Greetings to everyone. This is the Schedule for the days from 3rd to 17th of March.

For those who have completed the RTR's for the 2nd of March, you can do these one's for the 3rd of March a day earlier. So you can do these both these rituals today and tomorrow. This is important for us to funnel extra power to push the German elections into a better result. Jewess Merkel is falling like a fat missile. There is a chance for Germany to massively wake up, and this is important as the jews have one of their major strangleholds over there right now.

## Below the Schedule:

**Everyday one does the Shema RTR to increase the effectiveness of other RTR's. Therefore it's to be done daily prior to doing the RTR's. SH-RTR means Shema RTR. You first do the Shema RTR (This can be done even hours before in the day). Then you proceed on with the general schedule.**

If you want to take it to the next level, after you do the last RTR, you redo the Shema RTR to intensify the effects further. The Shema is extremely short of an RTR.
