

Commie Icon John Lennon, Admitted Incest Freak/Abuser

Thanks to mein bro, Nick Vabzircnila for this find.

Commie Icon Lennon was kind of like Karl Marx who also beat his wife and children and caused the death of his own kids with his abuse. He has shades of Commie Jooz Freud with wanting to fuck his own mother. Lennon was a typical Leftist, a spiritual fuck up and mentality sick weirdo. Communism is not an Ideology, it is a Pathology. You have to be mentality fucked to roll with Team Toilet Jew.

You Don't Have to 'Imagine' That John Lennon Beat Women and Children—It's Just a Fact

"In a 1979 audio confession, Lennon revealed that as a teen he bore sexual desires for his mother. He later regretted not having made a move on her, saying, "Presumably, she would have allowed it."

"He admits to hitting women—"any woman"

"The years following the birth of their son, Julian, saw Lennon as an absent father who would criticize and even smack the sensitive Julian for things like having bad table manners. (Actually, Jartlett said, "Julian's table manners were, if anything, better than average.") Throughout the marriage, Lennon slept with other women and would leave drugs "lying around the house."
