who had their own ancestors living under the most morbid circumstances imaginable, and others of their ancestors to go into some form of cultural crusade in order to simply return their society to normal from being mindwashed by Christianity.

The bleeding heart can only go as far as to become a Social Justice Warrior, that will "socially defend" basically whatever it is programmed to defend, and never on the accord of real justice or evaluation of any situation. Primarily, this modern species ensures to protect the Jews as they annex and manifest their goals, as they have programmed to do that.

As these people slowly die apart confused, mixed, culturally lost, siphoned literally by the enemy in a vampiric form, their last measly power to feel like they are doing everything just is to speak online about things they have done poor research in, such as if one should like the jews or not, let alone if the actions of these people should be tolerable to anyone.

They fail to cite any serious reason why we should like or tolerate these people, despite of the original sayings of the bible, that these people should be loved "no

matter what", and never judged or something, and their influence tolerated in all levels.

Oh yes wait, Jews also wrote this crazy nonsense to mindwash the goy with, so that when the jews literally do crime after crime, they are never even asked of this. Love your mortal enemy, goy.

Like programmed auto-bots, they will respond that every time a Gentile disagrees with them, this is sign of them wanting an ultimate holocaust just because they disagreed on something with jews, and that this imaginary nonsense will also include poor jewish babies born and unborn, and of 10 trillion innocent women on wheelchairs and so on.

The reality of this situation is that the jews have removed occult knowledge from the masses, imposed programs of death, removed moral and ethical norms that kept society afloat, flock themselves to top positions to impose crazy tribal dreams they have on everyone else, and that they massively control human populations disallowing them to experience their destiny.

To become aware of the above, is part of breaking out of a modern matrix of thought, emotion, and spiritual control that is firmly established. As Voltaire said in regards to the ruling forces, we are not "allowed to criticize them". The moment of criticism has become a moment of holocaust.

Lastly, in regards to those who imagine or envision the projections of demented jews in our desires for their future, about this, we have no statement. We never have said anything the "Bleeding hearts" have invented. They are just too influenced by fake holocaust stories yet again.

Instead, our proposition is simple: We just want to be done with all their influence in all levels. The more they continue, that is against them, and their wisest people know that this was not the route to take a long time ago.

It was not wise to attack the Gods, lie about all that they did, and strike pacts and allegiances with hostile entities to humanity. They did anyway, knowing what this would cause. Since, they have only done crime after crime.

To show you a typical crime of a typical criminal jew, and how the Jewish system promotes them, I will just cite a singular example here:

Everyone knows here about the "Shemitah" year of the Jews, in which the jews cause financial collapse no matter what to "even accounts" and generally rob Gentiles out of their wealth. This is a small story of a really simple Semitah year

and a Jewish Soldier from Israel who just executed very well and to the letter his tribal commands of raping the goy financially and stealing the lots of who knows how many millions of people, and then just crashing them all while making profits for his tribe. Alex Mashinsky is your typical jew here.

This jew run a big company for "Crypto Savings" called Celsius based in Israel, which promised about 20% return to goy that invested in it.

This company reached like 6 billion invested assets, and he basically robbed everyone. After he declared "Bankruptcy", he just trolled the authorities and the goy for months that they would get their invested money back, which they never did, as it was all lost in legal jargon and agreements.

After 6 billions have been invested from American Goy, then the Shemitah Jews literally just bankrupted the Stock Market and the planet [how's that x15 energy bill going for you over a jewish war, goy?] - then the Jew decided to lockdown entirely his Israel enterprise and keep the goy's shekels hostage in it after it all disappeared and him escaped with billions.

Celsius, huge crypto lender with Israel ties, freezes withdrawals as markets plummet

[https://www.timesofisrael.com/crypto-le ... s-plummet/](https://www.timesofisrael.com/crypto-le...s-plummet/)

Then, shortly after, they literally filed just a regular bankruptcy.

Here is [https://www.timesofisrael.com/celsius-l ... bankrupcy/](https://www.timesofisrael.com/celsius-l...bankrupcy/)

**Then, on the FINAL DAY OF THE YEAR OF SEMITAH, AND ON THE HEIGHT OF THE JEWISH RITUALS, THE JEW LITERALLY ALSO DECLARED THEY ARE STEPPING DOWN AS CEO TO SIMPLY EVADE ALL CONSEQUENCES:**

[https://www.indexuniverse.eu/alex-mashi ... teps-down/](https://www.indexuniverse.eu/alex-mashi...teps-down/)

Sit there to think: How many retirees, helpless people, young people, people with children, families, households, has this jew gangraped by literally pulling the plug into a regular Semitah Ritual?

How many homeless, in debt, and crushed has this jew generated? Can you even comprehend that this is only ONE jew from them all?

"Who cares goy, if you mention that, you're an evil anti-semite".

But this jew that LITERALLY DID A RITUAL HERE IN FRONT OF YOU ALL AND ROBBED WHO KNOWS HOW MANY BILLIONS, LEAVING TENS OF THOUSANDS OR HUNDREDS OF THOUSANDS IN THE GUTTER, IS A GOOD JEWISH BOY THAT DINDU NUFFIN WRONG AND JUST HAD A REGULAR SEMITAH YEAR. OY VEY...

So my question to all of your bleeding hearts out there who protect the jews, vouch for them, talk good of them, is that you are uninformed. You are not only grossly uninformed, you are living in their matrix, in which they rape you, kill you, farm you, herd you like animals, and cause on you untold and unimaginable suffering. They are slowly extinguishing you everyday, but you do not want to accept this. Another jew recently Zelensky literally tried to cause WW3 on all of your "Goyim" heads, but here you will go again "protecting" those that will damn you.

Thankfully, your bleeding hearts and worthless Christian prayers will not stop what is coming. Justice will arrive.

The reason we do what we do, is to protect you from this death that you are causing to yourself [at least the worthy ones]. They keep doing all of this for CENTURIES AND CENTURIES TO PEOPLE NON STOP, I have to tell you this:

You are cowards, those of you who protect them, the true evil of the earth.

You are fine with them destroying civilization, ripping down the families, lives, souls of all alive beings on earth.

You are mentally insane and sick to not have ever considered to see the situation as it is.

Before you whine at our forums for "racism" and anything of the related, think to your little shrunken heads how much PAIN, MISERY, DEATH, DESTROYED FAMILIES, just ONE typical jew like Machinsky above is causing the earth.

Think of all the WARS FOR ISRAEL, open the BIBLE, read our information.

If you are moral cowards who simply stand with the criminals and perpetrators of this, and you cannot even "Criticize them" and "Tell them to stop", then you are one and the same as them.

Be careful, because the Gods will crush you in judgement for defending these evil creatures, only because right now they have the upper hand for a limited time in external society.

If you have read this message, it means you had the opportunity to know. Instead of knowing, you cowered and did not participate in defending yourselves and all people on this earth who are besieged by large curses. You left them on the sidewalk to have a better life, and as the rape and murder of humanity occurred, you did nothing.

You will be crushed and your soul will burn for all eternity for defending these criminals and falsely claiming that because we criticize them and petition the Gods to restore Justice, that we are "evil".

You will be annihilated for siding with them, and your souls will be laid to waste alongside theirs, because they have harmed humanity, the earth, and Gentiles in unbelievable extents.

If anyone wants to pretend you are making a "True judgement", read everything in our forums and holy books, and then go read about their claims in books such as the Old Testament. You will see that we are right.

Our work in reversing their curses, is the work of the Gods, and we are restoring Justice in this world. What price the enemy pays of this is the price they have generated and invested into destroying others.

The train is arriving, and many jews who first thought themselves "impossible to touch" will feel this great crushing blow, but it will, and when it does, it will not be a coincidence, it will be because it's deserved.

Everyone knows what will happen, but at the same time, we do not. We just invite the Gods to deliver Justice to them for the acts they have done and have admitted of doing, since these are recurring, ongoing and never have stopped for a long time.

The above is nobody's doing and is called reaction and consequence. As a last note, the Gods gave them also for a small "season" the podium of the earth, so you can see for what kind of creatures we are talking about.

The fact that also certain people call themselves "occultists" and still pretend they have no clue about the simple points we have explained about these anti-Satanic curses of theirs, means that they are lying or simply have no awareness of occultism whatsoever.

To also try to insinuate anyone in the LHP or anywhere must tolerate them or even take the jews seriously, means one has no clue about the very fact that anyone that ever had a problem spiritually was simply because of them.

The jews they desecrate all of you collectively and cast down your "Gods" and blot out your existence as "evil and nefarious", saying all of you must go extinct and literally pushing it that it's the case in material reality.

But somehow, one has to "tolerate" them, nobody has a real answer as to why this has to be done. We are told almost at every time they are to be "tolerated" because they are human, but they seem to have permanently ignored this fact themselves first and foremost.

As one studies further, one cannot have an "opinion", let alone speak against them, AGAIN due to FEAR of being called an "anti-semite" and literally having to "pay" yet another price of a long list.

They are THAT "GOOD" of a people, that you can slander all people on earth liberally, except of them, as they are the only ones protected by fake laws.

Why is such a good people in need of so many laws to literally protect its own so good and pristine reputation, in many cases, with the threats of imprisonment for anyone who says anything against them whatsoever?

The jews have clearly done nothing to deserve love or respect, or admiration.

It is always fear, coercion, and strange mind tricks with them. They always have to hide behind others: either humanity, the "semites", or trying to blend in.

When they are isolated and judged, like they do to EVERY OTHER TRIBE IN THEIR OWN BIBLE - oy vey, the great recoiling takes place, because they are FOUND GUILTY.

And here is one bleeding heart trying to ignore it, because of misplaced and programmed fake sentimentalism that is allowed of getting to their head and they are too sissified to fight a shark that is literally coming to eat humanity and has half of it already eaten.

Yet, on another level in this, everyone is being judged right now on if they will understand this or not, or if they will join the wave towards decay, or simply lie to themselves this is not really happening and pretend it's not, ie, furthering the injustice. And before they understand it, their woes will be on them for denying to wake up to this.

As a last and final note, those who do spiritual warfare to defend themselves, our gathering here, our world, and put the enemy into the state that they have prepared for everyone, salutations to you for acting as a proponent of True Justice.

We just want to be soldiers of Justice here: we will only deliver them what they have been trying to and delivering to us. We believe in equal Justice. The old adage of them reaping as they sowed is all that we seek.

*Great post, but I am confused on the statements above. Do you mean that because they side with the greys, they will be given a tour of the thoughtform "hell" and burn for all eternity? And what is this judgment you speak of in regards to our gods? This seems like somewhat of a christian conception of punishment but correct me if I am wrong. I assumed they would dissipate, could you please clarify thanks.*

Yes, by picking the side of evil, they will experience this price. Those who without repenting serve the jews, will also end up in similar fate.

The jews are clear in this, their non-jew servants are cannon fodder.

This is not about random people everyday guys and girls that are programmed, but about those who alongside the jews plot and act as infiltrators and their long extended hand in our societies, and act against the Gods.

The Gods will not help these idiots. They will reap the evil that they are sowing.

They do not at all think of building a Jewish state in Palestine in order to inhabit it themselves, but they only wish to have an organizational center for their international riots, which they organize under their own sovereignty and exclude the right of other states to intervene. They want to create a haven for exposed crooks and a college for future rogues.*

You'd be shocked, but yesterday, I was checking on my dictionary about something, and I found out "Jerusalem".

As the J is actually an I and the J does not really exist except in Latin [to symbolize an I sound] it appears the root word for the word of "Jerusalem" is related to "Ierusalem" which is very close to "Ierosyilia" from the Ancient Greek, which is the word to describe the highest crime of temple looting and stealing from the temples.

Basically the Jewish religion is just institutionalized theft, with all that this entails. Their "Heavenly Jerusalem" is the time when they have stolen everything from the Gentiles and their Gods and temples, until nothing has remained, and they enjoy the stolen loot. They call this the "Kingdom of God" or something.

We are just dealing with a bunch of thieves of spiritual knowledge and material wealth and nothing else, that try to crown themselves kings of the earth based on literal theft and curses on a consistent basis.
