Greetings to all our People and Comrades.

This Ritual must be prioritized for the 11th, 12th and 13th of September.

The Mudslimes on this day, celebrate their "Eid al-Adha", which is nothing else but slaughtering and living blood sacrifice of closely millions of innocent animals, in order to empower the enemy ET hives they call "God". Obviously, this is no different than the Jewish "Yom Kippur" and on the Kosher Slaughtering of animals. What is Kosher to the Abrahamic Kikes, is "Halal" for their Jewish Slaves, the "Islamics".

The Jews of course practice the same exact thing, and all of this happens behind closed doors. Guess who owns the (((Media))) anyway.

All of this is directed loyally to the destruction of "Satan", any and all occult resistance, people, countries and states alike. In plain, this is massive and horrendous death and suffering energy, and also life-force, directed into the jewish hoaxes these idiots believe.

In the same way "Allah" commanded "Abraham" to kill his own son (but supposedly, oy vey, in the lying books he didn't- but wait, he didn't even exist anyway in the first place), in the same way "Jehova" commands "Abraham" to kill his own son. Oy Vey, Islam and Judaism and Christianity are by far different.

Getting serious, all these programs are 100% jewish. Slaughter is needed to give energy and power to these hoaxes and keep them going. The same goes for indefinite and unceasing "prayer", especially towards idols such as the "Kaaba Stone", or the Jew nailed on the Stick, Rabbi Jewsus Krayst.

The Mudslimes, like their Jewish overlords, do also do full blown "Rituals" to destroy Satan, all of which have inside them blood sacrifice. It's the Abrahamic jewish Hoaxes that do living blood Sacrifice, and of course, this is just being projected to Satan.

Our plan for these days is to decimate the enemy, by returning and rendering their blood sacrifice onto themselves. This will destroy them and halt the increase of power they were expecting for this year, drastically wearing that excrement down. This will destroy them.

Its also advisable that people keep their energies really high up and through these days. This will make sure their curses will backfire at them and destroy them. Like the enemy always does, these dates are power dates, and are stolen in order to effectively attack us. They can be used both ways if someone has the knowledge. These energies of death are sublimated and channelled all over the world, in order to inflict death, misery and affliction. These fools raise the energy, and they need it on themselves. Otherwise, this goes to your children, countries, states and souls, and to the whole planet. We need to put a stop to this. This will also manifest in Europe and elsewhere and further tensions.

Below the Ritual, additional information will be put in regards to this malicious and nefarious death ritual they are doing.

***Eid al-Adha (Arabic: عيد الأضحى 'Īd al-aḍḥā, [ʕiːd æl'ʔadʕħæː], "Festival of the Sacrifice"), also called the "Sacrifice Feast" or "Bakr-Eid", is the second of two Muslim holidays celebrated worldwide each year, and considered the holier of the two. It honors the willingness of Ibrahim (Abraham) to sacrifice his son, as an act of submission to God's command, before God then intervened, through his angel Jibra'il (Gabriel) and informs him that his sacrifice has already been accepted. The meat from the sacrificed animal is preferred to be divided into three parts. The family retains one third of the share; another third is given to relatives, friends and neighbors; and the remaining third is given to the poor and needy.***

I am left with no other choice but to provide pictures and information of this, which will definitely be gore. I will do this below, after the Ritual:

The Islamic holy book tells how Allah demanded that Ibrahim sacrifice his first son, Ishmael, in an act of subservience to his god.

According to the Koran, Ibrahim was wrought with indecision, but resolved to do Allah's bidding - and even put the dilemma to Ishmael himself, who said the right thing to do was slaughter him.

However, as Ibrahim slashed the throat of his son, he found that an angel had replaced Ishmael with a goat. The animal sacrifices still carried out today are meant to symbolise and celebrate Allah's act of mercy.

After the act: Two butchers are pictured tending to the carcass of a calf which they just slaughtered in El-Kalubia, Egypt

Ceremony: A butcher shows off his bloodied hand after participating in the ritual, which is a central part of the holy day celebrations

Cows, sheep and goats are the most usual animals which are taken to slaughter, but other livestock - including camels - also feature depending on the region. In Britain the ritual killings have to take place in a slaughterhouse.

Families are expected to sacrifice good-quality animals. There are no absolutely binding rules on what to do with the remains, but one tradition sees families divide the usable meat into three. One part they consume themselves, another goes to friends, and the final third is given to the poor.

The exact date of Eid al-Adha on the Western calendar changes every year - in 2015 the festival was held on September 24. The festivities coincide with the Hajj pilgrimage - which was struck by tragedy this year when more than 700 people were crushed to death on the outskirts of Mecca.
