The situation with Race is that everyone understands what race they are or resemble at least, but the fundamental understanding of this is so deep, that we tend to ignore it. This is like the sun in a sense, we tend to ignore the sun and take it's existence for granted. Race is something that is absolutely normal and natural.

The fallacy of those who say that Racism doesn't exist is that they have engaged of it in the first place. This is because Racism has become a fearsome thing, because the enemy has defined racism on a basis of hatred, nor purely scientific or otherwise understanding. Racism has been correlated with negative things and punishments, so that nobody seeks to find any truth in this otherwise scientific observation. This is the same as someone going to study about the Occult or any other subject and the state hunts them to burn them at the stake.

When one says Racism doesn't have to exist, one has already affirmed that something (Natural observation) lead people to believe in races. One is essentially only trying to close one's eyes to a reality that permutes the cosmos, just because we can't deal with this reality.

And we cannot deal with it because we are spiritually blind and we don't have education on the subject, which is a work deliberately done for centuries.

Due to the above having inherent value for mankind, and at their time, race as a value was until very recently admired universally and from all earth, so those who were angry that we benefited from this consciousness and did ascending practices, wanted to remove this. "Race" and as a cell for it, "Family" were always kept as high valued moralities back in time.

Health people should see the survival of their people as their own survival, and indeed, most people still do. To remove this instinct is as if one attempts to remove the instinct of self preservation or pack preservation from any other animal in nature.

This is equal to the removal of the sonar-like mechanism bats have in order to fly. Bats are by definition blind and they move around based on a sonar like mechanism. Now one can only imagine how a bat would fly if this mechanism was somehow removed from it.

This way great truths were disarmed in the weight of disinformation, and people again around 80 years later have to asses and go all the way back to experience where the fact that these questions did not get addressed back then, is only haunting all people of the world today.

So again here we are having to deal with the same eternal questions like race, because we constantly ignore it, because the jews told us it's moral to ignore this question, and that the problem does not exist. So nothing gets solved and situation of racial tension is worsening and worsening, despite of how much we progress outwardly as a planet or what new smartphones we create.

Those who ruined these truths and ruined this world know what they have done, the jews, do know this is a transgression carried for them and continued for generations. It was done on purpose and it still gets done on purpose, and this will be the case forever.

Fighting against the enemy is more important than fighting what the enemy sets in front of someone. This is called a "Diversion", and this is what it is. It's all a diversion.

Muslims in Europe, Blacks in America, and all of this, or even the Mexicans invading the United States, as they may be huge problems, they are if anything a diversion. Jews use their own created circumstances of wretchedness on people to rally them against others, and whomever at the time the jews want to destroy. But for a diversion to effective it also has to be POWERFUL, and in this context, brutal or violent. And these situations are advanced at full speed so that people have no other choice but be diverted from the main cause of the whole situation.

This is in many ways like fighting a fire, and dousing it. But the jew is around and he will set a fire tomorrow and the day after, and so long he is not dealt with. Indeed after a point since this will be daily life, it's in one's best benefit to catch the element that SETS these fires, rather than to try to douse fires.

Muslims have been removed from Europe before, and here we are again, thanks to the morals of christianity and jews opening the rear door, "Welcoming" the Muslims to take us over through birthrates, all over again. The situations are cyclical, as the karmic problems and karmic reasons of them have not been addressed, but only covered. And the longest the cover lasted, the most brutal was the manifestation of the imbalance late.

For those who are idiots and assume that our salvation from the jews will come by "One people", you are thoroughly mistaken. One's energies who is as aware as we are spent on other Gentile is as trying to douse another fire when eventually the jews are going to set it up again an hour later.

"One people" woke up the last time, the Germans, and what happened? The jews sicced on another people, Russians, Americans, French, English, what have you. This is the history of the jews. One nation wakes up to them, then they move to another, they destroy it, and they return back to the nation to feed on it's corpse.

Eventually nations or a people at large have so many problems with them they can't take it anymore and they revolt. Then the jew, as a universalist, is always able to

escape and continue what he plans to do to destroy everyone, in the midst of another people and another nation, and carry the assault once more.

So if we are to save ourselves and our planet, this is an extent to where we also have to become "Universalists", as in, dealing with them in a universal scale, to avoid in the end universal catastrophe. This ironically is the only way to go if one wants to oppose Globalism or the other plans for mass destruction and ruin of mankind. To stop this process we have to realize the role we all have to play.

To give an example of how Jew conditions put Gentiles on constant war and aggression, you will have to see the movie *They Live*. The main character who is a White man, discovers a box with pairs of glasses that make him see aliens living amongst the midst of everyone and maintaining a slavery like system.

So he meets this Black guy and due to miscommunication and bias in that the White is insane, and that the Black doesn't want to listen, they end up in a huge fight, breaking each other's faces and knocking each other senseless, because one couldn't relate the problem and the other couldn't and didn't want to understand. Eventually, this person becomes his ally, as after the beating is said and done, the Black person decides to wear the glasses and see what is going on with the alien invasion. Then they proceed to solve the issue.

<https://www.youtube.com/watch?v=4-MVMbm6c0k>

If one is still not getting it, then go watch this movie, and parallelize it with what is going on in our world right now with the enemy. This will help you understand how retarded and pointless this fight as in the first place, given the context of what the people happened to understand.

As for those who waste themselves and their own time in whining and tears about and blaming other Gentiles such as Blacks blaming Whites, and everyone blaming Mexicans, ok. You want to douse a fire, at least you think you do. You feel like shit watching your village burn, it's alright.

But no matter how much you will douse fires and attack the symptoms, there will be the Jew again with more Gasoline, to blow everything up. So you may prevent one fire, but you will never prevent those causing all of it if one maintains the same dumb mentality. While you hate on other Gentiles the Jew is walking off the hook to burn someone else's land and blame it on your own people.

After a point of one dousing and dousing, one expects someone to act sensibly to put an end to this in an effective way.

But since we have SEEN who sets the problems, so this is our job to deal with. And if we don't, we will be UNIVERSALLY destroyed.

One has to decide that one is DONE with all of this endless hoola hooping and everyone wants to solve things once and for all. And

Black Members will be able to do their own ritual, which is very important in waking up the Black Gentiles so that we can move ahead into a better understanding of self preservation and going better for everyone involved.

Ritual to Incite Black Awareness and Action:

Ritual to Incite White Awareness and Action

Either write or carve the following Runes:

Óðal Sól Óss

Pronunciation: [OOOOOOO-TH-AAAAA-LLLLL] - [SSSSS-OOOOO-LLLLL] - [OSSSSS]

**If someone cannot carve or write the Runes, or consecrate with blood, just very intently vibrate these and it should be perfectly fine!*

The Runes can be carved into wood, or written on paper. If you carve the Runes, vibrate each Rune while you are carving it. To increase the power of the Runes, when performing this ritual for the first time, you can stain them with your blood. Given the dire situation of our race, this ritual needs all the power we can give it. If staining in blood, this should only be done one time. You should be continuously vibrating the name of the Rune when staining it. There are different ways of vibrating the Runes. Feel free to use whatever suits you.

The combinations of everyone performing the ritual will come together in power. To repeat this ritual, just focus on your carved or written Runes and vibrate them as

follows below. Your Rune board or paper should be securely stored in a safe place and only taken out when performing this ritual.

THE RITUAL

Raise your energies. [See link below], and recite the following prayer:

In The Name of Satan, we call forth the Powers of Hell, the Original, and True Gods of the White Race to come forth and manifest themselves. Satan, True God, Almighty and Ineffable, Who hast Fathered the White Aryan Race that reflects in Thine own image and likeness, we ask you to bestow your powers upon us. Awaken all of our White Aryan People to the Jewish menace that works to destroy us. Incite our White Aryan People into action. Instil our White Aryan Ancestral Pride. Awaken our White Aryan Brothers and Sisters to the Menace of Christianity, Islam, and related Jewish programs so that they all may be completely and thoroughly destroyed forever. Bestow the Power of Your Protection to our White Race and White Children worldwide. Praise, Honor and Glory be given to You, Our True Father and to Our Original Gods!! We are Your Direct Descendants and Children!!

The above prayer can be either recited out loud or in your mind.

Now, vibrate Óðal, Sól, Óss, 88 times, while focusing on your Runes.

You vibrate these together, not separately.

Óðal, Sól, Óss is one round, then Óðal, Sól, Óss...

When you are finished, recite the following with intent:

*All White People are now racially aware
All White People are critically aware of the Jewish problem
All White People are taking action to secure the existence of our White Race
All White People are working towards a secure future for our White Children*

Vibrate SATANAS

Then close the ritual by stating: HAIL SATAN AND HIS WHITE RACE FOREVER!!

Focus on the above image of the Udjat (pronounced UUDYAHT).

This is the all-seeing eye of Horus. This eye is symbolic of seeing and knowing the truth.

THE RITUAL

Raise your energies.

[See link below], and recite the following prayer:

In The Name of Satan, we call forth the Powers of Hell, our Original Egyptian Gods, the True Gods of the Black Race to come forth and manifest themselves.

Satan, True God, Almighty and Ineffable, we ask you to bestow your powers upon us. Awaken all of our Black People to the Jewish menace that works to enslave and to destroy us. Incite our Black People into action against them.

Instil our Black African Ancestral Pride. Awaken our Black Brothers and Sisters to the Menace of Christianity, Islam, and related Jewish programs so that they all may be completely and thoroughly destroyed forever. Open the Eyes of all Black People worldwide so they can recognize and identify and know the truth about the Jewish menace that works to enslave the entire world. Praise, Honor and Glory be given to You, Our True Father and to Our Original Egyptian Gods!!

The above prayer can be either recited out loud or in your mind.

Now, vibrate YEEMUHN RAH one time

Then, vibrate UDJAT, MA, REKH, 99 times, while focusing on the above image of the All-Seeing and Knowing Eye.

You vibrate these together, not separately. UDJAT, MA, REK This one round, then UDJAT, MA, REKH is the second round...After vibrating the above 99 times, vibrate YEEMUHN RAH once again.

When you are finished, recite the following with intent 18 times:

Vibrate YEEMUHN RAH once again and Affirm:

*-All Black People are fully aware of the Jewish menace worldwide.
-All Black People are actively and aggressively rejecting all Jewish programs.
-All Black People are fully aware that both Christianity and Islam are false programs created to enslave everyone both spiritually and materially.
-All Black People are leaving Christianity and Islam and are returning to the Original Gods of Ancient Egypt.*

Vibrate YEEMUHN RAH once again and Vibrate SATANAS

Then close the ritual by stating: HAIL SATAN!!

§YEEMUHN RAH is the Ancient Egyptian "AUM"

§Udjat is pronounced UUD-YAHT

§Rekh is Ancient Egyptian and the meaning is "to know."

REKH is guttural. The KH sound is vibrated in the back of the throat. Like hacking up to spit, but lightly. Roll your R. §MA is Ancient Egyptian and the meaning is "to see." MA is pronounced as MAH

For those of you who are experienced, you can raise your energies doing whatever works for you.
