Greetings to everyone. Excuse the brevity my fellow SS, this is done for the translators ease so we lose the least amount of time possible while translating and spreading the message.

It's imperative we spam strongly some RTR's to reinforce their power. This is going to be fun. Everyone here hates the jewish hoaxes of Rabbi Yeshua aka Rabbi Jesus, inflicting mental turmoil, cancer and blindness upon the populace. We will do deliberate work to ruin this, while reinforcing all our objectives at the same time.

The enemy thrives on deception and foolery, and extreme lying and deceitfulness on the back of the fully unsuspecting populace. Without their occult backup, this cannot work.

Below the schedule:
