These Rituals are mandatory for the upcoming days.

They must both be done.

Now Forum Member and me too we covered this before.

Bnai Berry or the Black Jew, Obama, wants to destroy the internet. This didn't stop, this is ongoing. This is a determined effort and they want to censor it and promote it over to "National Security" or the "United Nations". The "United Nations" are a jew owned institution, jew created, and is their "International Body" that acts to suppress countries and indicate them anything they want, that has been a suppressor of freedom for almost a century by now. Rest reassured, if this happens, we may be expecting company in our doors, and things will just escalate to an even worse way. Freedom in the net will be gone. Blacklists, even dead-lists, may come into existence.

WE HAVE TO STOP THIS.

To give you an idea of what will be done? **They will be able to amass IP lists, information, and invade your house or your door without verdicts. They can even announce each and every person they want as a "terrorist", omit any words they want online, make watchlists, and utterly destroy freedom of speech. This will only escalate if left like this.**

Why this happens COINCIDENTALLY only now? Because only now through the internet people are becoming jew-aware. That's why. The Jews want to "SHUT IT DOWN" before it is too late. Bnai Barry and the Jews are worried for the race. So they want to sell the world for a buck.

Bnai Barry the Talmudic Black Jew wants this done before he "leaves office", to crown his worthless reign for the jews with even more censorship, law crushing, and damage.

What American people can do is call their congressmen, senators, and generally, use all means in your arsenal to promote this further. This shit cannot fly.

They have zero respect for free speech. All "Antisemitic" things will be closed down if they are given power to do this, and Jew Bnai Barry wants to do this as fast as possible before leaving office. The jews are panicked and they want to shut down the internet. This is why this will be one of our priority Rituals.

Below will be posted the 72 names reversal Ritual, which is one of the most powerful and potent we have ever done. This literally got the enemy deadly concerned. We must continue this until the next notice.

Both rituals have to be done daily, and spammed relentlessly. Go by how you feel in which you need to spam more on each day, and trust your intuition. Both must be done daily.

I hate to post this "Alex ADL Jones", but this video will inform you on what is going up to some extent:
