

CURSING THE JEWISH GOD, RITUAL TWO Cursing the 72 “Names of God”

This is THE most important and the most powerful Reverse Torah Ritual we will be doing.

Because of the length of this ritual, I added in superscript, the number of each of the three letter names to eliminate confusion. The following are also divided into 4 sections; lines 1, 2, 3 and 4.

Lilith explained that each of the former rituals was like “peeling an onion” in the way of stripping the enemy of their power.

This ritual can be repeated as many times as you wish. You can begin this ritual at any time.

The words below are to be vibrated. By vibrating these words, this will strip the Jews of both protection and power. The more people we have who will be doing this ritual, the better, as there is both strength and power in numbers.

This ritual should be done as often as you are able to, and is a very good cathartic when you feel anger and hatred towards the enemy. All you need to do is vibrate the 4 lines [72 three letter names] below at least one time, preferably three times.

Please read through the pronunciation directly below. Most of the letters here are repeats. I have included an mp3 of the words for you all to download.

Key to pronouncing the words correctly:

- AH as in the American English word father
- Ah the lower case h indicates a very small H sound, like *H-* a small exhale
- ‘AH Glottal stop as in the American English word *hour*
- AI as in the American English words *day, say, made*
- AY as in the American English words *day, say, made*
- AYh – you will see this often, the vowel sound is between a long A as in *case*, and a short e as in *pet*.
- EE as in the American English words *seek* and *week*
- EH as in the American English words *pet, set,* and *let*
- KH is guttural and the sound is made in the back of the throat
- OH as in the American English words *oh* and *go*
- OI as in the American English word *oil*
- ‘OH Glottal stop as in the American English word *hour*
- OHy The lower case y indicates a very short Y sound
- R's should be rolled
- TH soft TH as in the American English words *thin, thick*
- TH [underlined] hard TH as in the American English words *the, there, that*
- TS, as in the American English word *oats*, or as in *pizza*
- UU as in the American English words *sooth* and *tooth*

- VW The V and W together is a cross between the letter V and the letter W. This is biblical Hebrew. Listen to the Mp3, or do the best you can. You can substitute the letter W and this will still be valid.

- The Jews have lost all protection
- The Gates of Satan have permanently opened wide
