

Why? How? What About? What JoS? - The Alien Jews (Part 3)

Greetings to all our people and Comrades.

This is a Sum-Up post for easily "Catching up".

To be brief and simple the Bible and all Abrahamic religions, all stem from the same "book". This book is called the Torah, which is an amassment of old Pagan legends, malformed and created in such a way to serve these main purposes [as to why, later in the post]:

1. Make a false history of the jews/act as a guide to the jews in all levels
2. Be used as an occult book/text with magical properties and power
3. Remind the jews of the fact of that they are alien, and that the so called "aliens" behind their creation have a purpose for this certain and particular group.
4. Advance and further the given agenda given to them by these aliens as "God's Plan".

Jews openly state that "God Descended" to them and "Gave them the Book" hand in hand. Now this shows meet ups between the nefarious anti-human aliens, and "Israelites", but this is mainly allegorical. As because, the jews created this book based on stolen occult knowledge, and based on Hebrew which is a mashup of all Ancient Languages from elements stolen from all places the jews have been. The jews altered these to create their own "Culture", and added a reptilian flair to it. This is why everything the jews possess can be tracked in civilizations prior to their existence, even including "Christianity" which can be tracked in Pagan metaphysical knowledge, names, occurrences, spiritual teachings and everything else.

The jews on the higher levels know, and all jews feel they do not "belong" here or amongst us in any way. This is openly stated in their own books. This is a planet that has been attacked by enemy entities, which through "religion" (religion being the backbone of strength of Pagan people) hijacked this and malformed this into a slavery program to enslave all the earth's inhabitants. These beings work with infiltration, and by taking over the powers of their host and using these against them.

The jews know themselves to be alien and of a "Different Race", as thus their "State" is a "Racial State" separated from all other Races and Nations of the

world. Race mixing is frowned and accursed in the Jewish Community, because it dilutes the "Blood of Aaron". Those who are "religious leaders" in the Jewish Community, are the "Cohen/Levi Tribes", who are according to the Jews, "genetically Pure from the line of Abraham for at least 1000 years". There are also others. They are to serve as priests with specific purposes, which are tied into the DNA. These also highly resemble the reptilians in many ways. DNA tests are taken so that Jews can officially be called "Jews", as Judaism is just their culture, which stems from their "Race".

While the Non-Jews [Gentiles/"Goyim"] are considered "Satanic", Jews are considered "People of God". "Soul" is nothing but the metagenetic factor that decides one's internal disposition and this manifests into physical appearance. So, what they have to say about the "Soul" and who they are:

“This is what needs to be said about the body: the body of a Jewish person is of a totally different quality from the body of [members] of all nations of the world ... The difference in the inner quality between Jews and non-Jews is “so great that the bodies should be considered as completely different species [...]An even greater difference exists in regard to the soul. Two contrary types of soul exist, a non-Jewish soul comes from three satanic spheres, while the Jewish soul stems from holiness.” -Chief Rabbi Menachem Mendel Schneerson, "The Rebbe"

In plain, the Torah which is the basis of all "Abrahamic" religions, is something like a computer software that is being brainwashed, hardwired and also "channeled" into the environment by occult means. This creates a consciousness matrix of the people who have been brainwashed and subjected into this thing, and this works on the subconscious mind so most people are unaware of this. This creates people to move in certain particular directions in their walking life, and this extends into creating whole civilizations and in the end, the planet. Subconscious messaging in televisions and videos, and elsewhere, is related into this. This is why Bible passages, and other symbols are projected so much, except of the fact of the aliens wanting to show "superiority" against the "Goyim".

As thus, since the jews showed up and their "program" got power, the desire of the enemy ET's that were behind this program has been manifesting into the planet. This is globalization, "humanity becoming one", the dissolution of Races, identities and even genders, all with the higher aim to finalize in what we know today as "Communism", but the Ancients would just call "The Apocalypse". "The Apocalypse" is nothing but the jewish aim of having their masters "Revisit" after the jews have "paved the way" for them. The jews want the stolen land of Israel as a center for the "Global Empire" they want to create [Greater Israel] in their texts, upon which the enemy ET's behind this hoax will lord over Humanity in a complete slaver rule. The jews call these times "The Messianic Era".

All Israelites will have a part in the future world... The Goyim, at the end of the world will be handed over to the angel Duma and sent down to hell. - Zohar, Shemoth, Toldoth Noah, Lekh-Lekha

The Jews feel they are the "Chosen", and they are, of these nefarious entities, to execute this influence to the world. This is racial and hardwired into their biology and Soul. As DNA tests of the jews reveal, they have encoded "messages" from "JHVH", which is a code name for the alien hive the jews worship in a contextualized spiritual fake "allegory" of being "God".

That the Jewish nation is the only nation selected by God, while all the remaining ones are contemptible and hateful. That all property of other nations belongs to the Jewish nation, which consequently is entitled to seize upon it without any scruples. An orthodox Jew is not bound to observe principles of morality towards people of other tribes. He may act contrary to morality, if profitable to himself or to Jews in general. - Schulchan Aruch, Choszen Hamispat, 348

Jews believe in the Christian/Muslim/Abrahamic "God", simply because, "God" represents one different will that advances them. Different beings. All highly superior advanced beings are called "Gods". The enemy jews speak of "one god" as every and all of their "Gods" are assimilated and borg-ed into the same "database". The Gods of Pagans and the Gentiles, who are the original Gods from the Empire of Orion and resemble Humanity in many ways, mostly being Nordic, are all self-individual and Divine beings.

The route of evolution here is different, and Humans, made in the image of Satan [Behind which name there is the ET who created Humanity], exhibit naturally all the traits that the enemy despises, such as "self-existence and awareness" (the enemy calls "ego"), self-need to betterment (the enemy calls "pride"), "rebellion" as in that we do not obey to their slaver demands, since we are Superior to their "Chosenite" jewish Race and hive, and also "warrior like" tendencies in that we

resist the advancement of their alien force on our planet. For this, according to them, we deserve to be obliterated forever and assimilated.

The "War in Heaven" is nothing but an allegory in which the jews openly speak of wanting to decimate both of Humanity, all those who resist to the above, and the enemy "Angels" (ET's) who are resisting this decision of the enemy, lest they get their way with "Global Enslavement" or the "Messianic Era". Behind the "ET's" of the enemy, there are two Races, the Greys and the Reptilians. The side that wants Humanity to take a different route towards freedom are the Nordic Aliens [not all of them]. The actions and insights of the jews do reflect the actions, insights and opinions of these failing "races" of the enemy, on how should governance and human destiny ought to be.

The 3rd Reich was a manifestation of their desire and plans for Humanity: Health, individual freedom, safe racial states, cultural advancement, exceptional scientific advances- Humanity becoming God and spiritually independent. This is why the 3rd Reich wanted to save all Races on the planet, starting from the most threatened who was the Aryan Race, who is in direct genetic tie to the Gods of Orion who are led by Satan, who is a Nordic God and Leader of the Empire of Orion.

Roughly, how the Reptilians want to rule the world, is In fact, as they rule the Greys. They rule the greys through technological devices and implants, and greys are a race with zero to none "self-awareness" or "ego". They are all "assimilated" into a big giant thing we can parallel of a computer network, and they share a hive mind without individual "reasoning" or ability to reason. They are a hive existence, and they have removed their capabilities to mate, have an emotional brain that was removed, think for themselves, and even many of their physical abilities. No free will whatsoever and no other reason of existence than serving the reptilians.

On top of large numbers of greys, there is one "Reptilian" alien who, being controller of the system, co-ordinates the greys to do "His Will". The greys cannot but follow. This is why they say in the bible that the "God" is the ultimate will.

They do not talk of any divine creator, but themselves, as "God" over Humanity. The Jews are their "buttons" here. Not only their "God" is not "all powerful", but they are deathly concerned of losing the battle against Satan or the opposing side.

"If a heathen (gentile) hits a Jew, the gentile must be killed." -Sanhedrin 58b.

Whosoever disobeys the rabbis deserves death and will be punished by being boiled in hot excrement in hell. -Erubin 21b.

They also associate themselves with the Jews on what is known as the "Astral Realm", which is beyond the light spectrum that the physical eyes can perceive, but one can see and communicate by opening their "3rd eye" or the "Eye of Satan" whom the enemy wants to shut down in Humanity:

The decisions of the Talmud are words of the living God. Jehovah himself asks the opinions of earthly rabbis when there are difficult affairs in heaven. -Rabbi Menachen, Comments for the Fifth Book

A rabbi debates God and defeats Him. God admits the rabbi won the debate. -Baba Mezia 59b.

The jews are promised the same if they execute the commands as they are guided to do. This is why they want to hook everyone with microchips, do promote "Transhumanism" and are so delirious about getting all Humanity to go to a technological uprising where there is no insight on how to control this. Tracking, mind reading, fetching global "information" and "knowledge", etc. All account to the same thing. The technology they promote is slaver technology, and not real and helpful for Humanity.

When the Messiah comes every Jew will have 2800 slaves. Simeon Haddarsen, fol. 56-D

The jews use "Angel Names" and all their occult things to summon, and get into "contact" with these entities who do their best to co-ordinate them in their plan of taking over the planet. These are "God" and the "Elohim". Satan stands on the opposing side, wanting to save Humanity from this impending doom and free Humanity, because Humanity is His creation. The Jews, consider only themselves really "Human" and harbor the same opinions as greys and reptilians- that which sees Humanity and all beings on Earth as cattle. Reptilians feast on human beings as if someone has a meal, and the jews mimic this trend by doing "Blood Ritual Sacrifice" to JHVH, to show them that they "follow their footsteps".

The Christian "Eucharist" every Sunday, of drinking the Blood of the symbolic and stolen from allegorical spiritual texts, character Jewish Rabbi named "Jesus Christ", is nothing but a mimicry of this particular habit. That way, the sheeple affirm their "faith" and are being linked by their actions to the larger vortex of enemy energy. Muslims also practice cannibalism and bloodshed as a frequent habit because of that same reason.

The jews lie and believe that actually all people are animals, in mimicking how their aliens see "Humanity" as a whole. Humans are only fit to be slaves, according to them, and their alien counterparts.

"Jehovah created the non-Jew in human form so that the Jew would not have to be served by beasts. The non-Jew is consequently an animal in human form, and condemned to serve the Jew day and night." -Midrasch Talpioth, p. 225-L

"Worship" is so highly forced in "Abrahamic Religions" because the alien hives do not only feed on this energy, but it is guided by the appropriate occult means for further enslavement. This is why prayer, blind obedience to "God" and the jews is emphasized, and this is why the enemy aliens do their best to put their own

people in all positions of authority, to guide the world into the "Global Future" that is intended. The focus on the "Bible" or a physical object, is to force the energies in a direction. Forced on the bible, the whole "program" that is imposed is charged with energy. This is a fatal line and this is why Christianity is so deathly defended by the jews and by asleep sheep.

So, in closing:

The Joy of Satan is a manifestation of the Will of the Creator of Humanity. What is nowadays known as Satanism [demonized by the jews as a term], was once Mankind's original and central, "Pagan" religion and backbone. This has nothing to do with the enemy, or the jews, in any way, as they are all very recent. Our symbols have been stolen, perverted and our notions misaligned, however, one just needs to take a throughout look on the "Satanic" (as the jews admit) world "before the jews", and see all the "Satanism" going rampant, anywhere and everywhere.

Know these Truths, we act for the destruction of the enemy in all levels, through the spiritual level, and through spiritual means.
