

# Time for the Anti-War RTR's Fellow SS...

by High Priest Hooded Cobra 666

[April 12, 2018](#)

This is how it should be going:

Shema, 72, the 3 Anti-War RTR's.

This until further notice. The jews are frantic. Trump has lashed out on Russia, and the domestic jewry is pushing for strains between the USA and Russia right now. The jews seem to be pushing very hard for this. It doesn't seem to be going to war, but for reasons to make sure there is more energy into this, we can use the Moon in Pisces as an opportunity to do the Anti-War RTR's.

We have to spam the above RTR's incessantly. At least for today, and the day after, so long the Moon is in Pisces, which is a peaceful sign.

After this we proceed with the schedule as it's laid out here. The 12th and 13 of the month are replaced with the RTR's above...:
