Greetings to all of our Satanic Comrades.

We will be going for the 20th, which will be the Race Awakening Ritual day this month. We will become more methodical in the future in regards to such ritual and do it in days of power for ourselves, so that when people racially wake up, jewish influence will cease and be obsolete in a world. We are also going to re-affirm strongly some of the RTR's we have done before and have manifested strongly (see for example Zuckerberg's destruction - this must be furthered) to make our influences stronger.

Below is the schedule for ease and convenience for translators:

SH RTR is short for the Shema RTR, which is the opener RTR we are doing to shred the enemy's defenses.
