

# The Final Eclipse [NEW REVERSAL RITUALS for 21<sup>st</sup> of AUGUST]

by High Priest Hooded Cobra 666

[August 20, 2017](#)

Greetings to all our People and Satanic Comrades.

We know there has been wait in more than one frontiers lately, but this is because we have been doing deep research and fighting the enemy. With that being stated, the enemy has also fired back, but now we have prepared a great spiritual weapon that will annihilate the enemy. This is a calculated strike that they cannot save themselves from.

The stars in all the heavens are shouting now for the enemy to be destroyed. Quite literally and astrologically.

We will be doing three Rituals. Two we have already done before, and one is a new one. The third Ritual is the new one, and this will destroy the lie of their Nazarene, a lie that has created and formed all their authorities in all levels.

The first two Rituals will destroy them where they hurt the most, which is the material aspect of their slave-ship, completely bringing them down in all levels. We have already done these, so their power simply multiplied, ADDED on the power we have already channelled into them.

Before anything further is stated, there is a great Eclipse coming that will affect (be Visible) from America but will affect the whole globe. In the past, during Great Eclipses such as this, the balance of power has tipped severely in the opposite direction. In other words, we must ingrain this in our mind as we do this ritual, that this is an extremely powerful and calculated blow we will be delivering to the enemy, from which, they will never recover.

Our mindset should be in the above regard. While all RTR's are mighty, this combination at this time and particular instance is one in thousands or more. We are dropping a spiritual Nuke straight into the center of the enemy spiritual headquarters. This will destroy them and play a major role in their whole deconstruction and annihilation.

For that reason, everyone needs to participate. When this is said, everyone, it means, EVERYONE. Nobody must be excluded at least for the 21st, and the day after.

We have to give this everything we've got. It will be a great pleasure to everyone to see the enemy sinking as they rightfully deserve, and this is what this calculated strike

will do. They will be incapable of defending themselves as well from it. It is a blow straight to the heart.

These Rituals will be of IMPECCABLE IMPORTANCE to how the War as a whole will be turning. In other words, if you want to throw bolts of the heavens until the enemy is destroyed, NOW IS THE TIME TO ACT ON THIS! These will be of the most damaging Rituals, in conjunction to time, we have ever done. **This is a chance in DECADES.**

**Make sure to spread and share the Rituals. POST ANY QUESTIONS NEEDED ASAP AND BELOW.**

As for our translators, a fast translation before the Eclipse is exactly the reason these are posted earlier.
