Jew Politician Openly Admits Immigration Is To Kill White Europe

Look everyone the Kikes are openly admitting the point of Massive non-White immigration into the West is to Murder the entire White Race. And they are behind the whole thing.

"I think there is a resurgence of anti-Semitism because at this point in time Europe has not yet learned how to be multicultural. And I think we are going to be part of the throes of that transformation, which must take place. Europe is not going to be the monolithic societies they once were in the last century. Jews are going to be at the centre of that. It's a huge transformation for Europe to make. They are now going into a multicultural mode and Jews will be resented because of our leading role."

The fictional holycost is just an excuse the Jews made up. Jews where already murdering Whites by the millions with Communism even before Hitler came to

power in Germany, to stop Germany from getting holocausted by Kikes in commie caps. Like in Russia. Jews got nothing but Hitler hate, because he stopped their blood letting of the Goyim, Purim fest for awhile. The Jews where also trying to ship in tons of non-Whites under their Soviet regimes.

Gysi, just proving Hitler Is Right, yet again.
