Guys, now that Israel has problems, we have to really pray, really hard for them. We have to show some humanity, towards humanity for once. That's really a disaster and we must follow up as much as we can.

I know you want to sent many prayers their way, so I remind you, we have this schedule of prayers to make for Israel.

It's only a returned commodity after 2000+ years of them having their own 'priests' and 'gentiles' praying from the jewish prayerbook for our states, nations, families and us too. We need to return the favors with more favors when this is able. Jews have done a lot to this world.

Every sunday, people of our own races, go to the church to say things like this, with their heart, soul and mind:

Exodus 11:4 -5,6

"4 Moses said, "Thus says the LORD, 'About midnight I am going out into the midst of Egypt,

5 and all the firstborn in the land of Egypt shall die, from the firstborn of the Pharaoh who sits on his throne, even to the firstborn of the slave girl who is behind the millstones; all the firstborn of the cattle as well.

6 Moreover, there shall be a great cry in all the land of Egypt, such as there has not been before and such as shall never be again...."

"Excellent information! I like the other verses about rape too. I think they are an amazing culture in general to have in White Nations and everywhere else.", said Tom Goyimins, on the hashtag #PrayForIsrael, who has recently adopted 60,000 kids Via Unicef. The CEO of Unicef gave a direct interview from her rolls royce, saying she thanks Tom Goyimins and that he is the prototype of what all people of the world should be becoming, after she emphasized in regards to the extreme importance of helping the poor and the disabled.

**JEWS SAID IT,
I BELIEVE IT,
THAT SETTLES IT!**

Tom Goyimins continued in his BBC (Ronie Jakub's Racemixtons channel) interview:

"Thank you Israel! You are amazing, peace loving, very nice people. I always wanted to be turned into a cyborg, have my life dominated by artificial intelligence, race mix myself to non existence, and deliver of course my nation and state to you. I have adopted 60,000 black children, and I really hope these will wash away the sins of being born White. The other time I skinned myself, and whipped myself 6 million times because I believe in Catholicism and want to follow the ways of the lord jewsus. Jewsus is a jew and that is quite a blessing to follow the jews! It's not like we, the poor gentiles, had any other culture before you! thankfully you gave us the 10 commandments and the demonic texts like the code of hammurabi were removed. Now we know, there are 10 rules in life! (However, Cash-em Willing, Blessed be hit, we can murder on occasion, rape, etc. etc.! It's a bit complicated for those who do not understand the trooth of jewsus!)

I don't know where would we all be without sexual insanity, race mixing, endless retardation, massive brainwashing, genocidal agenda, free speech censorship, staged invasion, hundreds of jewish instigated civil wars (thank g-d!!!!), WW1, WW2. I myself after having engaged in enough race mixing, have chopped off the cause of sin, as because as jewsus said, if your thingie causes you to sin, pluck it out. I followed this advice to the letter. I almost died from bleeding at the hospital, but I guarantee you, all the blood went straight into the toilet by my own admission, since it's the evil blood of the Amalekites! As I passed away in my hospital bed, I said to myself, Tom Goyimins, think.

How could we live and call life, life, if it wasn't for this great Communist Mao Zedong to murder some 50,000,000 Asian people? Where would we be without Stalin?

How would our globe be more blessed than the systematic usury and state debts that all states have and cannot escape! Every decent and peaceful human being sleeps very nice at night knowing that enough 'g-dless' palestinians are dying everyday. It's such a relief that Africa is drowning in impoverishment. Where would we be without Karl Marx and his fellow millionaire Engels, to let us know about the worker's rights that the evil (((plutocracy))) has exploited! It wasn't jews entirely, this I know! It's been like only 99.98% jews in the Plutocracy! So therefore not fully jewish plutocracy! The rest 0,02% were only HALF jewish from their father's side! Half jews are not jews! They are enemies of the jews like Brother Nathanael!

Where would I be, knowing that in the future, 'lovemaking' will be NOT done with robots, and that people wouldn't be living in a virtual reality? Where would humanity be weren't it for the jews to teach us the laws of g-d, such as killing people because of masturbation? How happy would we have been wasn't AIDS invented in a laboratory, so that the merciful one, Cash-em, blessed be shit, sorry I meant IT, didn't stop us from senseless procreation! 6 trillion Souls, all have went straight to Cash-Em, the merciful one blessed be he, of the Jews!

Where would civilization be without vibrant multiculturalism and one in five women in Europe, and more than half of the planet, being systematically abused thanks to ideas of violence (g-dly violence!) professed in these books of Abraham!

Just where would we be? How can days go by without giving mercy to people who kill your family, and make our states poorer, so you know, we can understand how it is to live with less, and not with more, as to not get carried away by the wealth of the devil!

Thank Cash-Em, the blushed one, most of the wealth is on the jewish hands! This way we can sleep at night knowing that everything is under the control of the Jewish God, who after all loves us enough to throw us into eternal hellfire.

I was spiritually blind, but now I have my logic!

If I ever feel lost, I got to jewtube. Sorry I meant youtube, and I type in "Doomsday prophecy 2016". Immediately I wake up to the tru again. Mighty is the terror of Cash-Em. I make a monthly donation to Israel as well because I think this is exactly what I should be doing, cause as it says in the bible in regards to money and wealth:

They were pleased to do it, and indeed they owe it to them. For if the Gentiles have

shared in the Jews' spiritual blessings, they owe it to the Jews to share with them their material blessings. - Romans 15:27 (NIV)

No matter what crimes happen, remember! Dualism is an illusion! Therefore all negative and depraved acts are still the will of G-d! Nothing bad in it! Jesus may have said when it comes it will attempt ruling with a rod of iron and kill some billions of disbelievers, but who are we to question Cash-Em? Mysterious are the ways of g-d!

The planet also needs to be destroyed because the earth belongs to Satan. All fellows need to remember this. So let's endlessly pollute it until the end of time! G-d will just make another one! No problem whatsoever!

Where would we be without all these BLESSINGS we have received.

We just feel obligated to BLESS them back."

Such as MOVING STORY of TOM GOYIMINS. I feel obligated to PRAY FOR ISRAEL!

Seriously, now that Israel is in deep problems, we need to pray. Prayer is also entirely legal. Let me show you what material we will be praying, for these very influential people.

We have a purpose to humanity to pray for Israel guys.

Pray hard on these RTR's, 24/7. All of us must prey. Sorry, pray.

Shower them with blessings and prayers, as they have been doing for us for thousands upon thousands of years.. Pray so that humanity will be delivered.

Satan really CARES for Israel. In what way, all of us here know!
