Reverse Torah Ritual Schedule 19th of February to 2nd of March

Keeping it brief for translators. This is posted earlier to make it better for translators as well.

The enemy is going down faster now with the Shema RTR. We are snowballing them. We just need to keep going, and everything is going to be perfectly fine for us.

Don't forget Gentiles are 99% of the planet. The enemy knows that when the beast wakes up they are done with. Do not fear and worry, the planet has went through many bad happenings thanks to the enemy, but we have survived, we are here, and we know what we need to now. The situation will be fixed and justice will be brought.
